George Pledges Fight In Senate To Restore Aid

Says House Slash In Foreign Aid Is 'Too Great' A Cut

WASHINGTON, June 2 —UP—Sen. Walter F. George (D-Ga.) served notice Saturday that he will fight to restore part of the billion-dollar slash in President Eisenhower's foreign military aid program voted by the House Foreign Affairs committee.

George is chairman of the Senate Foreign Relations committee which may begin work on the aid bill next week. He told the United Press the House committee's cut was "too great" and could seriously impair the effectiveness of the NATO defense alliance in western Europe.

The Democratic foreign policy leader said "some cut may be justified" in Mr. Eisenhower's $3.1 billion military budget but it ought not to be deep. He voiced hope that the House, which is scheduled to act on the aid bill Wednesday or Thursday, will "partially" restore the committee's cut.

If not, George made clear, he will lead a drive in the Senate for a military aid authorization somewhere between the sum approved by the House committee and the sum sought by the President.

Prospects for the House overruling its foreign affairs committee appeared dim. There are indications administration forces will forego any real effort to restore the cut on the house floor.

Rep. John M. Vorys (R-Ohio) a ranking GOP member of the House Foreign affairs committee, said he had not yet decided whether he will offer an amendment to restore any of the funds.

Vorys favored some reduction but sharply opposed the heavy cut.

Another committee member said he did not think the house would be in a mood to restore the funds. The committee approved the cut by a vote of 18 to 11.

Two Monroe Men Plan To Attend Banking Course

Two Monroe bankers, as well as numerous other persons from financial institutions throughout the nation, Monday will enter a two-week school of banking held annually in Baton Rouge.

Grayson Guthrie, vice - president of the Central Savings Bank and Trust Company, and J. Herbert Walker, manager of the Fourth street branch bank of the Ouachita National Bank, will attend.

This will be Guthrie's first year in the school, and the second year for Walker.

The course is held each June and for three successive summers. Through the winter it is carried on by correspondence and all phases of banking from nationally well known bankers and college professors will be presented.

At the end of the third year the men who have taken the course will be given what amounts to diplomas attesting the studies completed successfully.

This will mark the seventh session of the School of Banking of the South conducted by bankers associations of nine Southern states, and LSU.

This is, in effect a post-graduate course in banking problems which involves two weeks of hard study, and a set of correspondence courses between sessions.

It is a three year school after which the banker-students successfully completing the prescribed study will be graduated. Expected to receive diplomas at formal exercises on June 16 are bankers.

In the second year class, more than 100 bankers will return for further study, while 122 will be on

Long's Attempt To Write New State Constitution Near Legislative Action

BATON ROUGE, June 2 (AP)—Gov. Earl K. Long pits his new political power against time-tested odds in trying once more for a Louisiana constitutional convention.

One of the top features in the 1956 Legislature, which returns for the fourth week of its 60-day session Sunday night, is Long's proposal for a 1957 convention.

Recent political history points to a struggle ahead.

Long tried twice, in his 1950 regular Legislature and again in a special session a month later, to draft a convention. He had to abandon the whole idea.

Under former Gov. Robert Kennon two efforts were made—in the 1952 and 1954 regular sessions—to pass a convention bill. But the sponsors failed. Kennon, unlike Long, never got behind the idea and shoved with all his might.

Public organizations such as the Public Affairs Research Council have pointed to the need for constitutional revision. And Long apparently commands as much legislative strength as he ever had.

In its legislative journey, requiring a two thirds vote in each house, the convention amendment faces the country bloc. The rural legislators are determined to resist any step toward reapportionment of the Legislature because they fear a disturbance in the balance between city and country.

Last week, some 30 rural house members organized to block any reapportionment. Rep. Willard Rambo, cigar-smoking chairman of the group, declared, "we're not here to hinder or further the administration—but if reapportionment passes and the cities get more power, we might as well sit home because they'll take care of our business here."

Rambo's group hasn't spoken out about a convention. But rural

Cancer Fatal To Veteran Screen Actor Hersholt

HOLLYWOOD, June 2 (AP)—Actor Jean Hersholt, the kindly Dr. Christian of movies and radio, died of cancer today after a year-long siege of operations and illnesses.

Had he lived until July 1, he would have been 70.

The onetime Danish immigrant, 50 years an actor, had received in his liftime such honors as knighthood from his native land; two special movie Oscars, honorary degrees from four American colleges and, only last month, one of the biggest civic testimonials in Hollywood history.

He died in the nearby Beverly Hills home where he had lived for more than 30 years. With him at death was his wife, Via, to whom he had been married 42 years.

Dr. Maynard Bransma said death was caused by progressive cancer of the pancreas.

Hersholt's philanthropies earned him the love and respect of the film industry.

Hersholt served four years as president of the Academy of Motion Picture Arts and Sciences. From the academy he received two special Oscars, in 1939 and 1941, for his activities on behalf of his fellow actors.

Hersholt was a founder of the Motion Picture Country Day Home and, for 18 years, headed the relief fund which took care of needy actors in their old age.

Veteran actor Charles Coburn said:

"Jean had a glorious knack of making actors who were broke feel they were not accepting charity—just the comfortable retirement that their work through the years had earned them."

The world, in recent years, had known Hersholt only as the beloved Dr. Christian. But his success as the villain with Mary Pickford in "Tess of the Storm Country" made him one of the most sought-after heavies of the silent movies.

Fair And Mild Weather Outlook

Fair and mild today and partly cloudy and warm tomorrow is the weather outlook for Louisiana.

Generally fair and mild is also forecast for Arkansas. Widely scattered thundershowers are predicted for the northwest portion Monday.

Maximum and minimum temperatures in the Monroe area yesterday were 78 and 55 degrees, according to the CAA station at Selman Field.

NEW ORLEANS, June 2 (AP) — Three federal judges today took under advisement a Louisiana Public Service Commission petition asking a review of the Securities and Exchange Commission order which directed the Louisiana Power and Light Company to dispose of its non-electric properties.

Robert Ainsworth Jr., commission attorney, said the separation would cost rate payers $957,193 more annually.

Company attorneys said no benefits would result by the separation.

SEC attorneys said they saw no reason why the petition should not be dismissed.

NEW ORLEANS, June 2 (AP) — The New Orleans Times-Picayune said today it found gambling in progress at three nightspots in nearby Jefferson Parish.

The games of chance, it said, included poker, blackjack and another card game known as monte.

In one place reporters were told if they "hit the jackpot" on an electronic device the house would pay off.

SHREVEPORT, La. June 2—UP — The Louisiana Methodist Conference will return here for its 1957 meeting.

The decision was made as the 1956 conference closed Friday with the approval of a budget of $188,812 for benevolent work in the conference and world services.

In other final day action it was voted to hold the pastors' school here this year from Aug. 27-31. All church appointments for the coming church year were announced by Bishop Paul E. Martin of the Louisiana-Arkansas area.

M'Keithen Hits Long Plan To Revise LPSC

Longtime Ally Of Governor Objects To Extended Term

BATON ROUGE, June 2 (AP)—Public Service Commissioner John J. McKeithen, a long time political ally of Gov. Earl Long, said today he opposed a Long plan to revise the Public Service Commission.

The proposal would increase commission membership from three to five, extend the terms of present members and allow the governor to name two additional commissioners.

McKeithen said, "under no circumstances do I feel that I should ask or be placed in a position of acquiescing in any legislation which tends to extend the term of office to which the people of north Louisiana elected me."

McKeithen was Long's House floor leader during his 1948-52 term and ran for lieutenant governor in 1952, backed by Long. He was an active speaker during Long's last campaign for governor.

"I had nothing to do with sponsoring of this legislation," McKeithen said, "but I shall request the Legislature to amend the bill so that my own term of office would not be extended."

He said he would make the request when the bill comes before a House committee for study. McKeithen refused comment on other portions of the bill.

Other commission members are Nathaniel B. Knight Jr. of Gretna and chairman Wade O. Martin Sr. of St. Martinville.

Power Disrupted

Three Monroyans Injured In Delhi Auto Collision

Three Monroe residents, one in a critical condition, were receiving treatment at St. Francis hospital last night as a result of injuries suffered at about 6:30 a.m. yesterday in a traffic collision at Delhi which caused a morning long power failure over a wide area.

Most seriously injured was Mrs. Warren N. Lasyone, 42, of 305 South McGuire Avenue, Monroe, who suffered a fractured skull, a fractured nose, a fractured jaw and a broken ankle. Her husband, received five broken ribs, and her niece, Edna Whatley, 13, suffered injuries of the chest and ankles.

Delhi police said a car driven by Lasyone was in collision with a pickup truck operated by L. C. Roberts of near Delhi at the intersection of Highway 80 and Chatham street. They said Lasyone, who was headed east on Highway 80, apparently ran the redlight at the intersection, his car striking the pickup and careening into a power line pole on his right. The impact broke the pole, causing an electric power failure throughout Delhi except on the extreme south end and over a wide portion of outlying area, police reported.

Electric power service was restored at 12:30 p.m. Police said the impact of the car apparently blew a transformer. They were still investigating the accident late last night and expected to hear from more witnesses today.

The three patients were treated at the Delhi clinic and later transferred to St. Francis.

8 Russian Church Leaders Arrive For Tour Of U. S.

NEW YORK, June 2—UP—Eight Russian church leaders arrived here Saturday for a 10-day lesson in religious freedom in the United States.

They got their first taste of democracy the moment they stepped onto American soil for the first time. While officials of one religious organization shook their hands in welcome, members of another picketed the airport terminal to protest the visit of "spies."

The visitors' Scandinavian Airlines plane touched down at Idlewild international airport at 3:25 p. m. edt, nearly six hours late because of bad weather. They were whisked off shortly afterward for plush suits in the Waldorf-Astoria hotel towers, where such famous Americans as former President Herbert Hoover and Gen. Douglas MacArthur reside.

Rain-soaked pickets, organized by the American Council of Christian Churches, charged the visitors were Soviet agents, rather than true ministers.

Top Russian Bosses Greet Marshal Tito

MOSCOW, June 2 (AP)—President Tito of Yugoslavia, arriving for a triumphal state visit, declared today the Communist nations would never again be split as they were when the Kremlin tossed Tito aside in 1948.

Tito, resplendent in his gold braided marshal's uniform and with cheers of thousands of Russians ringing in his ears, said in a speech broadcast from gaily decorated Kievsky railroad station:

"The spirit of Lenin's principles of collective leadership are such that I am sure there never again will be misunderstanding among the nations of the Socialist (Communist) camp."

Standing beside Tito in brilliant late afternoon sunshine as he spoke were Premier Nikolai Bulganin, Communist party chief Nikita Khrushchev, and President Klementi Voroshilov.

Others included newly appointed Foreign Minister Dmitri Shepilov and the veteran old Bolshevik he succeeded, V. M. Molotov.

Tito came to Moscow to patch up what differences remain between him and the present Soviet leadership. There was wide belief that last night's naming of Shepilov, a friend of Tito, as foreign minister, had been timed to coincide with the arrival of Tito, who has little love for Molotov.

Thousands turned out to give Tito the biggest welcome Moscow had seen since the arrival of Indian Prime Minister Nehru last year.

Tito did not hesitate to refer to what he termed the "difficult" period after the 1948 break between Yugoslavia and the Communist countries led by the Soviet Union. Molotov, as foreign minister under Premier Stalin, played an important role in bringing it about.

Speaking in Russian with a heavy Yugoslav accent, Tito declared:

"We have come with the best wishes of our people. We were very happy to receive your invitation to see your wonderful country. It is not necessary to repeat that your efforts in constructing socialism have achieved great results. Since the days of the October Revolution and through the years of the great patriotic war the hearts of the Yugoslav people have been with you."

TITO ARRIVES IN SOVIET UNION—Yugoslavia's president, Marshal Tito, returns the salute of the honor guard on the station platform in Kishenev, Soviet Moldavia, as his special train arrived in the Soviet Union en route to Moscow on a state visit. Others are unidentified. In what observers saw as another Russian move to make peace with Tito, the Soviets replaced old Bolshevik V. M. Molotov with Dmitri Shepilov as foreign minister. Gas-Gathering Taxes In Louisiana Opposed By Chamber Of Commerce

Grayson Guthrie, president of the Monroe Chamber of Commerce, has informed members of the House Ways and Means Committee that passage of a bill calling for increased gas-gathering taxes in Louisiana could lose to this area the planned $40,000,000 expansion program at Olin-Mathieson Corporation in West Monroe.

The statement was made in a letter mailed Friday to all members of the committee in an attempt to halt passage of the bill there. The bill—House Bill 120 — will come up in committee at 9 a.m. Monday.

Guthrie, although quoting no Olin sources for his information, took a dark outlook on the huge company's plans if the bill is passed.

"Frankly," he said, in the letter, "we are faced with losing a $40,000,000 expansion of the Olin Corporation if the bill goes through! This isn't a threat posed on us by Olin; instead, it's just common sense. They simply have no incentive to go ahead with their plans if they are faced with increasing costs on gas."..... .. ..

The gas gathering bill would call for an increase of from one cent per 1000 cubic feet to 3½ cents per 1000 cubic feet, and has been strongly protested by a number of civic groups and large industrial firms.

The whole of Guthrie's letter follows:

"As President of the Monroe Chamber of Commerce, I want to

Only 7 Changes In Pastors Made By Methodists

At the closing session of the Louisiana Methodist Conference in Shreveport Friday, assignments for the coming year were read. In Monroe and West Monroe, no changes were reported. Claiborne church, however, was assigned a new pastor who is Rev. D. F. Anders.

Bastrop, at a newly established church, will have as pastor, Rev. B. B. Forman, while Kilbourne church will have as pastor Rev. John D. Bell. The former pastor, Rev. S. L. Lantrip, will retire. Bonita will have as pastor, Rev. G. L. Cagle, while the former pastor, Rev. F. E. Sterrett, will be assigned to Pine Grove.

Ferriday's new pastor will be Rev. J. P. McKeithen, to succeed Rev. D. W. Alverson, who goes to the pastorate of the Napoleon Avenue church in New Orleans.

The First Methodist church in Rayville will have Rev. W. D. Boddie as the new pastor, while

$180 Million For School Bonding Authority Sought

BATON ROUGE, June 2 (AP)—The Louisiana Legislature, in a new bill tomorrow will be asked to create a state school building commission with power to issue 180 million dollars in bonds.

It will be the second legislative effort within a year to place the state in the business of helping parishes construct public schools. The state, in effect, would provide matching funds on a 50-50 basis.

Rep. Horace Lynn Jones, Calcasieu Parish, said he will introduce the proposal when the House of Representatives returns Sunday night.

The bonds would be based on fixed revenues established by revising the existing parish property taxes on natural gas pipelines.

Jones said parish assessments vary, and the legislation would establish a statewide, uniform tax rate under supervision of the new school building commission.

To make up the loss to parishes in property taxes, Jones explained, parishes would for the first time in Louisiana history receive state help in school construction costs.

Jones already has sponsored, with the help of two Gov. Earl Long Senate leaders, a tax boost in the gas gathering levy to finance teachers pay raises.

The 1955 fiscal Legislature, under former Gov. Robert Kennon, okayed a 33-million dollar bill which would have granted state aid to local school construction.

Kennon vetoed the big bill, contending both before and after it was introduced and passed, that such steps would jeopardize state funds already spent for education.

While the state provides the bulk of educational expenses, it leaves to parishes and cities the job of finding their own tax money to build elementary and secondary schools.

Rep. Jones; a House leader in sponsoring educational bills, said the new uniform tax rate should

300 Killed In Massive Attack On Stronghold

Four-Month Rule Of South Algeria By Rebels Broken

ALGIERS, June 2 —UP— Two French divisions snapped shut a deadly trap Saturday on five Algerian rebel groups under turbaned General Si Amrouche, killing nearly 300.

French authorities called it "the biggest battle of the year."

They said French troops also captured more than 150 in three days of fighting in the wild Petite Kabylie Mountains, 35 miles miles south of Bougie.

Several hundred rebels were reported reeling Saturday under constant hammering by field artillery and war planes.

The rebels under self-styled General Si Amrouche were said to be regrouping, apparently for a desperate attempt to break out of the triangle trap near Lafayette.

For four months the rebels ruled the area between Abkou in the north, Bordj Bou Arreridj in the south and Lafayette in the east.

French troops drove toward the center of the craggy, cave studded area Saturday. They used knives, bayonets and gun butts in scattered close fighting.

Army sources said the mop-up should be completed soon when the 29th Infantry Division has linked up with the Seventh Rapid Mechanized Division that carried the brunt of the three-day battle.

Fighting started when Amrouche's units were engaged by Gen. Gerard Baufre's Seventh Division.

French scouts uncovered camouflaged repair shops, a dug-in ammunition workshop, tons of food supplies, two workshops turning out hand-grenades and a stock of U.S. Army uniforms.

Scattered rebel bands struck back elsewhere in the 947,552-square mile Algerian tinderbox.

Meeting Of Joint Korean Armistice Group Set Monday

SEOUL, June 2—UP—The Communist military high command Saturday called the United Nations allies to a face-to-face meeting Monday, presumably to denounce the UN order ousting neutral truce inspectors from South Korea.

The Communist call was made as Radio Peiping bitterly attacked the expulsion move as an attempt to "wreck" the 1953 Korean ceasfire.

The UN armistice delegation at Munsan announced that the North Korean and Communist Chinese military headquarters called a meeting of the Joint Military Armistice Commission for 2:30 p.m. Monday.

The brief UN announcement disclosed only that the Communists "stated that among the subjects to be discussed will be matters concerning alleged violations of the armistice agreement by the United Nations command."

But the Communist radio underscored Red displeasure over the UN ouster order against Polish, Czech, Swiss and Swedish truce inspectors.

The U N military allies charged the inspectors had failed to halt the build-up of Communist forces in North Korea in violation of the ceasefire agreement.

50,000 Indians Battle Policemen In Bombay Riots

BOMBAY, June 2 (UP)—An estimated 50,000 "peaceful resistance" demonstrators clashed with police Saturday in a protest against Prime Minister Jawahar lal Nehru's decision to make Bombay a federal district.

Several persons were injured. Police arrested at least 680 persons, mostly demonstrators.

The clash came as Nehru's ruling congress party met here to discuss the report of a special commission for alteration of India's state boundaries along language lines.

Congress party delegates met under a huge canvas tent, while members of the Maharastrian language group met in protest nearby.

Trouble started when thousands of Maharastrian sympathizers pressed toward the congress campsite where other demonstrators already were squatting on the ground in "peaceful resistance" protest. Some carried red flags and chanted, "we want Bombay."

Longtime Ally Of Governor Objects To Extended Term

BATON ROUGE, June 2 (AP)—Public Service Commissioner John J. McKeithen, a long time political ally of Gov. Earl Long, said today he opposed a Long plan to revise the Public Service Commission.

The proposal would increase commission membership from three to five, extend the terms of present members and allow the governor to name two additional commissioners.

McKeithen said, "under no circumstances do I feel that I should ask or be placed in a position of acquiescing in any legislation which tends to extend the term of office to which the people of north Louisiana elected me."

McKeithen was Long's House floor leader during his 1948-52 term and ran for lieutenant governor in 1952, backed by Long. He was an active speaker during Long's last campaign for governor.

"I had nothing to do with sponsoring of this legislation," McKeithen said, "but I shall request the Legislature to amend the bill so that my own term of office would not be extended."

He said he would make the request when the bill comes before a House committee for study. McKeithen refused comment on other portions of the bill.

Other commission members are Nathaniel B. Knight Jr. of Gretna and chairman Wade O. Martin Sr. of St. Martinville.

Power Disrupted

Three Monroyans Injured In Delhi Auto Collision

Three Monroe residents, one in a critical condition, were receiving treatment at St. Francis hospital last night as a result of injuries suffered at about 6:30 a.m. yesterday in a traffic collision at Delhi which caused a morning long power failure over a wide area.

Most seriously injured was Mrs. Warren N. Lasyone, 42, of 305 South McGuire Avenue, Monroe, who suffered a fractured skull, a fractured nose, a fractured jaw and a broken ankle. Her husband, received five broken ribs, and her niece, Edna Whatley, 13, suffered injuries of the chest and ankles.

Delhi police said a car driven by Lasyone was in collision with a pickup truck operated by L. C. Roberts of near Delhi at the intersection of Highway 80 and Chatham street. They said Lasyone, who was headed east on Highway 80, apparently ran the redlight at the intersection, his car striking the pickup and careening into a power line pole on his right. The impact broke the pole, causing an electric power failure throughout Delhi except on the extreme south end and over a wide portion of outlying area, police reported.

Electric power service was restored at 12:30 p.m. Police said the impact of the car apparently blew a transformer. They were still investigating the accident late last night and expected to hear from more witnesses today.

The three patients were treated at the Delhi clinic and later transferred to St. Francis.

8 Russian Church Leaders Arrive For Tour Of U. S.

NEW YORK, June 2—UP—Eight Russian church leaders arrived here Saturday for a 10-day lesson in religious freedom in the United States.

They got their first taste of democracy the moment they stepped onto American soil for the first time. While officials of one religious organization shook their hands in welcome, members of another picketed the airport terminal to protest the visit of "spies."

The visitors' Scandinavian Airlines plane touched down at Idlewild international airport at 3:25 p. m. edt, nearly six hours late because of bad weather. They were whisked off shortly afterward for plush suits in the Waldorf-Astoria hotel towers, where such famous Americans as former President Herbert Hoover and Gen. Douglas MacArthur reside.

Rain-soaked pickets, organized by the American Council of Christian Churches, charged the visitors were Soviet agents, rather than true ministers.

Arrives In Moscow

Top Russian Bosses Greet Marshal Tito

MOSCOW, June 2 (AP)—President Tito of Yugoslavia, arriving for a triumphal state visit, declared today the Communist nations would never again be split as they were when the Kremlin tossed Tito aside in 1948.

Tito, resplendent in his gold braided marshal's uniform and with cheers of thousands of Russians ringing in his ears, said in a speech broadcast from gaily decorated Kievsky railroad station:

"The spirit of Lenin's principles of collective leadership are such that I am sure there never again will be misunderstanding among the nations of the Socialist (Communist) camp."

Standing beside Tito in brilliant late afternoon sunshine as he spoke were Premier Nikolai Bulganin, Communist party chief Nikita Khrushchev, and President Klementi Voroshilov.

Others included newly appointed Foreign Minister Dmitri Shepilov and the veteran old Bolshevik he succeeded, V. M. Molotov.

Tito came to Moscow to patch up what differences remain between him and the present Soviet leadership. There was wide belief that last night's naming of Shepilov, a friend of Tito, as foreign minister, had been timed to coincide with the arrival of Tito, who has little love for Molotov.

Thousands turned out to give Tito the biggest welcome Moscow had seen since the arrival of Indian Prime Minister Nehru last year.

Tito did not hesitate to refer to what he termed the "difficult" period after the 1948 break between Yugoslavia and the Communist countries led by the Soviet Union. Molotov, as foreign minister under Premier Stalin, played an important role in bringing it about.

Speaking in Russian with a heavy Yugoslav accent, Tito declared:

"We have come with the best wishes of our people. We were very happy to receive your invitation to see your wonderful country. It is not necessary to repeat that your efforts in constructing socialism have achieved great results. Since the days of the October Revolution and through the years of the great patriotic war the hearts of the Yugoslav people have been with you."

TITO ARRIVES IN SOVIET UNION—Yugoslavia's president, Marshal Tito, returns the salute of the honor guard on the station platform in Kishenev, Soviet Moldavia, as his special train arrived in the Soviet Union en route to Moscow on a state visit. Others are unidentified. In what observers saw as another Russian move to make peace with Tito, the Soviets replaced old Bolshevik V. M. Molotov with Dmitri Shepilov as foreign minister. Gas-Gathering Taxes In Louisiana Opposed By Chamber Of Commerce

Grayson Guthrie, president of the Monroe Chamber of Commerce, has informed members of the House Ways and Means Committee that passage of a bill calling for increased gas-gathering taxes in Louisiana could lose to this area the planned $40,000,000 expansion program at Olin-Mathieson Corporation in West Monroe.

The statement was made in a letter mailed Friday to all members of the committee in an attempt to halt passage of the bill there. The bill—House Bill 120 — will come up in committee at 9 a.m. Monday.

Guthrie, although quoting no Olin sources for his information, took a dark outlook on the huge company's plans if the bill is passed.

"Frankly," he said, in the letter, "we are faced with losing a $40,000,000 expansion of the Olin Corporation if the bill goes through! This isn't a threat posed on us by Olin; instead, it's just common sense. They simply have no incentive to go ahead with their plans if they are faced with increasing costs on gas."

The gas gathering bill would call for an increase of from one cent per 1000 cubic feet to 3½ cents per 1000 cubic feet, and has been strongly protested by a number of civic groups and large industrial firms.

The whole of Guthrie's letter follows:

"As President of the Monroe Chamber of Commerce, I want to

Only 7 Changes In Pastors Made By Methodists

At the closing session of the Louisiana Methodist Conference in Shreveport Friday, assignments for the coming year were read. In Monroe and West Monroe, no changes were reported. Claiborne church, however, was assigned a new pastor who is Rev. D. F. Anders.

Bastrop, at a newly established church, will have as pastor, Rev. B. B. Forman, while Kilbourne church will have as pastor Rev. John D. Bell. The former pastor, Rev. S. L. Lantrip, will retire. Bonita will have as pastor, Rev. G. L. Cagle, while the former pastor, Rev. F. E. Sterrett, will be assigned to Pine Grove.

Ferriday's new pastor will be Rev. J. P. McKeithen, to succeed Rev. D. W. Alverson, who goes to the pastorate of the Napoleon Avenue church in New Orleans.

The First Methodist church in Rayville will have Rev. W. D. Boddie as the new pastor, while

$180 Million For School Bonding Authority Sought

BATON ROUGE, June 2 (AP)—The Louisiana Legislature, in a new bill tomorrow will be asked to create a state school building commission with power to issue 180 million dollars in bonds.

It will be the second legislative effort within a year to place the state in the business of helping parishes construct public schools. The state, in effect, would provide matching funds on a 50-50 basis.

Rep. Horace Lynn Jones, Calcasieu Parish, said he will introduce the proposal when the House of Representatives returns Sunday night.

The bonds would be based on fixed revenues established by revising the existing parish property taxes on natural gas pipelines.

Jones said parish assessments vary, and the legislation would establish a statewide, uniform tax rate under supervision of the new school building commission.

To make up the loss to parishes in property taxes, Jones explained, parishes would for the first time in Louisiana history receive state help in school construction costs.

Jones already has sponsored, with the help of two Gov. Earl Long Senate leaders, a tax boost in the gas gathering levy to finance teachers pay raises.

The 1955 fiscal Legislature, under former Gov. Robert Kennon, okayed a 33-million dollar bill which would have granted state aid to local school construction.

Kennon vetoed the big bill, contending both before and after it was introduced and passed, that such steps would jeopardize state funds already spent for education.

While the state provides the bulk of educational expenses, it leaves to parishes and cities the job of finding their own tax money to build elementary and secondary schools.

Rep. Jones, a House leader in sponsoring educational bills, said the new uniform tax rate should

Four-Month Rule Of South Algeria By Rebels Broken

ALGIERS, June 2 —UP— Two French divisions snapped shut a deadly trap Saturday on five Algerian rebel groups under turbaned General Si Amrouche, killing nearly 300.

French authorities called it "the biggest battle of the year."

They said French troops also captured more than 150 in three days of fighting in the wild Petite Kabylie Mountains, 35 miles miles south of Bougie.

Several hundred rebels were reported reeling Saturday under constant hammering by field artillery and war planes.

The rebels under self-styled General Si Amrouche were said to be regrouping, apparently for a desperate attempt to break out of the triangle trap near Lafayette.

For four months the rebels ruled the area between Abkou in the north, Bordj Bou Arreridj in the south and Lafayette in the east.

French troops drove toward the center of the craggy, cave studded area Saturday. They used knives, bayonets and gun butts in scattered close fighting.

Army sources said the mop-up should be completed soon when the 29th Infantry Division has linked up with the Seventh Rapid Mechanized Division that carried the brunt of the three-day battle.

Fighting started when Amrouche's units were engaged by Gen. Gerard Baufre's Seventh Division.

French scouts uncovered camouflaged repair shops, a dug-in ammunition workshop, tons of food supplies, two workshops turning out hand-grenades and a stock of U.S. Army uniforms.

Scattered rebel bands struck back elsewhere in the 947,552-square mile Algerian tinderbox.

Meeting Of Joint Korean Armistice Group Set Monday

SEOUL, June 2—UP—The Communist military high command Saturday called the United Nations allies to a face-to-face meeting Monday, presumably to denounce the UN order ousting neutral truce inspectors from South Korea.

The Communist call was made as Radio Peiping bitterly attacked the expulsion move as an attempt to "wreck" the 1953 Korean ceasfire.

The UN armistice delegation at Munsan announced that the North Korean and Communist Chinese military headquarters called a meeting of the Joint Military Armistice Commission for 2:30 p.m. Monday.

The brief UN announcement disclosed only that the Communists "stated that among the subjects to be discussed will be matters concerning alleged violations of the armistice agreement by the United Nations command."

But the Communist radio underscored Red displeasure over the UN ouster order against Polish, Czech, Swiss and Swedish truce inspectors.

The U N military allies charged the inspectors had failed to halt the build-up of Communist forces in North Korea in violation of the ceasefire agreement.

50,000 Indians Battle Policemen In Bombay Riots

BOMBAY, June 2 (UP)—An estimated 50,000 "peaceful resistance" demonstrators clashed with police Saturday in a protest against Prime Minister Jawahar lal Nehru's decision to make Bombay a federal district.

Several persons were injured. Police arrested at least 680 persons, mostly demonstrators.

The clash came as Nehru's ruling congress party met here to discuss the report of a special commission for alteration of India's state boundaries along language lines.

Congress party delegates met under a huge canvas tent, while members of the Maharastrian language group met in protest nearby.

Trouble started when thousands of Maharastrian sympathizers pressed toward the congress campsite where other demonstrators already were squatting on the ground in "peaceful resistance" protest. Some carried red flags and chanted, "we want Bombay."

Music Clinic To Be Held In June At Northwestern

NATCHITOCHES, June 2 (Special)—Applications are pouring in for the 18th annual summer music clinic to be held at Northwestern State College from June 10 through June 22.

Sherrod Towns, head of the Northwestern music department, sponsors of the special event which brings high school students to the local college campus from all over Louisiana, said enrollment will be limited to 125, so any student interested in attending should get his application in soon as, possible.

Classes in band, piano, baton twirling, chorus, and a variety of things connected with music will be taught.

Featured in the teaching staff will be Clarence Sawhill of the University of California at Los Angeles, whose band was seen on television during the Rose Bowl show. Sawhill is one of the top band directors in the country. He will be guest conductor during the last week of the clinic.

Another newcomer, Dr. Victor H. Hardt, chairman of the department of music at the Stout Institute in Menomonie, Wis., will be the summer band director.

Adam West of Shreveport will teach classes in elementary, intermediate and advanced twirling and drum-majoring, while Hugh Gordon Deen of Columbus, Ga., will conduct choral singing, and Lorane Brittain and Eleanor Brown, both of NSC faculty, will teach piano students.

Towns said the clinic is shaping up this summer as "the finest one we've had since they began." An enthusiastic group of youngsters is expected to take part, with these outstanding consultants, taking part, he added.

Those charged with drunk driving included Louis Navarro, 40, Lake Providence; Anonio C. Lopez, 37, Tallulah; John Newman, 24, St. Joseph; and John F. Simmons, 50, Route 2, Box 131, Monroe.

Others charges included 15 of reckless driving, seven of speeding in autos, three of speeding in trucks, five of which the to go to trucks, five of having no driver's license, three of theft, two of disturbing the peace, and one of having an oversize load.

Music Clinic To Be Held In June At Northwestern

NATCHITOCHES, June 2 (Special)—Applications are pouring in for the 18th annual summer music clinic to be held at Northwestern State College from June 10 through June 22.

Sherrod Towns, head of the Northwestern music department, sponsors of the special event which brings high school students to the local college campus from all over Louisiana, said enrollment will be limited to 125, so any student interested in attending should get his application in soon as possible.

Classes in band, piano, baton twirling, chorus, and a variety of things connected with music will be taught.

Featured in the teaching staff will be Clarence Sawhill of the University of California at Los Angeles, whose band was seen on television during the Rose Bowl show. Sawhill is one of the top band directors in the country. He will be guest conductor during the last week of the clinic.

Another newcomer, Dr. Victor H. Hardt, chairman of the department of music at the Stout Institute in Menomonie, Wis., will be the summer band director.

Adam West of Shreveport will teach classes in elementary, intermediate and advanced twirling and drum-majoring, while Hugh Gordon Deen of Columbus, Ga., will conduct choral singing, and Lorane Brittain and Eleanor Brown, both of NSC faculty, will teach piano students.

Towns said the clinic is shaping up this summer as "the finest one we've had since they began." An enthusiastic group of youngsters is expected to take part, with these outstanding consultants, taking part, he added.

Recreation Program Registration Is Set

LAKE PROVIDENCE, June 2—(Special)—Van Hicks, manager of the Lake Providence division of the parish recreation program, announced a new registration date for all boys who wish to enroll in the program.

Monday, June 4, registration will be held at Legion Field, beginning at 7:00 p.m. All boys and adult leaders are requested to be present so that plans can be completed for the games which will begin Thursday, June 7. As soon as the schedule is set up, games will be played on Tuesdays and Thursdays of each week, at 7:00 p.m.

Approximately 125 boys are expected to register and team groupings will be decided as soon as possible. Various merchants and businessmen of the town have agreed to sponsor a team and will furnish T-shirts and caps for their team.

DR. ORA WATSON

NATCHITOCHES, June 2 (Special)—Mrs. Ora V. Russell Watson assistant professor of sociology at Northwestern State College, received her Ph. D. degree in sociology at Louisiana State University in commencement exercises held in Baton Rouge Saturday afternoon.

Mrs. Watson, former faculty member at Centenary College in Shreveport and Louisiana Tech in Ruston, and former teacher in the Caddo Parish school system, became the first woman to be awarded the doctorate in sociology in the L.S.U. sociology department. The advanced degree has been granted in this department for the past 25 years.

Her dissertation, entitled "A Comparative Demographic Analysis of Two Louisiana Cities, Baton Rouge and Shreveport," deals with the population growth of these two metropolitan areas, along with other significant factors, such as history, education, religion and occupations.

Dr. Homer L. Hitt, head of the departments of sociology and rural sociology, directed her study. Hitt, also associate dean of the graduate school at LSU, has won wide acclaim for his demographic studies if Louisiana. (Demography means population study).

Mrs. Watson, who has been a member of the Northwestern faculty for the past two years, received a B.S. degree from Centenary in 1937, later obtaining a master's degree from Columbia University in 1942. She was a long-time resident of Shreveport before enrolling at LSU for work toward the higher degree.

She is president of the Louisiana Council on Family Relations, a member of the American Sociological Society, the Southern Sociological Society and the National Council on Family Relations.

89th Birthday Is Celebrated By Oldest Eros Man

EROS, June 2, (Special)—E. V. Waller, the oldest citizen in this community, celebrated his eighty-ninth birthday June 1.

Waller was born in Georgia on June 1, 1867. He came to Louisiana in December, 1873. He has resided in Ouachita and in Jackson continously since coming here.

Waller recalls his arrival in Monroe. The depot was in the vicinity of Five Points. His family crossed the Ouachita on a ferry. The banks of the river were very muddy and he recalls that a Negro man took him in his arms and carried him up the river bank. A wagon and team was awaiting them. The Waller family moved to a farm in the Cadeville community. Here the boy grew to manhood.

He has been married twice. His first wife, nee Miss Mittie Reeves, passes away several years ago. Three children were born to this union, two sons and a daughter. Only the daughter, Mrs. Fannie Holm of Shreveport, survives. In 1949, Mr. Waller and Mrs. Lula Womack were united in marriage. They make their home in Eros.

Waller is a member of Eros Baptist Church and of the Eros Masonic Lodge.

In spite of his age, he is active, although his eye sight is poor. His greatest interest right now is an oil well that is being drilled on his land in the edge of Ouachita.

Race Riot In The Far North

Integration of the races, in its rare fruit and flower, as laid down by the legislative edicts and judicial fiats of the U. S. Supreme Court—that strange body of politicians which has cast law and precedent and the federal Constitution to the winds, in favor of Marxist inspired doctrines of pseudo-scientists and soothsayers—received a test this week aboard a Lake Erie amusement park vessel running from Crystal Beach in Ontario to Buffalo, N. Y.

On this vessel were hundreds of persons—eighty per cent of them Negroes, 20 per cent whites—with Negro teen-agers apparently predominating.

After a day of rioting at the amusement park, instigated and led by the Negroes, so the press accounts say, the black teen-agers took over the vessel on its "pleasure trip."

Scenes of bloodshed and horror ensued.

Margaret Wynn and Dick Hirsch, of the Buffalo Courier-Express, trained and skilled and impartial observers, were aboard the triple-decked vessel.

According to the Associated Press they reported that "Nearly 40 white youngsters, several beaten or cut, cowered below decks in the ship's dining room for most of the trip after being attacked or threatened by the many Negro teen-agers who made up the majority of the passengers.

The Associated Press added, "The reporters estimated that of the approximately 1,000 passengers, 80 per cent were Negroes."

The account of these two unbiased reporters continued:

"Members of the ship's crew and private police vainly attempted to keep order, but when one fight was broken up, another flared in a different portion of the weather-beaten boat.

"Most of the trouble was caused by gangs of Negro girls who walked the deck, attacking and molesting young white girls.

"Firecrackers were carelessly flung at passengers, exploding at their feet. Several received powder burns. Switch-blade knives were brandished. Youngsters were shoved to the deck by the rampaging mobs which rushed back and forth over the decks.

"Many older white persons were segregated by worried crew members. They sat quietly in roped-off sections of the slow-moving ship, attempting to comfort their crying, terrified children."

The scene, as described graphically by the two skilled journalists, is horrible to contemplate.

Here was an instance of primitive people, a few generations removed from complete and utter savagery, reverting to their savage blood-lust, seizing a ship at sea and exacting vengeance against the whites.

The FBI has launched an investigation. Several arrests have been made.

Here is proof, if any were needed, that racial tensions and disturbances are by no means confined to the South, but rather are nationwide, insofar as distribution of the white and Negro races creates the groundwork for friction.

Taxing A Louisiana Industry Out Of Business

The proposed 2½-cent hike in the gas gathering tax, sponsored by Governor Earl K. Long's spokesman in the State Legislature, is a harmful piece of legislation that, if enacted, is bound to have far-reaching adverse effects, in many different directions.

Louisiana already has a gas gathering tax of 1 cent per 1,000 cubic feet, the highest in the nation. With the proposed boost, the levy would reach the fantastic proportions of 38 per cent of the value of the product — a ruinous figure that well might prove a fatal handicap to the production of gas in Louisiana, and serve to drive industry out of the state.

The Long forces, playing both ends against the middle, have sought to tie the exhorbitant and unjustified gas gathering tax hike directly to the proposal for hikes in teachers' salaries. The intent of this maneuver, of course, is plain to everybody. The intent is to enlist the support of all educators and their relatives and friends in a drive to jack up the gas gathering tax.

The existing 1-cent levy yields $12.5 million annually in tax revenue. The proposed hike, theoretically, would bring in an additional $32 million. It might very well, however, put such a damper on gas production and exploration that no such sum would be realized.

Proponents of this tax hike argue that out-of-state interests would pay a major portion of the increase. This is fallacious reasoning. Gas production and distribution are highly competitive enterprises. Louisiana must be in a position to compete with such other gas-producing states as Texas, Arkansas and Mississippi; and with coal-producing commonwealths, where a slight difference in cost may mean a quick conversion from one type of fuel to another. When 38 per cent of the value of a product is slapped on as taxes, Louisiana producers will face heavy if not insuperable obstacles in selling this state's natural gas abroad; while the great industries that have moved into Louisiana, attracted by cheap fuel, will be confronted by tremendous increases in cost.

It is no secret that the Long administration in less than three weeks after taking office has thrown Louisiana industry into an uproar; and plans for multi-million dollar expansion in various communities— some of them in our Fifth Congressional district—are being re-evaluated on the theory that the climate of this commonwealth no longer is healthy for industry.

To look at another faucet of the proposed gas gathering tax boost, many farmers and landowners of the Monroe district own royalty interests in gas wells drilled a number of years ago; running from 3 to 4 cents per 1,000 cubic feet, at the wellheads, with no escalator clause, but for the duration of the wells.

Although the big gas producing companies have been paying the gas gathering tax of 1 cent, they are under no legal obligation to do so, in many if not all instances. Under a recent U. S. Supreme Court decision wellhead production of natural gas is subject to full federal regulation. These land-owners easily may find themselves in the unenviable position of owing a half cent on every 1,000 cubic feet of gas produced, and thus facing financial ruin.

To understand the full impact of the proposed boost, it is currently estimated that the 2½-cent hike in the gas gathering tax would cost Kaiser Aluminum Company in Louisiana $2 million annually. Commercial Solvents at Sterlington and Olin Mathieson at West Monroe are heavy industrial users of Louisiana natural gas. Both companies have been busy recently drawing plans for expansion on a multi-million dollar basis.

The scheme to levy confiscatory taxes on the gathering of natural gas is ill-advised and economically indefensible. It would strike a body blow at industrial growth, hamstring the natural gas industry, penalize every farmer and landowner with present or potential natural gas production, and perhaps kill the goose that lays the golden eggs.

IN WASHINGTON

Long-Winded Senate Debates

During the Senate debate on the controversial Natural Gas Bill earlier this year, one senator came up with a compromise he thought would satisfy producers, pipeline companies, and distributors.

"All we have to do," he said, "is tap the Senate. That would give us a cheap and endless supply of gas."

Although he was poking fun at his Senate colleagues for the prolonged debate on the important measure — which stretched over a period of nearly two weeks — the senator was pointing up a problem which seems to be becoming acute.

The problem is illustrated pointedly by the fact that the House, with 435 members all wanting to get into the act, completed action on the same bill in less than two days.

The difference is in the ground rules.

In the Senate, there is no limitation on debate except by unanimous consent. Nor does the discussion have to be germane to the legislation under consideration.

Thus, when a senator gains the floor during debate on a farm bill, for instance, he is perfectly within his rights to give a 20-hour speech on the need for a flood control project in his state. Until he relinquishes the floor, he's on his own.

In the House, it's quite different. Each bill, with a few exceptions, comes to the House floor with a limitation on general debate. In order to speak on the legislation, a member must request part of the alloted time for the GOP or Democratic floor manager for the bill, and must stick to the subject.

When general debate is concluded, the House resolves itself into a so-called Committee of the Whole House for amendments to the legislation. Any member may speak on any amendment, but he is limited to five minutes. By unanimous consent he may acquire additional time, but a majority of the members present may cut off debate at any time. No roll calls are allowed in Committee.

The obvious advantages of the House ground rules are many. Such procedure lends itself to orderly scheduling of legislation, prevents lopsided attention to relatively minor bills, avoids the last minute adjournment rush during which much important legislation gets the once-over-lightly treatment, and leaves members more free time for Committee business and serving constituents.

That the Senate needs some similar ground rules, if such could be worked out without impeding the right to filibuster, is generally conceded. But so far all attempts to vote so-called "cloture" have failed, generally because they failed to leave a loop-hole through which Southern Senators might exercise their right to debate indefinitely legislation affecting the South's social structure.

In the first four months of the current session of Congress, 112 public bills have been enacted into law. Of these, only 30, or 26.7 percent, originated in the Senate.

During the same period 116 private bills were enacted, and only 19 —or 16.4 percent-originated in the Senate.

To accomplish this record the Senate was in session 417 hours and five months, many of them in the evening. The House with nearly five times the number of members, accomplished its record in 175 hours and 36 minutes, with only about six hours spent after 6 p.m.

Senate debate consumed 4,306 pages of the Congressional Record, at an estimated cost of $344,480 or $80 a page, while the House got by with 2,246 pages — at $164,800 cheaper to the taxpayers.

Yet all appropriations bills and tax measures must originate in the House, where the bills must be written, the original hearings conducted, and the basic research done.

Because of its smooth-working set of ground rules, the House is expected to complete its work between July 1 and July 15 this year. It will then set back and wait for the Senate to catch up.

The catching up process is perhaps the major drawback resulting from the Senate's unlimited debate procedure, for while the Senate may spend weeks debating relatively minor bills early in the session when no other legislation is scheduled, it passes bills by the hundreds with only minor or no debate in the final weeks of the session.

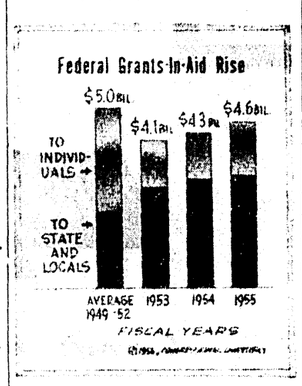
U. S. Grants In Louisiana

WASHINGTON—Federal grants-in-aid to state and local governments and to individuals in Louisiana added up to 130,223,000 in fiscal 1955. With an estimated state population of 2,927,000 this amounted to $44 per capita, in contrast with a national per capita of $28.

In the preceding year, fiscal 1954, federal grants to this state totaled $124,585,000; in fiscal 1953, $137,479,000, and in the four-year 1949-52 period an average of $167,185,000.

Federal tax collections in Louisiana in fiscal 1955 totaled $547,459,000. This amounted to 0.8 percent of total federal tax collections of $66.3 billion. By contrast, the state's share of total grants of $4.6 billion was 2.8 percent. Only 13 of the 48 states paid a larger share of federal taxes than they received of federal grants.

Grants distributed in Louisiana under Department of Agriculture programs totaled $21,991,000. Of this sum, $3,879,000 was for conservation. Health, Education and Welfare programs contributed a total of $71,387,000. Of this total, old age assistance accounted for $48,006,000, aid to dependent children another $11,319,000.



Other major grant allotments to Louisiana included $7,781,000 for highway construction; $2,414,000 and $1,730,000 for regular and veterans' unemployment compensation programs and $17,249,000 for veterans' readjustment benefits.

The Eisenhower Administration has paid out about $250 million more in grants-in-aid to state and local governments in the past three fiscal years than the Truman Administration distributed in the previous four years.

At the same time, federal grants paid to individuals over the last three years only added up to one-third as much as was paid out during the four Truman years.

These and other facts concerning grants-in-aid were revealed in Congressional Quarterly's annual survey of federal grants and their distribution among the states.

The survey showed that total Grants to state and local governa year during the 1949-52 period, dropped to $4.1 billion in fiscal 1953, then climbed to $4.3 billion in 1954 and $4.6 billion in 1955. Budget estimates indicate grants will total more than $5 billion for 1956 by the end of the fiscal year June 30.

Grants to state and local governments, which totaled more than $8.7 billion in the Truman Administration's 1949-52 period, amounted to slightly less than $9 million in the fiscal 1953-55 period of the Eisenhower Administration. Grants to individuals dropped from an $11.4 billion total in the 1949-52 period to $3.9 billion 1953-55.

All signs point to further increases in the years ahead. Passage of pending federal highway and school construction legislation would add several hundred million dollars a year to the sums turned back to the states in the form of grants.

In the 1949-52 period, grants averaged 10 percent of all federal tax collections. This ratio fell to 6 percent in 1953 and 1954, then rose to 7 percent in 1955 when tax cuts lowered total collections. In all probability, the ratio will remain at 7 percent in 1956, since tax collections as well as grants are rising.

Treasury figures for fiscal 1955, just released, show that the Department of Health, Education and $1.9 billion in grants, or 40 percent of the $4.6 billion total. Largest of HEW's grant programs was old age assistance, which amounted to $920 million. Another $388 million went to the states as aid to dependent children.

Second largest federal grants-in-aid program was the Veterans' Administration's readjustment benefits — $680 million. That sum topped the $670 million distributed by the Department of Agriculture under a dozen programs. Grants of $595 million for highway construction, administered by the Commerce Department, took third place. Thus, grants for old age, dependent children, veterans and highways added up to about $2.6 billion or 56 percent of the $4.6 billion distributed under 92 different programs.

California led all states in the allocation of grants, with a total of $396 million. Five programs accounted for 70 percent of that total; old age assistance, $113 million; veterans' benefits, $58 million; aid to dependent children, $43 million; highways, $39 million and emergency school construction, $25 million. These sums placed California first among the states in grants for old age, veterans and schools, and second (after New York) in grants for dependent children and highways.

Next in order of total grants were New York, $316 million; Texas, $273 million; Pennsylvania, $212 million, and Illinois $173 million. With 30 percent of the nation's estimated 1955 population, the five leading states got 30 percent of all grants-in-aid.

While federal grants often are distributed to states on a matching basis, to meet jointly the costs of what are considered essential programs, allocations vary widely in terms of the resources and needs of individual states. Thus, while grants amounted to only 7 percent of federal tax collections nationally, in Mississippi, where taxes came to $139 million, total grants of $86 million amounted to 62 percent of collections.

Only 13 of the 48 states paid proportionately more in taxes than they received in the form of federal grants-in-aid. Leading taxpayer was New York, which contributed $12.7 billion or 19 percent of total federal tax collections of $66.3 billion in fiscal 1955. Grants of $316 million to New York amounted to only 7 percent of all federal grants.

Wheat For Money

I dare the quiz programs to ask this one: "What is the national debt?"

A student of contemporary affairs would be able to name the "amount" of the present debt, 275 billion dollars. But what is it? It?

If a housewife or businessman spends more than comes in, he goes "in debt."

That means he has to borrow some money from somebody else.

Some assume, therefore, that our national debt is something we've borrowed from other countries.

That is not so.

We have borrowed that money from ourselves. We or our children must pay it back.

But suppose we don't and they won't.

Suppose, as some fiscal figure jugglers recommend, we just keep postponing repayment indefinitly. Well, let's see.

Since Uncle Sam has no rich uncle from whom he can borrow, our government simply prints more money.

Now that sounds like a By George good answer to everybody's problems, until you analyze it.

So . . . forget everything I've said up to here.

Let's start over.

Let's pretend that we United States of Americans used wheat for money.

Instead of something costing so many dollars, it costs so many bushels.

Wheat is money and only the government is allowed to grow it.

If you spend your wheat, you stop spending until you earn more. Or you borrow some wheat from a friend.

Some of your wheat you give to the government for taxes to pay for "services rendered."

But if the government spends all its wheat and still wants to buy a dam or a battleship or a few thousand soldier suits — if the government has no wheat left, but 'still has bills and salaries coming due — what can the government do?

Simply tax you more or grow more wheat.

But wait a minute. Your're already over-taxed.

And the government, if it persists in growing more wheat year after year (printing more and more money), these mountains of grain find their way into trade channels and suddenly everybody has more wheat then he knows what to do with.

Everybody is up to here in wheat! With so much wheat available, it isn't precious any more.

Folks want other things more. . . potatoes, shoes, aspirin.

So wheat loses its value.

Pretty soon, instead of a bushel of wheat to buy an electric toaster, it takes a ton. Then ten tons. Then a hundred tons.

This is inflation.

It is not an exaggeration.

It happens precisely the same way to the value of paper money.

In Germany, currency became so cheap it cost 400,000,000 reichsmarks to buy one postage stamp. Then followed complete economic collapse.

When President Eisenhower says we must reduce the national debt before we cut taxes, he hopes to leave all of us with the same amount of "wheat," but make each "bushel" buy more.

If he does not reverse the recent trend, in your lifetime your dollar may become worthless. After that, anarchy.

Lights Over Broadway

"The Players, 16 Gramercy Park, New York: There is a good book going begging in our land. 'The Haycott Album' recently published by Lippincott. The author is William E. Henning. He created something of a stir a few years ago with his first novel, 'The Heller,' which dealt with juvenile delinx. In his new tome he accomplishes what has not often been achieved in American letters: he has written a brilliant interpretation of the great American middle class. So far, reviewers have missed the boat with this book — either writing their pieces after having read no more than the jacket blurb — or mistaking his work for a somewhat humorous treatment of family life in a small U. S. community.

"Author Henning is truly a fine regional writer — and sadly neglected. I think you, as our only Pepys, might wish to give a footup to one of our better Boswells!— Cordially, Bob Downing."

"New York: Regarding your item that Bridey (Murphy) is pronounced Briddy for Bridget, I beg your pardon. It is Bridey. For Brida (long I) which is the Irish for the English name Bridget. — You're welcome. Peggy Wheeler."

"New York: Friends and family are gasping at the lurid quality of Ivan Obolensky's novel, 'Rogues' March.' In fact, Mrs. O. was so taken aback she promptly left his bed and board when the book was published. Those who've had the strength to read it say it out-Ambers 'Forever A.' Apparently, Mrs. O (the former Claire McGinnis) got the same message and off she exited. The author (who can certainly jot it down) is the son of the former Alice Astor and Col. Serge Obolensky.—W. B."

"Philadelphia: Mitchell Parish, whose lyrics to 'Star Dust' made it an anthem, has just been selected to write the poetry to DeBussy's 'Clair de Lune.' He was picked over every songsmith in the profession. The DeBussy estate has never permitted anyone to put words to the lovely melody. It will be recorded by a Phila. firm in the Fall. Every topflight singer will beg to do it.—M. H."

"White Sulphur Springs, The Greenbrier: The passing of Louis Calhern had me way down. One of the best liked guys show biz ever knew. I once asked him how he won and lost four beautiful wives. He said, 'I had many women in my life but never carried the torch for any of them.' Guess that's one pleasure he missed.—George."

"Washington: There is only one concept more important than that the people should respect the law. That concept, written into our Constitution, is that the law respect the people. The other day in your town a confessed dope peddler pleaded guilty. But he was set free on the ground the police got the evidence illegally. Judy Coplon, a convicted Red spy, was set free on same grounds. Surely the defendant has rights which should be protected; but so have the people! Judges and lawyers think of the people as the State. But not reporters and you should yell your head off about it. The title of criminal actions should be changed. They should not be called 'The People versus the Defendant.' Because it is The Accused versus his Next Unknown Victim. —Regards, C.E."

"New York: Here is another example of slanted reporting. Whenever Murray Chotiner makes news some newspapers give as much space to Vice-President Nixon's name as they do to Chotiner. They stress the fact that Chotiner once aided Nixon's political campaign. This is guilt-by - association at its nadir. Significantly, these same newspapers never mention that Chotiner was a long-time political associate of Mr. Chief Justice Warren. I get so maaad!— Mrs. H.K."

"Los Angeles: Your skepticism about the Moscow chiefs reminds me to send the following quotes from their own speeches. They were uttered at the funeral of Stalin. Said Mr. Molotov: 'All of us are stricken with heavy grief at the loss of Stalin, our Great Leader. He was so near and infinitely dear to us all. We are proud that we worked under his leadership for 30 years. His immortal name will live forever in our hearts' . . . Malenkov went him one better with this hokum: 'The great Stalin taught us to serve the people with boundless devotion. Forward to complete victory of Lenin and Stalin!' I submit this so you can remind the people running Radio Free Europe to use for leaflets dropped over satellite nations. —J.T. Hanning."

"Me Too" Politics

Bastrop, La.

Editor, Morning World:

For the past two years, there has been considerable unrest created by the Supreme Court ruling on May 17, 1954, outlawing segregated public schools. Every A.B. and LL.B. degree lawyer knows that there is nothing to that ruling to be worried about. This unrest was created by politicians playing "Me Too" politics.

Those lawyers fully understand the importance of "State Sovereignty" and the limited political relationships existing between the federal government and the states. They know that the constitution forbids the federal government infringing upon the soverign powers of the states reserved to them by the constitution, and prohibits the states abridging the political rights of citizens, or curtailing the equitable privileges of citizens to be free in the exercise of society, religion, and the advancement of civilization.

In 1875, the Congress attempted to draw the federal government into the domain of "States Rights" by a statute, but in 1883, the Supreme Court ruled the statute unconstitutional saying, "the statute protects social rather than political rights". The distinction between political rights and social rights are too simple to admit discussion. Any ordinary person knows that schools do not function in governmental capacities; they function only in social development of learning and the advancement of civilization.

On May 30, 1909, an outgrowth from a "Social Equality policy" that originated at the President's dinner table in the White House with a Negro school teacher as guest of the President and family, the NAACP was organized. This organization has foolishly been trying ever since, to draw the federal government into the realm of "States Rights" which is strictly prohibited by the constitution of the United States.

On May 17, 1954, the Supreme Court handed down a rulling in a series of NAACP cases, in which the court either improvidently, or designedly on purpose, ignored the constitution and all precedents back to John Marshall in 1833, and overruled the states police power to preserve the peace, to protect public health, to protect the State against the encroachment of moral turpitude, and ruled the state school segregation laws unconstitutional.

In as much as the sovereignty of a state is not subject to court rulings, nor subject to indictment or punishment, and cannot be sued without its consent, this court ruling is a fizzle.

Resigned State Post

New Orleans, La.

Editor, Morning World:

I have resigned as Director of the Louisiana Wild Life and Fisheries Commission effective May 31, 1956.

May I take this opportunity to express to you and your staff my personal thanks, along with that of our Commission members and department personnel, for the support given us by your fine newspaper.

The management and conservation of Louisiana's wild life resources during our term in office has been based on scientific information and the experience of our technical staff, both from training and practical standpoint, and we believe has been basically sound.

Our wild life resources form a large segment of our State's economy, contributing tremendously to the livelihood and recreation of hundreds of thousands of our people. These resources are too vitally important to be carelessly tampered with, and it is our hope that continued progress will be evidenced.

Freedom Of Choice

Monroe, La.

Editor, Morning World:

I am a citizen of Monroe. My family has had chiropractic treatments for a good many years, here and other places. We have all received a lot of good from them, and we believe we should have freedom of choice to go to what ever kind of doctor we prefer. Therefore, we are asking our representatives in government to vote for the bill to license chiropractors in Louisiana this year.

I also believe we are speaking for the majority of the people when we ask for freedom of choice, as we all wish to keep this a free country. This is one of the things our sons, fathers and forefathers fought for to keep forever.

Race Riot In The Far North

Integration of the races, in its rare fruit and flower, as laid down by the legislative edicts and judicial fiats of the U. S. Supreme Court—that strange body of politicians which has cast law and precedent and the federal Constitution to the winds, in favor of Marxist inspired doctrines of pseudo-scientists and soothsayers—received a test this week aboard a Lake Erie amusement park vessel running from Crystal Beach in Ontario to Buffalo, N. Y.

On this vessel were hundreds of persons—eighty per cent of them Negroes, 20 per cent whites—with Negro teen-agers apparently predominating.

After a day of rioting at the amusement park, instigated and led by the Negroes, so the press accounts say, the black teen-agers took over the vessel on its "pleasure trip."

Scenes of bloodshed and horror ensued.

Margaret Wynn and Dick Hirsch, of the Buffalo Courier-Express, trained and skilled and impartial observers, were aboard the triple-decked vessel.

According to the Associated Press they reported that "Nearly 40 white youngsters, several beaten or cut, cowered below decks in the ship's dining room for most of the trip after being attacked or threatened by the many Negro teen-agers who made up the majority of the passengers.

The Associated Press added, "The reporters estimated that of the approximately 1,000 passengers, 80 per cent were Negroes."

The account of these two unbiased reporters continued:

"Members of the ship's crew and private police vainly attempted to keep order, but when one fight was broken up, another flared in a different portion of the weather-beaten boat.

"Most of the trouble was caused by gangs of Negro girls who walked the deck, attacking and molesting young white girls.

"Firecrackers were carelessly flung at passengers, exploding at their feet. Several received powder burns. Switch-blade knives were brandished. Youngsters were shoved to the deck by the rampaging mobs which rushed back and forth over the decks.

"Many older white persons were segregated by worried crew members. They sat quietly in roped-off sections of the slow-moving ship, attempting to comfort their crying, terrified children."

The scene, as described graphically by the two skilled journalists, is horrible to contemplate.

Here was an instance of primitive people, a few generations removed from complete and utter savagery, reverting to their savage blood-lust, seizing a ship at sea and exacting vengeance against the whites.

The FBI has launched an investigation. Several arrests have been made.

Here is proof, if any were needed, that racial tensions and disturbances are by no means confined to the South, but rather are nationwide, insofar as distribution of the white and Negro races creates the groundwork for friction.

Taxing A Louisiana Industry Out Of Business

The proposed 2½-cent hike in the gas gathering tax, sponsored by Governor Earl K. Long's spokesman in the State Legislature, is a harmful piece of legislation that, if enacted, is bound to have far-reaching adverse effects, in many different directions.

Louisiana already has a gas gathering tax of 1 cent per 1,000 cubic feet, the highest in the nation. With the proposed boost, the levy would reach the fantastic proportions of 38 per cent of the value of the product — a ruinous figure that well might prove a fatal handicap to the production of gas in Louisiana, and serve to drive industry out of the state.

The Long forces, playing both ends against the middle, have sought to tie the exhorbitant and unjustified gas gathering tax hike directly to the proposal for hikes in teachers' salaries. The intent of this maneuver, of course, is plain to everybody. The intent is to enlist the support of all educators and their relatives and friends in a drive to jack up the gas gathering tax.

The existing 1-cent levy yields $12.5 million annually in tax revenue. The proposed hike, theoretically, would bring in an additional $32 million. It might very well, however, put such a damper on gas production and exploration that no such sum would be realized.

Proponents of this tax hike argue that out-of-state interests would pay a major portion of the increase. This is fallacious reasoning: Gas production and distribution are highly competitive enterprises. Louisiana must be in a position to compete with such other gas-producing states as Texas, Arkansas and Mississippi; and with coal-producing commonwealths, where a slight difference in cost may mean a quick conversion from one type of fuel to another. When 38 per cent of the value of a product is slapped on as taxes, Louisiana producers will face heavy if not insuperable obstacles in selling this state's natural gas abroad; while the great industries that have moved into Louisiana, attracted by cheap fuel, will be confronted by tremendous increases in cost.

It is no secret that the Long administration in less than three weeks after taking office has thrown Louisiana industry into an uproar; and plans for multi-million dollar expansion in various communities— some of them in our Fifth Congressional district—are being re-evaluated on the theory that the climate of this commonwealth no longer is healthy for industry.

To look at another faucet of the proposed gas gathering tax boost, many farmers and landowners of the Monroe district own royalty interests in gas wells drilled a number of years ago; running from 3 to 4 cents per 1,000 cubic feet, at the wellheads, with no escalator clause, but for the duration of the wells.

Although the big gas producing companies have been paying the gas gathering tax of 1 cent, they are under no legal obligation to do so, in many if not all instances. Under a recent U. S. Supreme Court decision wellhead production of natural gas is subject to full federal regulation. These land-owners easily may find themselves in the unenviable position of owing a half cent on every 1,000 cubic feet of gas produced, and thus facing financial ruin.

To understand the full impact of the proposed boost, it is currently estimated that the 2½-cent hike in the gas gathering tax would cost Kaiser Aluminum Company in Louisiana $2 million annually. Commercial Solvents at Sterlington and Olin Mathieson at West Monroe are heavy industrial users of Louisiana natural gas. Both companies have been busy recently drawing plans for expansion on a multi-million dollar basis.

The scheme to levy confiscatory taxes on the gathering of natural gas is ill-advised and economically indefensible. It would strike a body blow at industrial growth, hamstring the natural gas industry, penalize every farmer and landowner with present or potential natural gas production, and perhaps kill the goose that lays the golden eggs.

IN WASHINGTON

Long-Winded Senate Debates

During the Senate debate on the controversial Natural Gas Bill earlier this year, one senator came up with a compromise he thought would satisfy producers, pipeline companies, and distributors.

"All we have to do," he said, "is tap the Senate. That would give us a cheap and endless supply of gas."

Although he was poking fun at his Senate colleagues for the prolonged debate on the important measure — which stretched over a period of nearly two weeks — the senator was pointing up a problem which seems to be becoming acute.

The problem is illustrated pointedly by the fact that the House, with 435 members all wanting to get into the act, completed action on the same bill in less than two days.

The difference is in the ground rules.

In the Senate, there is no limitation on debate except by unanimous consent. Nor does the discussion have to be germane to the legislation under consideration.

Thus, when a senator gains the floor during debate on a farm bill, for instance, he is perfectly within his rights to give a 20-hour speech on the need for a flood control project in his state. Until he relinquishes the floor, he's on his own.

In the House, it's quite different. Each bill, with a few exceptions, comes to the House floor with a limitation on general debate. In order to speak on the legislation, a member must request part of the alloted time for the GOP or Democratic floor manager for the bill, and must stick to the subject.

When general debate is concluded, the House resolves itself into a so-called Committee of the Whole House for amendments to the legislation. Any member may speak on any amendment, but he is limited to five minutes. By unanimous consent he may acquire additional time, but a majority of the members present may cut off debate at any time. No roll calls are allowed in Committee.

The obvious advantages of the House ground rules are many. Such procedure lends itself to orderly scheduling of legislation, prevents lopsided attention to relatively minor bills, avoids the last minute adjournment rush during which much important legislation gets the once-over-lightly treatment, and leaves members more free time for Committee business and serving constituents.

That the Senate needs some similar ground rules, if such could be worked out without impeding the right to filibuster, is generally conceded. But so far all attempts to vote so-called "cloture" have failed, generally because they failed to leave a loop-hole through which Southern Senators might exercise their right to debate indefinitely legislation affecting the South's social structure.

In the first four months of the current session of Congress, 112 public bills have been enacted into law. Of these, only 30, or 26.7 percent, originated in the Senate.

During the same period 116 private bills were enacted, and only 19 —or 16.4 percent-originated in the Senate.

To accomplish this record the Senate was in session 417 hours and five months, many of them in the evening. The House with nearly five times the number of members, accomplished its record in 175 hours and 36 minutes, with only about six hours spent after 6 p.m.

Senate debate consumed 4,306 pages of the Congressional Record, at an estimated cost of $344,480 or $80 a page, while the House got by with 2,246 pages — at $164,800 cheaper to the taxpayers.

Yet all appropriations bills and tax measures must originate in the House, where the bills must be written, the original hearings conducted, and the basic research done.

Because of its smooth-working set of ground rules, the House is expected to complete its work between July 1 and July 15 this year. It will then set back and wait for the Senate to catch up.

The catching up process is perhaps the major drawback resulting from the Senate's unlimited debate procedure, for while the Senate may spend weeks debating relatively minor bills early in the session when no other legislation is scheduled, it passes bills by the hundreds with only minor or no debate in the final weeks of the session.

Congressional Quarterly

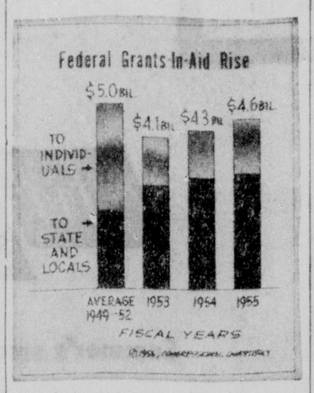
U. S. Grants In Louisiana

WASHINGTON—Federal grants-in-aid to state and local governments and to individuals in Louisiana added up to 130,223,000 in fiscal 1955. With an estimated state population of 2,927,000 this amounted to $44 per capita, in contrast with a national per capita of $28.

In the preceding year, fiscal 1954, federal grants to this state totaled $124,585,000; in fiscal 1953, $137,479,000, and in the four-year 1949-52 period an average of $167,185,000.

Federal tax collections in Louisiana in fiscal 1955 totaled $547,459,000. This amounted to 0.8 percent of total federal tax collections of $66.3 billion. By contrast, the state's share of total grants of $4.6 billion was 2.8 percent. Only 13 of the 48 states paid a larger share of federal taxes than they received of federal grants.

Grants distributed in Louisiana under Department of Agriculture programs totaled $21,991,000. Of this sum, $3,879,000 was for conservation. Health, Education and Welfare programs contributed a total of $71,387,000. Of this total, old age assistance accounted for $48,006,000, aid to dependent children another $11,319,000.



Other major grant allotments to Louisiana included $7,781,000 for highway construction; $2,414,000 and $1,730,000 for regular and veterans' unemployment compensation programs and $17,249,000 for veterans' readjustment benefits.

The Eisenhower Administration has paid out about $250 million more in grants-in-aid to state and local governments in the past three fiscal years than the Truman Administration distributed in the previous four years.

At the same time, federal grants paid to individuals over the last three years only added up to one-third as much as was paid out during the four Truman years.

These and other facts concerning grants-in-aid were revealed in Congressional Quarterly's annual survey of federal grants and their distribution among the states.

The survey showed that total Grants to state and local governa year during the 1949-52 period, dropped to $4.1 billion in fiscal 1953, then climbed to $4.3 billion in 1954 and $4.6 billion in 1955. Budget estimates indicate grants will total more than $5 billion for 1956 by the end of the fiscal year June 30.

Grants to state and local governments, which totaled more than $8.7 billion in the Truman Administration's 1949-52 period, amounted to slightly less than $9 million in the fiscal 1953-55 period of the Eisenhower Administration. Grants to individuals dropped from an $11.4 billion total in the 1949-52 period to $3.9 billion 1953-55.

All signs point to further increases in the years ahead. Passage of pending federal highway and school construction legislation would add several hundred million dollars a year to the sums turned back to the states in the form of grants.

In the 1949-52 period, grants averaged 10 percent of all federal tax collections. This ratio fell to 6 percent in 1953 and 1954, then rose to 7 percent in 1955 when tax cuts lowered total collections. In all probability, the ratio will remain at 7 percent in 1956, since tax collections as well as grants are rising.

Treasury figures for fiscal 1955, just released, show that the Department of Health, Education and $1.9 billion in grants, or 40 percent of the $4.6 billion total. Largest of HEW's grant programs was old age assistance, which amounted to $920 million. Another $388 million went to the states as aid to dependent children.

Second largest federal grants-in-aid program was the Veterans' Administration's readjustment benefits — $680 million. That sum topped the $670 million distributed by the Department of Agriculture under a dozen programs. Grants of $595 million for highway construction, administered by the Commerce Department, took third place. Thus, grants for old age, dependent children, veterans and highways added up to about $2.6 billion or 56 percent of the $4.6 billion distributed under 92 different programs.

California led all states in the allocation of grants, with a total of $396 million. Five programs accounted for 70 percent of that total; old age assistance, $113 million; veterans' benefits, $58 million; aid to dependent children, $43 million; highways, $39 million and emergency school construction, $25 million. These sums placed California first among the states in grants for old age, veterans and schools, and second (after New York) in grants for dependent children and highways.

Next in order of total grants were New York, $316 million; Texas, $273 million; Pennsylvania, $212 million, and Illinois $173 million. With 30 percent of the nation's estimated 1955 population, the five leading states got 30 percent of all grants-in-aid.

While federal grants often are distributed to states on a matching basis, to meet jointly the costs of what are considered essential programs, allocations vary widely in terms of the resources and needs of individual states. Thus, while grants amounted to only 7 percent of federal tax collections nationally, in Mississippi, where taxes came to $139 million, total grants of $86 million amounted to 62 percent of collections.

Only 13 of the 48 states paid proportionately more in taxes than they received in the form of federal grants-in-aid. Leading taxpayer was New York, which contributed $12.7 billion or 19 percent of total federal tax collections of $66.3 billion in fiscal 1955. Grants of $316 million to New York amounted to only 7 percent of all federal grants.

Wheat For Money

I dare the quiz programs to ask this one: "What is the national debt?"

A student of contemporary affairs would be able to name the "amount" of the present debt, 275 billion dollars, But what is it? it?

If a housewife or businessman spends more than comes in, he goes "in debt."

That means he has to borrow some money from somebody else.

Some assume, therefore, that our national debt is something we've borrowed from other countries.

That is not so.

We have borrowed that money from ourselves. We or our children must pay it back.

But suppose we don't and they won't.

Suppose, as some fiscal figure jugglers recommend, we just keep postponing repayment indefinitly. Well, let's see.

Since Uncle Sam has no rich uncle from whom he can borrow, our government simply prints more money.

Now that sounds like a By George good answer to everybody's problems, until you analyze it.

So . . . forget everything I've said up to here.

Let's start over.

Let's pretend that we United States of Americans used wheat for money.

Instead of something costing so many dollars, it costs so many bushels.

Wheat is money and only the government is allowed to grow it.

If you spend your wheat, you stop spending until you earn more. Or you borrow some wheat from a friend.

Some of your wheat you give to the government for taxes to pay for "services rendered."

But if the government spends all its wheat and still wants to buy a dam or a battleship or a few thousand soldier suits — if the government has no wheat left, but 'still has bills and salaries coming due — what can the government do?

Simply tax you more or grow more wheat.

But wait a minute. Your're already over-taxed.

And the government, if it persists in growing more wheat year after year (printing more and more money), these mountains of grain find their way into trade channels and suddenly everybody has more wheat then he knows what to do with.

Everybody is up to here in wheat! With so much wheat available, it isn't precious any more.

Folks want other things more. . . potatoes, shoes, aspirin.

So wheat loses its value.

Pretty soon, instead of a bushel of wheat to buy an electric toaster, it takes a ton. Then ten tons. Then a hundred tons.

This is inflation.

It is not an exaggeration.

It happens precisely the same way to the value of paper money.

In Germany, currency became so cheap it cost 400,000,000 reichsmarks to buy one postage stamp. Then followed complete economic collapse.

When President Eisenhower says we must reduce the national debt before we cut taxes, he hopes to leave all of us with the same amount of "wheat," but make each "bushel" buy more.

If he does not reverse the recent trend, in your lifetime your dollar may become worthless. After that, anarchy.

Lights Over Broadway

"The Players, 16 Gramercy Park, New York: There is a good book going begging in our land. 'The Haycott Album' recently published by Lippincott. The author is William E. Henning. He created something of a stir a few years ago with his first novel, 'The Heller,' which dealt with juvenile delinx. In his new tome he accomplishes what has not often been achieved in American letters: he has written a brilliant interpretation of the great American middle class. So far, reviewers have missed the boat with this book — either writing their pieces after having read no more than the jacket blurb — or mistaking his work for a somewhat humorous treatment of family life in a small U. S. community.

"Author Henning is truly a fine regional writer — and sadly neglected. I think you, as our only Pepys, might wish to give a footup to one of our better Boswells!— Cordially, Bob Downing."

"New York: Regarding your item that Bridey (Murphy) is pronounced Briddy for Bridget, I beg your pardon. It is Bridey. For Brida (long I) which is the Irish for the English name Bridget. — You're welcome. Peggy Wheeler."

"New York: Friends and family are gasping at the lurid quality of Ivan Obolensky's novel, 'Rogues' March.' In fact, Mrs. O. was so taken aback she promptly left his bed and board when the book was published. Those who've had the strength to read it say it out-Ambers 'Forever A.' Apparently, Mrs. O (the former Claire McGinnis) got the same message and off she exited. The author (who can certainly jot it down) is the son of the former Alice Astor and Col. Serge Obolensky.—W. B."

"Philadelphia: Mitchell Parish, whose lyrics to 'Star Dust' made it an anthem, has just been selected to write the poetry to DeBussy's 'Clair de Lune.' He was picked over every songsmith in the profession. The DeBussy estate has never permitted anyone to put words to the lovely melody. It will be recorded by a Phila. firm in the Fall. Every topflight singer will beg to do it.—M. H."

"White Sulphur Springs, The Greenbrier: The passing of Louis Calhern had me way down. One of the best liked guys show biz ever knew. I once asked him how he won and lost four beautiful wives. He said, 'I had many women in my life but never carried the torch for any of them.' Guess that's one pleasure he missed.—George."

"Washington: There is only one concept more important than that the people should respect the law. That concept, written into our Constitution, is that the law respect the people. The other day in your town a confessed dope peddler pleaded guilty. But he was set free on the ground the police got the evidence illegally. Judy Coplon, a convicted Red spy, was set free on same grounds. Surely the defendant has rights which should be protected; but so have the people! Judges and lawyers think of the people as the State. But not reporters and you should yell your head off about it. The title of criminal actions should be changed. They should not be called 'The People versus the Defendant.' Because it is The Accused versus his Next Unknown Victim. —Regards, C.E."

"New York: Here is another example of slanted reporting. Whenever Murray Chotiner makes news some newspapers give as much space to Vice-President Nixon's name as they do to Chotiner. They stress the fact that Chotiner once aided Nixon's political campaign. This is guilt-by - association at its nadir. Significantly, these same newspapers never mention that Chotiner was a long-time political associate of Mr. Chief Justice Warren. I get so maaad!— Mrs. H.K."

"Los Angeles: Your skepticism about the Moscow chiefs reminds me to send the following quotes from their own speeches. They were uttered at the funeral of Stalin. Said Mr. Molotov: 'All of us are stricken with heavy grief at the loss of Stalin, our Great Leader. He was so near and infinitely dear to us all. We are proud that we worked under his leadership for 30 years. His immortal name will live forever in our hearts' . . . Malenkov went him one better with this hokum: 'The great Stalin taught us to serve the people with boundless devotion. Forward to complete victory of Lenin and Stalin!' I submit this so you can remind the people running Radio Free Europe to use for leaflets dropped over satellite nations. —J.T. Hanning."

"Me Too" Politics

Bastrop, La.

Editor, Morning World:

For the past two years, there has been considerable unrest created by the Supreme Court ruling on May 17, 1954, outlawing segregated public schools. Every A.B. and LL.B. degree lawyer knows that there is nothing to that ruling to be worried about. This unrest was created by politicians playing "Me Too" politics.

Those lawyers fully understand the importance of "State Sovereignty" and the limited political relationships existing between the federal government and the states. They know that the constitution forbids the federal government infringing upon the soverign powers of the states reserved to them by the constitution, and prohibits the states abridging the political rights of citizens, or curtailing the equitable privileges of citizens to be free in the exercise of society, religion, and the advancement of civilization.

In 1875, the Congress attempted to draw the federal government into the domain of "States Rights" by a statute, but in 1883, the Supreme Court ruled the statute unconstitutional saying, "the statute protects social rather than political rights". The distinction between political rights and social rights are too simple to admit discussion. Any ordinary person knows that schools do not function in governmental capacities; they function only in social development of learning and the advancement of civilization.

On May 30, 1909, an outgrowth from a "Social Equality policy" that originated at the President's dinner table in the White House with a Negro school teacher as guest of the President and family, the NAACP was organized. This organization has foolishly been trying ever since, to draw the federal government into the realm of "States Rights" which is strictly prohibited by the constitution of the United States.

On May 17, 1954, the Supreme Court handed down a rulling in a series of NAACP cases, in which the court either improvidently, or designedly on purpose, ignored the constitution and all precedents back to John Marshall in 1833, and overruled the states police power to preserve the peace, to protect public health, to protect the State against the encroachment of moral turpitude, and ruled the state school segregation laws unconstitutional.

In as much as the sovereignty of a state is not subject to court rulings, nor subject to indictment or punishment, and cannot be sued without its consent, this court ruling is a fizzle.

Editor, Morning World:

I have resigned as Director of the Louisiana Wild Life and Fisheries Commission effective May 31, 1956.

May I take this opportunity to express to you and your staff my personal thanks, along with that of our Commission members and department personnel, for the support given us by your fine newspaper.

The management and conservation of Louisiana's wild life resources during our term in office has been based on scientific information and the experience of our technical staff, both from training and practical standpoint, and we believe has been basically sound.

Our wild life resources form a large segment of our State's economy, contributing tremendously to the livelihood and recreation of hundreds of thousands of our people. These resources are too vitally important to be carelessly tampered with, and it is our hope that continued progress will be evidenced.

Editor, Morning World:

I am a citizen of Monroe. My family has had chiropractic treatments for a good many years, here and other places. We have all received a lot of good from them, and we believe we should have freedom of choice to go to what ever kind of doctor we prefer. Therefore, we are asking our representatives in government to vote for the bill to license chiropractors in Louisiana this year.

I also believe we are speaking for the majority of the people when we ask for freedom of choice, as we all wish to keep this a free country. This is one of the things our sons, fathers and forefathers fought for to keep forever.

Safe Tax Structure In Louisiana Is Urged

JENA, June 2 (Special) —Pointing out that a good tax structure not only is necessary for the continued operation and expansion of the sulphur industry in Louisiana, Irwin J. Becnel, director of agriculture research for Freeport Sulphur Company of New Orleans, told the Jena Kiwanis club at its weekly luncheon here this week it also is tied in very definitely with other industry which is looking toward Louisiana as possible new plant sites.

"In view of the proposed increase of the severance tax on sulphur from $1.03 per ton to more than $3 per ton, a recent article in Chemical Week, a prominent trade journal in industry, says that chemical industry executives fear a change for the worse in the state's attitude toward industry."

Mr. Becnel also quoted the magazine article further with its statement, . . . "Does the threat of such a tax foreshadow an unfriendly attitude in Louisiana to business in general?"

The speaker stressed that "we at Freeport feel that Louisiana has become a big industrial state, not only because it provided natural resources and raw material but also because it provided the right climate for industry. We hope nothing will be done to change that favorable climate."

If the proposed tax increase was a problem of the sulphur industry alone, it possibly wouldn't have the wide effects on industry as it will have, Mr. Becnel said. However, he pointed out, sulphur is a basic raw material which is required in the manufacture of nearly all manufactured products, including fertilizer, paper, chemicals of all kinds, textiles, paints, and pigments, insecticides, rubber, etc.

About 33 per cent of the sulphur consumed in the U.S. is used to make fertilizers, he said. About three per cent is used to refine petroleum and, he said, for every barrel of crude, it takes almost half a pound of sulphur to refine it. One pound of sulphur is needed in the manufacture of one pound of nylon and about 37 pounds of sulphur is required for the manufacture of one ton of newsprint. Additionally, he pointed out, about 35 pounds of sulphur are used in the manufacture of an automobile.

"So you see, sulphur is of vital importance to other industries and its tax problems are vitally related to the tax problems of other manufacturers," Mr. Becnel said.

However, one important point was stressed by the speaker.

"Sulphur is a highly competitive industry. Only recently huge deposits have been discovered in Mexico and, due to cheap labor, the Mexican-mined sulphur can be offered on the market at a highly competitive price. Already, Freeport has had to cut the cost of its exported sulphur by $3 per ton to meet the competition of Mexican sulphur.

"The pay of a laborer in the sulphur industry in Mexico is considerably lower than in the U.S. —one day's pay for the Mexican worker is equivalent to one hour's pay for the American worker.

"If the tax increase could be passed on to the consumer by raising the price of sulphur it wouldn't be so bad, but this will be impossible due to the tight market in sulphur. If the tripled tax is voted on sulphur, it will mean only one thing — a retrenchment of operations by the sulphur mining industry in Louisiana."

The present rate of $1.03 per ton severance tax on sulphur was written into the state constitution by a vote of the citizens of the state. Since then, the cost of production has increased 160 to 180 per cent whereas the price of sulphur has increased only slightly less than 50 per cent. Also, since the tax was voted in 1938, the production of sulphur has increased some 500 per cent, resulting in a 500 per cent increase in tax revenues to the state from the sulphur mining industry.

A number of industries, considering Louisiana locations for giant building and expansion programs, are temporarily holding off on moving to the state until the muddled waters are settled and they know what the future holds in store for them, the speaker said.

And, whereas sulphur production in Louisiana is a costly painstaking process due to marshy and offshore terrain, production in Texas is less costly and the newly developed mines in Mexico add to the competitive problem. Speaking of Texas, Mr. Becnel said the severance tax in Texas now is pegged at $1.40 per ton.

"It is already becoming evident that an excessive and arbitrary tax policy toward industry is going to make out-of-state companies think twice before they move to Louisiana," he asserted.

The exploration for and development of sulphur deposits is considerably more expensive than the search for oil, he pointed out. Due to the fact that huge plants must be established to search for the sulphur deposits, requiring millions of dollars in expenditure, such explorations call for detailed study before they are undertaken.

Sulphur in Louisiana is mined by the Frasch process whereby superheated water is pumped into the sulphur deposit to melt the sulphur which is then pumped out in liquid form into vats where it solidifies into veritible mountans of sulphur. In off-shore and marshy locations, the liquid sulphur must be pumped into specially constructed insulated barges which keeps the sulphur in a molten state until it can be transported to land where it is pumped into vats.

All of this extra equipment is not needed in the Texas and Mexican mining operations which are 'dry land" installations, he pointed out.

DR. GRACE FOX

Dr. Grace Fox Coming To N. E. As Consultant

Dr. Grace Fox, professor of physical education at Florida State University, will serve as consultant for a workshop on elementary school physical education offered by Northeast State as a special feature of the summer session.

The conference is scheduled June 11-16 in the air-conditioned new administration building, announced Dr. Carl Meeks, workshop director. The daily schedule will be from 1 to 4 p.m. except on Saturday, June 16, when class work will run from 9 a.m. to 12 noon.

Dr. Fox is a well known physical educator with a wealth of experience and is the author or co-author of a number of texts in physicial education and rhythms.

She had served as president of the Florida Association for Health, Physical Education and Recreation and as chairman of the Southern District of the National Section for Women's Athletics, a section of the AAHPER.

Committees on which Dr. Fox has held membership include the chairmanship of the National Soccer Committee of National Section for Girls and Women's Sports (formerly called the National Section for Women's Athletics) and chairmanship of the National Basketball Committee of NSGWS.

Presently she is serving as chairman of the National Section for Girls and Women's Sports.

Dr. Fox is listed in "Who's Who In the South and Southwest" and several professional and honorary societies, including AAUP, NEA, NAPECW, AAHPER, Delta Kappa Gamma, Pi Lambda Theta and Kappa Delta Pi.

She has co-authored the following books: "Teaching Physical Education in the Elementary School," "Folk Dancing in High School and College," "Basketball for Girls and Women," "Handbook for Physical Education for College Women." "Physical Education for High School Students," and "A Manual of Physical Education Activities," a publication which came off the press in May.

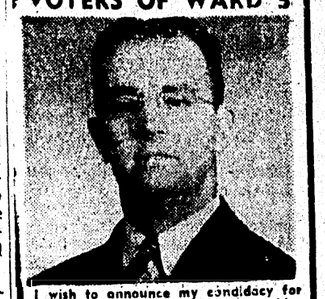
NOTICE!
VOTERS OF WARD 3



I wish to announce my candidacy for the office of member of the Ouachita Parish School Board from Ward 3.
I am married and have two children who are in school.
I have lived in Ouachita Parish since 1920 and since 1942 have operated a business in Ward 3 just outside the city limits of Monroe. Prior to 1942 I was employed by the Missouri Pacific Railroad for thirty years.
I am a member of the Baptist Church and a Mason.
I am strongly in favor of maintaining our present system of segregated schools. I believe that the members of our colored race should have equal facilities but that there should be no integration in the school system.
I believe that our qualified teachers are entitled to reasonable pay increases.
I believe that all members of the School Board should attend all meetings and not just when the spirit moves them.
I believe that Ward 3 has been neglected in the over all school program and that in the proposed expansion of the school system more consideration should be given to the needs of Ward 3.
I intend to make an active campaign for this position and will try to meet as many of the voters of Ward 3 as is possible during the course of the campaign.
My principal reason in offering myself as a candidate is my love for children and my desire to see that they receive a proper education.

STATE FARM INSURANCE

New! Low-cost auto insurance plan

Lowest renewal rates available to the general public in Louisiana...
25% lower than the rates charged by most other companies.

Thanks to a recent ruling by Louisiana officials, State Farm Mutual auto insurance is now an even better buy.

NEW LOW RATES:

In recognition of its streamlined, money-saving operating methods, State Farm Mutual is now permitted to sell auto insurance to its present members at 25% less than the rates fixed for most other companies by the State. And this 25% saving is pocketed by members in advance. It is not paid afterwards in the form of a dividend.

For present members, these new rates become effective with their first renewal after May 13, 1956.

NEW MEMBERSHIP FEE:

This is a slightly higher premium paid once only by new members for their first 6 months of insurance. This membership fee helps make low rates possible. It covers sales cost, such as sales commission and other sales costs of putting a new member's name on the books. It's charged once and only once—the first time you take out a coverage.

Present State Farm members are *not* required to pay membership fees for coverages they now carry.

NOTICE!
VOTERS OF WARD 3

I wish to announce my candidacy for the office of member of the Ouachita Parish School Board from Ward 3.
I am married and have two children who are in school.
I have lived in Ouachita Parish since 1920 and since 1942 have operated a business in Ward 3 just outside the city limits of Monroe. Prior to 1942 I was employed by the Missouri Pacific Railroad for thirty years.
I am a member of the Baptist Church and a Mason.
I am strongly in favor of maintaining our present system of segregated schools. I believe that the members of our colored race should have equal facilities but that there should be no integration in the school system.
I believe that our qualified teachers are entitled to reasonable pay increases.
I believe that all members of the School Board should attend all meetings and not just when the spirit moves them.
I believe that Ward 3 has been neglected in the over all school program and that in the proposed expansion of the school system more consideration should be given to the needs of Ward 3.
I intend to make an active campaign for this position and will try to meet as many of the voters of Ward 3 as is possible during the course of the campaign.
My principal reason in offering myself as a candidate is my love for children and my desire to see that they receive a proper education.
W. G. WORLEY

COOPERATION IN CITY HALL!

Cooperation in City Hall is so important during the next four years. For Commissioner of Finance and Utilities, vote for and support H. W. "Mac" McSherry, the candidate without political ties. McSherry is the candidate who is free to cooperate with our new Mayor and other elected officials.

Good news from State Farm Mutual
"the careful driver insurance company"

STATE FARM Auto Life Fire INSURANCE

New! Low-cost auto insurance plan

Lowest renewal rates available to the general public in Louisiana... 25% lower than the rates charged by most other companies.

Thanks to a recent ruling by Louisiana officials, State Farm Mutual auto insurance is now an even better buy.

NEW LOW RATES:

In recognition of its streamlined, money-saving operating methods, State Farm Mutual is now permitted to sell auto insurance to its present members at 25% less than the rates fixed for most other companies by the State. And this 25% saving is pocketed by members *in advance*. It is not paid afterwards in the form of a dividend.

For present members, these new rates become effective with their first renewal after May 13, 1956.

NEW MEMBERSHIP FEE:

This is a slightly higher premium paid once only by new members for their first 6 months of insurance. This membership fee helps make low rates possible. It covers sales cost, such as sales commission and other sales costs of putting a new member's name on the books. It's charged once and only once--the first time you take out a coverage.

Present State Farm members are *not* required to pay membership fees for coverages they now carry.

Find out how much YOU can save! Call a State Farm agent today!

State Library In Baton Rouge Closed Suddenly

The Louisiana state library in Baton Rouge was closed without warning May 29. The personnel were turned away Friday morning when they reported for work and were told that the building was unsafe.

Miss Effie Martha Culver, state librarian, notified the Ouachita parish library that all service to parish libraries would be discontinued until arrangements are made to rent or construct temporary quarters. She said that it would take some weeks to transfer the books.

The state library lends books to all libraries in the state to fill special request Miss Frances Flanders, the Ouachita parish librarian, said the local library borrowed 40 books last month. This service has been temporarily discontinued.

A new state library building is being constructed on the capitol grounds in front of the old building. The work has been underway about six weeks. The steps of the old building were torn away when the excavating was begun. Authorities stated that this considerably weakened the old structure.

The condemned building was constructed many years ago and was known as the Hill Memorial Library on the grounds of the old L.S.U. campus.

The new library building will be entirely modern and is expected to be one of the most beautiful buildings on the capitol grounds.

John J. Desmond is the architect for the new building and the Progressive Architecture magazine awarded him a citation for the plans for the new Louisiana State Library.

In commenting upon the closing of the old State Library building, Miss Flanders at the Ouachita Parish Library, said, "Our building here is so old, it could happen to us."

Charitable Fund Chairman Named For Frost-Kraft

E. E. Pace has been elected chairman of the Frost - Kraft United Fund, which is made up of local employes of the Olin Mathieson Chemical Corporation who contribute to one fund to be distributed to charity.

Victor Kelly was elected secretary - treasurer and other members of the committee are W. T. Ellis, Roy Derrick, Richard LeBrun, S. E. Reppond, J. M. Bingaman and John Mullens.

Chairman Pace stated that a series of meetings will be held in July to determine how the contributions will be distributed among the charitable organizations.

He said that any charity or character - building organization in this area that would be interested in applying for a donation should write the secretary, Victor Kelly, Box 48, West Monroe, submitting the work it performs, the people it helps, how much money is spent locally and how much is sent to a national headquarters of their organization.

He said that the committee would make a study of the information on the basis of the facts submitted and decide about the distribution of the fund.

Federal Employe Living With Two Wives Exposed

FORT WORTH, June 2 (AP)—A 30-year-old government electronics worker who divided his time between two wives without either knowing the other existed, was exposed today when wife No. 1 tried to commit suicide for the second day in a row.

Edward Voss, employe at Fort Worth General Depot, told Detective Capt. O.R. Brown he married wife No. 1 five years ago in Panama and picked up wife No. 2 last December in California.

While both women wept at police headquarters, the red-headed Voss told reporters, "I really got myself in a mess."

Said wife No. 1, Mrs. Sixta B. Voss, 35, of Central America: "I can't live without him."

Said wife No. 2, Mrs. Doris Voss, 32, of Los Angeles: "Of course, I still love him. You can't turn love on and off like that."

Voss painfully detailed how he shuttled between wife No. 1, who lived with him in an apartment here, and wife No. 2, who lived with him in a converted trailer at Arlington.

"I told them both I traveled a lot," he told a Fort Worth Star Telegram reporter.

"And I believed him," wife No. 2 screamed. "I'd sit home thinking he was on the road. I had no reason to doubt him."

Voss held her and moaned: "I'm sorry, I'm sorry. I made a mistake. I shouldn't have deceived you. But it's you I love. I want to send Sixta back to Panama."

Sixta, at the moment, was on her knees praying in a cell where she had been placed after police said she tried to kill herself this morning in her gas-filled bedroom.

She has two sons, 10 and 6, by a man in Central America. The elder boy called police this morning when he found his mother. Police officer D. A. Cardwell and Sgt. Sam Latham revived her and brought her to headquarters.

The same two officers made a similar call yesterday when the boy phoned that his mother was going to shoot herself.

She had written a farewell note and told officers then that she wanted to die because she understood her husband was "going with another woman."

But last night the three met for the first time, and the story came out.

Voss took wife No. 1 to the trailer home and introduced her to wife No. 2, telling them the whole story. He told wife No. 1, he wanted her to go back to Central America.

"You can't imagine what it was like, learning he was already married," No. 2 said Saturday. "We all cried, and then my husband took Sixta home. He came back about 3 o'clock this morning and we sat up talking all night. We went back over to the house (in Fort Worth) this morning, and the police were waiting."

Voss said he married wife No. 1 while in Panama working for the government. He said he thought a relative had annulled the marriage when he returned to this country, but had never known for certain.

Wife No. 2 said she began corresponding with Voss last year when he was on a government job in Japan. She said she got his name from a pen pal list. She said she had been married once before.

"The letters kept getting more serious," she said, "and when he got back to the states I went to meet him at the boat." She said they were married a few days later, and then Voss left her in Las Vegas, saying he had to go on to Fort Worth and a job.

"He really picked up Sixta, who had come up to the United States. A month later I got tired of waiting and came out here. He met me, and we got the trailer."

Voss was taken to the district attorney's office for possible filing of bigamy charges.

Said wife No. 2 at police headquarters: "I love him but I'll go back to California if he wants me to."

Then, to the reporters: "what would you do?"

PAR Says High Taxes May Threaten Growth

BATON ROUGE, June 2 (Special) — With Louisiana ranking fourth highest in the nation in per capita state taxes, the Public Affairs Research Council (PAR) said Saturday any revision in the tax structure "must be viewed in light of its effect on the ability of the people to pay" and any other related factors.

Analyzing in its weekly Legislative Bulletin measurers to increase taxes on timber and sulphur and to repeal the power use tax, PAR said it "should also be remembered that Louisiana's current and potential economic growth should, in itself, yield increased state revenues."

Other factors to be considered in tax proposals include "the necessity of such changes as related to the present revenue and expenditure picture, its effect on the prosperity and economic growth of the state, and the equity of the proposal to the potential taxpayer."

Citing comparative date on taxes among the states, PAR said that on the basis of ability to pay, as measured by per capita income, the combined local and state tax burden in Louisiana is second heaviest in the nation with $10.51 out of $100 in personal income paid in taxes.

In discussing both the proposed timber and sulphur tax increases, PAR noted both commodities are sold in a competitive market, and the higher taxes would reduce the ability of Louisiana producers to meet competition.

Turning to the timber tax hike, which would more than double present taxes, PAR noted that since 1910 there have been various measures proposed to encourage reforestation through tax adjustments. A constitutional amendment in 1954 made an "effort to stabilize property taxes on timber and thereby encourage reforestation."

PAR reported that there are about 111,000 forest land owners in the state and cited data from the State Forestry Commission showing about two - thirds of Louisiana's potential pine timber producing lands are not "adequately stocked."

Discussing the sulphur severance tax proposal, which would raise the tax from $1.03 per ton to $3, PAR said that the severance tax in Texas is $1.40 per ton.

At present, Texas produces nearly twice as much sulphur as Louisiana. In recent years new sulphur deposits have been found in Mexico and production from that nation is entering the world markets. This year, domestic producers had to cut their prices $3 per ton in the foreign markets to meet increased competition.

The proposed tax increase is "equal to two - thirds the amount of the recent price cut" in the world markets, PAR noted. It would represent "a possible price increase of 7.4 per cent per ton."

"If this price increase could not be absorbed entirely by Louisiana producers, it would have the effect of reducing their ability to sell in the world market and could reduce mining operations in the state," PAR said.

Also, noting there is no tariff on sulphur, PAR said "foreign and out of-state producers would find an advantage in the Louisiana market if Louisiana producers could not absorb the tax increase." There were 18 plants in Louisiana which used 213,000 tons of sulphur in 1955 as a raw material.

Concerning the power use tax repeal proposal, PAR said this tax yields about three - tenths per cent of all state revenues. It affects about 1,260 taxpayers, who generate the horsepower they use in businesses or plants, with general contractors representing the largest number in this group.

No other state, according to PAR, levies this type of tax, thus making the tax a possible deterrent to location of new industries.

6.1¢ Extra Value Per Gallon At No Extra Cost Per Gallon

with

Keotane*

FORMULA

only in

Skelly Supreme Gasoline

Estimated Extra Value Per Gallon To You, Of Skelly Supreme Gasoline With Keotane:
(Based on average current premium gasoline prices in the Midwest)

12.7% average gain in mileage.....3.8c
3 octane points extra performance effect.....1.0c
14.6% more horsepower output (h.p. saved or added).....8c
Less gum and cleaner carburetors, faster starts with fewer sputters, longer life for batteries .5c

Estimated extra value per gallon to you. 6.1c

The extra values shown above are conservative estimates by our engineers. They are not figured against inferior premium gasolines or regular grade gasolines, but against Skelly Supreme Gasoline, the best top-octane premium gasoline previously made.

6.1¢ makes other premium gasoline expensive to use;
6.1¢ makes any regular gasoline expensive to use;
6.1¢ makes any "cut-rate" gasoline expensive to use:

Imagine a premium gasoline so different that it gives you over 6c extra value per gallon . . . and so revolutionary that it makes all other gasolines — premium, regular, or "cut-rate" — expensive to use. That's today's Skelly Supreme Gasoline with new Keotane, a gum-removing formula that petroleum engineers have sought for years.

Keotane boosts your car's power and mileage by dissolving sticky gum in vital carburetor and combustion areas.

Gum Is Like A Glue

Gum is the "glue" that holds carbon and lead deposits in the combustion chambers. As carbon and lead build *up*, horsepower, pep, and gasoline economy go *down*.

Others have attempted to neutralize carbon and lead deposits, but Skelly actually reduces them with Keotane by going directly after the gum that holds these deposits. And without gum to stick to, carbon and lead go out the exhaust.

The product of over 10 years of research and testing by Skelly Oil Company engineers, the action of Keotane is so different from any previously known gasoline formulation that Skelly has filed a patent application for its use.

Keotane Tested 5 Ways:

1. Road tests in "matched" fleets of new cars by Southwest Research Institute. Used cars also tested.
2. Chassis dynamometer tests of engines under load by Southwest Research Institute.
3. Dynamometer tests in Skelly's own Research Laboratory.
4. Hundreds of tests in laboratory test engines.
5. Hundreds of thousands of miles of road tests by Skelly's own scientific personnel.

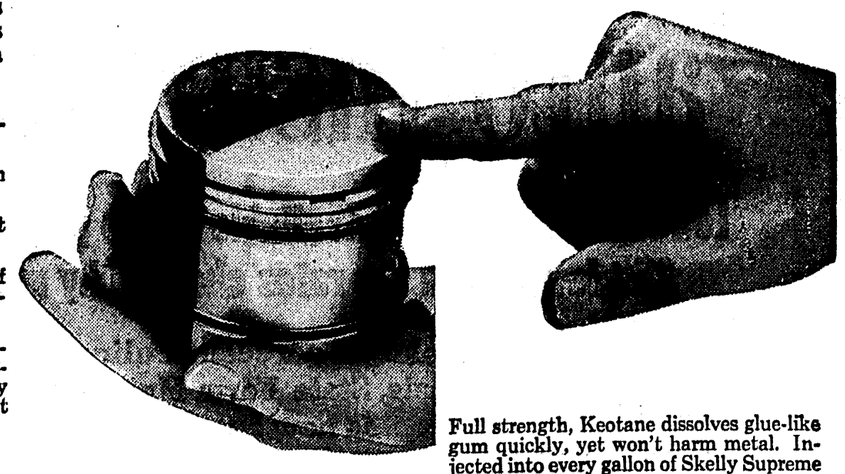
Final dynamometer tests compared engines run on Skelly Supreme with Keotane against engines run on Skelly Supreme without Keotane. Engines that had used Keotane averaged:

12.7% gain in mileage.

The performance effect of 3 more octane points.

14.6% more horsepower output.

These and other benefits (see chart) are why Skelly engineers estimate you get over 6c extra value per gallon—at no extra cost—from Skelly Supreme Gasoline.



Why not start getting all these benefits now? Ask your Skellyman for free illustrated folder on Keotane. Make your next tankful of Gasoline a tankful of Skelly Supreme with new Keotane formula, the gasoline that makes all other gasolines — regular, "cut-rate," or premium — expensive to use.

Full strength, Keotane dissolves glue-like gum quickly, yet won't harm metal. Injected into every gallon of Skelly Supreme Gasoline at strategically located distributing points, Keotane removes gum-stuck carbon and lead as you drive. Some cars may reach their peak improvement with Keotane in 1,000 miles. Others may take 3,000. A few, perhaps, longer. But once you reach peak results, you will hold at that level as long as you continue to use Skelly Supreme Gasoline with new Keotane formula.

Only Skelly Supreme Gasoline Has New Keotane*

*Trademark of Skelly Oil Company, Kansas City 41, Missouri

Now The Skelly Supreme POWER PAIR IS EVEN MORE POWERFUL!

In all test engines, only Skelly Supreme Motor Oil was used. Team up Skelly Supreme Motor Oil *and* Skelly Supreme Gasoline with new Keotane formula. This famous Power Pair is guaranteed to give you more power — and more miles — per dollar than any other combination of premium gasoline and motor oil.

Skelly Supreme Gasoline

Estimated Extra Value Per Gallon To You, Of Skelly Supreme Gasoline With Keotane:
(Based on average current premium gasoline prices in the Midwest)

12.7% average gain in mileage.....3.8c
3 octane points extra performance effect.....1.0c
14.6% more horsepower output (h.p. saved or added).....8c
Less gum and cleaner carburetors, faster starts with fewer sputters, longer life for batteries .5c

Estimated extra value per gallon to you. 6.1c

The extra values shown above are conservative estimates by our engineers. They are not figured against inferior premium gasolines or regular grade gasolines, but against Skelly Supreme Gasoline, the best top-octane premium gasoline previously made.

6.1¢ makes other premium gasoline expensive to use;
6.1¢ makes any regular gasoline expensive to use;
6.1¢ makes any "cut-rate" gasoline expensive to use:

Imagine a premium gasoline so different that it gives you over 6c extra value per gallon . . . and so revolutionary that it makes all other gasolines — premium, regular, or "cut-rate" — expensive to use. That's today's Skelly Supreme Gasoline with new Keotane, a gum-removing formula that petroleum engineers have sought for years.

Keotane boosts your car's power and mileage by dissolving sticky gum in vital carburetor and combustion areas.

Gum Is Like A Glue

Gum is the "glue" that holds carbon and lead deposits in the combustion chambers. As carbon and lead build *up*, horsepower, pep, and gasoline economy go *down*.

Others have attempted to neutralize carbon and lead deposits, but Skelly actually reduces them with Keotane by going directly after the gum that holds these deposits. And without gum to stick to, carbon and lead go out the exhaust.

The product of over 10 years of research and testing by Skelly Oil Company engineers, the action of Keotane is so different from any previously known gasoline formulation that Skelly has filed a patent application for its use.

Keotane Tested 5 Ways:

1. Road tests in "matched" fleets of new cars by Southwest Research Institute. Used cars also tested.
2. Chassis dynamometer tests of engines under load by Southwest Research Institute.
3. Dynamometer tests in Skelly's own Research Laboratory.
4. Hundreds of tests in laboratory test engines.
5. Hundreds of thousands of miles of road tests by Skelly's own scientific personnel.

Final dynamometer tests compared engines run on Skelly Supreme with Keotane against engines run on Skelly Supreme without Keotane. Engines that had used Keotane averaged:

12.7% gain in mileage.

The performance effect of 3 more octane points.

14.6% more horsepower output.

These and other benefits (see chart) are why Skelly engineers estimate you get over 6c extra value per gallon—at no extra cost—from Skelly Supreme Gasoline.

Why not start getting all these benefits now? Ask your Skellyman for free illustrated folder on Keotane. Make your next tankful of Gasoline a tankful of Skelly Supreme with new Keotane formula, the gasoline that makes all other gasolines — regular, "cut-rate," or premium — expensive to use.

Full strength, Keotane dissolves glue-like gum quickly, yet won't harm metal. Injected into every gallon of Skelly Supreme Gasoline at strategically located distributing points, Keotane removes gum-stuck carbon and lead as you drive. Some cars may reach their peak improvement with Keotane in 1,000 miles. Others may take 3,000. A few, perhaps, longer. But once you reach peak results, you will hold at that level as long as you continue to use Skelly Supreme Gasoline with new Keotane formula.

Now The Skelly Supreme POWER PAIR IS EVEN MORE POWERFUL!

in all test engines, only Skelly Supreme Motor Oil was used. Team up Skelly Supreme Motor Oil *and* Skelly Supreme Gasoline with new Keotane formula. This famous Power Pair is guaranteed to give you more power — and more miles — per dollar than any other combination of **premium gasoline and motor oil.**

Only Skelly Supreme Gasoline Has New Keotane*

Long's Attempt

(Continued from First Page)

opposition that blocked the 1952 and 1954 convention bills was organized as a barrier against changing city and rural legislative power.

Long, however, usually counts his greatest legislative strength in the country votes. The question apparently will be whether the country boys really stick together this time against a convention threat of reapportionment.

After the convention of 1950, Long said the real reason he was opposed was that a lot of people who eat "high on the hog" were against a convention while "Earl Long is throwing distance of the state capitol."

But rural leaders said Long did some opposing of his own on a convention bill during the 1954 Kennon session.

The Long proposal this time does not direct the 121 delegates what to or what not to do except to meet in the House of Representatives here at noon next Jan. 7 and complete a new constitution not later than April 19.

It would go into effect at any time fixed by the delegates. with six months the limit. The new constitution would not be subject to a popular vote.

The decision whether to hold the convention at all will be subject to a popular vote in the Nov. 6 general election if the Legislature adopts the convention program.

Long put through a convention program in the regular session of 1950, and was forced within a month to summon a special session to revise it because of criticism the governor named too many delegates.

In another month he had to call a second special session to kill the convention amendment in the face of new criticism and the Korean War.

Louisiana's bulky constitution, longest in the United States, is packed with 184,000 words and has been amended 313 times since it was adopted in the 1921 convention.

The Louisiana Legislative Council said. "The faults of the present constitution are so many and of such magnitute that a complete revision is the only way to correct them."

And PAR commented, Louisiana's big document is "a lengthy, complex, poorly organized, almost incomprehensible and conflicting document."

In the views of the Louisiana State Bar Assn., "long and costly litigation has been necessary in order to clarify and interpret numerous constitutional provisions.

"It's too cumbersome, to involved," the Association complained. It backed the 1954 convention bill.

These were the experts speaking.

How does the new Long convention compare with the draft he sought in 1950 and the last convention in 1921? The method for selecting delegates always has been a trouble spot.

The governor wants:

1. A total 121 delegates.
2. 101 directly elected by the people from the 101 state representative districts.
3. Delegates named through the Democratic Party machinery, none.
4. Delegates appointed by the governor, 17.
5. Ex officio delegates, in other words, those who would automatically serve because of the offices they hold, three, including the chief justice, one associate and the presidnt of the Louisiana Law Institute.
6. Delegates appointed other than by the governor, none.
7. Would the new constitution be submitted to the people? No.

The Long proposal in 1950:

1. A total of 149 delegates.
2. 100 directly elected by the people.
3. Delegates named through Democratic Party machinery, 16.
4. Delegates appointed by the governor, 15.
5. Ex officio delegates, 13.
6. Delegates appointed other than by governor, five, by the Louisiana Law Institute.
7. Would the new constitution be submitted to the people? Yes, but only if 500,000 or more voters participated in the election.

The 1921 convention:

1. A total 146 delegates.
2. 118 directly elected by the people.
3. Delegates named through Democratic Party machinery, 16.
4. Delegates appointed by governor, 12.
5. Ex officio delegates, none.
6. Delegates appointed other than by governor, none.
7. Was the new constitution submitted to the people for a vote? No.

In the regular Legislature of 1950, Long pushed through a convention bill calling for 143 delegates. He named 20 directly. But public criticism arose because of the number Long would appoint and the number of ex officio state officials who would be delegates and political associates of the governor.

Also criticism was directed at the fact the convention would have the power to extend the governor's four year term. Long at the time thought a six-year term was a good idea.

Bills have been introduced in the 1956 Legislature to permit a governor to succeed himself in an extra four year term.

Long, in 1950, called a special session a month after the 143-delegate proposal was approved and had it changed, cutting the delegates he named to 15 but raising the total to 149. A last hour provision required the new constitution to be submitted to a popular vote, the vote wouldn't count unless 500,000 or more showed up at the polls.

Long's legislative leaders blamed newspaper criticism for cancellation of the whole idea. The second special session of 1950 calling off the 1951 convention, lasted one hour and 15 minutes, shortest on record.

Now once again he dreams of a convention, 'if the newspapers will work with me."

REVIVAL LEADER—Cecil Pumphrey, Houston, Miss., will conduct youth services at Mt. Vernon Baptist church, Jonesboro road, starting June 3, There will be prayer service at 7:15 p.m.; Song Service at 7:30 p.m. and the regular night service at 8 p.m. Meetings will be held nightly for one week.

Palm Print On Knife New Clue In Orleans Case

NEW ORLEANS, June 2 (AP) — Capt. Charles Kindcade, asst. supervisor of the police Bureau of Identification said yesterday a palm print found on the handle of the knife used in a double murder did not belong to either victim.

Kincade said tests were being made to classify the print and the FBI may be asked to check it against prints in its files.

Officers, meanwhile, continued to investigate the murder of laundryman Hom (Tom) Yuen, 58, and his stepdaughter, Eula Mae Smith, 19. Their bodies were found last Tuesday at their residence.

Australia has about 131 million sheep.

Providence Man Faces Attempted Murder Charge

LAKE PROVIDENCE, June 2 (Special)—Leo Whatley, 32, of Lake Providence, was lodged in the East Carroll parish jail tonight charged with attempted murder, according to Sheriff J. WM Gilbert.

Whatley was arrested today after he attacked Jim Pratt, 82, in a bar in Lake Providece, the Sheriff said. Sheriff Gilbert said Pratt was scheduled to be a state witness June 25 when Whatley was to be tried for aggravated battery.

Gilbert said Whatley attacked Pratt with a knife in the bar today. Pratt's condition was still undetermined tonight after he was slashed in the stomach and leg. He was being treated in a local clinic.

H. C. Vaughan, Jr., deputy town marshal' was called to the scene of the fracas today and took Whatley into custody. Judge Frank Voelker set Whatley's bond at $5,000.

Providence Man Faces Attempted Murder Charge

LAKE PROVIDENCE, June 2 (Special)—Leo Whatley, 32, of Lake Providence, was lodged in the East Carroll parish jail tonight charged with attempted murder, according to Sheriff J. WM Gilbert.

Whatley was arrested today after he attacked Jim Pratt, 82, in a bar in Lake Providece, the Sheriff said. Sheriff Gilbert said Pratt was scheduled to be a state witness June 25 when Whatley was to be tried for aggravated battery.

Gilbert said Whatley attacked Pratt with a knife in the bar today. Pratt's condition was still undetermined tonight after he was slashed in the stomach and leg. He was being treated in a local clinic.

H. C. Vaughan, Jr., deputy town marshal' was called to the scene of the fracas today and took Whatley into custody. Judge Frank Voelker set Whatley's bond at $5,000.

form school and Spike is in Harvard."

"This is surely a sad situation," the agent soliloquized. "Your mother in the county home, your father in the penitentiary; your sister in the home for delinquents, one brother in the reform school and another studying in Harvard."

"Oh he ain't a studying anything, they'se jes studying him," she replied.

We of the Monroe district are pleased to hear of the returns from the annual Methodist conference that closed Friday in Shreveport and to note the very few changes made here.

We did get the word a few days ago that it had been planned to assign the Rev. Lea Joyner to Bastrop. Fortunately the plan got out and did the ardent members of the official church board at Southside Methodist church, headed by Pete Medak, got busy.

They went to the higherups and showed what a fine work Reverend Joyner has done and how she is needed to continue unfinished efforts. In the end they convinced that it would not be wise to assign her to the establishment of another entirely new church in Morehouse parish.

The local congregational are deeply thankful that no change is to be made here at this time. The achievements of Reverend Joyner are well known. She has made a bright and shining record for herself and her church.

Sad news for all ye lawyers, dentists, newsmen, other professional men and women in the neighborhood of North Second and DeSiard. "Frenchies Cafe, next door neighbor to the News-Star—World, has completed 19 years of successful operations. Last night it was padlocked!

No the sheriff didn't get it closed, but Frenchie closed it for he will follow what he announced weeks ago, that business has gone out Louisville toward Northeast Louisiana State college, and he is moving his cafe out in that region.

We do not know what the army of men and women in downtown will do with Frenchie no longer with doors ever ajar, the best place in the world for gossip and general news dissemination. New quarters must be found, but it can't be at 108 North Second street. No one need think he can open a cafe on the site for the quarters are said to be leased already to a well known finance company. "Those were great years, the past 19," declares Frenchie, "I have made both money and friends. I will open up my new place on DeSiard at the corner of Cole avenue in several weeks time. I want my friends to visit me there whenever possible."

Among new teachers of the City of Monroe schools this fall will be Miss Carolyn Peters, daughter of Mr. and Mrs. Louis Peters. She was graduated recently at Sophie Newcomb, New Orleans, and we predict she will prove a valuable addition to the city's schools. She comes from one of the oldest and most highly recognized families in Monroe. Way back through the years her immediate ancestors played an important role in the building of the present city of Monroe.

For many years the Peters family owned and operated the oldest business establishment in the city. Both of Carolyn's parents are today outstanding local citizens.

Seems that churches spring up like mushrooms, well established churches here are at this time seemingly aiding in the establishments of new churches in other parts of the city. The First Christian church is an example. This morning at 10:50 o'clock the first steps, that of commissioning, will be taken at this church for a new one on the north side which we understand will be called the Westminster Christian Church. It will meet in Lexington school for the present.

Next to new churches, it seems to be new clubs, that are being started. The newest club will be known as the North Monroe Kiwanis club, meeting Monday nights in the Antler restaurant at the Louisville DeSiard junction.

This club, the third Kiwanis club for the Twin Cities, is starting with about 30 members, Charter night will be held Monday in Hotel Virginia ballroom. Lt. Gov. Hugh B. Balfour of Division 6, will be toastmaster. Other notables from away will participate.

Harry M. Bell, president, will accept the charter.

We are delighted to see this new club formed but we wonder how it became "North Monroe"—We thought "North" was in another direction. Doesn't that make the college located also in NORTH MONROE?

Our Lady of Fatima men's club is sponsoring a Bar-B-Q chicken dinner at Pace Lake on June 3. The serving of the Bar-B-Q chicken, with the trimmings, starts at 12:00 Noon.

Pace Lake is about 12 miles from Monroe, off the Sterlington highway, and provides a relaxing environment. Incliment weather need not keep you at home as shelter is available. There will be games for the young and old with prizes to the winners.

Remember — Bar-B-Q Chicken Dinner — June 3, at Pace Lake. Directional Signs will be posted.

Delhi Youth Wins Top Spot In State Teenage Road-E-O

SHREVEPORT, La., June 2 (AP)—The state Junior Chamber of Commerce tonight named Bobby Gene Leach, 16, of Delhi, winner of its state Teenage Road-E-O.

Leach was tops among 38 contestants in the event. Other winners were Robert Zielke, 17, of Baton Rouge, second place, and Fred Alexander, 18, of Alexandria, third.

The annual event is to promote safe driving among teenagers. Contestants must take a written examination, driving test and skill test.

Leach won a trip to the national contest in Washington, Aug. 6-9, in which winners will get college scholarships. The Delhi Jaycee chapter also gets the group's rotating trophy for entering him.

Funeral Services Today At 3 p.m. For Susan Spencer

Funeral services for Susan Spencer, 7-year-old daughter of Dr. and Mrs. B. E. Spencer, Sr., of Sterlington, will be held at 3 p.m. Sunday at the Sterlington Baptist church with the Rev. H. L. Sampson officiating. Interment will follow in Memorial Park cemetery under the direction of Mulhearn Funeral Home.

The Spencer girl was fatally injured when struck by a gravel truck in Sterlington Friday afternoon. The driver of the truck, Willard Godfrey Chaplin, 37, West Monroe, is being held in the Ouachita parish jail on a charge of negligent homicide. Bond had not been set in the case late yesterday. A Ouachita parish grand jury will investigate the charge against Chaplin.

The body will lie in state at the home of the parents until time for services. Pallbearers will be Claude Dunham, N. B. James, Dr. W. B. Liles, Dr. Roy Robertson, Dr. N. Klam and A. P. Kemmig.

GRADUATES — Marion (Yo-Yo) Chaney, son of Mrs. E. J. Chaney of Lake Providence, graduated from the jet fighter school at Laughlin Air Force Base last week. Chaney enlisted in the Air Corps following his graduation from Louisiana Tech in January, 1955.

produce about 6.8 million dollars a year. The money, as a fixed source of revenue, could support up to 180 million dollars in 30-year bonds, Jones explained.

The legislator emphasized no tax increases would be involved on a statewide basis.

The proposed school building commission would use whatever bond money it obtains to provide:

1. 75 per cent of the amount for state matching funds on local school projects.

2. 20 per cent for college capital outlay.

3. Five per cent for trade school construction.

Under No. 1, Jones said, an additional provision would assure that parish school districts already at the limit of their own school bonding would be granted state aid without requiring parish matching funds.

The groundwork for Jones' proposal is the great postwar expansion of the natural gas industry.

When World War II commandeered all available oil, natural gas —which could not be transported overseas—filled in the national fuel vacuum. This brought about skyrocketing growth in natural gas consumption.

"Frankly, we are faced with losing a FORTY MILLION DOLLAR expansion of the Olin Corporation if the bill goes through! This isn't a threat posed on us by Olin, instead, it's just "common sense"! They simply have no incentive to go ahead with their plans if they are faced with increasing costs of gas.

"Ouachita Parish as you are perhaps familiar is in the middle of a giant gas field where contracts have been entered into on "exclusive" arrangements by well owners with pipelines. Our average rate received by the well owners is about 4 per cent per 1,000 cubic feet.

"Certainly, if the provisions of HB 120 are allowed to become law—our small well owners will have no incentive from a profit angle to continue in business.

"Please, don't allow this legislation to cripple not only our Parish but the surrounding area.

"Our Chamber of Commerce at large has publicly gone on record as opposing HB 120 and we feel that business interests throughout the state will in like manner contact you with similar reasoning on this bill. PLEASE DON'T LET IT PASS YOUR COMMITTEE."

Miscellany In The News

(Continued From First Page)

threats in the Far East, has asked Congress to authorize loan of more U.S. warships to friendly Asian nations, it was learned Saturday.

Congressional sources said the Navy sent up a proposed bill a month ago. It would increase from 25 to 50 the number of vessels that could be loaned. It also would extend President Eisenhower's authority to make such loans through 1958.

GRAND RAPIDS, Mich., June 2 (AP)—Michigan Democrats made a bold bid for leadership of the National Democratic party today in winding up their two-day state convention.

Delegates unanimously adopted a "Michigan Declaration" pledging the party to work toward the end of racial segregation in the United States.

Then they adopted a civil rights resolution proposing drastic means by which to eliminate segregation.

HAVANA, Cuba, June 2 (UP)—Cuban newspapers will publish without censorship Sunday for the first time since President Juan Batista slapped on restrictions in the wake of an attempted revolt late in April.

TYLERTOWN, Miss., June 2 (AP)—Finley Hudson of Sparta, Tenn., was killed when his automobile collided with another near here today.

WASHINGTON, June 2 --UP—Congressional sources predicted Saturday that House-Senate conferees will approve a "logical" compromise for dividing $25 billion in proposed super highway funds among the states.

The conference committee starts ironing out differences in the Senate and House highway bill next week. The formula for passing out federal funds to construct a 40,000-mile interstate road system is the major issue in dispute.

VATICAN CITY, June 2 (UP)—Pope Pius XII, his voice faint and hoarse from fatigue, blessed 20,000 pilgrims in St. Peter's Basilica Saturday in an appearance made against his doctor's orders.

Mississippi To Get Wildcat Test

JACKSON, Miss., June 2 (AP) — A new deep wildcat test for the Rankin County area is scheduled to be drilled with Midwest Oil Corp. securing permit for the J. C. Searcy No. 1, NW SE Sec. 24-3N-5E near Puckett.

The important test has contract depth of 12,500 feet which is sufficient depth to test both the Paluxy and Rodessa sands and is located about six miles northeast of a wildcat drilled last year that logged uncommercial shows of oil in the Rodessa.

The Paluzy sand produces in the Bolton field of Hinds County and the Rodessa sand is the major producing zone in the big Soso field of Jasper, Jones and Smith counties.

Mississippi To Get Wildcat Test

JACKSON, Miss., June 2 (AP) — A new deep wildcat test for the Rankin County area is scheduled to be drilled with Midwest Oil Corp. securing permit for the J. C. Searcy No. 1, NW SE Sec. 24-3N-5E near Puckett.

The important test has contract depth of 12,500 feet which is sufficient depth to test both the Paluxy and Rodessa sands and is located about six miles northeast of a wildcat drilled last year that logged uncommercial shows of oil in the Rodessa.

The Paluzy sand produces in the Bolton field of Hinds County and the Rodessa sand is the major producing zone in the big Soso field of Jasper, Jones and Smith counties.

Eros Test Below 10,000; 36 Rigs Active In Area

The Gulf Refining Co. E. V. Waller et al No. 1 wildcat, in Ouachita parish near Eros, had reached a depth of 10,028 feet by the weekend toward the proposed depth of 11,500 feet. Objective is to test the upper Cotton Valley, interval of production in the new Cadeville field, approximately six miles east by northeast of the wildcat site. Location is in Sec. 6-16-1E.

Previously a drillstem test at about 8,400 feet had failed after shows had been obtained. The operator is expected to test this upper interval, presumably in the Travis Peak, if the upper Cotton Valley fails to produce.

In the Cadeville field, the third venture, Gulf Refining Co. E. V. Waller et al No. 1, has reached a depth of 8,435 feet. A fourth location in the Cadeville area, the E. A. Adams and E. R. Whitaker Wood No. 1, wildcat, Sec. 36-17-1E, is awaiting rig.

On its weekly report the Monroe District office of the State of Louisiana Department of Conservation listed four new oil wells, four abandonments, and 11 new locations. Three new wells are small pumpers in the Tullos-Urania field, LaSalle parish, and the other is a small pumper in the Ora field of Union parish. Thirty-six rigs were reported active in the district office round-up.

Cotton Futures Follow Narrow Course In Week

NEW YORK, June 2 (AP)—Cotton futures prices followed a narrowly irregular course this week but were mostly steady to higher at the finish.

The nearby December contract—only month to wind up in the minus column—took a net loss of 40 cents a bale. Other contracts traded on the New York Cotton Exchange finished unchanged to $1.30 a bale higher as the market responded to favorable Washington news.

One sustaining factor was a further advance in the parity price as of mid-May. The price announced by the Department of Agriculture—35.44 cents a pound—showed a gain of 0.22 over mid-April and led the New York Cotton Exchange service bureau to hold out hope of a possible loan rate of 32.64 cents a pound at the end of the season on middling one-inch upland staple. That would compare with the present guaranteed minimum loan rate of 32.25 cents a pound.

Buying in futures was also encouraged by a bullish interpretation of the soil bank provision of the new farm bill. It was noted that Secretary of Agriculture Benson had stated that farmers in areas where planting had been delayed would receive payments of 15 cents a pound for taking land out of production.

Likewise welcomed by many in the trade was Benson's announcement that the next opening of offers under the government's surplus cotton export program had been postponed from June 5 to June 19.

Selling this week reflected some hedging and profit-taking, and another series of favorable weather reports from the cotton belt.

Stocks Manage To Close Week On Slight Upswing

NEW YORK, June 2 (AP)—The stock market staged its long-awaited rally last Tuesday and held on to enough of its gains to push the averages for the week over to the plus side.

This followed three straight weekly declines and gave Wall Street a welcome breather from the irregular retreat that prevailed since the market reached its record high April 6.

The Associated Press average of 60 stocks advanced $1.20 on the week to $178.60.

But its sparkling performance on Tuesday far outshone anything the market did on the other three trading days. Wednesday was the Memorial Day holiday.

On Tuesday the market made its greatest advance on average since Sept. 5, 1939, which was four days after Hitler launched World War II by invading Poland. On Sept. 5, 1939 the United States declared a policy of neutrality.

The Tuesday rally put The AP 60-stock average up $3.30. Based on this gain, the quoted value of securities listed on the New York Stock Exchange gained an estimated four billion dollars, recouping that much of the estimated 18 billion dollars lost during the long reaction.

As the week ended brokers saw an omen for further improvement in the rising tendency. While factors involved were still mainly technical, they said that news of loosening credit by the Federal Reserve System did provide an optimistic note for traders.

Some Wall Street observers looked for a resumption of the rally if prices can remain firm for the next few days. If they drop, however, these observers said that a renewed test of recently-established lows would be in the cards.

Week In Finance

Businessmen See Upturn In U. S. Consumer Buying

NEW YORK, June 2 (AP)—Businessmen were betting most of their chips this week on an early upturn in consumer spending.

That was the brightest ray of hope as the boom—particularly on the industrial front—showed further signs of slowdown.

There was evidence that a modest pickup in retail trade might be under way right now.

Morton J. May, chairman of May Department Stores Co., said the big chain's sales slumped during Easter but now "appear to be following an upward trend." Said May: "We believe the outlook is favorable for continuing increases both in sales and profits."

Equally bright prospects were seen by Wheelock H. Bingham, a director of R. H. Macy & Co. and head of its big New York store. Bingham's view: With consumer incomes high and likely to stay that way for a long time, retail sales this year should show a gain of 3 or even 4 per cent above last year's record level.

Other cheerful spots on the business scene this week: New proof of a rising trend in farmers' income, a brilliant if brief rally on the New York Stock Exchange, and hints that the tight money and credit situation might ease up soon.

Looming large on the minus side were new cutbacks and layoffs in the auto and home appliance industries, a continued lag in housing starts. Builders filled only 22,276 applications for FHA loans in April—2,608 less than in March and 10,852 less than in April last year. And there was the prospect of a greater-than-seasonal dip this summer in the nation's steel production rate.

Much of the booming steel production of recent months—this week's output was scheduled at a hefty 96.5 per cent of capacity—has been the result of stockpiling by consumers eager to beat the new price rises many feel are coming soon.

Highlighting the dilemma of the steel consumer was the opening round of bargaining talks between steel management and steel labor. With negotiations in recess until next Wednesday, no one directly involved wanted to hazard a guess as to whether the union would call a strike. One thing seemed dead certain, though. Strike or no strike wages would go up. And any wage raise would be followed at once by a boost in prices.

The motor industry continued to sputter along in second gear this week. Production of cars fell to about 75,000—lowest in nearly two years. New car sales showed some improvement but not enough to make any sizable dent in the mountain of inventories, estimated at close to 900,000. According to people who usually make good guesses, the outlook is for more slowdowns, and more layoffs, in the weeks ahead. U. S. factories in May turned out some 470,700 cars—down 31 per cent from the 724,892 produced in May last year. June production is expected to fall to about 447,000 and in July it may slip below the 400,000 mark.

For an Englishman, an auto choke is a strangler.

Eros Test Below 10,000; 36 Rigs Active In Area

The Gulf Refining Co. E. V. Waller et al No. 1 wildcat, in Ouachita parish near Eros, had reached a depth of 10,028 feet by the weekend toward the proposed depth of 11,500 feet. Objective is to test the upper Cotton Valley, interval of production in the new Cadeville field, approximately six miles east by northeast of the wildcat site. Location is in Sec. 6-16-1E.

Previously a drillstem test at about 8,400 feet had failed after shows had been obtained. The operator is expected to test this upper interval, presumably in the Travis Peak, if the upper Cotton Valley fails to produce.

In the Cadeville field, the third venture, Gulf Refining Co. E. V. Waller et al No. 1, has reached a depth of 8,435 feet. A fourth location in the Cadeville area, the E. A. Adams and E. R. Whitaker Wood No. 1, wildcat, Sec. 36-17-1E, is awaiting rig.

On its weekly report the Monroe District office of the State of Louisiana Department of Conservation listed four new oil wells, four abandonments, and 11 new locations. Three new wells are small pumpers in the Tullos-Urania field, LaSalle parish, and the other is a small pumper in the Ora field of Union parish. Thirty-six rigs were reported active in the district office round-up.

Forfeits Knock Lake Charles To 3rd In Evangeline

Mullins' Ruling Strikes Off Six Giant Victories

NEW IBERIA, La., June 2 (AP)—An Evangeline League ruling today cost Lake Charles six victories and dropped the Giants from first to third place in the class C league's standings.

President Ray (Moon) Mullins ordered Lake Charles to forfeit all games won between May 18 and May 27.

The ruling resulted from a protest filed may 28 by Baton Rouge. Baton Rouge claimed Lake Charles had 13 experienced players, one more than league rules allow, on its roster when the two teams played May 24 and 25, Mullins said.

The league rule pertaining to such cases calls for a team to forfeit all games won during the 10 days prior to the date of the protest, Mullins said.

Sam Tarleton, business manager for Lake Charles, said he would appeal the ruling to the National Assn. of Minor League Baseball clubs.

During the period covered by the ruling Lake Charles had defeated Monroe once, Baton Rouge twice and Thibodaux three times.

As a result of the ruling, Lafayette and Thibodaux moved into a tie for first place. Lake Charles had held undisputed possession of first place since April 24. At one point the Giants were as much as 7½ games in front.

Baton Rouge took over fifth place and Crowley dropped to sixth.

Mullins explained that league rules allow a team to carry nine limited service players, three veterans, four rookies and three national defense players.

Limited service players have no more than three years professional baseball experience. National defense players are those who have just returned from service.

Baton Rouge said in its protest Lake Charles was carrying on its roster 12 limited service players, one veteran, three rookies and two players which the team classified as national defense rookies, Mullins said.

He said the latter players should have been classified as either national defense players or rookies. However, he said the league was not penalizing Lake Charles for improper listing in that classification.

Mullins said Lake Charles has since adjusted its roster to comply with league requirements.

Tarleton charged yesterday that directors of the class C league were trying to "beat the Giants on paper because they could not do it on the field."

He said he was under the impression the penalty concerned the listing of national defense players.

Mullins said a letter notifying Lake Charles officials of the ruling was mailed out either late yesterday or early today.

At a meeting yesterday, league directors changed an earlier decision and threw out a protest by Crowley of a game played with Lake Charles May 17. Lake Charles had won the game, the second of a doubleheader, 4-3.

Previously, the league had ordered the game replayed from the point of protest in the bottom of the sixth inning.

Mullins said the league changed its ruling because it had learned since in a Lake Charles appeal of the decision that Crowley had failed to notify "Lake Charles in due time of the protest."

Mullins said the league directors decided to allow games played by the now defunct New beria team count in the standings. New Iberia gave up its franchise because of financial reasons May 19. The league voted to operate the remainder of the season with seven teams.

Kansas' Dr. Smith Misses One Home Game In 52 Years

LAWRENCE, Kan., June 2 (AP)—Back in 1904 as a freshman at the University of Colorado Guy Smith missed a football game. He vowed he'd never miss another home game.

Now known as Dr. Guy W. Smith, mathematics professor at the University of Kansas, he says he has broken the vow only once. He has mathematics—er, figures—to prove it. Smith's retirement from teaching this month prompted him to review his football record.

In the 52 years of studying or teaching at Colorado, Illinois, Beloit (Wis) College, Kentucky and Kansas, Smith has seen 220 games.

In 1904 Colorado upset powerful Nebraska in a thriller. Smith decided to go home to observe his birthday, Oct. 7, instead of seeing the game. He kept his post-game promise until 1948 when a weekend trip to the Ozark mountains caused him to miss a Kansas victory over invading Nebraska.

The best season's record seen by Dr. Smith was that of Illinois in 1914. That's when Potsy Clark paced the Illini to an undefeated season.

Smith says the most lopsided game he saw was Kansas' 83-0 defeat of Washington in 1923. That's when Potsy Clark coached Kansas.

Smith has been at Kansas the last 36 years and on the K.U. athletic board since 1939. And if you think these are a lot of figures, you should see his scrapbook.

Yanks Schedule Tryout Session At Legion Park

The New York Yankees will hold a tryout camp here at American Legion Memorial Stadium on June 14-15-16, it was announced yesterday by Atley Donald, Yankee scout.

All boys between 17 and 22 years of age that think they have the ability and aspirations to play professional baseball are invited to attend. All participants must bring their own shoes, gloves, and uniform, if any. The Yankees will supply the balls and bats. Any boy signed to a Yankee contract will be reimbursed any expenses incurred.

The camp will be conducted by scouts Donald and Dave Madison with the assistance of Ed Head, manager of the Monroe Sports, Yankee affiliate in the Evangeline League, and subscouts Bob Ackenhear, Robert Walker, and Charlie Johnston.

Pearson Skids 13 Points But Holds Texas Mace Lead

Oklahoma City's Al Pearson fell off 13 points in his batting average in official Texas League statistics released Saturday but his .400 was still good enough to put him atop the list of leading batters who have played in more than 20 games.

Shreveport's Ev Joyner dropped two points to a husky .390, but that was still good enough for second place in the figures compiled through Wednesday's games. Joyner led in total hits with 71 and two base blows with 16.

Another Sport slugger, outfielder Ken Guettler, has hit 25 home runs so far. His total of 46 runs is also a high for the league.

Two Fort Worth players, Dick Gray and Jasper Spears, tied for the leadership in three base blows with seven each. Another Cat, Mike Napoli, has nine stolen bases to his credit to pace the circuit in that department.

Three pitchers, Houston's Mike Clark, Shreveport's Dave Newkirk and Dallas' Fernando Rodriguez, boast 2-0 records. Three others with 7-1 marks are Rudy Paynich of Fort Worth, Dale Matthewson of Tulsa and Nigel Patrick of Dallas.

Houston's Bill Greason leads in strikeouts with 47, three more than another Buff hurler, Frank Wieand.

Shreveport leads in club batting with .301.

MUSIAL FELLED BY PITCH—Umpire Stan Landes bends over to help Stan Musial, Cardinal slugger, after he was knocked down by a pitched ball thrown by Cincinnati's Hal Jeffcoat in fourth inning of a game Thursday night. Looking on is Cincinnati catcher Ed Bailey. Musial was struck between the shoulder blades and recovered rapidly to resume action. Later in the game umpire Landes cautioned rival managers about "dust off" pitching, and Friday General Manager Frank Lane of the Cards telephoned Gabe Paul of Cincinnati an angry protest and retaliation threat. Rebs Head All-Star Poll

The West Monroe High School Rebels landed half the positions on the All-Twin Cities baseball team announced last night by the Junior Chamber of Commerce — and the Rebs also grabbed off "coach off the year" honors for Coach Bobby Wilson.

The triple-A Rebels, busiest high school club in this section this spring, barely lost out in a bid for the district championship.

Coach Jim Hodgins' Ouachita High Lions on Monroe placed three on the all-star team, while one place each went to Neville and St. Matthew's of Monroe. Only Southside High failed to place a player.

The West Monroe elite are Richard Watson, catcher; L. C. Crawford, first base; Mack Hunt, second base; George Smith, right field; and Wayne Hendricks, pitcher.

Ouachita landed Ralph Ward, third base; Dickie Crowe, shortstop; and Jeff Spence, left field.

Mickey Yerger, in center field, was the lone representative from Coach Jim Coats' district Class AA champions, and pitcher Jackie Norman is the representative from Coach Jay Broussard's St. Matthew's club.

Jake Ussery, incoming president of the Louisiana Junior Chamber of Commerce, had planned to recognize all selectees individually at last night's Evangeline League game here between Monroe and Thibodaux, but because many of the boys are away on vacations, the program was limited to announcement of the young athletes so honored.

It had been originally planned to make the announcements last Wednesday night, but rain forced postponement of the Jaycees' report until last night.

Three Gridders Sign With Detroit's Lions

DETROIT, June —(AP)— Bob Blechen of Whittier (Calif.) College, a center, and Horace Allert of Southwest Texas State, an end, have signed contracts with the Detroit Lions of the National Football League.

The Lions today also signed Conrad Magouirk, former Texas A&M halfback. Magouirk has been playing for Eglin, Fla. Air Base and was a free agent.

Blechen was the Lion's 1st draft choice for 195 and Allert was the 15th draft choice.

Curtis Accepts Oriental Foe; Girls On Mat Show

Battling girls and an oriental opponent for the local favorite, Jack Curtis, has Promoter Gus Kallio promising one of his finest wrestling cards in months here Tuesday night at his Walnut street arena.

Arriving home last night from a midwestern trip, Kallio announced a double main event program that sends Jack Curtis, the ex-world's lightweight champion of Vicksburg, against the Orient's Sugi Sito, and a women's match that sends Belle Drummond against Mars Bennett.

The girls will clash in a 75-minute time limit match, two falls to win, and the Curtis-Sito brawl will have a 90-minute time limit, also two falls to win.

"Sugi Sito will prove one of the most colorful and versatile wrestlers ever to show in Monroe," Kallio said. "He is capable of giving Curtis one of the hardest matches of his life."

Promoter Kallio said there will be no advance in his usual wrestling admission prices.

Beharrell Takes British Amateur From Les Taylor

TROON, Scotland, June 2—UP—Eighteen-year-old John Beharrell of England gallantly battled a cold rain and gale-force winds Saturday to defeat Leslie Taylor of Scotland, 5 and 4, and become the youngest player ever to win the British Amateur golf championship.

Undaunted by some of the worst weather conditions ever to accompany a British Amateur final, Beharrell showed his mettle when he recovered from a near-disastrous letdown on the afternoon round and swept the last three holes for his victory.

Before pulling his game together on the 30th hole, the English schoolboy's lead had dwindled to 2 up as a siege of poor putting and bunker difficulties lost him four straight holes from the 26th through the 29th.

Beharrell, who turned 18 only a few weeks ago, thus became the first English player to win the coveted amateur crown since Michael Scott in 1953.

"I'm sure glad that's all over," said Beharrell, who almost did not enter the tournament because of lack of funds. "I don't mind playing another good golfer, but that gale wind threw me off completely. I thought for a while 'Id never get the hang of it."

Beharrell said he would like to come to the United States "to improve my game."

"I think such a trip would really tune me up," he said enthusiastically. "I would go in a flash if I were invited."

Kallio Seeks To Arrange His 'Biggest' Fight Card

ST. LOUIS, Mo., June 2 (Special)—Promoter Gus Kallio, the former world's middleweight wrestling king, wound up a midwest tour of boxing camps here today and headed back for this own pastures at Monroe, La., with the declaration that he's working up the greatest boxing show Monroe has ever known and possibly Louisiana.

"I've just about got my card wrapped up," said Kallio without naming his fighters. "It will be the biggest boxing attraction Monroe has ever had and maybe the whole state of Louisiana."

Kallio revealed he is working up a double main event of two ten-round fights, and "one of them will be a nationally known TV fighter." A good guess is that another of the scrappers will be Clarence Cook, already a great drawing card in his home state of Louisiana although he is currently fighting for Eddie Yawitz here.

The ex-wrestling champ who has been promoting in Monroe since 1939 said he has yet to settle on the date, possibly late this month, and hopes to offer an open-air show at Monroe's baseball park in order to accomodate a bigger crowd. And he's figuring a cut of his gate for the polio fund.

Kallio spent the earlier part of the week looking over fighters in the Chicago area before arriving here.

Redlegs In Late Rally To Master N. Y. Giants, 5-2

CINCINNATI, June 2 (AP)—The Cincinnati Redlegs, held to four hits through the first seven innings, scored four times in the eighth today off Ruben Gomez to win a 5-2 decision over the New York Giants.

Gomez's first sign of weakness came in the seventh when a double by Ray Jablonski and a single by Ed Bailey accounted for the first Cincinnati run.

Then in the eighth the Reds clobbered Gomez quickly although they were aided a bit by an error by Daryl Spencer. Singles by Johnny Temple and Frank Robinson and an intentional walk to Ted Kluszewski loaded the bases with one out.

Wally Post singled Temple home and Robinson also scored when Spencer let the relay get away from him as he tried to throw.

Leading Women Golf Pros Point For Round Robin

VIRGINIA BEACH, Va., June 2 (AP)— The "mathematical nightmare" of women's golf begins Wednesday in this seashore resort community.

The occasion will be the fourth annual $12,000 Triangle Round Robin Tournament. Sixteen of America's top-ranking women golfers—all professionals—will compete.

Quiet-mannered Louise Suggs of Sea Island, Ga., will defend the title she won a year ago. As defending champion, she is regarded as the gal to beat.

Miss Suggs' strongest opposition may come from old-timer Patty Berg of St. Andrews, Ill., who won the Round Robin crown two years ago at Hot Springs, Va.

At least three others must be considered definite threats in this "plus and minus" competition. They are Betsy Rawls of Spartanburg, S. C.; 12-year-old Mickey Wright of LaJolla, Calif.; and Marlene Bauer Hagge of Sarasota, Fla.

Miss Rawls has won three tournaments during the current tour, finishing first at Tampa, Sarasota and Spartanburg. Mrs. Hagge won at Sea Island and Beaumont, Miss Suggs at Havana and Augusta, Miss Wright at Jacksonville and Miss Berg at Dallas.

Rounding out the field are Mary Lena Faulk, Betty Jameson, Joyce Ziske, Beverly Hanson, Betty Hicks Marilyn Smith, Betty Bush, Alice Bauer, Betty Dodd, Bonnie Randolph and Gloria Armstrong.

The players will tee off in foursomes and tour the 6,065-yard, par 36-35—71 Cavalier Yacht and Country Club layout five times. Winner of the 90-hole test will be crowned after next Sunday's final round.

Slaughter, Groth Doubles Fashion A's Win Over Sox

BOSTON, Jcne 2 (AP)—Enos (Country) Slaughter, an old Red Sox nemesis and Johnny Groth both doubled in the seventh inning today to account for the three tie-breaking runs that launched Kansas City toward an 11-3 victory over Boston.

Plucky little southpaw Bobby Shantzreleged Tom Gorman as the pair limited Boston to six hits. All the Sox runs came on Mickey Vernon's sixth home run in the first inning.

The triumph was Gorman's eighth in nine decisions with the Red Sox over a five year period.

Tom, appearing as a starter instead of his usual role as fireman, defeated Boston three times for the Yankees in '52, was 3-1 against the Sox for the A's last year and bested them earlier this season.

MUSIAL FELLED BY PITCH—Umpire Stan Landes bends over to help Stan Musial, Cardinal slugger, after he was knocked down by a pitched ball thrown by Cincinnati's Hal Jeffcoat in fourth inning of a game Thursday night. Looking on is Cincinnati catcher Ed Bailey. Musial was struck between the shoulder blades and recovered rapidly to resume action. Later in the game umpire Landes cautioned rival managers about "dust off" pitching, and Friday General Manager Frank Lane of the Cards telephoned Gabe Paul of Cincinnati an angry protest and retaliation threat. Rebs Head All-Star Poll

The West Monroe High School Rebels landed half the positions on the All-Twin Cities baseball team announced last night by the Junior Chamber of Commerce — and the Rebs also grabbed off "coach off the year" honors for Coach Bobby Wilson.

The triple-A Rebels, busiest high school club in this section this spring, barely lost out in a bid for the district championship.

Coach Jim Hodgins' Ouachita High Lions on Monroe placed three on the all-star team, while one place each went to Neville and St. Matthew's of Monroe. Only Southside High failed to place a player.

The West Monroe elite are Richard Watson, catcher; L. C. Crawford, first base; Mack Hunt, second base; George Smith, right field; and Wayne Hendricks, pitcher.

Ouachita landed Ralph Ward, third base; Dickie Crowe, shortstop; and Jeff Spence, left field.

Mickey Yerger, in center field, was the lone representative from Coach Jim Coats' district Class AA champions, and pitcher Jackie Norman is the representative from Coach Jay Broussard's St. Matthew's club.

Jake Ussery, incoming president of the Louisiana Junior Chamber of Commerce, had planned to recognize all selectees individually at last night's Evangeline League game here between Monroe and Thibodaux, but because many of the boys are away on vacations, the program was limited to announcement of the young athletes so honored.

It had been originally planned to make the announcements last Wednesday night, but rain forced postponement of the Jaycees' report until last night.

Three Gridders Sign With Detroit's Lions

DETROIT, June —(AP)— Bob Blechen of Whittier (Calif.) College, a center, and Horace Allert of Southwest Texas State, an end, have signed contracts with the Detroit Lions of the National Football League.

The Lions today also signed Conrad Magouirk, former Texas A&M halfback. Magouirk has been playing for Eglin, Fla. Air Base and was a free agent.

Blechen was the Lion's 1st draft choice for 195 and Allert was the 15th draft choice.

Curtis Accepts Oriental Foe; Girls On Mat Show

Battling girls and an oriental opponent for the local favorite, Jack Curtis, has Promoter Gus Kallio promising one of his finest wrestling cards in months here Tuesday night at his Walnut street arena.

Arriving home last night from a midwestern trip, Kallio announced a double main event program that sends Jack Curtis, the ex-world's lightweight champion of Vicksburg, against the Orient's Sugi Sito, and a women's match that sends Belle Drummond against Mars Bennett.

The girls will clash in a 75-minute time limit match, two falls to win, and the Curtis-Sito brawl will have a 90-minute time limit, also two falls to win.

"Sugi Sito will prove one of the most colorful and versatile wrestlers ever to show in Monroe," Kallio said. "He is capable of giving Curtis one of the hardest matches of his life."

Promoter Kallio said there will be no advance in his usual wrestling admission prices.

Beharrell Takes British Amateur From Les Taylor

TROON, Scotland, June 2—UP—Eighteen-year-old John Beharrell of England gallantly battled a cold rain and gale-force winds Saturday to defeat Leslie Taylor of Scotland, 5 and 4, and become the youngest player ever to win the British Amateur golf championship.

Undaunted by some of the worst weather conditions ever to accompany a British Amateur final, Beharrell showed his mettle when he recovered from a near-disastrous letdown on the afternoon round and swept the last three holes for his victory.

Before pulling his game together on the 30th hole, the English schoolboy's lead had dwindled to 2 up as a siege of poor putting and bunker difficulties lost him four straight holes from the 26th through the 29th.

Beharrell, who turned 18 only a few weeks ago, thus became the first English player to win the coveted amateur crown since Michael Scott in 1953.

"I'm sure glad that's all over," said Beharrell, who almost did not enter the tournament because of lack of funds. "I don't mind playing another good golfer, but that gale wind threw me off completely. I thought for a while 'Id never get the hang of it."

Beharrell said he would like to come to the United States "to improve my game."

"I think such a trip would really tune me up," he said enthusiastically. "I would go in a flash if I were invited."

Kallio Seeks To Arrange His 'Biggest' Fight Card

ST. LOUIS, Mo., June 2 (Special)—Promoter Gus Kallio, the former world's middleweight wrestling king, wound up a midwest tour of boxing camps here today and headed back for this own pastures at Monroe, La., with the declaration that he's working up the greatest boxing show Monroe has ever known and possibly Louisiana.

"I've just about got my card wrapped up," said Kallio without naming his fighters. "It will be the biggest boxing attraction Monroe has ever had and maybe the whole state of Louisiana."

Kallio revealed he is working up a double main event of two ten-round fights, and "one of them will be a nationally known TV fighter." A good guess is that another of the scrappers will be Clarence Cook, already a great drawing card in his home state of Louisiana although he is currently fighting for Eddie Yawitz here.

The ex-wrestling champ who has been promoting in Monroe since 1939 said he has yet to settle on the date, possibly late this month, and hopes to offer an open-air show at Monroe's baseball park in order to accomodate a bigger crowd. And he's figuring a cut of his gate for the polio fund.

Kallio spent the earlier part of the week looking over fighters in the Chicago area before arriving here.

Redlegs In Late Rally To Master N. Y. Giants, 5-2

CINCINNATI, June 2 (AP)—The Cincinnati Redlegs, held to four hits through the first seven innings, scored four times in the eighth today off Ruben Gomez to win a 5-2 decision over the New York Giants.

Gomez's first sign of weakness came in the seventh when a double by Ray Jablonski and a single by Ed Bailey accounted for the first Cincinnati run.

Then in the eighth the Reds clobbered Gomez quickly although they were aided a bit by an error by Daryl Spencer. Singles by Johnny Temple and Frank Robinson and an intentional walk to Ted Kluszewski loaded the bases with one out.

Wally Post singled Temple home and Robinson also scored when Spencer let the relay get away from him as he tried to throw.

Leading Women Golf Pros Point For Round Robin

VIRGINIA BEACH, Va., June 2 (AP)— The "mathematical nightmare" of women's golf begins Wednesday in this seashore resort community.

The occasion will be the fourth annual $12,000 Triangle Round Robin Tournament. Sixteen of America's top-ranking women golfers—all professionals—will conpete.

Quiet-mannered Louise Suggs of Sea Island, Ga., will defend the title she won a year ago. As defending champion, she is regarded as the gal to beat.

Miss Suggs' strongest opposition may come from old-timer Patty Berg of St. Andrews, Ill., who won the Round Robin crown two years ago at Hot Springs, Va.

At least three others must be considered definite threats in this "plus and minus" competition. They are Betsy Rawls of Spartanburg, S. C.; 12-year-old Mickey Wright of LaJolla, Calif.; and Marlene Bauer Hagge of Sarasota, Fla.

Miss Rawls has won three tournaments during the current tour, finishing first at Tampa, Sarasota and Spartanburg. Mrs. Hagge won at Sea Island and Beaumont, Miss Suggs at Havana and Augusta, Miss Wright at Jacksonville and Miss Berg at Dallas.

Rounding out the field are Mary Lena Faulk, Betty Jameson, Joyce Ziske, Beverly Hanson, Betty Hicks Marilyn Smith, Betty Bush, Alice Bauer, Betty Dodd, Bonnie Randolph and Gloria Armstrong.

The players will tee off in foursomes and tour the 6,065-yard, par 36-35—71 Cavalier Yacht and Country Club layout five times. Winner of the 90-hole test will be crowned after next Sunday's final round.

Slaughter, Groth Doubles Fashion A's Win Over Sox

BOSTON, Jcne 2 (AP)—Enos (Country) Slaughter, an old Red Sox nemesis and Johnny Groth both doubled in the seventh inning today to account for the three tie-breaking runs that launched Kansas City toward an 11-3 victory over Boston.

Plucky little southpaw Bobby Shantzreleged Tom Gorman as the pair limited Boston to six hits, All the Sox runs came on Mickey Vernon's sixth home run in the first inning.

The triumph was Gorman's eighth in nine decisions with the Red Sox over a five year period.

Tom, appearing as a starter instead of his usual role as fireman, defeated Boston three times for the Yankees in '52, was 3-1 against the Sox for the A's last year and bested them earlier this season.

Monroe Nips Thibodaux On Kilnesmith 4-Hitter, 4-3

Mitchell Homer Provides Sports Victory Margin

Keith Mitchell's eighth inning solo homer furnished the margin of victory as the Monroe Sports nosed out the Thibodaux Senators, 4 to 3, on the four-hit pitching of Dick Klinesmith who had to shut off a Thibodaux rally in the last inning to preserve the victory.

Klinesmith had shut out the Senators for eight innings on one hit until they exploded for three hits and all their runs in the final frame.

The Sports reached Joe Valmas, Thibodaux righthander, for eight hits, two each by Mitchell and Jim Johnston.

The two Evangeline Legion rivals tangle here again this afternoon at 3 o'clock at Legion Memorial Stadium to conclude their current series. The Sports will be in Crowley tomorrow and Tuesday and at Baton Rouge Wednesday and Thursday before coming home for a four-day stand with Baton Rouge and Crowley, beginning next Friday.

Roy Mantle's triple into right center after Don Pierce had walked shot the Sports ahead in the third inning. A sacrifice fly by Morrie Millet counted Mantle.

Three successive singles by Mitchell, Joe Miller, and Jim Johnston brought the third Monroe run in the sixth, Johnston's lick scoring Mitchell.

Mitchell's 355-foot home run over the right field fence in the eighth inning completed the scoring for the Sports and proved the margin of victory.

Klinesmith hurled seven consecutive hitless innings after Hugh Glaze hit a two-out single in the first frame. Then Jerry Pierce led off the ninth with a single. Marty Delaune walked. Then Glaze poled a double into left center to spoil Klinesmith's shutout as Pierce and Delaune scored. Bill Dossey and Grady Watts popped into center, scoring Glaze. Bill Stenger forced Reynolds to end the game.

Rudolph, Parnell Vie For Western Amateur Throne

NASHVILLE, Tenn., June 2 (AP)—A pair of young Tennesseans, Mason Rudolph of Clarksville and Jack Parnell of Nashville, advanced to the finals today of the Western Amateur Golf Tournament.

Rudolph, 22-year-old former National Junior champion, defeated young Rex Baxter of Amarillo, Tex., 1-up to gain the finals. Parnell, at 20 one of the youngest players in the tournament, walveteran, 3 and 1.

Both semi-final matches were close, although a fresh wind ran medal scores higher than on previous rounds. Rudolph, former Memphis State golfer and Tennessee Open titleholder, turned in a 74 on the morning round, when he went ahead 1-up.

Parnell, an Oklahoma A&M student, had to come from behind during the afternoon to defeat Morey, a former pro and veteran of many tournaments. The Indianapolis shotmaker was 1-up after the morning 18, when he shot a 74 on the par 72 Belle Meade Country Club course.

The college boy went to work in earnest in the afternoon round and evened the match on No. 19. He went ahead two holes later. Parnell birdied the par 5 17th to win the match.

Rudolph's putting kept the pressure on Baxter, also a former National Junior champion, who took a 77 on the morning round.

Morey, 35, one of the pre-tournament favorites, seemed to tire during the afternoon.

Parnell and Rudolph play 36 holes tomorrow for the championship now held by Eddie Merrins of Meridian, Miss., who failed to make the match play bracket. Hillman Robbins Jr., Memphis, last year's runnerup, qualified for match play but withdrew immediately to enter the Air Force.

McGonagill, Ramsel Clash In State's Amateur Finals

HOMER WINS GAME—Keith Mitchell, Monroe outfielder, socked an eighth inning homer last night to provide the margin of victory as the Sports defeated Thibodaux, 4 to 3. Here Mitchell rounds third after his 355-foot wallop over the right field fence. (Staff photo by John Oldenburg).

SHREVEPORT, La., June 2 (AP)—Jimmy McGonagill, seven times titlist, and Lee Ramsel, a once-a-week golfer of Shreveport, moved today into the finals of the Louisiana state amateur golf championship tournament.

McGonagill, a former professional who took medalist honors with a record yesterday, beat Luca Barbato, another former pro, 3 and 2, in the semifinals today.

Ramsel beat David Rheams of Shreveport 5 and 4 to make the finals.

Tomorrow's 36-hole finals begin at 9 a.m. at the Shreveport Country Club.

In the quarterfinals McGonagill beat Bill Ramsey of Shreveport, 4 and 2, and Ramsel upset Oran Whittington of Shreveport 5 and 4.

McGonagill was even par against Ramsey and four over par against Barbato.

Ramsel had eight one-putt greens over the 14 holes against Whittington, who like himself is a former Shreveport city champion.

Ramsel has entered the state amateur only once before, in 1950, and then he failed to qualify in the championship flight.

Both of McGonagill's sons, Pat and Bud, reached the finals in their flight. Pat reached the final round of the consolation, and Bud reached the final round of the second flight consolation.

Quarterfinals

Jimmy McGonagill, Shreveport, beat Bill Ramsey, Shreveport, 4 and 2.

Luca Barbato, Lafayette, beat Gay Finlayson, Shreveport, 1-up in 20 holes.

David Rheams, Baton Rouge, beat Murray Henley, Shreveport, 2 and 1.

Lee Ramsel, Shreveport, beat Oran Whittington, Shreveport, 5 and 4.

Semifinals

McGonagill beat Barbato 3 and 2.

Ramsel beat Rheams 5 and 4.

The Palace knocked off Lennon Motors yesterday, 8-1, on the four-hit pitching of Gunn. Walker and Powell, Lennon hurlers, were tagged for 12 hits, three by Zarro. Walker led Lennon with 3-for-3.

Oglesbee alone wasn't enough for KLIC to turn back the Jaycees who won 10-7, although KLIC outhit the winners 9-7, and Oglesbee, the losing pitcher, socked one third of his clubs hits, three, including a home run. Rambin led Jaycees with two hits. Shaw and Sims was the winning battery. Kincaid caught Oglesbee.

Babe Ruth League

The Reds celebrated the opening of the 1956 schedule yesterday by whipping the Cubs, 9-7. In a battle that gave each club eleven hits and two hits, Webb came out on top to be given the pitching victory.

Haddad, Young, and Howard led the winners in the hitting department with a two-for-three record. Cromwell cloted a triple for the Reds. Rambin was tops at the plate for the Cubs logging three safties for four times up. Among his trio of hits were a pair of doubles.

Renwick and Cocks were the losing battery. Dowdey was the winning catcher.

Cleveland Floods Nationals, 15-0, On Score Shutout

WASHINGTON, June 2 (AP)—Herb Score struck out 13 and allowed only three hits and Jim Hegan smashed a bases-loaded homer tonight as Cleveland mauled Washington, 15-0. Vic Wertz, Rocky Colavito and Sam Mele also hit home runs for the Indians as the Senators were handed their first shutout of the season.

Chisox Go To Prison After Game Rain-Out

BALTIMORE, June 2 (AP)—What do baseball players do when a game is rained out in a strange city?

It happened to the Chicago White Sox today and three of them went to prison.

Jim Rivera, Billy Pierce, and Walt Dropo toured the Maryland Penitentiary and later answered questions from the inmates at the impromptu interview in the prison auditorium.

The tour ended with coffee in the prison dining room with warden Vernon Pepersack and other prison officials.

Today's rained out Chicago - Baltimore game has been rescheduled for Monday night.

Chicago Cubs Obtain Carl Reynolds' Son

CHICAGO, June 2 (AP)—First baseman Carl Reynolds, Jr. son of a former Cub outfielder, was signed by the Chicago Cubs today for their Class A Western League affiliate at Des Moines.

Reynolds, 21, recently was graduated from Rice Institute and will report to Des Moines Wednesday.

Reynolds, a 6 feet 1, 180-pounder, bats and throws left handed. He was signed by scout Roy Johnson who said that Reynolds was regarded as the outstanding college ball player in the Southwest.

Carl Senior was with the Cubs from 1937-1939 and also played with the White Sox, Washington, old St. Louis Browns and Red Sox.

Bucs Climb Near First Slot With Defeat Of Braves

MILWAUKEE, June 2 (AP)—The prancing Pittsburgh Pirates drove to within eight percentage points of the first place Braves tonight as rookie Lee Walls scored one run and drove in two more in beating Milwaukee, 4-2.

British Establish Moore Favorite In Pompey Scrap

LONDON, June 2—UP—In boxing, a good big man generally beats a good little man, so the British public made Archie Moore a 2½ to 1 favorite Saturday to retain his world light heavyweight crown when he meets Holande Pompey of the West Indies Tuesday night.

Moore, now a natural heavyweight, is completing three weeks of intensive training to squeeze himself down to 175 pounds for the weigh-in Tuesday afternoon. Pompey stopped training for a couple of days last week because his handlers were unable to keep his weight above 169 pounds. He is a "heavy" middleweight rather than a light heavyweight.

Promoter Jack Solomons announced several days ago that all of the 11,000 seats in London's Harringay Arena have been sold at prices ranging up to 10 guines ($29.40). The gate, never announced here, is estimated at more than $100,000.

British rules do not permit television of championship bouts involving such a well-known fighter as Moore.

Britain had a diverting time reading the weight bulletins from the Moore camp in the shadow of the great royal castle of Windsor. The champion shook everybody by arriving here 22 pounds overweight but by Friday was only three pounds from the light heavyweight limit and said he would make it with ease.

Kingmaker Wins Over Head Man In Kent Stakes

STANTON, Del., June 2 (AP)—Kingmaker, flying the Happy Hill farm's silks of Mr. and Mrs. Cortright Wetherill of Newton Square, Pa., finally broke loose from the jinx which has pursued him in stakes races and captured the $32,500 Kent at Delaware Park today.

Second in the choice in the field of 10 three-year-olds, he survived a three-way photo finish in the mile and a sixteenth test over a sloppy track. Head Man, C. V. Whitney's top-weighted favorite at 6-5, who carred 123 pounds to the winner's 111, was beaten a head while staving off Lucius Beebe by a neck for the place. Countermand ran fourth.

Kingmaker, whose triumph was witnessed by 19,002 fans despite heavy rain, returned $11.80, $4.20 and $3.40. Headman paid $3 and $2.60, while Lucius Beebe returned $8.20, for third.

The time was 1:45 2-5.

Jockey Eldon Nelson who was to have ridden Ricci Tavi in the Kent, was thrown in the starting gate by Woodlawn Belle before the sixth race and badly stunned. He appeared to have escaped serious injury upon being examined at the track dispensary but was sent to Delaware Hospital in Wilmington for head and neck X-rays.

Ruston Halts Monroe, 6-2

Four unearned runs in the top of the sixth inning gave the Ruston American Legion Juniors a 6-2 downing of the McCain-Richards Monroe Legionaires yesterday afternoon on the Neville diamond. Tom Fraiser, who had just replaced Eddie Hood on the hill in the fifth, received credit for the victory.

Hood was pulled when second baseman Eddie McGowen singled across Ralph Ward and catcher Willie to tie the game, 2-2. Ward and Ragan had traveled to first on an error and a fielder's choice with each stealing a base, later. Frasier closed out the ralley on a double play after handing Mickey Yerger a walk.

A pair of errors kicked off the four-ply Ruston run-around affair, putting Derl McEarchin and Gerald Cobb on base after Wayne Barfield and Frasier struck out and hit out. John Murphy received a base-on-balls to load the bags. Rightfielder Bobby Colvin then stepped to the plate to drive a single into the hole between second and first bases that brought home McEarchin. A two-base error on the throw-in permitted Cobb and Murphy to score and Colvin tallied when third baseman Joe Holder hit safely. Left fielder Ragan Edmiston forced out to end the runfest.

The Ruston Legion sponsored organization had collected their first pair of runs in the first and fourth innings.

Loser Jim Altick wheatered the sixth stanza explosion, but had Louis Kincaid come out on to close out the battle in the seventh.

Lavandin Favored In 177th Running Of English Derby

LONDON, June 2—UP—Lavandin, a colt owned by French millionaire Pierre Wertheimer, is the 6 to 1 favorite for next Wednesday's 177th English Derby at Epsom Downs, but the big field doesn't include an outstanding thoroughbred.

Thirty-seven other horses are entered and each owner is confident as the winner of English racing's blue ribbon event. Each of the three-year-olds will carry 126 pounds over the traditional and esting mile-and-a-half course at Epsom Downs.

The race also has world-wide interest because an Irish hospital sweepstake is based on the result.

Six French-bred colts, including Montaval owned by Ralph Strassberger, and two Irish entries will battle the home - bred throughbreds in what shapes up as a wide-open race. Strassberger, formerly of Norristown, Pa., now lives in Paris.

Calumet's Fillies Run 1-2 In Black Eyed Susan Event

BALTIMORE, June 2 (AP)—The Calumet farm fillies Princess Turia and Beyond finished one-two in the $20,000-added Black Eyed Susan Stakes at Pimlico today, the Maryland Jockey Club track concluded its 23-day spring meeting.

Cold,rainy weather marred the program and held the crowd to 12,736.

There was win wagering only on the Black Eyed Susan and the Calument entry returned a $2.20 mutuel Manager Bob Sloan said there was no minus pool on the race.

Six 3-year-old fillies competed in the mile and a sixteenth race, but no opposition developed for Princess Turia, the eased up winner. Willie Hartack sent the daughter of Heliopolis and Blue Delight to the lead along the backstretch and she was never threatened afterwards. She scored by four and a half lengths over her stablemate, Beyond, and was timed in 1:45 3-5 over the sloppy track.

Beyond took second money by a length from Hadareward, owned by Mrs. Charles P. Sanborn. Colonnade farm's Mabe Cee, the early leader, was fourth followed by Joan Ellen stable's Wartesia and Alan T. Clarke's Our Year.

The Calumet farm of Mrs. Gene Markey took down a $15,500 winner's check and a $5,000 check for second position. The victory was the third stakes success this year for Princess Turia. She won the Kentucky Oaks from Doubledogdare, and deadheated with Beyond for first money in the Acorn.

Monroe Nips Thibodaux On Kilnesmith 4-Hitter, 4-3

Mitchell Homer Provides Sports Victory Margin

Keith Mitchell's eighth inning solo homer furnished the margin of victory as the Monroe Sports nosed out the Thibodaux Senators, 4 to 3, on the four-hit pitching of Dick Klinesmith who had to shut off a Thibodaux rally in the last inning to preserve the victory.

Klinesmith had shut out the Senators for eight innings on one hit until they exploded for three hits and all their runs in the final frame.

The Sports reached Joe Valmas, Thibodaux righthander, for eight hits, two each by Mitchell and Jim Johnston.

The two Evangeline Legion rivals tangle here again this afternoon at 3 o'clock at Legion Memorial Stadium to conclude their current series. The Sports will be in Crowley tomorrow and Tuesday and at Baton Rouge Wednesday and Thursday before coming home for a four-day stand with Baton Rouge and Crowley, beginning next Friday.

Roy Mantle's triple into right center after Don Pierce had walked shot the Sports ahead in the third inning. A sacrifice fly by Morrie Millet counted Mantle.

Three successive singles by Mitchell, Joe Miller, and Jim Johnston brought the third Monroe run in the sixth, Johnston's lick scoring Mitchell.

Mitchell's 355-foot home run over the right field fence in the eighth inning completed the scoring for the Sports and proved the margin of victory.

Klinesmith hurled seven consecutive hitless innings after Hugh Glaze hit a two-out single in the first frame. Then Jerry Pierce led off the ninth with a single. Marty Delaune walked. Then Glaze poled a double into left center to spoil Klinesmith's shutout as Pierce and Delaune scored. Bill Dossey and Grady Watts popped into center, scoring Glaze. Bill Stenger forced Reynolds to end the game.

Rudolph, Parnell Vie For Western Amateur Throne

NASHVILLE, Tenn., June 2 (AP)—A pair of young Tennesseans, Mason Rudolph of Clarksville and Jack Parnell of Nashville, advanced to the finals today of the Western Amateur Golf Tournament.

Rudolph, 22-year-old former National Junior champion, defeated young Rex Baxter of Amarillo, Tex., 1-up to gain the finals. Parnell, at 20 one of the youngest players in the tournament, wal-veteran, 3 and 1.

Both semi-final matches were close, although a fresh wind ran medal scores higher than on previous rounds. Rudolph, former Memphis State golfer and Tennessee Open titleholder, turned in a 74 on the morning round, when he went ahead 1-up.

Parnell, an Oklahoma A&M student, had to come from behind during the afternoon to defeat Morey, a former pro and veteran of many tournaments. The Indianapolis shotmaker was 1-up after the morning 18, when he shot a 74 on the par 72 Belle Meade Country Club course.

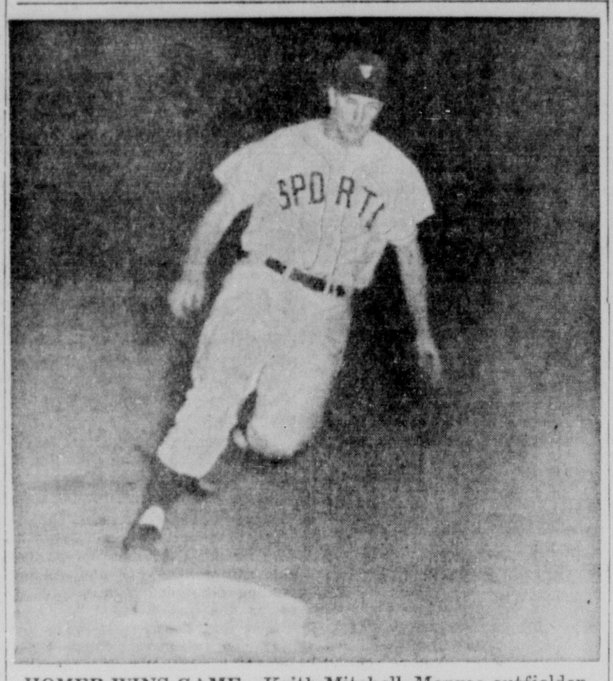
The college boy went to work in earnest in the afternoon round and evened the match on No. 19. He went ahead two holes later. Parnell birdied the par 5 17th to win the match.

Rudolph's putting kept the pressure on Baxter, also a former National Junior champion, who took a 77 on the morning round.

Morey, 35, one of the pre-tournament favorites, seemed to tire during the afternoon.

Parnell and Rudolph play 36 holes tomorrow for the championship now held by Eddie Merrins of Meridian, Miss., who failed to make the match play bracket. Hillman Robbins Jr., Memphis, last year's runnerup, qualified for match play but withdrew immediately to enter the Air Force.

McGonagill, Ramsel Clash In State's Amateur Finals



HOMER WINS GAME—Keith Mitchell, Monroe outfielder, socked an eighth inning homer last night to provide the margin of victory as the Sports defeated Thibodaux, 4 to 3. Here Mitchell rounds third after his 355-foot wallop over the right field fence. (Staff photo by John Oldenburg).

SHREVEPORT, La., June 2 (AP)—Jimmy McGonagill, seven times titlist, and Lee Ramsel, a once-a-week golfer of Shreveport, moved today into the finals of the Louisiana state amateur golf championship tournament.

McGonagill, a former professional who took medalist honors with a record yesterday, beat Luca Barbato, another former pro, 3 and 2, in the semifinals today.

Ramsel beat David Rheams of Shreveport 5 and 4 to make the finals.

Tomorrow's 36-hole finals begin at 9 a.m. at the Shreveport Country Club.

In the quarterfinals McGonagill beat Bill Ramsey of Shreveport, 4 and 2, and Ramsel upset Oran Whittington of Shreveport 5 and 4.

McGonagill was even par against Ramsey and four over par against Barbato.

Ramsel had eight one-putt greens over the 14 holes against Whittington, who like himself is a former Shreveport city champion.

Ramsel has entered the state amateur only once before, in 1950, and then he failed to qualify in the championship flight.

Both of McGonagill's sons, Pat and Bud, reached the finals in their flight. Pat reached the final round of the consolation, and Bud reached the final round of the second flight consolation.

Quarterfinals

Jimmy McGonagill, Shreveport, beat Bill Ramsey, Shreveport, 4 and 2.

Luca Barbato, Lafayette, beat Gay Finlayson, Shreveport, 1-up in 20 holes.

David Rheams, Baton Rouge, beat Murray Henley, Shreveport, 2 and 1.

Lee Ramsel, Shreveport, beat Oran Whittington, Shreveport, 5 and 4.

Semifinals

McGonagill beat Barbato 3 and 2.

Ramsel beat Rheams 5 and 4.

The Palace and the Jaycees broke the four-way deadlock for first in the Southside League yesterday and joined at the head of the race and are scheduled to meet Tuesday to settle sole ownership of first place.

The Palace knocked off Lennon Motors yesterday, 8-1, on the four-hit pitching of Gunn. Walker and Powell, Lennon hurlers, were tagged for 12 hits, three by Zarro. Walker led Lennon with 3-for-3.

Oglesbee alone wasn't enough for KLIC to turn back the Jaycees who won 10-7, although KLIC outhit the winners 9-7, and Oglesbee, the losing pitcher, socked one third of his clubs hits, three, including a home run. Rambin led Jaycees with two hits. Shaw and Sims was the winning battery. Kincaid caught Oglesbee.

Babe Ruth League

The Reds celebrated the opening of the 1956 schedule yesterday by whipping the Cubs, 9-7. In a battle that gave each club eleven hits and two hits, Webb came out on top to be given the pitching victory.

Haddad, Young, and Howard led the winners in the hitting department with a two-for-three record. Cromwell cloted a triple for the Reds. Rambin was tops at the plate for the Cubs logging three safties for four times up. Among his trio of hits were a pair of doubles.

Renwick and Cocks were the losing battery. Dowdey was the winning catcher.

Cleveland Floods Nationals, 15-0, On Score Shutout

WASHINGTON, June 2 (AP)—Herb Score struck out 13 and allowed only three hits and Jim Hegan smashed a bases-loaded homer tonight as Cleveland mauled Washington, 15-0. Vic Wertz, Rocky Colavito and Sam Mele also hit home runs for the Indians as the Senators were handed their first shutout of the season.

Chisox Go To Prison After Game Rain-Out

BALTIMORE, June 2 (AP)—What do baseball players do when a game is rained out in a strange city?

It happened to the Chicago White Sox today and three of them went to prison.

Jim Rivera, Billy Pierce, and Walt Dropo toured the Maryland Penitentiary and later answered questions from the inmates at the impromptu interview in the prison auditorium.

The tour ended with coffee in the prison dining room with warden Vernon Pepersack and other prison officials.

Today's rained out Chicago - Baltimore game has been rescheduled for Monday night.

Chicago Cubs Obtain Carl Reynolds' Son

CHICAGO, June 2 (AP)—First baseman Carl Reynolds, Jr. son of a former Cub outfielder, was signed by the Chicago Cubs today for their Class A Western League affiliate at Des Moines.

Reynolds, 21, recently was graduated from Rice Institute and will report to Des Moines Wednesday.

Reynolds, a 6 feet 1, 180-pounder, bats and throws left handed. He was signed by scout Roy Johnson who said that Reynolds was regarded as the outstanding college ball player in the Southwest.

Carl Senior was with the Cubs from 1937-1939 and also played with the White Sox, Washington, old St. Louis Browns and Red Sox.

British Establish Moore Favorite In Pompey Scrap

LONDON, June 2—UP—In boxing, a good big man generally beats a good little man, so the British public made Archie Moore a 2½ to 1 favorite Saturday to retain his world light heavyweight crown when he meets Holande Pompey of the West Indies Tuesday night.

Moore, now a natural heavyweight, is completing three weeks of intensive training to squeeze himself down to 175 pounds for the weigh-in Tuesday afternoon. Pompey stopped training for a couple of days last week because his handlers were unable to keep his weight above 169 pounds. He is a "heavy" middleweight rather than a light heavyweight.

Promoter Jack Solomons announced several days ago that all of the 11,000 seats in London's Harringay Arena have been sold at prices ranging up to 10 guines ($29.40). The gate, never announced here, is estimated at more than $100,000.

British rules do not permit television of championship bouts involving such a well-known fighter as Moore.

Britain had a diverting time reading the weight bulletins from the Moore camp in the shadow of the great royal castle of Windsor. The champion shook everybody by arriving here 22 pounds overweight but by Friday was only three pounds from the light heavyweight limit and said he would make it with ease.

Kingmaker Wins Over Head Man In Kent Stakes

STANTON, Del., June 2 (AP)—Kingmaker, flying the Happy Hill farm's silks of Mr. and Mrs. Cortright Wetherill of Newton Square, Pa., finally broke loose from the jinx which has pursued him in stakes races and captured the $32,500 Kent at Delaware Park today.

Second in the choice in the field of 10 three-year-olds, he survived a three-way photo finish in the mile and a sixteenth test over a sloppy track. Head Man, C. V. Whitney's top-weighted favorite at 6-5, who carred 123 pounds to the winner's 111, was beaten a head while staving off Lucius Beebe by a neck for the place. Countermand ran fourth.

Kingmaker, whose triumph was witnessed by 19,002 fans despite heavy rain, returned $11.80, $4.20 and $3.40. Headman paid $3 and $2.60, while Lucius Beebe returned $8.20, for third.

The time was 1:45 2-5.

Jockey Eldon Nelson who was to have ridden Ricci Tavi in the Kent, was thrown in the starting gate by Woodlawn Belle before the sixth race and badly stunned. He appeared to have escaped serious injury upon being examined at the track dispensary but was sent to Delaware Hospital in Wilmington for head and neck X-rays.

Ruston Halts Monroe, 6-2

Four unearned runs in the top of the sixth inning gave the Ruston American Legion Juniors a 6-2 downing of the McCain-Richards Monroe Legionaires yesterday afternoon on the Neville diamond. Tom Fraiser, who had just replaced Eddie Hood on the hill in the fifth, received credit for the victory.

Hood was pulled when second baseman Eddie McGowen singled across Ralph Ward and catcher Willie to tie the game, 2-2. Ward and Ragan had traveled to first on an error and a fielder's choice with each stealing a base, later. Frasier closed out the ralley on a double play after handing Mickey Yerger a walk.

A pair of errors kicked off the four-ply Ruston run-around affair, putting Derl McEarchin and Gerald Cobb on base after Wayne Barfield and Frasier struck out and hit out. John Murphy received a base-on-balls to load the bags. Rightfielder Bobby Colvin then stepped to the plate to drive a single into the hole between second and first bases that brought home McEarchin. A two-base error on the throw-in permitted Cobb and Murphy to score and Colvin tallied when third baseman Joe Holder hit safely. Left fielder Ragan Edmiston forced out to end the runfest.

The Ruston Legion sponsored organization had collected their first pair of runs in the first and fourth innings.

Loser Jim Altick wheatered the sixth stanza explosion, but had Louis Kincaid come out on to close out the battle in the seventh.

Lavandin Favored In 177th Running Of English Derby

LONDON, June 2—UP—Lavandin, a colt owned by French millionaire Pierre Wertheimer, is the 6 to 1 favorite for next Wednesday's 177th English Derby at Epsom Downs, but the big field doesn't include an outstanding thoroughbred.

Thirty-seven other horses are entered and each owner is confident as the winner of English racing's blue ribbon event. Each of the three-year-olds will carry 126 pounds over the traditional and esting mile-and-a-half course at Epsom Downs.

The race also has world-wide interest because an Irish hospital sweepstake is based on the result.

Six French-bred colts, including Montaval owned by Ralph Strassberger, and two Irish entries will battle the home - bred throughbreds in what shapes up as a wide-open race. Strassberger, formerly of Norristown, Pa., now lives in Paris.

Calumet's Fillies Run 1-2 In Black Eyed Susan Event

BALTIMORE, June 2 (AP)—The Calumet farm fillies Princess Turia and Beyond finished one-two in the $20,000-added Black Eyed Susan Stakes at Pimlico today, the Maryland Jockey Club track concluded its 23-day spring meeting.

Cold,rainy weather marred the program and held the crowd to 12,736.

There was win wagering only on the Black Eyed Susan and the Calument entry returned a $2.20 mutuel Manager Bob Sloan said there was no minus pool on the race.

Six 3-year-old fillies competed in the mile and a sixteenth race, but no opposition developed for Princess Turia, the eased up winner. Willie Hartack sent the daughter of Heliopolis and Blue Delight to the lead along the backstretch and she was never threatened afterwards. She scored by four and a half lengths over her stablemate, Beyond, and was timed in 1:45 3-5 over the sloppy track.

Beyond took second money by a length from Hadareward, owned by Mrs. Charles P. Sanborn. Colonnade farm's Mabe Cee, the early leader, was fourth followed by Joan Ellen stable's Wartesia and Alan T. Clarke's Our Year.

The Calumet farm of Mrs. Gene Markey took down a $15,500 winner's check and a $5,000 check for second position. The victory was the third stakes success this year for Princess Turia. She won the Kentucky Oaks from Doubledogdare, and deadheated with Beyond for first money in the Acorn.

Phils Check Cards, 6-4, On Ashburn's 2-Out Hit

ST. LOUIS, June 2 (AP)—Richie Ashburn's two-out double with the bases loaded followed four straight walks in the fourth inning today as the Philadelphia Phillies topped the St. Louis Cardinals, 6-4.

Reliefer Bob Miller turned back a Red Bird rally in the ninth inning by forcing third baseman Ken Boyer to hit into a game-ending double play with the bases loaded.

Philadelphia, with two out in the fourth, picked up all six runs as starter Herm Wehmeier lost his control after Elmer Valo beat out an infield roller. He walked four straight men, including pitcher Stu Miller, to force in two runs.

Dick Littlefield then took over on the mound for the Cardinals but was greeted by Ashburn's three-run double to right center and Marv Blaylock's double to the same spot.

Littlefield and Wehmeier came to the Cardinals in a trade that sent Stu Miller, Harvey Haddix and Ben Flowers to the Phils.

Stu Miller, a slow curve ball specialist, held his former mates at bay until the sixth inning when Red Schoendienst led off with a double, Boyer followed with an infield hit and Rip Repulski reached first on an error by Gran Hamner to load the bases. Bill Sarni followed with a three-run double to left center.

The Red Birds picked up their other run in the eighth on a walk, Repulski's single and Sarni's run-scoring single to left center. This brought on Bob Miller who fanned pinch hitter Hank Sauer to end the inning.

Recipients of tennis monograms were Willard Rachal, Shreveport; Wade Parsons, Shreveport; Delbert Vines, Jonesboro; Jerry May, Greenwood; Bill Chamberlain, Elizabeth, and Jack Freeman, Hodge.

Golf lettermen were Jim Presson, Cairo, Ill.; James Enloe, Alexandria; Bill Hicks and Ronald Martin, both of Natchitoches.

Rebels Trip Tech, 3-2, To Go Into N.C.A.A. Finals

GASTONIA, N.C., June 2 (AP) — Mississippi eliminated Tennessee Tech from the District 3 N.C.A.A. baseball playoffs, 3-2, today to advance to Monday's finals, and Duke whipped Florida State 4-2 to force their series into a third game when Tennessee Tech's defense collapsed to nullify an equally brilliant three-hitterby Tech's game.

Three Tech errorssent two runners home. Billy Kinard, Ole Miss catcher, got on base when shortstop John Jones booted his grounder. John Williams was safe on an error by first baseman Jim Gaylor, Kinard going to third. After Eagle Day grounded out, John Cainey hit a sizzler to the mound. Jones threw the runner out at first, but Kinard and Williams came home when Gaylor threw the ball over catcher Bill Sanders' head.

Ole Miss had jumped into the lead in the first inning when Gainey walked, stole second and came home on Buddy Chain's single.

Tech bounced back with two runs in the seventh to take the lead. Noble Patton singled to get the only hit off Burford, and Gaylord walked. Both runners came home when first baseman Buddy Wittichen threw the ball into left field after fielding Dave Greer's hot grounder.

The third and deciding Duke-Florida State game was played tonight. The Seminoles had won yesterday's first game in the best two-of-three playoffs. Ole Miss whipped Tennessee Tech yesterday, 4-3.

Third baseman Andy Cockrell's home run with two men aboard in the seventh inning gave Duke its victory in the afternoon game with Florida State. His big blow came after pitcher Harley Fatzinger had walked and Bill Domhoff had singled.

Duke had taken the lead in the sixth when Cockrell got on base via a two-base error by the Seminoles' Owen McCarron. Cockrell went to third on Lonnie Bonczek's long fly, and then went home when Buddy Pass grounded out, sliding in under Fred Twomey's throw to the plate.

Florida State tied it up in the seventh. With two out, Carlee Hendrix walked, stole second and scored on Dick Howser's triple. The Seminoles got their second run in the eighth on Lee Corso's single and Bill Hunt's double.

Fatzinger scattered seven hits for Duke, but was matched in his performance by Florida State's Bob Bristol. Duke backed Fatzinger with three double plays.

Lansford Points For 2nd Pro Campaign

PHILADELPHIA, Pa., June 2 (AP) —The Philadelphia Eagles today announced receipt of the signed contract of Buck Lansford, 230-pound guard - tackle. Lansford, formerly of the University of Texas was an outstanding rookie in the National Football League last year after being signed as the Eagles number two draft choice.

Littler, DeVincenzo Tie For Dallas Lead

Cary Middlecoff Stroke Off Pace For Third Place

DALLAS, June 2—UP—Little Gene Littler curled in a 12-foot pressure-putt for a birdie on the 18th hole Saturday to scramble into a tie for the halfway mark lead of the $70,000 Texas Centennial Open tournament with Roberto De Vincenzo of Mexico City at 10 under par 130.

Littler, the former national amateur champion from Singing Hills, Calif., was the only one of the three first day leaders able to come through under the tenseness Saturday to catch the red hot Argentine-born De Vicenzo, who posted his second straight five-under-par 65 early in the day.

The California ex - sailer fought back from two apparently disastrous bogies on the 14th and 15th holes to birdie the 16th and 18th and pull into the tie with a 32-34—66, one stroke ahead of Dr. Cary Middlecoff, the Tennessee dentist, who was tied with him at 64 Friday.

Middlecoff, finishing just a scant few minutes ahead of Littler, rammed home a downhill 18-foot birdie putt on the 17th to finish with a three-under-par 35-32—67 for a 36-hole total of 131.

That put him two strokes ahead of the third member of Friday's opening round triumvirate — Bill Casper Jr., of Chula Vista, Calif., who slid from a first round 64 to a 34-35—69 Saturday and undisputed third place.

De Vincenzo, a 33-year-old Latin now playing out of Mexico City, has had only one bogey in 36 holes.

Littler, on the other hand, had three Saturday, all on the usually easy back nine. He had birdie putts on one foot, 20, 4, 6, 2, 10 and 12 feet to keep him in the running for the $14,000 first prize being served up here Monday.

Middlecoff had a couple of bogies Saturday and was in four sand traps, but two long, downhill putts — the 17th and a 12-footer on the second hole — and three others of less than four feet for birdies kept him in close contention.

Casper skidded five strokes over his sensational opening round to finish one stroke ahead of Slammin' Sam Snead of White Sulphur Springs, W. Va., and Bill Trombley of Dallas, had 134s. Snead had his second straight 67, while Trombley shot a 66.

Harry Todd, another local pro, who missed a two-footer for a birdie on the last hole, joined De Vincenzo and Paul O'Leary of Bismark, N. D., as the day's only 65 shooters and wound up in an eight-way deadlock at 136 with Ted Gwinn of Tulsa, Okla., Dave Douglas of Newark, Del., Ernie Vossler of Fort Worth, Tex., Don Fairfield of Casey, Ill., Don January of Abilene, Tex., Peter Thomson of Melbourne, Australia, and Ben Hogan of Fort Worth. O'Leary was at 139.

At 137 were Mike Fetchick, Doug Higgins, Jackson Bradley, Jay Hebert, Ted Kroll, Bob Rosburg and Jim Feree.

2 Tech Spikemen Invited To Meet At U. Of Houston

RUSTON, La., Jne 2 (Special) —Two record - breaking members of Louisiana Tech's 1956 track team will compete in the "Meet of Champions" to be held at the University of Houston, Tex., June 8.

Bulldog track Coach Jimmy Mize reports that Joel Thomas, Rodessa sophomore, and Robert Dunbar, Rocky Mount senior, have been invited to the contest as a result of their fine showings in the Gulf States Conference track meet recently held at Lake Charles.

Thomas set new G.S.C. records in both the low and high hurdles. He topped the 120 high hurdles in 14.5 seconds and the 220 low in 23.7 seconds to establish the new marks. At Houston the Gulf States hurdling champ will carry the conference colors in the 110 meter high hurdles.

Co-captain of the Tech track squad this past season, Dunbar broke the G.S.C. mile record by covering the distance in 4:24.1. At the Southern A.A.U. track meet held at Lake Charles on May 26, the Bulldog miler did even better than that when he was clocked at 4:19.6 for a new Southern A.A.U. record and the best mile run of his career. In the "Meet of Champions" Dunbar will enter the 1500-meter run, the metric equivalent to the one mile run.

Athletes competing at Houston will represent the Gulf States, Southwestern, Southeastern, and Missouri Valley conference as well as several others. The "Meet of Champions" will lead up to the N.C.A.A. semi-finals and finals to be held a week later on the west coast.

TCU's Paschal Gets Tiger Farm Contract

DETROIT, June 2 (AP)—The Detroit Tigers today signed Al Paschal, a shortstop from Texas Christian University, to a minor league contract. He will be assigned to Augusta of the Sally League.

Paschal, 20, of Fort Worth, Tex., was an All-Southwest Conference shortstop and batted .384 this season.

U.S. Curtis Cup Team On Scene Of British Play

SOUTHAMPTON, England, June 2 (AP)—America's Curtis Cup golf team arrived at Southampton today and non-playing captain, Mrs. Harrison F. Flippin of Philadelphia, immediately announced: "We're going to start practice right away."

Mrs. Flippin said five of the seven players were newcomers to Britain. "The courses over here are very different," she added, "You've got to know them. And that's what we are going to try to do."

The team later left by bus for Sandwich Bay, Kent, where they will play against Britain in the cup matches next Friday and Saturday.

The two who have played in England before are Polly Riley, 29, of Fort Worth, and Pat Romack, 23, of Sacramento, Calif.

Newcomers are Mrs. Philip Cudone, 37, of Montclair, N.J.; Margaret Smith, 19, of St. Clair, Mich. Pat Lesser, 22, of Seattle; Jane Nelson, 22, of Indianapolis; and Mary Downey, 30, of Baltimore.

Cubs Beat Dodgers Twice

CHICAGO, June 2 (AP)—Righthanders Dave Kaiser and Bob Rush shackled Brooklyn's vaunted power today and hurled the Chicago Cubs to a double victory over the world's champions, 8-1 and 5-4, before 20,751 as Jim King's perfect throw nailed Gino Cimoli at the plate with the tying run in the ninth inning of the second game.

Kaiser, a 21-year-old bonus pitcher from Ada, Okla., limited the Dodgers to two hits in his first major league start while Rush overcame a shaky first inning to post his fourth triumph in six decisions, although he needed help from Turk Lown in the ninth inning.

Carl Erskine and Don Newcombe, Brooklyn's top pitchers, were the victims. Erskine was chased in a four-run fifth inning in the opener. Newcombe suffered his fourth defeat against seven triumphs and was blasted for 10 hits.

It was the first time in five years that the Cubs had taken a double header from Brooklyn.

Brooklyn almost tied the second game in the ninth inning but King's perfect throw to the plate nailed Cimoli at the plate and Peewee Reese flied out to end the game.

Fortier, Warren Easton Suspended By Athletic Board

HAMMOND, La., June 2 (AP) — The Louisiana High School Athletic Assn. today suspended two New Orleans high schools from playing baseball for one year and fined each $100.

Commissioner T. H. Waters of the association said the punishment was meted out to Warren Easton and Fortier after an investigation into a fracas that broke out during their baseball game May 25. Fortier forfeited the game after the fracas, he said.

The athletic association also placed both schools on probation for one year from today.

Waters said an investigation showed "some evidence that the coaches and players of both schools showed poor sportsmanship by using vile and obscene language and by fighting."

He and two other members of a three-man committee held a hearing in New Orleans Thursday, Waters said, and listened to all sides of the dispute. It met in Baton Rouge today for its decision.

Other members of the committee, he said, were J. F. Guglielmo, principal of Lutcher High, and N. Z. Plaisance, principal of Brusly High.

SIGNED FOR CHICKS

CHICAGO, June 2 (AP)—The Chicago White Sox today signed Bob Latch, captain and centerfielder of the University of Tulsa's baseball team for their Memphis affiliate in the Class AA Southern Association.

Tech Will Have Tough Time Replacing Lenoir

RUSTON, La., Jne 2 (Special) —Louisiana Tech track fans know that finding a man to fill the shoes of senior dashman Bruce Lenoir is going to be a difficult thing to do.

The Mansfield speed merchant this spring rounded out his fourth year of competition with the Bulldog thinclads and leaves behind an enviable record that speaks for itself.

Specializing in the 100 and 220-yard dashes and the relays, Lenoir has been defeated only a few times in his collegiate career. Tech cinder followers grew accustomed to his "automatic" first place points in the dashes. Lenoir won the 100-yard dash at the official Gulf States Conference meet four years in a row. He also captured the 220-yard dash title three of those four years.

The "Blond Blitz" closed out his Tech career in a blaze of glory by breaking the conference 100 and 220-yard dash records when the official loop meet was held at Lake Charles on May 19. Speedster Lenoir covered the century in 9.7 seconds and the 220 yards in 21.0 seconds to set the new marks.

During his freshman year in 1953, Lenoir attracted considerable attention when he tied the GSC 100 yard record with a 9.9 effort, won the 220 yard dash in 21.9 seconds, and helped Tech's 440 and 880 yard relay teams set new conference marks. It appeared that he had a great future ahead on the cinder paths.

The 1954 season found the fleet Bulldog trackman breaking the GSC 100 yard mark with a 9.8 run, and tying the 220 yard record with his 21.6 time.

Hampered by injuries during the 1955 season, the Mansfield student still won the 100-yard dash at the G.S.C. affair.

This season Lenoir gave his top performance by speeding to new records in both the 100 and 220-yard dashes. Lenoir was also a member of this season's 440-yard relay quartet that set a new record of 42.1 seconds at the conference meet.

Twice during the past four seasons the Canine dashman was clocked at 9.6 seconds for the 100-yard dash. During the 1954 season he did it in a meet at Conway, Ark., and on April 14 this season he broke the tape in the Southwestern Louisiana Relays with the same timing.

At Mansfield High School Lenoir played football and took part in track for three years. He came to Tech as a fine end prospect for the football squad. However, his lack of size made assignments against larger opponents especially difficult. Then the two-platoon system was abolished and after making such a sensational record as a freshman trackman, Lenoir decided to compete in track only.

And Bulldog track opponents will tell you that he did a good job of that. Many sports followers around Tech believe that Lenoir is the fastest man ever to don a Tech track uniform.

"Bruce has one of the strongest competitive attitudes of anyone on our track squad," points out Bulldog track coach Jimmy Mize. "He is about the fastest sprinter I've ever coached."

4 National Marks Fall In Thinclad Meet At Minden

MINDEN, La., June 2 (AP) —Four national junior AAU Olympic track records fell today and another was tied at the fourth annual Northwest Louisiana Olympics.

Four students from Byrd High, Shreveport, competing in the senior division of the 440-yard relay, were timed in :43.9. The former record was :44.7. The team was composed of Phil Heffington, Dickie Carpenter, Joe Hill and Pat Studstill. The senior division includes the ages 16-17.

Bo Campbell, another Byrd student, ran the 440-yard dash in the intermediate division in :50.49 to break the :51.1 mark. The division includes ages 14-15.

Two Shreveport boys competing in the junior division for ages 12-13 broke the other records. Sonny Parnell of Byrd high jumped five feet, four inches to beat the old mark by seven-eights of an inch. John Bullock of Broadmoor Junior High ran the 50-yard dash in 05.65 to lower the :05.9 mark.

Pete Williams of Jena was timed in :10.2 for the 100-yard dash to tie the national intermediate record.

Suffolk Feature Won By Eternal Mark, Pays $8.40

BOSTON, June 2 (AP)—Eternal Mark, racing in the colors of A. A. Crabbe of Miami, charged fast through the stretch to win the $10,000 Commonwealth Handicap today at Suffolk Downs.

Eternal Mark scored by two lengths over R. R. Damoon's Hao Box. J.P Caval's Amyn Bey was third.

The winner, third choice with the crowd of 21,108, paid $8.40, $5. and $3.80. Hat Box returned $7.80 and $5. Amny Bey was $6.20 to show.

It was the third victory in the last four starts for Eternal Mark. The five-year-old mare was ridden by Lucien Parent.

The time of the 6-furlong test was a sharp 1:10 4-5. 8

Jazz Age Takes Peter Pan Win; Lawless Second

NEW YORK, June 2 (AP)—Longshot Jazz Age streaked down the stretch in the murk and slop at Belmont Park today and captured the Peter Pan Handicap in a fashion that suggests he could be a definite threat for the Belmont Stakes June 16.

Although this was only the first stakes victory and the second win in the career of the lightly-raced C. V. Whitney colt, the race recalled that another Whitney horse, Counterpoint, came into prominence in the same handicap five years ago.

Counterpoint made the Peter Pan his first stakes score in 1951, breaking the track record, and the returned one week later to capture the $100,000-added Belmont and go on to become horse of the year.

Peter Pan last year aboard Nance Lad, steered Jazz Age to a three-quarter length victory over the Brookmeade stable's Lawless, second choice in the betting of the crowd of 30,775. Lawless took second money by a head over Mrs. Wallace Gilroy's Oh Johnny, the favorite, while Lawrence R. Troiano's King Somali was beaten out for third money by a neck in a photo finish.

Jazz Age, a grey son of Priam 2nd-Jazz Baby by Mahmoud, stepped the mile and one eighth in 1:48 2-5, which was only three-fifths of a second slower than Counterpoint's track record.

The winner showed 25-1 on the board and the crowd whopped it up when the official prices of $61.20, $18.90 and $8.70 were flashed. Lawless, also eligible for the mile and one-half Belmont, returned $5 and $3.60, while Oh Johnny paid $3.50.

Jazz Age carried 111 pounds, Lawless had 115 and Oh Johnny was tops with 124. Beau Diable finished fifth, followed by Jean Baptiste, Corax, Riley, Massal and Paint Brush.

Phils Check Cards, 6-4, On Ashburn's 2-Out Hit

ST. LOUIS, June 2 (AP)—Richie Ashburn's two-out double with the bases loaded followed four straight walks in the fourth inning today as the Philadelphia Phillies topped the St. Louis Cardinals, 6-4.

Reliefer Bob Miller turned back a Red Bird rally in the ninth inning by forcing third baseman Ken Boyer to hit into a game-ending double play with the bases loaded.

Philadelphia, with two out in the fourth, picked up all six runs as starter Herm Wehmeier lost his control after Elmer Valo beat out an infield roller. He walked four straight men, including pitcher Stu Miller, to force in two runs.

Dick Littlefield then took over on the mound for the Cardinals but was greeted by Ashburn's three-run double to right center and Marv Blaylock's double to the same spot.

Littlefield and Wehmeier came to the Cardinals in a trade that sent Stu Miller, Harvey Haddix and Ben Flowers to the Phils.

Stu Miller, a slow curve ball specialist, held his former mates at bay until the sixth inning when Red Schoendienst led off with a double, Boyer followed with an infield hit and Rip Repulski reached first on an error by Gran Hamner to load the bases. Bill Sarni followed with a three-run double to left center.

The Red Birds picked up their other run in the eighth on a walk, Repulski's single and Sarni's run-scoring single to left center. This brought on Bob Miller who fanned pinch hitter Hank Sauer to end the inning.

Rebels Trip Tech, 3-2, To Go Into N.C.A.A. Finals

GASTONIA, N.C., June 2 (AP) — Mississippi eliminated Tennessee Tech from the District 3 N.C.A.A. baseball playoffs, 3-2, today to advance to Monday's finals, and Duke whipped Florida State 4-2 to force their series into a third game when Tennessee Tech's defense collapsed to nullify an equally brilliant three-hitterby Tech's game.

Three Tech errorssent two runners home. Billy Kinard, Ole Miss catcher, got on base when shortstop John Jones booted his grounder. John Williams was safe on an error by first baseman Jim Gaylor, Kinard going to third. After Eagle Day grounded out, John Cainey hit a sizzler to the mound. Jones threw the runner out at first, but Kinard and Williams came home when Gaylor threw the ball over catcher Bill Sanders' head.

Ole Miss had jumped into the lead in the first inning when Gainey walked, stole second and came home on Buddy Chain's single.

Tech bounced back with two runs in the seventh to take the lead. Noble Patton singled to get the only hit off Burford, and Gaylord walked. Both runners came home when first baseman Buddy Wittichen threw the ball into left field after fielding Dave Greer's hot grounder.

The third and deciding Duke-Florida State game was played tonight. The Seminoles had won yesterday's first game in the best two-of-three playoffs. Ole Miss whipped Tennessee Tech yesterday, 4-3.

Third baseman Andy Cockrell's home run with two men aboard in the seventh inning gave Duke its victory in the afternoon game with Florida State. His big blow came after pitcher Harley Fatzinger had walked and Bill Domhoff had singled.

Duke had taken the lead in the sixth when Cockrell got on base via a two-base error by the Seminoles' Owen McCarron. Cockrell went to third on Lonnie Bonczek's long fly, and then went home when Buddy Pass grounded out, sliding in under Fred Twomey's throw to the plate.

Florida State tied it up in the seventh. With two out, Carlee Hendrix walked, stole second and scored on Dick Howser's triple. The Seminoles got their second run in the eighth on Lee Corso's single and Bill Hunt's double.

Fatzinger scattered seven hits for Duke, but was matched in his performance by Florida State's Bob Bristol. Duke backed Fatzinger with three double plays.

Lansford Points For 2nd Pro Campaign

PHILADELPHIA, Pa., June 2 (AP) —The Philadelphia Eagles today announced receipt of the signed contract of Buck Lansford, 230-pound guard - tackle. Lansford, formerly of the University of Texas was an outstanding rookie in the National Football League last year after being signed as the Eagles number two draft choice.

Cary Middlecoff Stroke Off Pace For Third Place

DALLAS, June 2—UP—Little Gene Littler curled in a 12-foot pressure-putt for a birdie on the 18th hole Saturday to scramble into a tie for the halfway mark lead of the $70,000 Texas Centennial Open tournament with Roberto De Vincenzo of Mexico City at 10 under par 130.

Littler, the former national amateur champion from Singing Hills, Calif., was the only one of the three first day leaders able to come through under the tenseness Saturday to catch the red hot Argentine-born De Vicenzo, who posted his second straight five-under-par 65 early in the day.

The California ex - sailer fought back from two apparently disastrous bogies on the 14th and 15th holes to birdie the 16th and 18th and pull into the tie with a 32-34—66, one stroke ahead of Dr. Cary Middlecoff, the Tennessee dentist, who was tied with him at 64 Friday.

Middlecoff, finishing just a scant few minutes ahead of Littler, rammed home a downhill 18-foot birdie putt on the 17th to finish with a three-under-par 35-32—67 for a 36-hole total of 131.

That put him two strokes ahead of the third member of Friday's opening round triumvirate — Bill Casper Jr., of Chula Vista, Calif., who slid from a first round 64 to a 34-35—69 Saturday and undisputed third place.

De Vincenzo, a 33-year-old Latin now playing out of Mexico City, has had only one bogey in 36 holes.

Littler, on the other hand, had three Saturday, all on the usually easy back nine. He had birdie putts on one foot, 20, 4, 6, 2, 10 and 12 feet to keep him in the running for the $14,000 first prize being served up here Monday.

Middlecoff had a couple of bogies Saturday and was in four sand traps, but two long, downhill putts — the 17th and a 12-footer on the second hole — and three others of less than four feet for birdies kept him in close contention.

Casper skidded five strokes over his sensational opening round to finish one stroke ahead of Slammin' Sam Snead of White Sulphur Springs, W. Va., and Bill Trombley of Dallas, had 134s. Snead had his second straight 67, while Trombley shot a 66.

Harry Todd, another local pro, who missed a two-footer for a birdie on the last hole, joined De Vincenzo and Paul O'Leary of Bismark, N. D., as the day's only 65 shooters and wound up in an eight-way deadlock at 136 with Ted Gwinn of Tulsa, Okla., Dave Douglas of Newark, Del., Ernie Vossler of Fort Worth, Tex., Don Fairfield of Casey, Ill., Don January of Abilene, Tex., Peter Thomson of Melbourne, Australia, and Ben Hogan of Fort Worth. O'Leary was at 139.

At 137 were Mike Fetchick, Doug Higgins, Jackson Bradley, Jay Hebert, Ted Kroll, Bob Rosburg and Jim Feree.

2 Tech Spikemen Invited To Meet At U. Of Houston

RUSTON, La., Jne 2 (Special) —Two record - breaking members of Louisiana Tech's 1956 track team will compete in the "Meet of Champions" to be held at the University of Houston, Tex., June 8.

Bulldog track Coach Jimmy Mize reports that Joel Thomas, Rodessa sophomore, and Robert Dunbar, Rocky Mount senior, have been invited to the contest as a result of their fine showings in the Gulf States Conference track meet recently held at Lake Charles.

Thomas set new G.S.C. records in both the low and high hurdles. He topped the 120 high hurdles in 14.5 seconds and the 220 low in 23.7 seconds to establish the new marks. At Houston the Gulf States hurdling champ will carry the conference colors in the 110 meter high hurdles.

Co-captain of the Tech track squad this past season, Dunbar broke the G.S.C. mile record by covering the distance in 4:24.1. At the Southern A.A.U. track meet held at Lake Charles on May 26, the Bulldog miler did even better than that when he was clocked at 4:19.6 for a new Southern A.A.U. record and the best mile run of his career. In the "Meet of Champions" Dunbar will enter the 1500-meter run, the metric equivalent to the one mile run.

Athletes competing at Houston will represent the Gulf States, Southwestern, Southeastern, and Missouri Valley conference as well as several others. The "Meet of Champions" will lead up to the N.C.A.A. semi-finals and finals to be held a week later on the west coast.

TCU's Paschal Gets Tiger Farm Contract

DETROIT, June 2 (AP)—The Detroit Tigers today signed Al Paschal, a shortstop from Texas Christian University, to a minor league contract. He will be assigned to Augusta of the Sally League.

Paschal, 20, of Fort Worth, Tex., was an All-Southwest Conference shortstop and batted .394 this season.

Cubs Beat Dodgers Twice

CHICAGO, June 2 (AP)—Righthanders Dave Kaiser and Bob Rush shackled Brooklyn's vaunted power today and hurled the Chicago Cubs to a double victory over the world's champions, 8-1 and 5-4, before 20,751 as Jim King's perfect throw nailed Gino Cimoli at the plate with the tying run in the ninth inning of the second game.

Kaiser, a 21-year-old bonus pitcher from Ada, Okla., limited the Dodgers to two hits in his first major league start while Rush overcame a shaky first inning to post his fourth triumph in six decisions, although he needed help from Turk Lown in the ninth inning.

Carl Erskine and Don Newcombe, Brooklyn's top pitchers, were the victims. Erskine was chased in a four-run fifth inning in the opener. Newcombe suffered his fourth defeat against seven triumphs and was blasted for 10 hits.

It was the first time in five years that the Cubs had taken a double header from Brooklyn.

Brooklyn almost tied the second game in the ninth inning but King's perfect throw to the plate nailed Cimoli at the plate and Peewee Reese flied out to end the game.

Fortier, Warren Easton Suspended By Athletic Board

HAMMOND, La., June 2 (AP) — The Louisiana High School Athletic Assn. today suspended two New Orleans high schools from playing baseball for one year and fined each $100.

Commissioner T. H. Waters of the association said the punishment was meted out to Warren Easton and Fortier after an investigation into a fracas that broke out during their baseball game May 25. Fortier forfeited the game after the fracas, he said.

The athletic association also placed both schools on probation for one year from today.

Waters said an investigation showed "some evidence that the coaches and players of both schools showed poor sportsmanship by using vile and obscene language and by fighting."

He and two other members of a three-man committee held a hearing in New Orleans Thursday, Waters said, and listened to all sides of the dispute. It met in Baton Rouge today for its decision.

Other members of the committee, he said, were J. F. Guglielmo, principal of Lutcher High, and N. Z. Plaisance, principal of Brusly High.

SIGNED FOR CHICKS

CHICAGO, June 2 (AP)—The Chicago White Sox today signed Bob Latch, captain and centerfielder of the University of Tulsa's baseball team for their Memphis affiliate in the Class AA Southern Association.

U. S. Curtis Cup Team On Scene Of British Play

SOUTHAMPTON, England, June 2 (AP)—America's Curtis Cup golf team arrived at Southampton today and non-playing captain, Mrs. Harrison F. Flippin of Philadelphia, immediately announced: "We're going to start practice right away."

Mrs. Flippin said five of the seven players were newcomers to Britain. "The courses over here are very different," she added, "You've got to know them. And that's what we are going to try to do."

The team later left by bus for Sandwich Bay, Kent, where they will play against Britain in the cup matches next Friday and Saturday.

The two who have played in England before are Polly Riley, 29, of Fort Worth, and Pat Romack, 23, of Sacramento, Calif.

Newcomers are Mrs. Philip Cudone, 37, of Montclair, N.J.; Margaret Smith, 19, of St. Clair, Mich. Pat Lesser, 22, of Seattle; Jane Nelson, 22, of Indianapolis; and Mary Downey, 30, of Baltimore.

Tech Will Have Tough Time Replacing Lenoir

RUSTON, La., Jne 2 (Special) —Louisiana Tech track fans know that finding a man to fill the shoes of senior dashman Bruce Lenoir is going to be a difficult thing to do.

The Mansfield speed merchant this spring rounded out his fourth year of competition with the Bulldog thinclads and leaves behind an enviable record that speaks for itself.

Specializing in the 100 and 220-yard dashes and the relays, Lenoir has been defeated only a few times in his collegiate career. Tech cinder followers grew accustomed to his "automatic" first place points in the dashes. Lenoir won the 100-yard dash at the official Gulf States Conference meet four years in a row. He also captured the 220-yard dash title three of those four years.

The "Blond Blitz" closed out his Tech career in a blaze of glory by breaking the conference 100 and 220-yard dash records when the official loop meet was held at Lake Charles on May 19. Speedster Lenoir covered the century in 9.7 seconds and the 220 yards in 21.0 seconds to set the new marks.

During his freshman year in 1953, Lenoir attracted considerable attention when he tied the GSC 100 yard record with a 9.9 effort, won the 220 yard dash in 21.9 seconds, and helped Tech's 440 and 880 yard relay teams set new conference marks. It appeared that he had a great future ahead on the cinder paths.

The 1954 season found the fleet Bulldog trackman breaking the GSC 100 yard mark with a 9.8 run, and tying the 220 yard record with his 21.6 time.

Hampered by injuries during the 1955 season, the Mansfield student still won the 100-yard dash at the G.S.C. affair.

This season Lenoir gave his top performance by speeding to new records in both the 100 and 220-yard dashes. Lenoir was also a member of this season's 440-yard relay quartet that set a new record of 42.1 seconds at the conference meet.

Twice during the past four seasons the Canine dashman was clocked at 9.6 seconds for the 100-yard dash. During the 1954 season he did it in a meet at Conway, Ark., and on April 14 this season he broke the tape in the Southwestern Louisiana Relays with the same timing.

At Mansfield High School Lenoir played football and took part in track for three years. He came to Tech as a fine end prospect for the football squad. However, his lack of size made assignments against larger opponents especially difficult. Then the two-platoon system was abolished and after making such a sensational record as a freshman trackman, Lenoir decided to compete in track only.

And Bulldog track opponents will tell you that he did a good job of that. Many sports followers around Tech believe that Lenoir is the fastest man ever to don a Tech track uniform.

"Bruce has one of the strongest competitive attitudes of anyone on our track squad," points out Bulldog track coach Jimmy Mize. "He is about the fastest sprinter I've ever coached."

4 National Marks Fall In Thinclad Meet At Minden

MINDEN, La., June 2 (AP) —Four national junior AAU Olympic track records fell today and another was tied at the fourth annual Northwest Louisiana Olympics.

Four students from Byrd High, Shreveport, competing in the senior division of the 440-yard relay, were timed in :43.9. The former record was :44.7. The team was composed of Phil Heffington, Dickie Carpenter, Joe Hill and Pat Studstill. The senior division includes the ages 16-17.

Bo Campbell, another Byrd student, ran the 440-yard dash in the intermediate division in :50.49 to break the :51.1 mark. The division includes ages 14-15.

Two Shreveport boys competing in the junior division for ages 12-13 broke the other records. Sonny Parnell of Byrd high jumped five feet, four inches to beat the old mark by seven-eights of an inch. John Bullock of Broadmoor Junior High ran the 50-yard dash in 05.65 to lower the :05.9 mark.

Pete Williams of Jena was timed in :10.2 for the 100-yard dash to tie the national intermediate record.

Suffolk Feature Won By Eternal Mark, Pays $8.40

BOSTON, June 2 (AP)—Eternal Mark, racing in the colors of A. A. Crabbe of Miami, charged fast through the stretch to win the $10,000 Commonwealth Handicap today at Suffolk Downs.

Eternal Mark scored by two lengths over R. R. Damoon's Hao Box. J.P Caval's Amyn Bey was third.

The winner, third choice with the crowd of 21,108, paid $8.40, $5. and $3.80. Hat Box returned $7.80 and $5. Amny Bey was $6.20 to show.

It was the third victory in the last four starts for Eternal Mark. The five-year-old mare was ridden by Lucien Parent.

The time of the 6-furlong test was a sharp 1:10 4-5. 8

Jazz Age Takes Peter Pan Win; Lawless Second

NEW YORK, June 2 (AP)—Longshot Jazz Age streaked down the stretch in the murk and slop at Belmont Park today and captured the Peter Pan Handicap in a fassion that suggests he could be a definite threat for the Belmont Stakes June 16.

Although this was only the first stakes victory and the second win in the career of the lightly-raced C. V. Whitney colt, the race recalled that another Whitney horse, Counterpoint, came into prominence in the same handicap five years ago.

Counterpoint made the Peter Pan his first stakes score in 1951, breaking the track record, and the returned one week later to capture the $100,000-added Belmont and go on to become horse of the year.

Peter Pan last year aboard Nance Lad, steered Jazz Age to a three-quarter length victory over the Brookmeade stable's Lawless, second choice in the betting of the crowd of 30,775. Lawless took second money by a head over Mrs. Wallace Gilroy's Oh Johnny, the favorite, while Lawrence R. Troiano's King Somali was beaten out for third money by a neck in a photo finish.

Jazz Age, a grey son of Priam 2nd-Jazz Baby by Mahmoud. stepped the mile and one eighth in 1:48 2-5, which was only three-fifths of a second slower than Counterpoint's track record.

The winner showed 25-1 on the board and the crowd whopped it up when the official prices of $61.20, $18.90 and $8.70 were flashed. Lawless, also eligible for the mile and one-half Belmont, returned $5 and $3.60, while Oh Johnny paid $3.50.

Jazz Age carried 111 pounds, Lawless had 115 and Oh Johnny was tops with 124. Beau Diable finished fifth, followed by Jean Baptiste, Corax, Riley, Massai and Paint Brush.

DR. A. L. CRABB

Creative Writing Lecture Series Scheduled Here

Dr. A. L. Crabb of Nashville, Tenn., will be presented by the Liberal Arts Department of Northeast State in a series of lectures on creative writing.

The five lectures will run from June 27 through June 29, announced Dr. W. R. Hammond, head of the department. The public is invited to all discussions which are scheduled in Brown Auditorium on the campus.

This summer school program is one of a group of special meetings which will feature distinguished persons in various fields of interest.

Dr. Crabb was professor of education prior to is retirement at George Peabody College, Nashville Tenn. He also has held a deanship at Western Kentucky State College.

The visiting speaker is considered a man of letters of the front rank whose lectures sparkle with wit and humorous anecdote.

His writings include both professional works and fiction. He has authored ten novels, including "Dinner at Belmont," "Home to the Hermitage," "A Mockingbird Sang at Chickamauga," and "Home to Tennessee."

Dr. Crabb will lecture in several English classes at Northeast in addition to the public.

The schedule of open lectures includes: June 27, 9:10 a.m. and 11 a.m.; June 28, 8:15 a.m. and 10:05 a.m.; June 29, 9:10 a.m.

Sen. Eastland's Secretary Retires Chick Placements

WASHINGTON, June 2 (AP—Mrs. Virginia Simmerman, who charmed and greeted visitors to the office of Sen. James Eastland (D-Miss) the last 13 years, retired today and headed back to Mississippi.

For nearly 22 years Mrs. Simmerman was right in the middle of things in Washington.

"I hate to leave—I'm going to miss all this excitement," she said. "But then, I'm rather looking forward to leading the 'life of Riley' from now on."

Eastland said losing her was something like losing a good arm.

"She's an outstanding secretary—as good as any on The Hill," he said. "She was most efficient, worked hard and faithfully. I am certainly sorry to see her go but I know she returns to a large reservoir of friends in Mississippi."

Recital To Be Held At Children's Home

Music students at the Louisiana Baptist Children's Home will hold a recital at 7:30 p.m. Monday at the chapel, it was announced yesterday by Mrs. Edith Whitehead, music director.

The girls ensemble, which won an "A-plus" rating at the state music festival at Alexandria on May fourth, will perform at the recital, she said.

The public is invited to attend.

PARSONAGE WEDDING

While a bride rarely wears a white wedding dress and veil for a parsonage or parish house wedding it is entirely proper for her to do so if she wishes.

Something different for that buffet supper. Cook pearl barley in beef or chicken broth with a little chopped onion. Serve with baked ham.

Do you step from your car looking your best?

Naturally, you want to arrive as well groomed as when you left home. Hair softly in place, protected from wind. Your costume crisp, not humidly limp. Make-up still satiny, no trace of a shine.

That composed looking person on the right does it — even on the hottest day. Her car is cool — Mark IV equipped. Closed windows keep wind and noise outside. And her disposition is as smooth as her grooming — all summer long. Makes a Mark IV auto air conditioner a bargain even before you hear the low price, doesn't it?

Do you step from your car looking your best?

Naturally, you want to arrive as well groomed as when you left home. Hair softly in place, protected from wind. Your costume crisp, not humidly limp. Make-up still satiny, no trace of a shine.

That composed looking person on the right does it — even on the hottest day. Her car is cool — Mark IV equipped. Closed windows keep wind and noise outside. And her disposition is as smooth as her grooming — all summer long. Makes a Mark IV auto air conditioner a bargain even before you hear the low price, doesn't it?

MARK IV
REFRIGERATED AUTO AIR CONDITIONING

Only $295 or $345 plus installation. Excise tax already paid.

LUXURY THROUGHOUT

THIS HOME was built for someone who will settle for nothing but the best. Artistry and pains-staking, old-fashioned craftsmanship have combined to make this spectacular 3 bedroom home on the bayou truly a dream home. Mere words are inadequate to describe this master piece of brick and tile. If you are tired of the conventional, let us show you this beauty at 615 Lakeshore Drive.

THIS HOME WILL GIVE YOUR FAMILY A LIFETIME OF HAPPINESS!

It's located at 1100 Forsythe and is one of the best built solid brick homes in Monroe. The whole house will appeal to you immediately — its spacious living room, 3 bedrooms, 1½ baths, separate dining room, modern kitchen that's conveniently arranged with more than ample cabinet space — and you'll enjoy many hours in the lovely den or family room. There's also central heating, closet space galore, and a double garage. The yard is one of the prettiest in town with it's thick St. Augustine grass, pine trees, beautiful flowers and shrubs. We know you'll like everything about it — let us show you.

Exchange Club To Conduct Projects Assisting Youth

The Exchange club of Monroe has started the ball rolling to raise funds for its pet projects which concern chiefly the youth of the city.

At a recent meeting it was voted to sponsor the Monroe Model Maniacs, organization in existence for several years, but a group that is confronted with lack of funds. Equipment, badly needed, was available for some boys but not for others. Their meeting place has been in garages.

Last week the club rented a store building for this group and plans are being drawn for extensive improvements and the enlargement of the flying field in Bernstein park, to accommodate the first state meet this year to be held July 15 Entries are anticipated from all over Louisiana.

This project is nation-wide and the Monroe club is pleased to be a member of such a group.

Another, also nation-wide project, is the "Sunshine Special". A special committee is charged with the selection of approximately 100 less-privileged children, ages eight to 14, and the taking of them to a nearby outing place for one day of pleasure. The next time set is on August 7.

The Exchange club also selects a boy and girl for Pelican State held yearly in Baton Rouge.

To carry out these important programs takes money. To get funds, the club has planned to sell illuminated numbers to be placed on lawns so that house numbers can be easily found by day or night.

The New York metropolitan area has 12,300,000 people.

Claiming wide interest today is the announcement by Mr. and Mrs. Joshua Barclay Warner, of Lookout Mountain, Tenn., of the engagement of their daughter, Miss Frances Lamoreaux Warner, to Ralph Talbot Troy, son of Mr. and Mrs. Richard Matthew Troy, of this city.

The bride - elect is the granddaughter of Mr. and Mrs. W. F. Lamoreaux, of Lookout Mountain, and of Porter Warner Sr. and the late Mrs. Warner.

Miss Warner is a graduate of St. Mary's School, Sewanee, Tenn. and attended the University of Chattanooga, where she was a member of Chi Omega social sorority.

Mr. Troy is the grandson of Mr. H. H. Nobes and the late Mrs. Nobes and Mrs. Matthew Troy, both of Monroe. He is a graduate of Neville High school and is a student at the University of the South, Sewanee, Tenn. He is a member of Kappa Sigma Social fraternity, Phi Gamma Mu, honorary society, the Order of Gownsmen and ODK. He is also a member of Sewanee's tennis team.

The wedding will be solemnized August 4, at the Church of the Good Shepard on Lookout Mountain.

RISE TO THE OCCASION

At the reception the bride and groom should rise with each toast. If the toast is to the bride only, then the groom merely stands and drinks. If it is to both, then the groom replies with an expression of thanks. It is not a time, however, for speeches from the groom.

MRS. HARVEY DALE SHAFFER

Miss Baker, Harvey Shaffer Pledge Troth

The Presbyterian Church at Ruston, was the scene for the ceremony, which united in marriage, Miss Dorothy Sue Baker, daughter of Mr. and Mrs. Herbert Baker of that city, and Harvy Dale Shaffer son of Mr. and Mrs. C. P. Shaffer, of Gibsland.

Dr. H. H. Thompson, pastor of the church officiated at the ceremony, which took place Friday evening, June 1, 1956, at 7:30 o'clock. The vows were said before an altar of white tapers in wrought iron candelabras forming the background for the arrangements of baskets of white gladiolas, white stock, Queen Ann's Lace, magnolia blossoms and pots of white and green caladiums.

A musical prelude was presented by Miss Hilma Ezell, organist and Mrs. James Thomas, vocalist.

The ushers, which served as groomsmen also, were, Messrs. Jimmy Ray Johnson, Hugh Rocky Pearson, of Gibsland, Allan Lee of Magnolia, Arkansas and the bride's brother, William H. Baker, of Jonesboro.

The bride's cousin, Jane Baker, of Ruston, and the bridegroom's sister, Gloria Shaffer, of Gibsland served as candle lighters. Dressed identically in waltz length nile green tulle over taffeta dresses, they wore wrist corsages of daisies and halos of matching tulle in their hair.

The bridegroom and his best man, his brother, Vernon Shaffer waited at the altar with the officiating minister, Dr. Thompson, followed by the groomsmen who took their places at the altar.

Preceeding the bride were her attendants. Bridesmaids, dressed identically in waltz length dresses of tulle and taffeta in pastel shades and halos matching their dresses were, Miss Loui Dean Henry of Hico, dressed in pink, Misses Glenda Mathewes, of Ruston, in aqua and Betty Naff, of Ruston, in lavender. Frances Baxter of Tallulah in blue, and all carried pastel daisies.

Mrs. Vernon Shaffer attended the bride as matron of honor. Her costume was made identical to the bridesmaids. She was attired in yellow tulle over taffeta, her halo was of yellow and her flowers were white daisies.

The flower girls were little Sadie Haddad, of Monroe and Paula Heard, of Ruston, cousins of the bride. They were dressed alike in long dresses of rose tulle over taffeta and pink daisies adorned their hair. They carried basquents tied with tulle and ribbon filled with pale pink rose petals.

The bride was escorted to the altar by her father, who gave her in marriage. Her gown was of nylon sheer over net and satin and fell into a sweep train. Venice lace outlined the sweetheart neck line and trimmed the shirred sleeves at either side of the skirt. A loose panel floated from a band of lace that curved around the hips and down to the hem in the back. Upon her head, was a latticed cap of seeded pearls and rhinestones from which cascaded her double white nylon illusion veil of finger tip length. She carried a bridal bouquet of white rose buds.

For her daughter's wedding, Mrs. Baker chose a gown of pink linen lace and nylon panels with which she wore harmonizing accessories. A white lace hat studded with rhinestones, completed her ensemble.

Mrs. Shaffer, mother of the bridegroom, was attired in a blue lace gown complimented by matching hat and accessories.

Both Mrs. Baker and Mrs. Shaffer wore corsages of white gardenias.

Immediately following the wedding ceremony, Mr. and Mrs. Baker were hosts at the reception in their home on Line Avenue

Arrangements of white gladioli, stock, and magnolias and candelabra with white tapers decorated the reception rooms.

The bride's table was covered with a linen cut work cloth. The center decor was the bride's bouquet and branched candelabra of white tapers.

The three tiered wedding cake was placed at one end of the table and was presided over by Mrs. Guy Baker, and alternating with her was Mrs. Cothan Haddad, of Monroe. At the other end was the crystal punch bowl presided over by Mrs. Lonnie Mayo, of Monroe and Mrs. W. O. Davis, of Owensboro, Kentucky.

Others assisting in the courtesies were: Misses Patsy Nelson, Joanne Puckett, Betty Risinger, and Eria Faye Liner, Mrs. Dick Thompson, all of Ruston and Mrs. J. H. Roach, of Jonesboro, and Mrs. R. H. Alexander, of Arcadia.

The guest book was presided over by Mrs. William H. Baker of Jonesboro.

For traveling Mrs. Shaffer chose an aqua blue rayon linen sheath dress topped by a full length coat of rayon linen with which she wore black patent accessories, white hat and gloves. Her corsage was of white gardenias and rose buds.

On their return the young couple will resume their studies at La. Tech. Mrs. Shaffer is a member of Theta Upsilon sorority and Mr. Shaffer is a member of Lambda Chi fraternity.

Couple Honored With Parties

Honor guests at dinner last Wednesday evening were Miss Martha Clayton Sparks and her fiance, Dent Tisdale, whose wedding will be an event of late June. Hosts at the party, which took place at the Lotus Club, were Miss Fran Guthrie and her parents, Mr. and Mrs. Grayson Guthrie.

Magnolias were used in the lounge of the club and gardenias and white candles, in silver holders, trimmed the dinner table, set in the library.

Places were marked for Miss Sparks and Mr. Tisdale, Mr. and Mrs. R. C. Sparks, Dr. and Mrs. A. D. Tisdale, Mr. and Mrs. James Sparks, Mr. and Mrs. Robert Downing, Mr. and Mrs. Aylmer Montgomery, Jr., Mr. and Mrs. Thomas Munholland, Mr. and Mrs. Aubrey Boyd, Dr. and Mrs. Henry Guerriero, Dr. and Mrs. Arthur Emerson, Miss Polly Riley, Ray Rhymes, Jr., Jim Henry, Miss Guthrie's escort, for the evening, and the three hosts.

Miss Sparks and her fiance were guests of honor Saturday evening at a barbecue at which the hosts were Dr. and Mrs. Henry Guerriero.

The party took place on the patio of the Guerriero's home, where lighted hurricane lamps illuminated the garden and centered the glass top tables, from which supper was served

The guests included Mr. and Mrs. Aylmer Montgomery, Jr., Mr. and Mrs. Jesse McDonald, Mr. and Mrs. Robert Downing, Mr. and Mrs. Charles Nunnally, of Alexandria, Dr. and Mrs. A. D. Tisdale, Mr. and Mrs. R. C. Sparks, Mr. and Mrs. John Noel, Jr. of Port Arthur, Texas.

Miss Polly Riley, Miss Martha Hatchell, Miss Diane Ducote, Miss Jo Goodwin, of Bastrop, Benjamin Smith, Jimmy Rivers, Allen Woods and Bill Mattison.

Miss Ann Flinn Is Complimented

Three luncheons and a coke party filled the past social week of popular bride-elect, Miss Ann Flinn.

Tuesday's luncheon was given by Mrs. Morris Phillips, in her home on Point Drive. Summer blossoms were used throughout the house and large white daisies and florabunda roses were featured in the dining room. A gift of silver marked the place for the honoree. Other guests were Mrs. Scott Hamilton, Mrs. Sol Courtman, Mrs. Corbin Turpin, Mrs. Robert Oliver, Mrs. J. W. Cummins and Mrs. Henry Hammonds.

The Bayou DeSiard Country club was the setting for the luncheon on Wednesday, with Mrs. Cyril Yancey, Mrs. Henry Hammonds, and Mrs. Roy Kelly, hostesses. Red Pinnochio roses and Bells of Ireland formed the centerpiece for the luncheon table and small silver wedding bells bore the names of the guests. Other than Miss Flinn and the hosteses, they were Mrs. Robert Rhymes, Mrs. Hollis Venable, Mrs. John Sherrouse, Jr., Mrs. Ben Cobb, Mrs. Dewitt Milam, Mrs. Guy Campbell, Mrs. Robert Gordon, Mrs. Burchell Liles, Mrs. Martin Rogers of Bastrop, Mrs. G. A. Hume of Mer Rouge and Mrs. Clifton Flinn.

Mrs. Elaine Armstrong's and Mrs. Warren White's courtesy was a luncheon at the La Casa Tea Room on Friday. White gladioli intermingled with silver wedding rings and china figurines of a bride and groom centered the table. On either side and at the ends of the table were minature brides and grooms.

Seated at the table besides the honoree and hostess were Mrs. Clifton Flinn, Mrs. Don Bacon, Jr., Mrs. G. A. Hume, Mrs. Willis Montgomery, Mrs. E. M. Clark, Miss Bettye Ross Graves, and Miss Lenna Armstrong, all of Mer Rouge. Mrs. William Porch, Chicago, Ill., Mrs. Dorothy Hornbeak, Miss Linda Hornbeak, Mrs. L. D. Ritter, Mrs. T. F. Wilson, Mrs W. H. McKelvey, Miss Lynda Davis, Miss Nell Bridge, Miss Jo Marie Ellett, Mrs. Tobo Woods, and Mrs. A. D. Williams.

Highlighting the week's festivities honoring Miss Flinn, was the Coke party, Thursday afternoon, given by Miss Elstner Frazer and Miss Pat Reitzell, in Miss Frazer's home on Rochelle avenue.

The guests were Miss Ashley Hamilton, Miss Linda Hornbeak, Miss Nell Bridge, Miss Elizabeth Leigh, Miss Lynda Davis, Miss Jo Marie Ellett, Miss Fran Guthrie, Miss Ninette Smith, Miss Sally Oliver, Miss Ann West, Miss Gay Olcott, Miss Jan Demmary, Miss Margaret Ann Lee, Miss Pud Huckaby, Miss Julia Bess Williams, Miss Gail Bingham, Miss Kathie Fleishman, of Start, Mrs. D. W. Rhodes, Miss Mimi Clark, Mer Rouge.

Also Mrs. Custer Primos, Mrs. John Coon, of Houston, Miss Virginia Blanks, of New Orleans, Miss Diane Ducote, Miss Polly Riley, Miss Carolyn Peters and Miss Barbara Kelso.

A PARENTS' TABLE

If the parents of the bride and groom do not sit at the bridal table, they may have a special table set aside for them. Here the groom's father will sit at the right of the bride's mother. She is the official hostess. The groom's mother will sit at the right of the bride's father. He is the official host.

At this table, too, it is customary to seat the clergyman.

Miss Ann Flinn Is Complimented

Three luncheons and a coke party filled the past social week of popular bride-elect, Miss Ann Flinn.

Tuesday's luncheon was given by Mrs. Morris Phillips, in her home on Point Drive. Summer blossoms were used throughout the house and large white daisies and florabunda roses were featured in the dining room. A gift of silver marked the place for the honoree. Other guests were Mrs. Scott Hamilton, Mrs. Sol Courtman, Mrs. Corbin Turpin, Mrs. Robert Oliver, Mrs. J. W. Cummins and Mrs. Henry Hammonds.

The Bayou DeSiard Country club was the setting for the luncheon on Wednesday, with Mrs. Cyril Yancey, Mrs. Henry Hammonds, and Mrs. Roy Kelly, hostesses. Red Pinnochio roses and Bells of Ireland formed the centerpiece for the luncheon table and small silver wedding bells bore the names of the guests. Other than Miss Flinn and the hosteses, they were Mrs. Robert Rhymes, Mrs. Hollis Venable, Mrs. John Sherrouse, Jr., Mrs. Ben Cobb, Mrs. Dewitt Milam, Mrs. Guy Campbell, Mrs. Robert Gordon, Mrs. Burchell Liles, Mrs. Martin Rogers of Bastrop, Mrs. G. A. Hume of Mer Rouge and Mrs. Clifton Flinn.

Mrs. Elaine Armstrong's and Mrs. Warren White's courtesy was a luncheon at the La Casa Tea Room on Friday. White gladioli intermingled with silver wedding rings and china figurines of a bride and groom centered the table. On either side and at the ends of the table were minature brides and grooms.

Seated at the table besides the honoree and hostess were Mrs. Clifton Flinn, Mrs. Don Bacon, Jr., Mrs. G. A. Hume, Mrs. Willis Montgomery, Mrs. E. M. Clark, Miss Bettye Ross Graves, and Miss Lenna Armstrong, all of Mer Rouge. Mrs. William Porch, Chicago, Ill., Mrs. Dorothy Hornbeak, Miss Linda Hornbeak, Mrs. L. D. Ritter, Mrs. T. F. Wilson, Mrs W. H. McKelvey, Miss Lynda Davis, Miss Nell Bridge, Miss Jo Marie Ellett, Mrs. Tobo Woods, and Mrs. A. D. Williams.

Highlighting the week's festivities honoring Miss Flinn, was the Coke party, Thursday afternoon, given by Miss Elstner Frazer and Miss Pat Reitzell, in Miss Frazer's home on Rochelle avenue.

The guests were Miss Ashley Hamilton, Miss Linda Hornbeak, Miss Nell Bridge, Miss Elizabeth Leigh, Miss Lynda Davis, Miss Jo Marie Ellett, Miss Fran Guthrie, Miss Ninette Smith, Miss Sally Oliver, Miss Ann West, Miss Gay Olcott, Miss Jan Demmary, Miss Margaret Ann Lee, Miss Pud Huckaby, Miss Julia Bess Williams, Miss Gail Bingham, Miss Kathie Fleishman, of Start, Mrs. D. W. Rhodes, Miss Mimi Clark, Mer Rouge.

Also Mrs. Custer Primos, Mrs. John Coon, of Houston, Miss Virginia Blanks, of New Orleans, Miss Diane Ducote, Miss Polly Riley, Miss Carolyn Peters and Miss Barbara Kelso.

A PARENTS' TABLE

If the parents of the bride and groom do not sit at the bridal table, they may have a special table set aside for them. Here the groom's father will sit at the right of the bride's mother. She is the official hostess. The groom's mother will sit at the right of the bride's father. He is the official host.

At this table, too, it is customary to seat the clergyman.

Weber-Kite Nuptials Held At First Christian Church

Miss Lela Bess Kite, daughter of Mr. and Mrs. Arthur Madison Kite, became the bride Wednesday evening of William Patterson Weber, Jr., of New Orleans, son of Mr. and Mrs. William P. Weber, of New Milford, N. J.

The ceremony, which was celebrated at 7 o'clock in the evening, in the First Christian Church, was performed by the Reverend R. T. Watson.

Decorating the church for the wedding were tall baskets filled with calla lilies and magnolias placed at either side of an arch covered with magnolia blossoms and gold foliage. Down the aisle, the pews were marked with a single flower, and tapers burned in golden candelabra at the altar. Miss Pat Hudson was organist and Mrs. Rabun Wroten, soloist.

The bride given in marriage by her father, wore a gown of hand clipped French lace, studded with sequins and pearls. The bouffant skirt had a short train. Her veil of silk illusion edged with narrow lace, was held in place by a coronet of sequins and pearls. She carried a cascade bouquet of stephanotis with a magnolia blossom in the center.

Matron of honor to the bride, was Mrs. Jack Phillips and the maid of honor was Miss Elizabeth Leigh. The other attendants included Miss K K Kite, sister of the bride, and Miss Kay Weber, sister of the groom.

Gold lame dresses, ballerina length, were worn by the attendants. The sheath skirts had very full white over skirts, heavily embroidered in gold with matching pumps and long gold and tulle mits. They wore gold and white hats with open crowns and carried a single magnolia with golden foliage.

Miss Theresa McMichael and Miss Judy Deen were candle lighters. Their mint green cotton satin frocks were street length and very full. Their wrist corsages were of split white carnations tied with gold ribbons.

Mr. Kenneth Keller was the best man and the groomsmen and ushers were John Malmay, Neil Jordan and Billy Smith.

The Cameo Room, of the Virginia Hotel, where the reception took place was decorated with white summer blossoms. The table on which the cake was placed was covered with a satin cloth gathered full at the table edge to the floor. The cake was surrounded by gardenias and was trimmed in white and pale pink flowers.

Mrs. Kite chose for her daughter's wedding, a dress of blue chiffon over net, trimmed in rhinestones, with which she wore a matching hat. Her corsage was of gardenias with silver ribbons.

The groom's mother was wearing a dress of rose lace, rose accessories and a corsage of gardenias completed her costume.

Assisting at the reception were Mrs. Earl Cobb, Mrs. T. Fitzhugh Wilson, Mrs. H. Clifford Miller, Mrs. Paul Blackmon, Miss Theresa McMichael, Miss Judy Deen, Mrs. Jack B. Oliver, Mrs. Lawrence Hulin and Miss Barbara Hulin.

After the reception, Mr Weber and his bride left on a wedding trip to the Gulf Coast. For traveling, she wore a blue silk suit trimmed in white pique with white pique hat and other white accessories. On their return they will make their home in Ruston.

Out of town guests here for the wedding were, Mr. and Mrs. Joe H. Oliver, Mrs. Jack B. Oliver and Mrs. Ruth Johns of Little Rock, Ark. Mr. and Mrs. W. P. Weber, Miss Kay Weber, New Milford, New Jersey, Miss Judy Deen and Miss Theresa McMichael of Shreveport, Mrs. Elzabeth Weber, Miss Stella Weber, Mrs. D. C. Keller, Mrs. Wilfred Muller of New Orleans, Mr. and Mrs. Wayne Smith, Billy Smith, Crossett, Ark. Neil Jordan, Robeline, Mr. and Mrs. David Osterback, Gardena, Calif., Mr. and Mrs. Foster McMichael, Shreveport, Mr. and Mrs. Oswald Villarubia, New Orleans and Mrs. B. W. Kay, of Tickfaw.

Rehearsal Supper

The night before the wedding, Miss Elizabeth Leigh and her parents, Mr. and Mrs. W. E. Leigh entertained the wedding party and out of town guests at a buffet supper in their home on Fairview Ave. They used pink roses in the reception rooms and on the buffet table in the dining room. The bride and groom-elect presented their attendants with gifts at this time.

Mrs. Brantley Is Honored

Mrs. Ronnie Brantley, the former Miss Ann Trezevant, daughter of Mr. and Mrs. Julian Trezevant of Sterlington was entertained at a bridal shower in the home of Mrs. S. E. Amos of Perryville with Mrs. C. M. Edwards, Mrs. Cleo Matkins, Mrs. Sam Noble, Mrs. H. R. Wilhite, Mrs. Ruth Barr and Mrs. M. M. Funderburk as cohostesses.

A pink and white theme was used throughout the reception rooms where the hostesses, honoree and her mother received guests.

Centering the refreshment table was an arrangement of pink larkspur and sweetpeas. Gardenias were placed at vantage points in the party rooms.

Mrs. Brantley chose for the party a beige shantung complemented by white accessories and a yellow corsage.

Around 50 guests called between the hours of 4 and 6.

Championship Bridge Games Are Announced

The Vicksburg Bridge Club will conduct a Team of Four Championship game on Sunday, June 10, in the Coral Room at the Hotel Vicksburg. The game will be conducted in two sessions with the first session begining at 2:00 p.m. and the second at 7:30 p.m. A steak dinner will be served between sessions.

The defending champions are Mr. and Mrs. Joe Skinner, Cecil Inman, and Bernard Tighe of Jackson. The master point award will be 1.5 points plus 0.15 times the number of tables. Trophies will also be awarded first place winners.

In order that the club may anticipate the number of teams that will participate in the game, it is asked that the club secretary, Robbert W. Cunny, 2602 Drummond Street, Vicksburg, Mississippi be notified by those teams wishing to play.

The Cohens Are Feted At Party

The Henry Gersons home on Roselawn Avenue was the scene of a cocktail party honoring Mr. and Mrs. Richard S. Cohen of Springfield, Ill., on Wednesday night.

Receiving guests at the door with Mrs. Gerson was the honoree's mother, Mrs. William Weinberg, who assisted with courtesies.

For this occasion, the party rooms were decorated with large arrangements of yellow gladioli and daisies.

The guest list included, other than the hosts and honored guests, were Mr. and Mrs. William Weinberg, Mr. and Mrs. Louis Smith, Dr. and Mrs. Mortimer Raphael, Mr. and Mrs. Sam Rubin, Jr., Mr. and Mrs. Fred King, Mr. and Mrs. J. L. Stern, Mr. and Mrs. David Masur, Jr., and Mr. and Mrs. Saul Mintz.

BRIDAL BOUQUET

Time was when the groom chose the bridal bouquet, but this habit has now nearly entirely died out. Whether the bridegroom or the bride's parents pay for the bouquet varies from district to district, but as a rule this expense is borne by the latter along with the floral decorations.

Girl Scout News

First, we have an important announcement of the change of date of the Girl Scout cooking classes to be sponsored by United Gas. Date of the class is now June 25-July 6, but registration time remains the same, Friday afternoon, June 15, between 2:30 and 4:00 at United Gas Service Center, on Louisiville Avenue. Mothers are supposed to come to register their daughters, meet the teachers, have a cup of punch, and see the set-up for the classes. There will be only one class, limited to 35 of next year's fifth and sixth grade girls, so act accordingly.

The rest of the column will be devoted to the Fly-ups and Courts of awards of the Sherrouse School troops. Troop 18, Mrs. N. L. Huckabee, leader, had theirs first, at Memorial Methodist Church, where the troop meets. For the occasion the girls invited their mothers, presenting them with corsages they had made the day before. A feature of the program was the reading of a poem by Judy Willlis, a poem that she and her Mother had written about the troop's recent overnight at Pine Wood.

The leader presented Second Class and My Troop badges to the following girls, marking the culmination of a year of Intermediate Scouting: Ann Adams, Holly Sue Bayne, Linda Blair, Pam Grower, Martha Guyton, Wanda Harris, Mary F. Howard, Joan Humble, Shirley Loflin, Sissi Loftin, Marjorie Hammonds, Darlyn Morris, Jo Ann Pumphrey, Sage Redding, Peggy Southerland, Ronnie Smith, Irvie Temple, Judy Willis, and Jean Wroten.

Troop 1 and 54 had their Fly-up ceremonies and Troop 26 its court of awards in the auditorium of Sherrouse School. Mrs. John L. Tolar invested the girls of Troop 1, as follows: Beth Allen, Sandra Blair Donna Kay DeCelle, Sally Ensminger, Louise Edwards, Carol Lynn Fuller, Marcia Frost, Milan Gannaway, Dianne Halley, Francis Loflin, Mary Murphy, Jan Price, Mary Jane Sims, Susan Sherrouse, Ann Sheppard, Sue Sheppard, Mary Louise Tolar.

Mrs. Robert Wing, leader of Troop 54 invested the girls of Troop 54, who are: Gloria Abraham, Barbara Black, Jill Braucher, Barbara Clement, Mary Beth Duchesne, Gail Dupont, Carolyn Gibbs, Cathy Gresham, Glenda Grower, Cynthia Lewis, Martha Gail Meeks, Lucille Morton, Deas Parrish, Susanne Schultz, Gail Smith, Rosemary Sims, Gloria Stancil, Sally Wing, Avon Wolcott. Congratulations to all these new Intermediates.

Troop 26 received the badges they had worked on as a troop project from their leader, Mrs. J. H. Mosley. As a culmination of their year's work these girls had a square dance at The Barn, to which they invited a number of their friends, both boys and girls.

The newest Brownie is Jean Renee, daughter of the J. H. Kelly's, whose mother is leader of Troop 45 and whose big Sister Jateen is a member of that fly-up troop.

Swimming classes start tomorrow at 3:00 with Julie Wooley and Doll Savanna as instructors. Registration for classes closed at noon Saturday, with 160 girls enrolled. They're going to have fun and learn just lots, we're sure.

New idea for stew: sprinkle beef cubes with chopped onion, crushed garlic and oregano the night before you plan to cook it; cover tightly and refrigerate. Next day brown the meat and onions in fat and proceed as usual.

MR. AND MRS. CLYDE MILTON HODGE

Miss Knox Is Wed To Clyde M. Hodge

The Highland Park Baptist Church was the scene of the May 20th marriage of the former Miss Mary Olive Knox to Clyde Milton Hodge.

The bride is the daughter of Mrs. Ollie Knox of this city, and the bridegroom is the son of Mr. and Mrs. J. C. Hodge, of Litroe.

Reverend Charles B. Thompson performed the ceremony before an altar decorated with white gladioli and ivy and burning tapers in wrought iron candelabra.

Mrs. John Fogleman was organist and accompanied James Green, soloist.

Thomas Pettis gave his niece in marriage. Her gown was of nylon tulle and Alencon lace. The sculptured bodice had an oval neckline appliqued with lace that extended over the shoulders to form brief sleeves. A small bandeaux of pearls, held her veil of illusion, and she carried a bouquet of tube roses centered with a white orchid.

Miss Relda Knox was her sister's only attendant. Her dress was of pink lace over taffeta. She wore a small maline braided hat with crushed tulle and carried a bouquet of pastel dyed daisies.

B. J. Green served as best man and the ushers were Ralph Stripling and F. C. Poison.

White flowers decorated the rooms of the W. T. Pettis home, where the reception was held. Mrs. Knox received the guests in a dress of mauve lace, worn with a corsage of white carnations. A navy blue silk dress with white carnation corsage was worn by the groom's mother.

The bride's table was covered with a white lace cloth and centered with a silver bowl filled with white daisies. Mrs. N. H. Knox, Jr. served the cake and Miss Clara Hodge, sister of the groom, and Mrs. B. J. Green assisted at the punch bowl. The guests were registered by Mrs. F. C. Poison.

For their wedding trip to the Gulf Coast, Mrs. Hodge traveled in a pink suit. Her small hat was of pink straw and her accessories were navy blue.

Pep up that meat loaf by seasoning it with Tabasco sauce.

Cruse-Hilburn Vows Pledged In Natchez

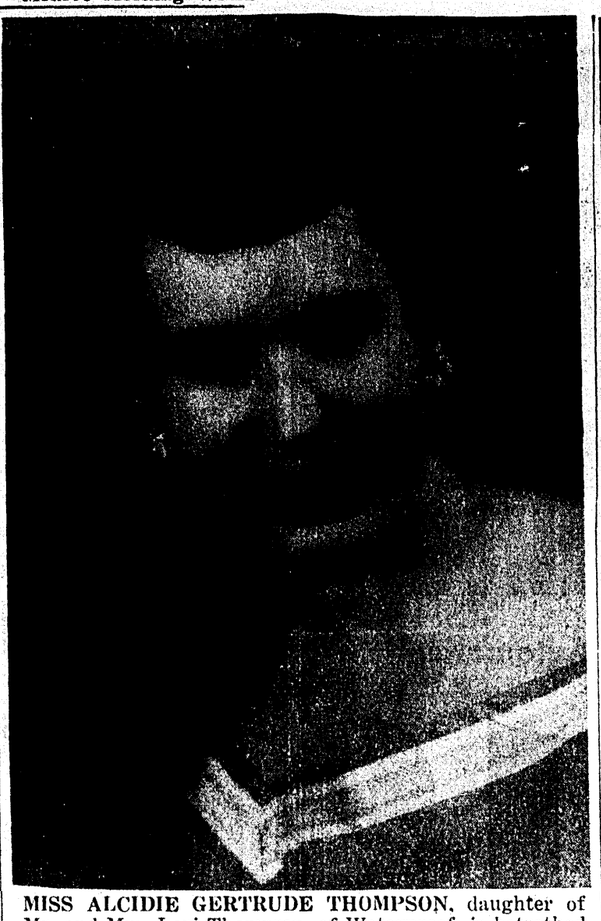
Mr. and Mrs. L. K. Hilburn announce the marriage of their daughter, Miss Juliet Hilburn, to A 1-c. David Cruse of Greenville, S.C., son of Mr. and Mrs. J. C. Cruse of Enterprise.

The marriage was solemnized in the First Baptist Church in Natchez, Miss., on May 23. The Rev. Wayne Coleman, pastor, officiated.

The bride is a graduate of Wisner High School and will enter Northeast State College in the fall.

The bridegroom will leave in July for duty in Okinawa.

Prior to entering the service, he attended Louisiana Tech in Ruston and Northeast State College in Monroe.



MISS ALCIDIE GERTRUDE THOMPSON, daughter of Mr. and Mrs. Levi Thompson, of Waterproof, is betrothed to Allen Francis Martinez, son of Mr. and Mrs. Edward Martinez, of Houma. Their wedding will be a nuptial mass, June 16, at 11 a.m., in Saint Francis of Assissi Church, Waterproof.

MISS LAETTA WHITE, whose engagement and approaching marriage to James Edward Wells, is announced today by her parents, Mr. and Mrs. Allen C. White, of Sterlington. He is the son of Mrs. Ida M. Wells, also of Sterlington. The wedding will be an event of Friday, July 6, at 8 p.m. in the Parion Baptist Church.

Best Weddings Are Planned In Detail--Well In Advance

There is more to a wedding than getting a license, saying "I do" and speeding off to Niagara Falls.

Weddings must be planned — and as far in advance as possible. Three months is none too long.

The bride's family, according to custom and tradition, sponsors the wedding. They are responsible for most of the expenses. The groom must pay only for the wedding ring, the flowers, the clergyman's fee, presents for the best man and ushers, and a sentimental gift for his new wife.

After the date is set the next important decision for the bride is the type of wedding — formal, semi-formal or informal — and the place.

Looking at the wedding from a practical point of view the bride's mother must consider how many guests are to be invited and how much money she intends to spend.

A formal affair need not necessarily be expensive or elaborate. Formal means adhering to a tradition of dress, invitations, cake, receiving line and reception.

The bride selects her maid of honor and bridesmaids from her close friends or relatives. The maid (or matron) of honor may be a sister of the bride or groom.

These attendants pay for their own gowns. Color and type are chosen by the bride.

The reception line follows a formal pattern but is not necessarily inflexible. The bride's mother should be the first in line. Next come the groom's parents. The bride's father is next but he doesn't have to be in the line. He can be a sort of roving good will ambassador. Then the lineup continues with the bride, groom, maid of honor and bridesmaids in that order. The best man and ushers usually do not stand in the reception line. But there is no rule that says they can't.

The reception following the ceremony may be held at home, hotel or club depending upon the wishes of the bride's family.

In choosing a site for the reception consideration must be given of course to facilities available, size of room, and number of guests.

Choice of musicians can range from a roving accordionist to a large orchestra.

Thus the bride's task is not an easy one. But many problems and pitfalls can be avoided by preparing and planning in advance down to the minutest detail. Leave nothing for the last minute. This means caterer, florist, musicians, beverages, photographer, invitations, announcements and thank-you cards.

Remember, the best weddings don't just happen — they are carefully planned.

Newman-Laing Wedding Is Event Of Saturday Evening

Claiming much interest in North Louisiana yesterday was the wedding of Miss Virginia Earle Laing, daughter of Mr. and Mrs. Willie Rufus Laing of this city and Lothair Arthur Newman, Jr., son of Mr. and Mrs. Lothair Arthur Newman of Natchitoches, which was solemnized at 7 o'clock in the evening at the First Methodist church.

Dr. G. W. Pomeroy performed the double ring nuptials before a background of southern smilax and a myriad of white cathedral tapers. Baskets of white blossoms were arranged along the altar.

Miss Jane Wallace was organist and accompanied Miss Irvie Lee Temple who sang "O Perfect Love" and "The Lord's Prayer."

Given in marriage by her father the bride's gown was fashioned of chantilly lace and nylon tulle complemented by a lace circling skirt which terminated in a chapel length train. Deep layers of scalloped lace accentuated the portrait neckline. Her fingertip veil of illusion fell from a lace crown outlined in seedpearls and irridescent sequins. She carried a bouquet of stephanotis centered with a white orchid.

Mrs. Charles E. Blackwell, Jr., was matron of honor. She was attired in a rose chiffon taffeta waltz-length model styled along princess lines with an oval neckline and shirred sleeves. She carried a bouquet of summer flowers.

Bridesmaids were Miss Barbara Ann Risher and Miss Vivian Angela King, cousins of the bride. Their dresses, bouquets and headdresses were identical to the matron of honor's.

The bridegroom's father was best man. Groomsmen and ushers were Archie Worsham, Samuel Robert Newman, Charles Asher Wood III, Richard Traber and Ronald Martin.

Mrs. Laing, the bride's mother, chose for the weding a blue corded chiffon model fashioned over taffeta with lace inserts. She carried a small bouquet of orchids on her purse.

Mrs. Newman, the bridegroom's mother, was becomingly attired in a pink lace over polished cotton. She also carried small orchids on a matching purse.

Bouquets of white blossoms were noted throughout the church parlors where the wedding reception was held.

A pink and white motif was carried out in each of the refreshment tables. The wedding cake was embossed in pink and white. Candelabras were placed on each side of the cake.

Assisting with courtesies at the reception were Mrs. F. A. Tolar, Mrs. Ross Graves, Mrs. Frankie King, Mrs. Fred Moss and Miss Salvina Fertitta.

Miss Betty Ross Graves presided at the bride's book.

For a wedding trip to Florida, the bride chose a black silk sheath dress with a short jacket and white accessories. She wore the orchid from her wedding bouquet.

Upon return, the couple will reside at 804 Hudson Lane, Monroe.

A member of Alpha Chi Omega sorority, the bride is a graduate of Neville High School and Louisiana Polytechnic Institute.

Mr. Newman is a member of Lambda Zeta fraternity and a graduate of Northwestern State College and Natchitoches High School.

Rehearsal Party

Friday evening Mr. and Mrs. Lothair Arthur Newman of Natchitoches entertained at a rehearsal supper honoring their son, Lothair Arthur Newman, Jr., and his fiance at the Rendezvous.

Floral arrangements in white and green decorated the U-shaped table which were enhanced by white tapers.

Miss Laing was wearing an attractive blue and white cotton trousseau model with white accessories.

Other guests at the rehearsal party were Mr. and Mrs. W. R. Laing, Dr. and Mrs. G. W. Pomeroy, Miss Jane Wallace, Mrs. Irvie Lee Temple, Mr. and Mrs. Charles E. Blackwell, Jr., Miss Barbara Ann Risher, Miss Vivian Angela King, Mr. Samuel Robert Newman, Mr. Archie Worsham, Miss Salvina Fertitta, Mr. Richard Traber, Mr. Charles A. Wood, Sgt. Ronald Martin and Mrs. Leland Megason.

The J. H. Lusks Are Hosts At Family Reunion

On Sunday May 26, thirty nine members of the Lusk family held a reunion in the home of Mr. and Mrs. J. H. Lusk, in Epps.

Dinner was served following the baccalaureate service of Epps High School.

Members of the family present included, Mr. and Mrs. H.M. Davis, Jena; Mr. and Mrs. Robert McCain, Montpelier, Miss; Mr. and Mrs. Lucian Castleman and Miss Mary Alice Castleman, of Oak Grove, Mr. and Mrs. J. B. Quinby, Natchitoches, Mr. and Mrs. Bill Rams, Waterproof, Mr. and Mrs. Billy Briggs and son David, Monroe, Rev. A.M. Baker and sons, Mike and Tommy, Mrs. Mattie Baker and sons, Donald and Darwood, of St. Joseph, Mr. and Mrs. Randolph Whitiker, Mr. and Mrs. Gen Brock and son, Bill Earl, Mr. and Mrs. T. E. Lusk, Mr. and Mrs. Joe Jackson, Mr. and Mrs J. M. Jones, Jami, Mike David and Candy, and Mrs. Laura Cawthorn, all of Epps.

Use a deep bowl when you are beating egg whites, rather than a wide shallow utensil.

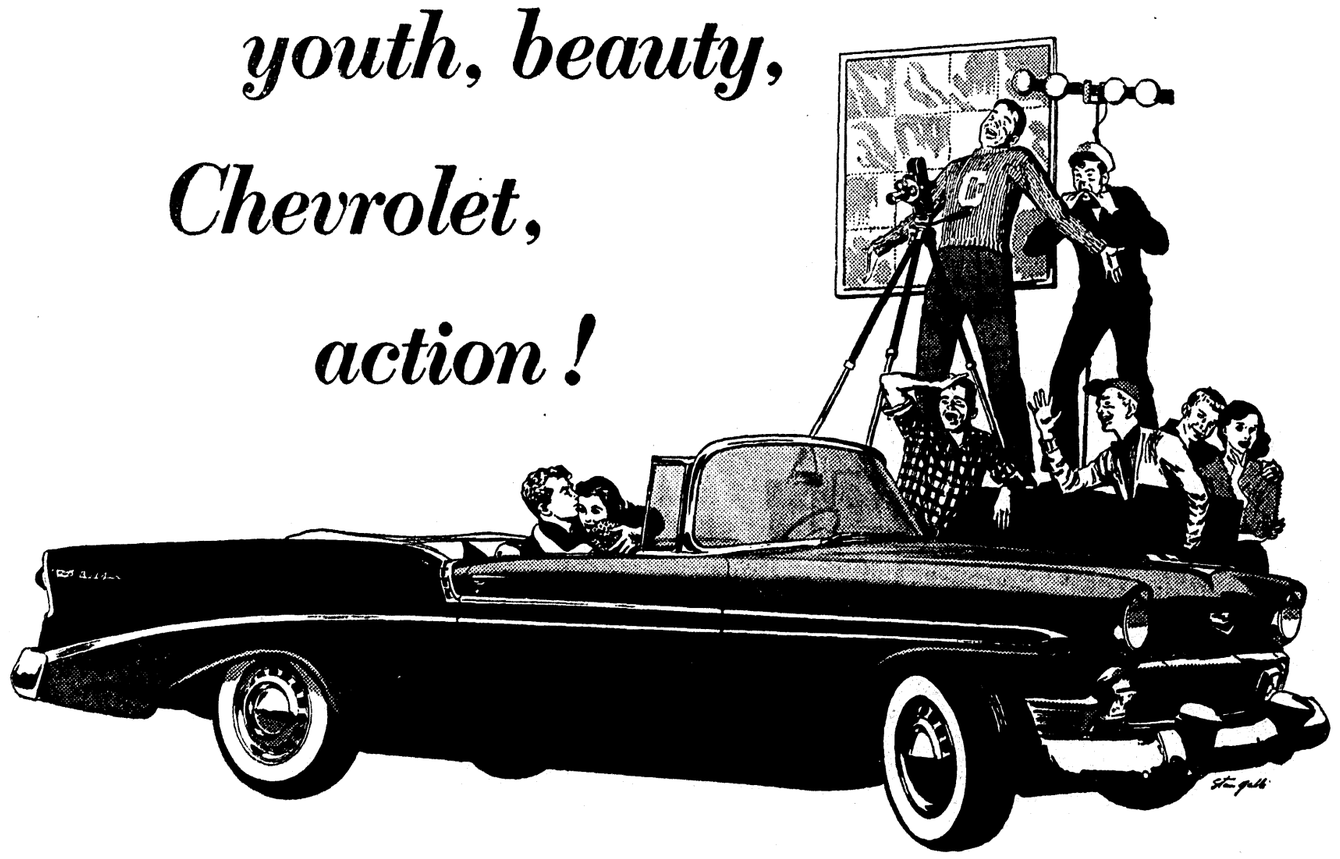
youth, beauty, Chevrolet, action!



The new Bel Air Convertible—one of 20 sassy-styled new Chevrolets.

Want to take the wheel of one of America's few great road cars? Want to send pleasant little tingles up and down your spine? Want to drive the new car that politely murmurs "Move over, big boy" to the high-priced jobs? Then hustle on in and try out a new Chevrolet V8!

Now showing—the happiest "double feature" of the year! One part is bold, new Motoramic styling. The other is record-breaking V8 action.

Hollywood has a heap of words that describe it: colossal, stupendous, magnificent. We'll settle for just the name—Chevrolet.

Because once you've driven this sweet-handling showboat, the adjectives will take care of themselves. Once you've sampled Chevy's hair-trigger reflexes and nailed-down stability, you'll see why it's one of the few great *road* cars built today!

Horsepower that ranges up to 225 makes hills flatter and saves precious seconds for safer passing. And this new Chevrolet clings to curves like part of the pavement.

Stop in sometime soon and highway-test this record-breaking new Chevrolet.

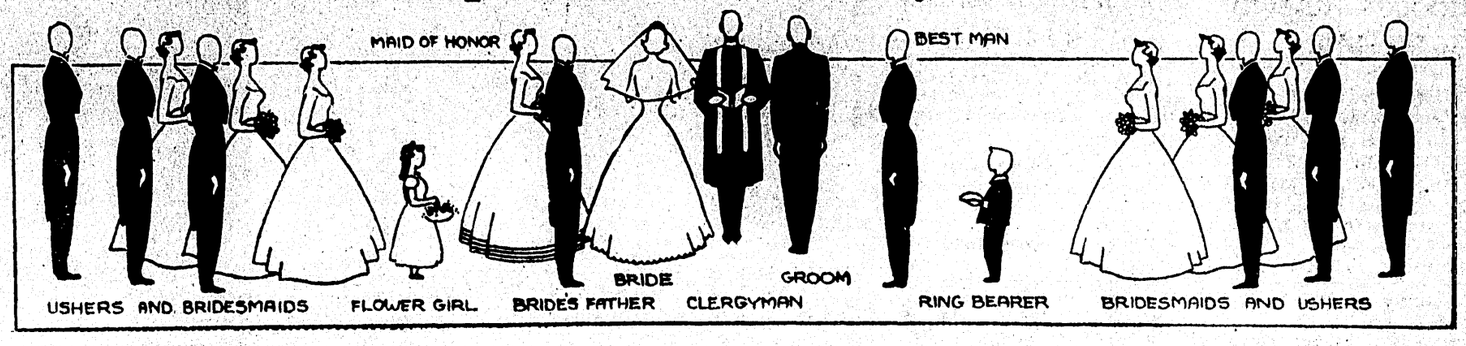
Altar Lineup—The Ceremony Is Conducted



As the ceremony is ready to begin, the bride and groom are standing in front of the clergyman. The bride's father is on the left, a step back. The best man is to the right of the groom, a step back. The ring bearer stands next to the best man. The maid of honor is at the bride's left next to the father. The flower girl is stationed behind the maid of honor. Bridesmaids and ushers flank the bride and groom in equal groupings. All take their positions facing the alter.

Choose Dream Wedding Gown With Extra Care

The most important dress in any girl's life is her wedding gown. This is the dress she has been dreaming about all her life. This is the dress which will be preserved for posterity in bridal pictures and folded away in tissue paper for future generations to admire and perhaps to wear.

This is a dress to be chosen with joy and care, a dress to make the bride look beautiful. It need not be fabulously expensive, because today's designers are turning out breath - takingly lovly bridal gowns at budget prices, thanks to modern know-how and mass production.

Not so long ago it was an accepted fact that every bride planning a formal wedding would of course have her dress custom-made, at great expense, or make it at home, at great cost in time and effort.

Today any prospective bride can go into the bridal department of her favorite store and choose a wedding gown from a wide selection, order it in her size and have any needed alterations made in the shop, at a price that will leave no serious dent in the budget.

For a summer wedding, white organdie is a perennial favorite, as fashionable today as it was a generation ago. Today there is new beauty in the crisp transparency of permanently finished Swiss organdies being used in many of the season's most beautiful bridal gowns. So sheer are these new organdies that they look like a cloud of mist, yet the permanent finish keeps them crisp and fresh even if it rains on the day of the wedding. They are available not only in white but in all delicate pastels which are being so widely used in modern wedding gowns.

The bride may choose an all-white gown, still the majority choice; she may prefer a wedding dress in misty ice blue, palest pink, or the more unusual tints of delicate green, lilac or yellow; or she may use sheer white over any of these tints, to give a misty effect with the faintest suggestion of color.

Fashionable wedding gowns of this season have a ladylike, covered - up look, strongly influenced by the highly publicized wedding of Grace Kelly and Prince Rainer of Monaco.

Most wedding styles of 1956 have short sleeves, from the bride's down to that of the title flower girl. And all members of the wedding party usually wear short white gloves, another note popularized by the screen star who charmed a prince.

If the bride wears white, bridesmaids may wear similar styles in pastel tints, short and bouffant, useful later as summer dance dresses.

The flower girl no longer is dressed in a floor - length copy of the bridesmaids' dresses, but wears her own short dress, useful for later party wear.

Selection of bridesmaids' and flower girl's dresses is of course the prerogative of the bride, who plans her wedding for its overall effect. But if she is a wise and considerate bride, she will choose dresses for other members of the wedding party which not only will complement her own gown, but which will be useful for festive occasions throughout many months to come.

Miss Harris' Betrothal Announced

Of interest here and in New Orleans is the announcement of Miss Nancy Kathryn Harris' engagement to Dr. Milburn Eugene Calhoun, son of Mr. and Mrs. Darrell Lavelle Calhoun of West Monroe.

The wedding will take place July 14 in the St. Charles Avenue Baptist church in New Orleans.

The bride - elect is the daughter of Mr. Floyd Damon Harris of New Orleans and the late Mrs. Kathleen Purifoy Harris, formerly of Morehead City, N. C.

Miss Harris is a graduate of Newcomb College in New Orleans.

Dr. Calhoun graduated from Louisiana State University and the Louisiana State University Medical School in New Orleans.

Pauline Hannah Chooses June 16 For Wedding

Of interest today is the engagement and approaching marriage of Miss Pauline Hannah, daughter of Mrs. Robert R. Hannah and the late Mr. Hannah, of Monroe, to James Kenneth Irvin. Mr. Irvin is the son of Mr. and Mrs. K. B. Irvin of Jonesboro.

The wedding will take place in Bremerton, Washington on June 16.

The bride-elect is a graduate of Neville High School and is now a student at Louisiana State University.

Mr. Irvin is a graduate of Jonesboro High School and attended Southwestern Louisiana Institute and is now in the United States Navy and is stationed at Bremerton, Washington.

ON FATHER'S ARM

When walking down the aisle a bride may be on either of her father's arms, but taking his right arm is generally considered more correct.

MISS PAULINE HANNAH

MISS LINDA ANN SAXON, daughter of Mr. and Mrs. C. H. Saxon, will become the bride of Chester Halley, son of Mrs. A. C. Halley and the late Mr. Halley of West Monroe, on Friday, June 8. The wedding will be solemnized at 8 o'clock in the evening at the Claiborne Baptist Church.

Mrs. Baughman Is Hostess At Bridal Party

FARMERVILLE — The home of Mrs. Stein Baughman of Farmerville was the scene of a bridal shower, honoring Miss Kay Ramsey, bride-elect of Mr. Monroe Mitchell, Jr.

The reception suite was beautifully decorated in early summer flowers.

As the guests entered they were greeted by the hostess and received by the bride-elect and her mother, Mrs. Fletcher Ramsey.

Mrs. Emory Grey Gillum invited the guests to register in the bride's book, which was presided over alternately by Miss Billy John Dukes and Miss Myrna Hall. An arrangement of sweetheart roses graced the table on which held the bride's book.

The tea table covered in a hand made imported cut work cloth and centered with a georgeous arrangement of white and pink carnations, was presided over by Miss Ann Gillum and Miss Kathryn Gillum of Shreveport. Tall tapers in crystal candelabra illuminated the silver and crystal services, which featured refreshments in a pink and white motif. Mrs. Jack Hammonds assisted with the courtesies.

Others assisting in the party courtesies were Mrs. E. L. Mitchell, Mrs. Sam Phelps, Mrs. Fred Preaus, Misses Mitzie and Lynn Baughman of Farmerville and Mrs. Collins Thomas of Tallulah and Miss Ines Gunter of Delhi.

Guests called during the receiving hours of 3 and 5 o'clock.

JEWELRY AT CEREMONY

If the gift of the bridegroom to his bride is jewelry she always wears it at the ceremony even it it is composed of colored stones. Otherwise she wears colorless jewelry such as pearls or diamonds.

Gray Hair?

Just wet it with Canute Water

Every trace of gray disappears like magic! Lovely new color takes its place. So much like your own—original natural shade, You'll scarcely believe your eyes!

News From The Public Library

Although there are not as many books published at this season of the year as during the winter months, we are still receiving some interesting titles for the book collection of the Ouachita Parish Public Library each week. Among this week's additions are two new mystery stories by well known authors, "Death Walks on Cat Feet" by D. B. Olsen has for its setting California and begins when a beautiful blonde is hurled through the door of a pet shop. "Madam, Will You Talk" by Mary Stewart has for its setting the south of France. It is a suspense story and one that the reader will long remember.

John Hersey, the author of the well - known, "A Bell for Adona" has written a new short novel called "A Single Pebble." This is a beautiful story with its setting in China and it is a wonderful revelation of the human spirit. "The Long View" by Elizabeth Jane Howard is a story in which a woman goes back into her past life to search for the reason for her failure with her children. It is a well-written novel and will be popular with those who like stories with a modern setting. There is a great deal of charm and whimsey in "Greenwillow" by B. J. Chute. It is the story of the delightful Briggs family and makes interesting reading.

A. J. Cronin's latest novel is called "A Thing of Beauty." It is the story of a young Englishman who wanted to become an artist, but entered the church to please his father. This is a mature novel with a big theme and rich in characters. It is one that will be very popular.

"Red over Green" by Robert Henriques is a British war novel, but the hero is more important than the theme. It is a story of people attempting to find themselves in a war torn world. "The Bostonians" by Henry James is a reprint of one of Mrs. James outstanding novels. It will be welcomed by his followers.

There are a number of interesting new books of non-fiction; "The Mighty Force of Research" by the editors of Fortune magazine is a provocative and stimulating book. It will appeal to many different readers. "Narratives of Exploration and Adventure" edited by Alan Nevins from the journals of John Charles Fremont is a fascinating account of the opening up of the west. A very useful new book is "The Parent's Handbook" by Allan Fromme.

Tomorrow begins the vacation reading club for the children of Ouachita parish and parents are given a hearty invitation to use and enjoy the resources of the library during the summer months.

Music Helps Create Mood For Wedding

It's a very small wedding that has no music.

Whether the wedding is held in a church, home or hotel, appropriate music is considered a definite asset. Many a tear comes to the eye as the bride walks slowly down the aisle to the strains of the march from Wagner's "Logengrin." The usual recessional is that of Mendelssohn.

The bride should consult with the organist concerning other tunes to be played prior to the ceremony. Be sure the music is proper and also suitable for the organ. Check with the clergyman, too, on this matter.

If the ceremony is held in a home or garden a portable electronic organ, harp or string orchestra may play for both the ceremony and reception.

Sometimes a vocalist or choir is effective and appealing. Such songs as "I Love You Truly" "Traumerei" or "Because" are considered appropriate.

At the reception the orchestra plays dance music. The size of the orchestra is not important. A three piece combination is usually more suitable for a small gathering than a large dance band. The bride gives the leader a list of her favorite tunes. For, after all, this is her day.

BRIDE TO BRIDEGROOM

The bride need not give either an engagement or wedding present to her husband-to-be, but she usually does if she can afford it. It is fitting that such gifts should be for his personal use and of permanent value, such as a watch, ring, or cufflinks.

DOUBLE PRECEDENT

When sisters have a double wedding the elder daughter's name appears first on the invitation.

Pauline Hannah Chooses June 16 For Wedding

Of interest today is the engagement and approaching marriage of Miss Pauline Hannah, daughter of Mrs. Robert R. Hannah and the late Mr. Hannah, of Monroe, to James Kenneth Irvin. Mr. Irvin is the son of Mr. and Mrs. K. B. Irvin of Jonesboro.

The wedding will take place in Bremerton, Washington on June 16.

The bride-elect is a graduate of Neville High School and is now a student at Louisiana State University.

Mr. Irvin is a graduate of Jonesboro High School and attended Southwestern Louisiana Institute and is now in the United States Navy and is stationed at Bremerton, Washington.

ON FATHER'S ARM

When walking down the aisle a bride may be on either of her father's arms, but taking his right arm is generally considered more correct.

Gray Hair?

Just wet it with Canute Water

Every trace of gray disappears like magic! Lovely new color takes its place. So much like your own—original natural shade, You'll scarcely believe your eyes!

A few gray hairs — a lock or two — or a whole head-full of gray, re-colored in minutes — or gradually, as you prefer. Then, attention only once a month, keeps it young-looking — FOREVER!

CANUTE WATER

SAFE!
- Has NO "caution" label.
- Needs NO SKIN TESTS.
- Proved Harmless at one of America's Greatest Universities.
- 40 years without injury to a single user!

NOT A TINT OR RINSE that washes off. NOT OILY OR GREASY — but fresh, clean and natural to the touch — and natural looking in any light.

Your gray, color-starved hair will surely yield to the gentle, never-failing influence of this pure, colorless, crystal-clear preparation. Only one size; 7 applications $1.50 plus tax at your druggist's.

No other product—AT ANY PRICE—can make all these claims

MISS PAULINE HANNAH

MISS LINDA ANN SAXON, daughter of Mr. and Mrs. C. H. Saxon, will become the bride of Chester Halley, son of Mrs. A. C. Halley and the late Mr. Halley of West Monroe, on Friday, June 8. The wedding will be solemnized at 8 o'clock in the evening at the Claiborne Baptist Church.

Mrs. Baughman Is Hostess At Bridal Party

FARMERVILLE — The home of Mrs. Stein Baughman of Farmerville was the scene of a bridal shower, honoring Miss Kay Ramsey, bride-elect of Mr. Monroe Mitchell, Jr.

The reception suite was beautifully decorated in early summer flowers.

As the guests entered they were greeted by the hostess and received by the bride-elect and her mother, Mrs. Fletcher Ramsey.

Mrs. Emory Grey Gillum invited the guests to register in the bride's book, which was presided over alternately by Miss Billy John Dukes and Miss Myrna Hall. An arrangement of sweetheart roses graced the table on which held the bride's book.

The tea table covered in a hand made imported cut work cloth and centered with a georgeous arrangement of white and pink carnations, was presided over by Miss Ann Gillum and Miss Kathryn Gillum of Shreveport. Tall tapers in crystal candelabra illuminated the silver and crystal services, which featured refreshments in a pink and white motif. Mrs. Jack Hammonds assisted with the courtesies.

Others assisting in the party courtesies were Mrs. E. L. Mitchell, Mrs. Sam Phelps, Mrs. Fred Preaus, Misses Mitzie and Lynn Baughman of Farmerville and Mrs. Collins Thomas of Tallulah and Miss Ines Gunter of Delhi.

Guests called during the receiving hours of 3 and 5 o'clock.

JEWELRY AT CEREMONY

If the gift of the bridegroom to his bride is jewelry she always wears it at the ceremony even it it is composed of colored stones. Otherwise she wears colorless jewelry such as pearls or diamonds.

BRIDE'S REHEARSAL

A widespread superstition persists that it is bad luck for the bride to participate in the rehearsal of the wedding ceremony. Those who believe this have a "stand-in" whom they watch closely during the rehearsal. An increasing number are now iguoring this old tradition, however, and finding it more satisfactory to take part in the rehearsal.

THE HONEYMOON trip can carry the newlyweds to far away climes or just a ride on a ferry boat. Being together away from friends and family offers a desirable start for any marriage.

Honeymoon--A Real Help To Happy Marriage

It may well be that ever since man first ambled out of a cave, grabbed a woman by the air and whisked her to his rockbound hideaway, the honeymoon has been a customary procedure following a marriage ceremony.

Today the honeymoon offers a most desirable, though not absolutely essential, start for a young married couple, says Dr. Abraham A. Stone, eminent marriage counselor, physician and author.

"A honeymoon should help the newlyweds in many ways," comments Dr. Stone. "Preceding the wedding there is a great deal of tension for both the man and woman, especially the woman.

"She has been busy with preparations for the wedding — supervising arrangements, selecting gowns, checking on a place to live and scurrying helter - skelter with last minute things to do. She is almost worn out.

"Also the bride has many doubts, fears and uncertainties as she enters into the matrimonial state.

"The honeymoon, therefore, offers a relief from such tensions and is a much - needed change."

Dr. Stone believes, too, that one of the most important features of the honeymoon is the getting away from the normal surroundings.

"This means getting away from the family. For the bride it means escaping from her mother's apron strings.

"The site of the honeymoon is not important," maintains Dr. Stone. "But it should be a place both will enjoy — whether it be Niagara Falls, Bermuda or a small hotel in the next town. Being together and away from the normal routines and family is what counts."

Being together for the first time as man and wife offers the newlyweds the opportunity to become acquainted with one another.

"On the honeymoon the man and woman have a chance to be aware of each other's idiosyncrasies — those that they had not noticed previously.

"The wife first learns that her husband likes poached eggs for breakfast, that he hates blue ties and sings in the shower. Unshaved he doesn't look as handsome as he did when he walked down the aisle

"On the other hand the husband learns that his wife can't cook as well as his mother, she leaves the cap off the toothpaste every morning and covers her face with beauty preparations before going to bed. She definitely doesn't look like Lana Turner when waking up in the moring.

"There may be somewhat of a rude awakening. Adjustments must be made. The honeymoon is the ideal time to make the adjustments," says Dr. Stone.

Another important factor for newlyweds to remember is that honeymoons should fit the pocketbook. They should not spend more than they can afford. Such funds might be put to better use in making a home.

"I know of a young couple in New York City," declares Dr. Stone, "who could not afford a long or expensive honeymoon. They went to a small hotel in Manhattan and every day took a ride on the Staten Island ferry (20 minutes each way). Just being together and enjoying each other's company away from friends and family was enough for them. The money they might have spent for an expensive vacation trip helped pay for the furniture for their new apartment.

"On the subject of honeymoons, I have been asked many times if the honeymoon hasn't been over-romanticized, over - publicized, and over - exaggerated," says Dr. Stone.

"I realize, of course, that the new bride conjures pictures of a romantic spot, soft lights and sweet music with her Romeo purring thoughts of love into her ear. This she has read in magazines and books, and has seen portrayed many times in the movies and on television.

"My answer to this question is quite simple. If the young couple is mature and sensible they will rise above the exaggerations and will accept reality.

"Such an attitude marks the beginning of a full life of understanding, companionship and love.

"The honeymoon can pave the way."

Flowers Play An Important Part In All Weddings

Prospective brides should rely on the skill and artistery of their favorite florist to make their wedding a success.

Flowers play an important part in the ceremony — from the church decorations to the bouquets carried by the wedding party to the reception decorations.

And this season's weddings should be more colorful than ever, says Alyn Wayne, stylist for the Florist Telegraph Delivery Assn.

"Many bridal creations will feature white net or tulle or lace over pastel pink, blue, lavender or yellow. To harmonize with this color, florists are emphasizing pastels and even red roses in bride's bouquets," claims Wayne. "The design and bouquet should compliment the lines of the bridal dress.

"More than ever before interest will be centered on elegant tiaras and headpieces — varying from crowns to half hats — are becoming more interesting, so are wedding bouquets," he noted.

Here are three floral suggestions for prospective brides as listed by the stylists:

1. Be sure to give your florist all the details of color, style and height of the girls in the wedding party. Then he can design appropriate bouquets.

2. Do not be afraid to have colored flowers in your bouquet One of the most talked - about socialite weddings in New York featured bride and attendants in white dresses and carrying red roses.

3. Do not have your going away corsage in the middle of your bridal bouquet. A corsage should always be designed to complement your suit or tailored dress Bouquet flowers are generally not appropriate. After a wedding ceremony and reception the flowers are likely to be wilted. It also appears somewhat awkard and ungracious for the bride to remove the prettiest part of the bouquet before throwing it to her attendants.

Wayne adds that for a sentimental touch custom decrees that the bridegroom wear a boutonniere fashioned from one of the small flowers in the bride's bouquet.

As a final reminder, church decorations must always be cleared with the clergyman to make sure that customs or regulations are not being violated.

COUPE DE MARIAGE

An old European custom is to have a coupe de mariage (marriage cup) at the wedding table. The bride and groom both drink from the cup and plight their troth before any other toasts are made in their honor. Many weddings in this country now have adopted this old world custom.

Making lemon pie? Cool your filling before you pour it into your crust. See that the crust is cool, too. These precautions help to prevent pastry from becoming soggy.

MR. AND MRS. GEORGE EARL HOLLOWAY

Couple Pledges Vows In Bethel Baptist Church

The Bethel Baptist Church in Rayville ws the setting for the candlelight ceremony which united Miss Grace Evelyn Fortenberry, daughter of Mr. and Mrs. Buford Larkin Fortenberry of Mer Rouge, and George Earl Holloway, son of Mr. and Mrs. Carl Holloway of Farmerville.

The Rev. W. A. Dearman performed the double ring ceremony. Baskets of white daisies against a background of ivy were illuminated by white cathedral tapers in floor candelabras.

Mrs. Gerald Ray Donald was pianist and accompanied Miss Audrey Loftin, the soloist.

Given in marriage by her father, the bride's gown was fashioned of chantilly lace and nylon tulle with a lace bodice and high neckline. The fitted sleeves ended in petal points over the wrist. She wore a tiara of seed pearls to which her finger-tip veil was attached and carried a white Bible topped with a white orchid.

Miss Bennie Sue Fortenberry, sister of the bride, was maid of honor. Her dress was a ballerina model in pale pink taffeta and nylon tulle. She carried a bouquet of pink carnations centered with a single orchid.

Mrs. Stanley Fortenberry was matron of honor. Bridesmaids were Miss Betty Thrower, Miss Myra Carpenter and Mrs. James Daniels. Their gowns were identical to the honor attendant's. Their bouquets were also of pink carnations and single orchids.

Deborah Futch was flower girl. She wore a pink taffeta and tulle frock and carried a basket of pink rose petals. James Robinson of Mer Rouge was ringbearer.

The candles were lighted by Miss Barbara Futch and Miss Merle Payne.

The Rev. Rufus Crawford of El Dorado, Ark., served the bridegroom as best man. Ushers were James Webb, Lonnie Black, both of Farmerville, Carl Irnst of Lake Charles and Harry Liner of Monroe.

A reception followed the ceremony at the home of Mr. and Mrs. A. P. Futch.

Pink sweetheart roses centered the bride's table which held the tiered wedding cake and punch service.

Assisting in serving the cake were Miss Ann Holloway and Mrs. G. R. Donald.

Miss Barbara Futch presided at the guest book.

The couple will make their home in Monroe.

Youngsters just reaching life's first dawn of maturity, here and throughout the entire length and breadth of our beloved land, are dedicating themselves to being guardians of the good earth. In homespun words, they are going to be farmers. Mother Nature will be their sponsor and mentor. BRIDE'S REHEARSAL

A widespread superstition persists that it is bad luck for the bride to participate in the rehearsal of the wedding ceremony. Those who believe this have a "stand-in" whom they watch closely during the rehearsal. An increasing number are now ignoring this old tradition, however, and finding it more satisfactory to take part in the rehearsal.

THE HONEYMOON trip can carry the newlyweds to far away climes or just a ride on a ferry boat. Being together away from friends and family offers a desirable start for any marriage.

Honeymoon--A Real Help To Happy Marriage

It may well be that ever since man first ambled out of a cave, grabbed a woman by the air and whisked her to his rockbound hideaway, the honeymoon has been a customary procedure following a marriage ceremony.

Today the honeymoon offers a most desirable, though not absolutely essential, start for a young married couple, says Dr. Abraham A. Stone, eminent marriage counselor, physician and author.

"A honeymoon should help the newlyweds in many ways," comments Dr. Stone. "Preceding the wedding there is a great deal of tension for both the man and woman, especially the woman.

"She has been busy with preparations for the wedding — supervising arrangements, selecting gowns, checking on a place to live and scurrying helter - skelter with last minute things to do. She is almost worn out.

"Also the bride has many doubts, fears and uncertainties as she enters into the matrimonial state.

"The honeymoon, therefore, offers a relief from such tensions and is a much - needed change."

Dr. Stone believes, too, that one of the most important features of the honeymoon is the getting away from the normal surroundings.

"This means getting away from the family. For the bride it means escaping from her mother's apron strings.

"The site of the honeymoon is not important," maintains Dr. Stone. "But it should be a place both will enjoy — whether it be Niagara Falls, Bermuda or a small hotel in the next town. Being together and away from the normal routines and family is what counts."

Being together for the first time as man and wife offers the newlyweds the opportunity to become acquainted with one another.

"On the honeymoon the man and woman have a chance to be aware of each other's idiosyncrasies — those that they had not noticed previously.

"The wife first learns that her husband likes poached eggs for breakfast, that he hates blue ties and sings in the shower. Unshaved he doesn't look as handsome as he did when he walked down the aisle

"On the other hand the husband learns that his wife can't cook as well as his mother, she leaves the cap off the toothpaste every morning and covers her face with beauty preparations before going to bed. She definitely doesn't look like Lana Turner when waking up in the moring.

"There may be somewhat of a rude awakening. Adjustments must be made. The honeymoon is the ideal time to make the adjustments." says Dr. Stone.

Another important factor for newlyweds to remember is that honeymoons should fit the pocketbook. They should not spend more than they can afford. Such funds might be put to better use in making a home.

"I know of a young couple in New York City," declares Dr. Stone, "who could not afford a long or expensive honeymoon. They went to a small hotel in Manhattan and every day took a ride on the Staten Island ferry (20 minutes each way). Just being together and enjoying each other's company away from friends and family was enough for them. The money they might have spent for an expensive vacation trip helped pay for the furniture for their new apartment.

"On the subject of honeymoons, I have been asked many times if the honeymoon hasn't been over-romanticized, over - publicized, and over - exaggerated," says Dr. Stone.

"I realize, of course, that the new bride conjures pictures of a romantic spot, soft lights and sweet music with her Romeo purring thoughts of love into her ear. This she has read in magazines and books, and has seen portrayed many times in the movies and on television.

"My answer to this question is quite simple. If the young couple is mature and sensible they will rise above the exaggerations and will accept reality.

"Such an attitude marks the beginning of a full life of understanding, companionship and love.

"The honeymoon can pave the way."

Flowers Play An Important Part In All Weddings

Prospective brides should rely on the skill and artistery of their favorite florist to make their wedding a success.

Flowers play an important part in the ceremony — from the church decorations to the bouquets carried by the wedding party to the reception decorations.

And this season's weddings should be more colorful than ever, says Alyn Wayne, stylist for the Florist Telegraph Delivery Assn.

"Many bridal creations will feature white net or tulle or lace over pastel pink, blue, lavender or yellow. To harmonize with this color, florists are emphasizing pastels and even red roses in bride's bouquets," claims Wayne. "The design and bouquet should compliment the lines of the bridal dress.

"More than ever before interest will be centered on elegant tiaras and headpieces — varying from crowns to half hats — are becoming more interesting, so are wedding bouquets," he noted.

Here are three floral suggestions for prospective brides as listed by the stylists:

1. Be sure to give your florist all the details of color, style and height of the girls in the wedding party. Then he can design appropriate bouquets.

2. Do not be afraid to have colored flowers in your bouquet One of the most talked - about socialite weddings in New York featured bride and attendants in white dresses and carrying red roses.

3. Do not have your going away corsage in the middle of your bridal bouquet. A corsage should always be designed to complement your suit or tailored dress. Bouquet flowers are generally not appropriate. After a wedding ceremony and reception the flowers are likely to be wilted. It also appears somewhat awkard and ungracious for the bride to remove the prettiest part of the bouquet before throwing it to her attendants.

Wayne adds that for a sentimental touch custom decrees that the bridegroom wear a boutonniere fashioned from one of the small flowers in the bride's bouquet.

As a final reminder, church decorations must always be cleared with the clergyman to make sure that customs or regulations are not being violated.

COUPE DE MARIAGE

An old European custom is to have a coupe de mariage (marriage cup) at the wedding table. The bride and groom both drink from the cup and plight their troth before any other toasts are made in their honor. Many weddings in this country now have adopted this old world custom.

Making lemon pie? Cool your filling before you pour it into your crust. See that the crust is cool, too. These precautions help to prevent pastry from becoming soggy.

MR. AND MRS. GEORGE EARL HOLLOWAY

Couple Pledges Vows In Bethel Baptist Church

The Bethel Baptist Church in Rayville ws the setting for the candlelight ceremony which united Miss Grace Evelyn Fortenberry, daughter of Mr. and Mrs. Buford Larkin Fortenberry of Mer Rouge, and George Earl Holloway, son of Mr. and Mrs. Carl Holloway of Farmerville.

The Rev. W. A. Dearman performed the double ring ceremony. Baskets of white daisies against a background of ivy were illuminated by white cathedral tapers in floor candelabras.

Mrs. Gerald Ray Donald was pianist and accompanied Miss Audrey Loftin, the soloist.

Given in marriage by her father, the bride's gown was fashioned of chantilly lace and nylon tulle with a lace bodice and high neckline. The fitted sleeves ended in petal points over the wrist. She wore a tiara of seed pearls to which her finger-tip veil was attached and carried a white Bible topped with a white orchid.

Miss Bennie Sue Fortenberry, sister of the bride, was maid of honor. Her dress was a ballerina model in pale pink taffeta and nylon tulle. She carried a bouquet of pink carnations centered with a single orchid.

Mrs. Stanley Fortenberry was matron of honor. Bridesmaids were Miss Betty Thrower, Miss Myra Carpenter and Mrs. James Daniels. Their gowns were identical to the honor attendant's. Their bouquets were also of pink carnations and single orchids.

Deborah Futch was flower girl. She wore a pink taffeta and tulle frock and carried a basket of pink rose petals. James Robinson of Mer Rouge was ringbearer.

The candles were lighted by Miss Barbara Futch and Miss Merle Payne.

The Rev. Rufus Crawford of El Dorado, Ark., served the bridegroom as best man. Ushers were James Webb, Lonnie Black, both of Farmerville, Carl Irnst of Lake Charles and Harry Liner of Monroe.

A reception followed the ceremony at the home of Mr. and Mrs. A. P. Futch.

Pink sweetheart roses centered the bride's table which held the tiered wedding cake and punch service.

Assisting in serving the cake were Miss Ann Holloway and Mrs. G. R. Donald.

Miss Barbara Futch presided at the guest book.

The couple will make their home in Monroe.

Best Way to Kill Roaches and Ants
Best Way to Kill Roaches and Ants

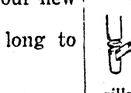
COCKROACHES and ants are the most difficult household pests to control. Now you can kill these pests with Johnston's Super No-Roach.

No-Roach is a white viscous substance which you apply with a brush. Within minutes it dries to form a colorless, odorless contact insecticide, that stays effective for months.

Cockroaches

Apply No-Roach to cupboard walls, baseboards, near sink and cabinets, on pipes, and wherever you see cockroaches.

Ants



Brush No-Roach around table legs and counter tops, across window sills and door sills, and across ant trails. Ants will not cross the coating. Pour a few drops into ant hills.

No-Roach is also effective against resistant roaches, spiders, silverfish, waterbugs, bed bugs and other crawling insects.

Common Sense Way

Remember, when you use Johnston's Super No-Roach, you don't have to move dishes, pots and pans, or breathe harmful vapors, as you must with contaminating sprays. Apply No-Roach just where you want it, the invisible coating stays effective for months.

Guard against crawling insects this common sense No-Roach way. 8 oz. 89¢; pt. $1.69; qt. $2.98.

Mother Who Plans Ahead Is Bride's Best Friend

A mother is a bride's best friend.

She probably has been giving thought to her daughter's wedding from the time the girl and her future mate starting going steady.

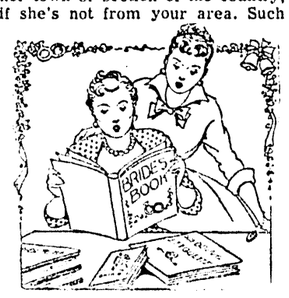
One mother, whose daughter's wedding was the social event of the season, admits she began studying brides' manuals and etiquette two years ahead of time.

And the bride's mother is usually busier than the bride. Even though planning starts months ahead for a sizable wedding there are details which may be overlooked unless things are thought through step by step.

Here are some tips from mothers who have given weddings for one or more daughters:

Have two big knives for cutting the wedding cake. A cake knife soon gets "gooey" but if there's an extra, one can be cleaned off while the other is in use.

Check with the groom's mother on traditional wedding customs in her town or section of the country, if she's not from your area. Such



prior discussion avoids hurt feelings.

Do your best to avoid house guests the week before the wedding.

Arrange for a separate automobile to carry each of the bridesmaids to the church. This keeps crushing of their dresses to a minimum.

Have the bride dress at the church if possible. Her dress should be given a last miniute pressing.

See that the bride's father is dressed and ready an hour or so before the wedding so he's in shape to cope with last minute emergencies.

Go ahead and be sentimental if you wish. The bride can wear her mother's or grandmother's wedding dress. But the practical bride will get a dress she can wear later.

Have the bride's picture made in her wedding dress before the ceremony regardless of the old superstition it's bad luck to be seen in it beforehand.

Have a hairdresser come to the house where the bridesmaids are to arrange their hair and head gear.

At the reception, don't allow the photographers to hold up the guests waiting to go down the receiving line.

See that a florist or member of the family is available to arrange all the flowers that come to the house the day of the wedding.

One last thought combined from the memoranda of mothers—neither mother nor daughter should get to the church too early. If they do they are very likely to see some minute detail which isn't to their liking. It will be too late to do anything about it, so don't worry or fret. Felax and enjoy your wedding.

Miss Dearman Becomes Bride Of Mr. Thornton

URANIA — The First Baptist Church in Urania was the setting for the double ring ceremony which united Miss Judy Merle Dearman, daughter of Mr. Ed Dearman, and Mr. Bobby Ray Thornton, son of Mr. and Mrs. William Thornton, all of Urania.

The Rev. E. D. Dearman, brother of the bride, officiated, at the ceremony, which took place at 3 o'clock Sunday afternoon, May 27. He was assisted by the Rev. O.M. Corley.

The church was beautifully decorated with floor baskets of white gladioli and six-branched candelabra which held tall white tapers. The baptistry was encircled with a garland of magnolia leaves and blossoms and centered by white wedding bells.

Mrs. G. H. Middleton, organist, provided music for the occasion, and accompanied Miss Alice Ellias who sang "I Love You Truly" and "O Promise Me" and after the vows "The Lord's Prayer".

The bride, given in marriage by her father, was wearing a gown of ivory white satin, fashioned with a moulded bodice, tiny self covered buttons down the back and long fitted sleeves ending in points over the wrist. The oval neck line was trimmed with seed pearls and rhinestones. Her finger-tip veil was held in place by a coronet of seed pearls and rhinestones. She carried a white Bible topped with a purple-throated, white orchid, surrounded by white split carnations.

Miss Dixie Brown of Olla, served the bride as maid of honor. Her gown was of pastel green nylon organdy over taffeta, designed with a fitted bodice and bouffant, waltz-length skirt. She carried a Colonial bouquet of pink painted daisies. She wore a bandeau of matching flowers.

Miss Doris Dearman and Miss Erma Dearman, nieces of the bride, were bridemaids. They wore gowns styled identically as the maid of honor in orchid, nylon organdy and carried Colonial bouquets of yellow daisies and wore matching bandeaux.

Junior bridemaids were Judy Dearman and Rena Allbritton who wore ruffled floor-length organdy dresses and carried nosegay bouquets of blue tinted chrysanthemums.

The candlelighters were Doris Mae Dearman and Dorothy Sue Dearman. They wore waltz-length, pink net models with a matching bandeaux of flowers.

Master Ricky Allbritton was ring bearer.

Mrs. Thornton, mother of the bridegroom, was attired in a navy blue silk dress with white accessories and a white carnation corsage.

Mr. Norman Thornton served his brother as best man. Ushers were Leon Dearman and Eddie Dearman, brothers of the bride.

Following the ceremony a reception was held in the church parlors. Receiving with the bride and groom were the parents and the wedding attendants.

The bride's table was overlaid in a white linen cloth and centered with an arrangement of blue hydrangeas and Queen Ann's lace and flanked by crystal candelabra holding blue candles. The attendant's bouquets were placed at the corners of the table.

The three-tiered wedding cake, embossed with pink roses and topped by a miniature bride and groom was at one end of the table.

Mrs. C. W. Woodard of Ferriday, sister of the bride, served the cake.

Mrs. Eddie Dearman of Eunice presided at the crystal punch bowl. Mrs. J. B. Allbritton, sister of the bride, kept the bride's book.

The bride chose for traveling a printed silk dress, complemented by a white hat and the orchid from her bridal ouquet.

They will reside in Urania.

BRIDAL SHOWERS

Bridal showers can be held at anytime of day — morning coffee, luncheon, afternoon tea, dinner or supper time. The hostess often specifies that it will be a linen shower kitchen shower or general shower so that guests will know what type of gift to bring.

BRIDEMAIDS' FLOWERS

Bridesmaids usually carry flowers. Bouquets or baskets are held in front. Sheaves are worn on the outside arm. Those walking on the right side of the aisle carry their sheaves on the right arm, and those walking on the left side carry theirs on the left arm

Mother Who Plans Ahead Is Bride's Best Friend

A mother is a bride's best friend.

She probably has been giving thought to her daughter's wedding from the time the girl and her future mate starting going steady.

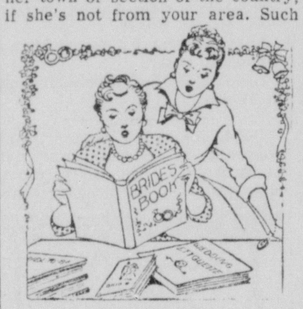
One mother, whose daughter's wedding was the social event of the season, admits she began studying brides' manuals and etiquette two years ahead of time.

And the bride's mother is usually busier than the bride. Even though planning starts months ahead for a sizable wedding there are details which may be overlooked unless things are thought through step by step.

Here are some tips from mothers who have given weddings for one or more daughters:

Have two big knives for cutting the wedding cake. A cake knife soon gets "gooey" but if there's an extra, one can be cleaned off while the other is in use.

Check with the groom's mother on traditional wedding customs in her town or section of the country, if she's not from your area. Such



prior discussion avoids hurt feelings.

Do your best to avoid house guests the week before the wedding.

Arrange for a separate automobile to carry each of the bridesmaids to the church. This keeps crushing of their dresses to a minimum.

Have the bride dress at the church if possible. Her dress should be given a last miniute pressing.

See that the bride's father is dressed and ready an hour or so before the wedding so he's in shape to cope with last minute emergencies.

Go ahead and be sentimental if you wish. The bride can wear her mother's or grandmother's wedding dress. But the practical bride will get a dress she can wear later.

Have the bride's picture made in her wedding dress before the ceremony regardless of the old superstition it's bad luck to be seen in it beforehand.

Have a hairdresser come to the house where the bridesmaids are to arrange their hair and head gear.

At the reception, don't allow the photographers to hold up the guests waiting to go down the receiving line.

See that a florist or member of the family is available to arrange all the flowers that come to the house the day of the wedding.

One last thought combined from the memoranda of mothers—neither mother nor daughter should get to the church too early. If they do they are very likely to see some minute detail which isn't to their liking. It will be too late to do anything about it, so don't worry or fret. Felax and enjoy your wedding.

Miss Dearman Becomes Bride Of Mr. Thornton

URANIA — The First Baptist Church in Urania was the setting for the double ring ceremony which united Miss Judy Merle Dearman, daughter of Mr. Ed Dearman, and Mr. Bobby Ray Thornton, son of Mr. and Mrs. William Thornton, all of Urania.

The Rev. E. D. Dearman, brother of the bride, officiated, at the ceremony, which took place at 3 o'clock Sunday afternoon, May 27. He was assisted by the Rev. O.M. Corley.

The church was beautifully decorated with floor baskets of white gladioli and six-branched candelabra which held tall white tapers. The baptistry was encircled with a garland of magnolia leaves and blossoms and centered by white wedding bells.

Mrs. G. H. Middleton, organist, provided music for the occasion, and accompanied Miss Alice Ellias who sang "I Love You Truly" and "O Promise Me" and after the vows "The Lord's Prayer".

The bride, given in marriage by her father, was wearing a gown of ivory white satin, fashioned with a moulded bodice, tiny self covered buttons down the back and long fitted sleeves ending in points over the wrist. The oval neck line was trimmed with seed pearls and rhinestones. Her finger-tip veil was held in place by a coronet of seed pearls and rhinestones. She carried a white Bible topped with a purple-throated, white orchid, surrounded by white split carnations.

Miss Dixie Brown of Olla, served the bride as maid of honor. Her gown was of pastel green nylon organdy over taffeta, designed with a fitted bodice and bouffant, waltz-length skirt. She carried a Colonial bouquet of pink painted daisies. She wore a bandeau of matching flowers.

Miss Doris Dearman and Miss Erma Dearman, nieces of the bride, were bridemaids. They wore gowns styled identically as the maid of honor in orchid, nylon organdy and carried Colonial bouquets of yellow daisies and wore matching bandeaux.

Junior bridemaids were Judy Dearman and Rena Allbritton who wore ruffled floor-length organdy dresses and carried nosegay bouquets of blue tinted chrysanthemums.

The candlelighters were Doris Mae Dearman and Dorothy Sue Dearman. They wore waltz-length, pink net models with a matching bandeaux of flowers.

Master Ricky Allbritton was ring bearer.

Mrs. Thornton, mother of the bridegroom, was attired in a navy blue silk dress with white accessories and a white carnation corsage.

Mr. Norman Thornton served his brother as best man. Ushers were Leon Dearman and Eddie Dearman, brothers of the bride.

Following the ceremony a reception was held in the church parlors. Receiving with the bride and groom were the parents and the wedding attendants.

The bride's table was overlaid in a white linen cloth and centered with an arrangement of blue hydrangeas and Queen Ann's lace and flanked by crystal candelabra holding blue candles. The attendant's bouquets were placed at the corners of the table.

The three-tiered wedding cake, embossed with pink roses and topped by a miniature bride and groom was at one end of the table.

Mrs. C. W. Woodard of Ferriday, sister of the bride, served the cake.

Mrs. Eddie Dearman of Eunice presided at the crystal punch bowl. Mrs. J. B. Allbritton, sister of the bride, kept the bride's book.

The bride chose for traveling a printed silk dress, complemented by a white hat and the orchid from her bridal ouquet.

They will reside in Urania.

BRIDAL SHOWERS

Bridal showers can be held at anytime of day — morning coffee, luncheon, afternoon tea, dinner or supper time. The hostess often specifies that it will be a linen shower kitchen shower or general shower so that guests will know what type of gift to bring.

BRIDEMAIDS' FLOWERS

Bridesmaids usually carry flowers. Bouquets or baskets are held in front. Sheaves are worn on the outside arm. Those walking on the right side of the aisle carry their sheaves on the right arm, and those walking on the left side carry theirs on the left arm

Home Rites Are Effective If Preferred

Home weddings can be just as beautiful and effective as church weddings, especially if the bride's family prefers the simplicity and privacy of the old homestead.

Usually smaller than a church wedding, the wedding at home requires careful planning.

First decide on a proper location for the ceremony. The room must be large enough to accommodate all the guests comfortably. Then select a spot where the ceremony will take place. Prhaps an ideal spot might be in front of a fireplace or between two windows. The location should also have a good background which would lend itself to floral decorations.

Aisle posts may be set up with ribbons attached forming a definite aisle. Chairs are arranged on each side of the aisle as in a church.

Since there is no recessional at a home wedding, the aisle posts must be removed quickly at the conclusion of the ceremony. Then the receiving line is formed in front of the decorative background

During the warmer weather many weddings are held out of doors in the garden or lawn. Numerous June brides say "I do" amid a summer setting of flowers, shrubbery and gay colors.

An important factor to be considered, however, is the weather. Provisions have to be made for a quick switch indoors in case of rain. Therefore, two plans must be formulated and ready for operation.

Remember, a large lawn isn't necessary for an outdoor affair. A little skill and dexterity can transform a small lawn into a lovely wedding setting. Perhaps a combination indoor-outdoor wedding might prove the most ingenious.

A recessional is not essential at a garden party.

In Hollywood

By Jimmy Fidler

25 Is Right Age To Marry

HOLLYWOOD, June 2 — If Elsa Martinelli suits her actions to her words, she'll be married in five years! The tall, dark - haired Italian model who is being groomed for stardom at Universal - International Studios, told me, "twenty-five years of age is a good time for a girl to get married. She has got all the foolishness out of her head by then. She is ready to marry and have a family."

At twenty, Elsa is another among Hollywood's Cinderella girls, who, touched by a magic wand — in this case waved by a talent scout — has been transported to the glamour and shining promise of a motion picture career.

Between takes on the set of "Four Bright Girls" in which she plays a starring role, Elsa led me to her dressing - room and the conversation naturally drifted to other Italian actresses whose measurements are more their claim to fame than their acting ability.

Elsa shrugged. "This nonsense about measurements! It is simply ridiculous! What difference does it make if a girl is built like Venus de Milo? If she cannot act, she does not belong in the acting profession. If she is only a lovely statue, the place for her is a museum, along with all the other works of art! There is more to acting than swinging the hips or rolling the eyes. I do not want people to only like me because I have a good figure. I am on the screen to tell them something about a character, about what is happening to that character. It is not necessary for me to be myself. In fact, that's just what I must not be!

"Even when I was a fashion model, in Rome, I would try to be the kind of character who would wear the particular dress I was modeling. In a way, I suppose I was training myself to become an actress!"

I asked if she had gone to an acting school and Elsa replied with a lady-like snort: "Acting schools! They are not good for a movie actress. Perhaps to learn the technique, they are fine. But being in pictures is very different from being on the stage. I think you can learn from a school for the stage, but in pictures, you must learn from the writer, the director — and the people you are working with.

Alma Mater Will Accord Doctorate To Rev. M'Fadden

At its 107th anniversary, June 5th, Southwestern University of Memphis will confer the Honorary Degree of Doctor of Divinity on one of its most distinguished alumni, The Reverend Wave Hunter McFadden, pastor of the First Presbyterian Church of Monroe since August 1952.

Twice since Southwestern awarded him the Bachelor of Arts Degree in 1937 and the Louisville Presbyterian Theological Seminary the Bachelor of Divinity degree in 1940, Reverend McFadden has been called back to Memphis — first as pastor of the Norris Memorial Presbyterian Church and later by the McLemore Avenue Presbyterian Church when it was building its new sanctuary. In the interim he had been pastor of the Northeast Presbyterian Church in Kansas City, Missouri.

He has written and published numerous sermons and articles for religious publications and conducted many radio programs, as well as making frequent television appearances. He is Chairman of the Louisiana Synod's Committee of Christian Education, a member of a number of Presbytery committees, president of the Ministerial Association of Monroe, and of the Mental Health Association of Northeast Louisiana, and a member of the YMCA Board and the Rotary Club of Monroe.

His Alma Mater calls him back this year for an Honorary Degree of Doctor of Divinity.

Christian Faith As Aid To Solve Life's Problems

Beginning June 3 there will be a series of sermons on "How the Christian Faith will Help with Personal Problems" in the First Presbyterian Church, Grammont and Catalpa Streets. The sermons will be preached by the minister, Reverend W. H. McFadden, and the titles of them are as folows:

June 3—"How to Pray"

June 10—"How to Handle Trouble"

June 17—"How to Conquer Fear"

June 24—"How to Receive Forgiveness"

These sermons will be preached both at the 8:30 and the 11:00 o'clock morning worship services. The church extends a cordial invitation to those who feel a need for faith that will help them with their personal problems.

New World Will Be Shown In Film In Kingdom Hall

Kingdom Hall, 4501 Jackson street, Monroe, will present a film "The New World Society in Action," Wednesday, June 6 at 7:30 p.m.

Produced in 1954 this film has already thrilled thousands of capacity audiences all over the world. It is new, it is different. It is something all should see.

Along with millions of people everywhere those who have seen it declare it is the best possible explanation of the work of Jehovah's Witnesses that has ever been produced.

The film lasts an hour and a half It is chiefly in color and will delight the entire family it is stated.

Church Of Christ Vacation Bible School To Open

Monday night at 7 o'clock marks the beginning of the vacation Bible school at the Jackson street Church of Christ. Participating in the school also will be the three other churches of Christ in the Monroe area as well as those in surrounding communities.

The school is being conducted at night to make it possible not only for the children to attend but for adults to also enroll in these five nights of intensive Bible study.

There are special classes prepared for both men and women. The theme of the men's study will be "The Christian Man Labouring Together with God." Different evangelists will speak to the men each night followed by a discussion from the floor. The classes for the ladies will center around training for a greater service in the home and in the church. Also classes for teen-agers are planned as well as classes for all age groups down through the nursery.

Evangelist Floyd A. Decker of the Jackson Street church states, "All adults as well as all boys and girls are invited to take advantage of this Bible school regardless of religious affiliations." The church is located at Jackson and Texas streets.

MY ANSWER by Billy Graham

QUESTION: My wife and I both work, she on a day shift and I at night. Our children are getting out of hand and we want to make a real home. How can we do it. L.W.D.

ANSWER: I do not believe you can have a normal home life under the conditions which you have described. First of all, a husband and wife need the companionship, one of the other. Working on different shifts as you are, this would be very difficult. Also, under this arrangement your children must have a sense of insecurity which could do them permanent harm. While jobs are important, your home is also vitally important and you alone are responsible for your children. You brought them into the world and it is your obligation to give them the best home possible. It is not things in the house which make it a home. Rather it is love and companionship and laughter and sympathy and interest in each other's lives and problems. Not knowing what kind of work you are doing, I can only suggest that your wife stay at home and make a real home and you take a job working in the daytime, so your evenings can be spent together. This will mean a smaller income but what profit is it to make more money, have your children unhappy and probably harmed, and even have your home go on the rocks? Most important of all, make your home a Christian home by asking Christ to live in your hearts and direct your lives. Have family worship by reading the Bible and praying together. If you do this, you may have less in this world but you will be laying the right foundation for eternity.

Bible Words for Today

JOHN 14:1—"Let not your hearts be troubled; believe in God, believe also in me." (RSV)

* * *

When life seems to be filled to the brim with trouble and worry, turn to John 14 and read.

The words have a familiar and calming effect ... just the reading of them.

Look at the scene in which they were spoken. Jesus was in the upper room with his anxious disciples on the night in which he was betrayed. Judas had left to carry out his treachery. Peter had been told that he would thrice deny Jesus. The Lord's Supper was being instituted that you and I might ever be participants in that great redemptive action of God's love for all mankind. Jesus was about to be arrested and crucified.

Here was tension, anxiety, trouble, complication piling upon complication! Hear Jesus speak to them, even as He does to you. "Believe in God, believe in Me also", and see how your troubles diminish!

No. 2nd at Auburn St.
Monroe, La.
"God the Only Cause and Creator" is the subject of the lesson - sermon in all Churches of Christ, Scientist, Sunday, June 3, 1956.
The Golden Text is: "Blessed be the Lord, God, the God of Israel, who only doeth wondrous things" (Ps. 72:18).
Among the citations which comprise the lesson - sermon is the following from the Bible: "But to us there is but one God, the Father, of whom are all things, and we in him; and one Lord Jesus Christ, by whom are all things, and we by him" (1 Cor. 8:6).
The lesson - sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God" (275).

Stamps Quintet To Give Program

The Stamps Harmony Five of Dallas, Tex., will appear in a gospel singing concert at the Church of God, 809 Montgomery street, West Monroe tonight beginning at 8 p.m. This quartet is composed of Jimmie Grisham, manager; Loy Hooker, Romy Grissom, Jerry Barnette, with smiling Harvey Shelton at the piano. They work with and represent the Stamps Quartet Music company of Dallas.

Jerry Barnette, the newest member of this group, is formerly of West Monroe and Caldwell parish. He is a graduate of Grayson High school and sang with several local groups before joining the Stamps Harmony Five last December.

This concert is being sponsored by the young people of the local church. The proceeds will be used in the purchase of a new piano.

All of Jerry's friends and lovers of gospel singing are invited to be present and welcome him in his first home appearance with this group.

New Christian Church Will Be Established Here

The city of Monroe is to have a second Christian church, it is announced by the Rev. R. T. Watson, pastor. A group of people will meet each Sunday in Lexington school and will comprise the new congregation.

They will meet at 10:50 a.m. Sunday in the First Christian church when they will participate in a formal Commissioning Service which will be led by the Reverend Watson.

Alma Mater Will Accord Doctorate To Rev. M'Fadden

At its 107th anniversary, June 5th, Southwestern University of Memphis will confer the Honorary Degree of Doctor of Divinity on one of its most distinguished alumni, The Reverend Wave Hunter McFadden, pastor of the First Presbyterian Church of Monroe since August 1952.

Twice since Southwestern awarded him the Bachelor of Arts Degree in 1937 and the Louisville Presbyterian Theological Seminary the Bachelor of Divinity degree in 1940, Revererd McFadden has been called back to Memphis — first as pastor of the Norris Memorial Presbyterian Church and later by the McLemore Avenue Presbyterian Church when it was building its new sanctuary. In the interim he had been pastor of the Northeast Presbyterian Church in Kansas City, Missouri.

He has written and published numerous sermons and articles for religious publications and conducted many radio programs, as well as making frequent television appearances. He is Chairman of the Louisiana Synod's Committee of Christian Education, a member of a number of Presbytery committees, president of the Ministerial Association of Monroe, and of the Mental Health Association of Northeast Louisiana, and a member of the YMCA Board and the Rotary Club of Monroe.

His Alma Mater calls him back this year for an Honorary Degree of Doctor of Divinity.

Along with millions of people everywhere those who have seen it declare it is the best possible explanation of the work of Jehovah's Witnesses that has ever been produced.

The film lasts an hour and a half It is chiefly in color and will delight the entire family it is stated.

W. H. M'FADDEN

Christian Faith As Aid To Solve Life's Problems

Beginning June 3 there will be a series of sermons on "How the Christian Faith will Help with Personal Problems" in the First Presbyterian Church, Grammont and Catalpa Streets. The sermons will be preached by the minister, Reverend W. H. McFadden, and the titles of them are as folows:

June 3—"How to Pray"

June 10—"How to Handle Trouble"

June 17—"How to Conquer Fear"

June 24—"How to Receive Forgiveness"

These sermons will be preached both at the 8:30 and the 11:00 o'clock morning worship services. The church extends a cordial invitation to those who feel a need for faith that will help them with their personal problems.

Church Of Christ Vacation Bible School To Open

Monday night at 7 o'clock marks the beginning of the vacation Bible school at the Jackson street Church of Christ. Participating in the school also will be the three other churches of Christ in the Monroe area as well as those in surrounding communities.

The school is being conducted at night to make it possible not only for the children to attend but for adults to also enroll in these five nights of intensive Bible study.

There are special classes prepared for both men and women. The theme of the men's study will be "The Christian Man Labouring Together with God." Different evangelists will speak to the men each night followed by a discussion from the floor. The classes for the ladies will center around training for a greater service in the home and in the church. Also classes for teen-agers are planned as well as classes for all age groups down through the nursery.

Evangelist Floyd A. Decker of the Jackson Street church states, "All adults as well as all boys and girls are invited to take advantage of this Bible school regardless of religious affiliations." The church is located at Jackson and Texas streets.

MY ANSWER by Billy Graham

QUESTION: My wife and I both work, she on a day shift and I at night. Our children are getting out of hand and we want to make a real home. How can we do it. L.W.D.

ANSWER: I do not believe you can have a normal home life under the conditions which you have described. First of all, a husband and wife need the companionship, one of the other. Working on different shifts as you are, this would be very difficult. Also, under this arrangement your children must have a sense of insecurity which could do them permanent harm. While jobs are important, your home is also vitally important and you alone are responsible for your children. You brought them into the world and it is your obligation to give them the best home possible. It is not things in the house which make it a home. Rather it is love and companionship and laughter and sympathy and interest in each other's lives and problems. Not knowing what kind of work you are doing, I can only suggest that your wife stay at home and make a real home and you take a job working in the daytime, so your evenings can be spent together. This will mean a smaller income but what profit is it to make more money, have your children unhappy and probably harmed, and even have your home go on the rocks? Most important of all, make your home a Christian home by asking Christ to live in your hearts and direct your lives. Have family worship by reading the Bible and praying together. If you do this, you may have less in this world but you will be laying the right foundation for eternity.

Stamps Quintet To Give Program

The Stamps Harmony Five of Dallas, Tex., will appear in a gospel singing concert at the Church of God, 809 Montgomery street, West Monroe tonight beginning at 8 p.m. This quartet is composed of Jimmie Grisham, manager; Loy Hooker, Romy Grissom, Jerry Barnette, with smiling Harvey Shelton at the piano. They work with and represent the Stamps Quartet Music company of Dallas.

Jerry Barnette, the newest member of this group, is formerly of West Monroe and Caldwell parish. He is a graduate of Grayson High school and sang with several local groups before joining the Stamps Harmony Five last December.

This concert is being sponsored by the young people of the local church. The proceeds will be used in the purchase of a new piano.

All of Jerry's friends and lovers of gospel singing are invited to be present and welcome him in his first home appearance with this group.

Today's YOUR GUIDING STAR Message:

0. Lao Tzu; Blakney: Poem 46. No sin can exceed incitement to envy.
1. I John 1:17. Walk in the light; have fellowship with one another.
2. I Pet. 2:12. Maintain good conduct, so that in case they speak against you as wrongdoers, they may see your good deeds.
3. Lao Tzu; Blakney: Poem 56. Those who know do not talk and talkers do not know.
4. Jam. 2:14. What does it profit, if a man says he has faith but has not works?

Bible Words for Today

JOHN 14:1 — "Let not your hearts be troubled; believe in God, believe also in me." (RSV)

* * *

When life seems to be filled to the brim with trouble and worry, turn to John 14 and read.

The words have a familiar and calming effect ... just the reading of them.

Look at the scene in which they were spoken. Jesus was in the upper room with his anxious disciples on the night in which he was betrayed. Judas had left to carry out his treachery. Peter had been told that he would thrice deny Jesus. The Lord's Supper was being instituted that you and I might ever be participants in that great redemptive action of God's love for all mankind. Jesus was about to be arrested and crucified.

Here was tension, anxiety, trouble, complication piling upon complication! Hear Jesus speak to them, even as He does to you. "Believe in God, believe in Me also", and see how your troubles diminish!

Roamin' In The Rural

With Euna Spielman

Color With Shrubs

My roamin' took me for the week-end to Memphis, Tennessee and of course, we toured around to see some of the lovely new homes and landscapes. Much of the beauty in the landscapes at this season is provided by shrubs with colorful foliage as the flowering plum, dwarf red barberry, crimson king maples and tamarix. Another plant used there as a vine to cover chimneys, fence, etc. or for a low hedge is the Euonymus vegetus. This is a versatile plant if placed by a wall, it grows as a vine; if placed alone, it grows as a low spreading shrub. Ground covers used were California violets and vinca both minor and major varieties.

The California violet foliage is much larger than the Royal Robe and we were told the flowers were much larger with longer stems and stand high above the foliage. (We brought some back and will tell you more about them later.) Oh yes, we heard about a new lawn grass — Sunturf Bermuda. This Bermuda is a cross between common bermuda and African Bermuda. Sunturf has fine stems and leaves. It produces thick turf comparable to that of Zoysia Matrella. It stands drouth well and will give complete ground cover in four to eight weeks when sprigs are planted 12 to 18 inches apart. It is resistant to cold, getting green two weeks earlier and remains green a week or two longer than common bermuda. I don't know whether it has been tested in Louisiana or not — but it has been tested by some experiment stations in the south.

New Strawberry Plant

The Louisiana Experiment Station has developed a new strawberry now known as seedling No. 188. There will be a limited number of these plants available this fall, so increase your plot with a few of these plants.

Vegetables To Plant This Month

Vegetables to plant this month are: tomatoes, (plant on row for fall crop) squash, pumpkin, cushaus, sweet corn, okra, and field peas. Remember if you have a surplus of vegetables, let us help you find someone who needs them — call 3-2251. We had calls for vegetables but none from the producer last week. Call if you have surplus flowers, day lilies, iris, etc.

Your Need For Milk

You never grow too old to need milk for the body never stops growing or needing replacement parts. With the hot days coming, we may be inclined to take substitute drinks which will not give us the nutrients in milk. Here's some facts about milk: Milk is the only food that you can depend upon as a regular source of calcium in the diet. One quart of milk provides as much calcium (1 1-5 grams) as 6¾ pounds of cabbage, or 7¼ pounds of carrots, or 27 pounds of potatoes or 28 oranges or 39 eggs. It would be impossible for us to eat enough of these products to get daily calcium needs (one gram for growing children, and adults 1½ grams — for adolescents and more for expectant and nursing mothers.)

Practically every tissue or organ in the body is dependent in some way on calcium for its proper development or functioning. Calcium, phosphorus and vitamin D work together in building strong, sound bones and teeth. The strength of these structures depends on calcium. The clotting power of the blood depends upon the presence of calcium. Nerve stability is preserved by calcium; too little of this mineral may cause irritability and nervousness. Calcium controls the contractibility of muscles, including rhythmic beat of the heart. It also acts as coordinator among the mineral elements. There is no substitute to take the place of milk — we need it daily to keep us on the safe side of nutrition. There are many ways to get milk and milk products to family daily — cooked dishes, frozen dishes, etc. Let's get our calcium all seasons of the year.

10 And 25 Year Club Meeting

Remember this meeting — June 7th at 5:00 p.m. at Mrs. E. W. Earls on Highway 80, West Monroe.

The best way to remove the stem from a fresh pineapple is to protect your hand with a cloth and twist off the top.

Thompson-Machen Vows Said In Lafayette

Miss Elizabeth Thompson, daughter of Mr. and Mrs. M. A. Thompson, of Calhoun, became the bride of James H. Machen, son of Mr. and Mrs. W. H. Machen, of Jonesboro, in a ceremony performed recently in the First Baptist Church of Lafayette. The Reverend H. L. Holmes performed the ceremony before an altar decorated with baskets of white gladioli and greenery. Earl Brussard presented the nuptial music and Archie Brown was soloist.

The bride given in marriage by her father, wore a gown of lace over bridal satin. Her veil of triple illusion was shoulder length and was caught to a cap of lace, embroidered in pearls. She carried a bouquet of white carnations.

Mrs. W. G. Machen of Jonesboro, sister-in-law of the bridegroom, was the matron of honor. She wore waltz-length petal pink dress of lace combined with satin. Her hat was pink, trimmed with pink and white flowers and she wore a corsage of white carnation.

W. G. Machen served his brother as best man.

Mr. and Mrs. Thompson entertained with a reception following the ceremony at Toby's Oak Grove. Palm trees formed a background for the receiving line. Mrs. Thompson was wearing a navy blue dress with white lace trim and a matching hat. Mrs. Machen chose a dress in a lighter shade of blue with harmonizing accessories. They both wore white carnation corsages.

The bride is a student at Calhoun High School and the bridegroom is a graduate of Jonesboro-Hodge High School and is now attending Southwestern, in Lafayette.

X-Ray Unit Will Be Here June 4

The mobile x-ray unit will be in the Twin City area between June 4 and June 29, locating at various times at eight scattered points in the area, it was announced yesterday.

Points on the schedule include the Olin-Mathieson plant in West Monroe, June 4-8; North 3rd at Louisville avenue, June 11-20; Selig Manufacturing Co. on Thomas avenue on the morning of June 21; Thomas avenue and Jackson street during the afternoon of June 21; Sears-Town on Louisville avenue, June 22-25; Foster Homes housing project for Negroes, June 26; Carver Homes, June 27; and Commercial Solvents at Sterlington, June 28-29.

The x-rays are being given for early diagnosis of tuberculosis, cancer and heart disease.

Sunday at 12:45 p.m. a television panel discussion on the purposes of the unit will be held. Participating will be Dr. W. Carroll Summer, director of the Ouachita parish health unit; Dr. D. L. Coffman, superintendent of the state tuberculosis sanitorium at Ruston, and Dr. Roy Robertson, a Monroe surgeon.

GLOVES FOR GROOM

Both groom and best man should wear gloves. The groom may remove his and give them to the best man as the bride walks down the aisle. The best man should take off his right glove before producing the ring.

Why Grow Old?

Separate Vacation Trips Have Their Hazards

There are all kinds of vacations! There is the family vacation when the children go along with their parents. Then there is the stag vacation when father roughs it at camp with the boys and of course there is the vacation taken by the wife and husband without the children.

One seldom hears about a wife and mother going off on a vacation alone, although many go north in the summer time with their children. All of these vacations have their individual value. It's different and fun when the man of the house gets away with men only. The same thing is true of the woman.

It is most restful and adds variety if the woman in the home sometimes takes a little vacation with her friends. Usually both the man and woman turn the clock back a few years at times like these with lots of laughter and a change of pace and companionship.

Leisure Apart Is Bad

Yet the idea of husband and wife spending vacations away from one another is not a good prescription for a happy marriage. Spending leisure apart is placed at the head of the list of causes of divorce, by some authorities. Then, too, think how much fun you would miss because a husband and wife who are congenial have such good times on trips and vacations.

Of course if a husband and wife are absolutely incompatible and cannot have pleasant times together, it's a shame to ruin a vacation for both of them. Separate vacations may make the home waters smoother for them because of the separation.

While the children deserve some trips with the parents, the parents also should have some trips alone if the children can be arranged for. No matter how much you love them, travel with children is hectic and married couples merit some carefree, gay times alone.

It seems that the best thing to do is to vary the vacation from year to year so that you do not go to the same place and with the same family group each year, year after year.

For a few days now I will be writing about vacations. If you are going camping this summer and would like to have my leaflet "Tricks in Camping" send a stamped, self-addressed envelope with your request for leaflet No. 69 to Josephine Lowman in care of this newspaper.

Tomorrow: "Plan Carefully to Make Vacation More Enjoyable."

Choose Style And Colors For Bridal Party Early

Plan far enough in advance with your bridal party on the color scheme for your wedding. This will avoid disappointments as far as first choices in style and colors are concerned.

Gloves are usually worn with short-sleeved wedding gowns in

formal affairs. The gloves, of white kid, may be wrist length or long.

Slit the ring finger seam of your glove so that you don't have to pull off the entire glove in the middle of the ceremony.

Do not apply makeup heavily. Use a light shade of lipstick and nail polish. A delicate perfume is in order.

If you wish you may carry a white prayer book bedecked with flowers instead of a bouquet.

The first dance at the reception is reserved for the groom, the next for your father, the third with your new father-in-law and then the best man. After that it is up to you.

Be sure that everyone has gathered round your table before you cut the wedding cake with your groom. You share the first slice with him as a symbol of your sharing everything together for life.

Formal invitations are in order if more than 50 guests are invited to your wedding.

Get yourself a notebook and jot down all the things you have to do. Then check off the items as you finish them. Good planning makes a good wedding.

If there is no reception following a church wedding remember to pause for congratulations at the back of the church.

Once you say "I do" you not only have changed from a single girl to a married woman but you also have changed your name. Therefore don't forget to make the necessary changes in identification with banks, insurances, social security, motor vehicle bureau (driver's license) and election board.

The wedding day will be a busy one for you — so get to bed early and make sure you get a good night's rest.

Rev. C. B. Jones New Pastor At Fairbanks Church

Rev. C. Bullard Jones, former pastor of the Wallace Ridge Baptist church of Jonesville, has accepted and recently moved on the field, as pastor of the Fairbanks Baptist church.

Rev. Jones is a graduate of Louisiana college in Pineville, and a 1956 graduate of the New Orleans Seminary.

Rev. Jones and his family were welcomed in Fairbanks with a pantry shower and the parsonage was renovated inside before they moved on the field, May 15.

Mrs. Jones is also a graduate of Louisiana College and attended the New Orleans Seminary. Before moving to Fairbanks, she was the Ouachita Associational Musical Director. Rev. and Mrs. Jones have 2 sons, Ricky, and Dennis.

Starting June 4, Bro. Jones will conduct a ten-day Vacation Bible School with graduation exercises, Wednesday night, June 13. From June 17, through June 24, Bro. Jones will lead a revival at the church with Bro. Larry Kennedy, a student of Louisiana College as the guest music director. A hearty welcome is extended to the public to attend.

SHOP WITH A PLAN

When shopping for items of furniture for your new home, be sure to carry your floor plan and room dimensions with you. This will aid both you and the salesman in selecting the proper size and design to fit your particular rooms.

LET'S EXPLORE YOUR MIND

By ALBERT EDWARD WIGGAM, D. Sc.

Answer To Question No. 1

1. Dale Carnegie said that anyone can become a good public speaker if he will take the trouble to prepare. A few of his rules are: Don't be afraid you'll faint — you won't. Practice on the dog, cat, or your wife, or on your image in the mirror. Try out arguments on your friends without their knowing it. Organize your material — don't memorize your talk. First, show something is wrong; second, show how to remedy it; third, appeal for action.

How many times this week have you won an argument — with your boss, your secretary . . . your wife? Our booklet, "How To Win An Argument," based on years of research gives you six sure - fire pinciples of putting over your point. Send 15 cents (coin only) and stamped, self - addressed envelope (name city, and state) to Dr. A. E. Wiggam, c-o your newspaper.

Most People like themselves.

True ——— False ———

2. False. Just listen to any group talking and you will hear dozens of remarks like, "Oh, I've always wished I could do that," or, "I wish I had her personality," or, "I just have no talent for that sort of thing," and so on. Even boasting indicates a person doesn't like himself, but wants you to. He takes this method of exaggerating his qualities and importance. Whenever you think of something bad about yourself try to remember something good you did at least once in your life. You will soon find you're a pretty likeable person after all.

Is it possible to make a successful marriage without continual compromise?

Your opinion ——

3. Utterly impossible. All human relations have to be carried on by compromise. Two studies of marriage, one of nearly 1,000 couples, the other over 500, showed that only those who settle problems and differences by the 50-50, give-and-take method were in the very happy group. Th rest either got along just so-so, or were utterly miserable. These studies showed that even differences of religion did not cause unhappiness, if each was tolerant and understanding of the other's views and religious habits.

There are all kinds of vacations! There is the family vacation when the children go along with their parents. Then there is the stag vacation when father roughs it at camp with the boys and of course there is the vacation taken by the wife and husband without the children.

One seldom hears about a wife and mother going off on a vacation alone, although many go north in the summer time with their children. All of these vacations have their individual value. It's different and fun when the man of the house gets away with men only. The same thing is true of the woman.

It is most restful and adds voriety if the woman in the home sometimes takes a little vacation with her friends. Usually both the man and woman turn the clock back a few years at times like these with lots of laughter and a change of pace and companionship.

Leisure Apart Is Bad

Yet the idea of husband and wife spending vacations away from one another is not a good prescription for a happy marriage. Spending leisure apart is placed at the head of the list of causes of divorce, by some authorities. Then, too, think how much fun you would miss because a husband and wife who are congenial have such good times on trips and vacations.

Of course if a husband and wife are absolutely incompatible and cannot have pleasant times together, it's a shame to ruin a vacation for both of them. Separate vacations may make the home waters smoother for them because of the separation.

While the children deserve some trips with the parents, the parents also should have some trips alone if the children can be arranged for. No matter how much you love them, travel with children is hectic and married couples merit some carefree, gay times alone.

It seems that the best thing to do is to vary the vacation from year to year so that you do not go to the same place and with the same family group each year, year after year.

For a few days now I will be writing about vacations. If you are going camping this summer and would like to have my leaflet "Tricks in Camping" send a stamped, self-addressed envelope with your request for leaflet No. 69 to Josephine Lowman in care of this newspaper.

Choose Style And Colors For Bridal Party Early

Plan far enough in advance with your bridal party on the color scheme for your wedding. This will avoid disappointments as far as first choices in style and colors are concerned.

Gloves are usually worn with short-sleeved wedding gowns in

formal affairs. The gloves, of white kid, may be wrist length or long.

Slit the ring finger seam of your glove so that you don't have to pull off the entire glove in the middle of the ceremony.

Do not apply makeup heavily. Use a light shade of lipstick and nail polish. A delicate perfume is in order.

If you wish you may carry a white prayer book bedecked with flowers instead of a bouquet.

The first dance at the reception is reserved for the groom, the next for your father, the third with your new father-in-law and then the best man. After that it is up to you.

Be sure that everyone has gathered round your table before you cut the wedding cake with your groom. You share the first slice with him as a symbol of your sharing everything together for life.

Formal invitations are in order if more than 50 guests are invited to your wedding.

Get yourself a notebook and jot down all the things you have to do. Then check off the items as you finish them. Good planning makes a good wedding.

If there is no reception following a church wedding remember to pause for congratulations at the back of the church.

Once you say "I do" you not only have changed from a single girl to a married woman but you also have changed your name. Therefore don't forget to make the necessary changes in identification with banks, insurances, social security, motor vehicle bureau (driver's license) and election board.

The wedding day will be a busy one for you — so get to bed early and make sure you get a good night's rest.

Rev. C. B. Jones New Pastor At Fairbanks Church

Rev. C. Bullard Jones, former pastor of the Wallace Ridge Baptist church of Jonesville, has accepted and recently moved on the field, as pastor of the Fairbanks Baptist church.

Rev. Jones is a graduate of Louisiana college in Pineville, and a 1956 graduate of the New Orleans Seminary.

Rev. Jones and his family were welcomed in Fairbanks with a pantry shower and the parsonage was renovated inside before they moved on the field, May 15.

Mrs. Jones is also a graduate of Louisiana College and attended the New Orleans Seminary. Before moving to Fairbanks, she was the Ouachita Associational Musical Director. Rev. and Mrs. Jones have 2 sons, Ricky, and Dennis.

Starting June 4, Bro. Jones will conduct a ten-day Vacation Bible School with graduation exercises, Wednesday night, June 13. From June 17, through June 24, Bro. Jones will lead a revival at the church with Bro. Larry Kennedy, a student of Louisiana College as the guest music director. A hearty welcome is extended to the public to attend.

1. CAN EVERYONE LEARN TO MAKE A GOOD PUBLIC SPEECH? YES☐ NO☐ 6-2

Answer To Question No. 1

1. Dale Carnegie said that anyone can become a good public speaker if he will take the trouble to prepare. A few of his rules are: Don't be afraid you'll faint — you won't. Practice on the dog, cat, or your wife, or on your image in the mirror. Try out arguments on your friends without their knowing it. Organize your material — don't memorize your talk. First, show something is wrong; second, show how to remedy it; third, appeal for action.

How many times this week have you won an argument — with your boss, your secretary . . . your wife? Our booklet, "How To Win An Argument," based on years of research gives you six sure - fire pinciples of putting over your point. Send 15 cents (coin only) and stamped, self - addressed envelope (name city, and state) to Dr. A. E. Wiggam, c-o your newspaper.

Most People like themselves.

True ——— False ———

2. False. Just listen to any group talking and you will hear dozens of remarks like, "Oh, I've always wished I could do that," or, "I wish I had her personality," or, "I just have no talent for that sort of thing," and so on. Even boasting indicates a person doesn't like himself, but wants you to. He takes this method of exaggerating his qualities and importance. Whenever you think of something bad about yourself try to remember something good you did at least once in your life. You will soon find you're a pretty likeable person after all.

Is it possible to make a successful marriage without continual compromise?

Your opinion ———

3. Utterly impossible. All human relations have to be carried on by compromise. Two studies of marriage, one of nearly 1,000 couples, the other over 500, showed that only those who settle problems and differences by the 50-50, give-and-take method were in the very happy group. Th rest either got along just so-so, or were utterly miserable. These studies showed that even differences of religion did not cause unhappiness, if each was tolerant and understanding of the other's views and religious habits.

Oleanders Now In Full Bloom

The oleanders are so beautiful I know you're saying to yourself now that you'll put out several plants next winter. Cut the blooms and enjoy them, cutting long stems. This will prune your plant and now is the time to do that. When you cut the blossoms, plunge them in water up to their necks for ten or twelve hours. Otherwise they'll wither in your arrangement.

Mrs. Hair, 700 Glenmar, says she will give pink oleander cuttings to anybody calling for them. They root easily. I've seen them rooted in water.

Many of your plants are beginning now to set buds for next year's bloom. If their roots get dry this will interfere with the bloom-making process. Water thoroughly, not too often. Miss Winona Chauffe, our Garden Specialist ,says to keep the water off the foliage to help control leaf spot. This disease has already started. Dusting sulphur is good, but put it on when the plant is dry. You can use 10 percent Dithane Z. 78.

Now is the time to cut back the poinsettia to within a foot of the ground. Give the cuttings to somebody who would like to start plants.

Remember if you pinch back your annuals and perennials, they'll not get so leggy and fall over in the beds. A little fertilizer sprinkled around these plants and soaked in will keep them blooming. Cutting old blooms induces new flowers, too.

You can fertilize shrubs and trees for the second time now. Also the lawn. Where you have lots of shade this second fertilization is really necessary. Tree roots use so much food and the smaller trees, shrubs and lawn suffer.

In a recent magazine article suggestions were given to help plants take the hot weather. These recommendations are: Feed shrubs now to encourage good root growth, watering immediately after; water regularly when the top four or five inches of soil dries out; mulch with whatever material is available locally.

Another article in the same magazine showed a sixty foot lot and how it could be treated. The back was all surfaced with brick or cement. Few shrubs were used. There was only one small patch of lawn in the front. Husband would love that! Of course, hard surfacing is expensive, but so is up-keep on lawns when you count the cost of fertilizer, labor and water over a period of years.

Food News

Milk and dairy products headline the plentiful food for June. That excellent team —beef and onions— also is due to be plentiful in June. That means there'll be steaks for outdoor cooking, because the higher grades of beef will be in good supply. Pork is up in price, but still lower than last year at this time. Other foods in plentiful supply are fresh grapefruit, rice, peanuts and peanut butter, canned tuna in oil, dry beans.

In local markets home grown tomatoes are coming to the markets, not in quantities, but oh! so delicious. We're finding fresh peas, white, yellow and acorn squash, shippin-in Texas canteloups are in the luxury class as are watermelons. Eggs were lower in price last week.

Have you tried acorn squash? Tastes a lot like sweet potato. Just cut in half, brush with butter or margarine and brown sugar. Bake in a 350 degree oven until done. Excellent with plentiful beef roast.

Try stretching the milk dollar by using canned and dried milk for cooking. Here are some suggestions for enticing the children to drink more milk and get in some extra food values too.

(1) Use strained baby foods, such as apricots or prunes and mix with the glass of milk.

(2) Put two tablespoons of strawberry preserves in the glass of milk and stir.

(3) Mash ripe banana to a pulp. Mix with cold milk.

(4) Mix equal parts of grape juice and milk.

(5) Let two sticks of peppermint candy dissolve in a glass of cold milk.

(6) Add one tablespoon of maple flavored syrup to a glass of milk.

Notice in all cases cold milk was used. Many a child dislikes this nourishing food because it has been served lukewarm. Often chilling the glass in the refrigerator will make the milk more palatable to them. Hou lucky mothers whose children like milk have none of these problems.

Summer Highlights

A barometer reading "fair, steady, clear" could also serve as a forecast of summer fashions. The summer collections are fair, they include steadily continuing trends, and clear promise ahead is indicated that women are going to accept these styles. Essentially the continuing trends are the one-piece look, the beach ensemble (including a cover-up) oriental effects in colorings and prints; sheaths with madarin necklines, hem slashes, frog detailing. There are shirtwaists, step-ins and coat dresses.

Cotton fabrics have surged ahead in summer importance. Cottons are used in every type dress — town, morning, sun, spectator and after five. These materials have an expensive look about them. A silk look, metallic threads, embroidered, beaded and sequined. Sheer cottons are in for another summer whirl, dotted swiss, solid printed, even paids. The dark look is good. Also cottons rate importantly for the all-white look, as do sheers such as batiste, lawn, dimity and voile. The most beautiful dress I saw in New York was white cotton voile with a lace yoke dotted with sequins. And — it was really expensive — something you could make easily.

Short shorts have gained in style imporatnce, while Bermuda and Jamaica styles carry on. Many shorts are cut without waistbands, darted at top for snug fit. New in tops for either shorts or long trousers is the brief, cropped, usually sleeveless, box. Some reach to the waist; others are shorter, showing some midriff. They can button front or back, or not at all —just slip over the head.

Sun And Sand Garden Club Has Flower Show

The Sun and Sand Garden Club of the Twin Cities presented a blue ribbon flower show at the Garden Center this week. Congratulations are in order to these club members for winning blue ribbons as this is the first time they have exhibited in a flower show.

Mrs. Alton Calhoun was awarded first place in the arrangement section. For a container Mrs. Calhoun used a rectangular black bowl in which she designed a triangular mass arrangement. Canna leaves were used in the background giving depth and solidity. Yellow snapdragons and shasta daisies filled in the triangular line. Low in the arrangement green and white coleus was used unifying the design and container.

Second place award went to Mrs. C. H. Bird and Mrs. H. A. Malone. A free form brown bowl was used for the triangular design. The pattern was outlined with seed stalks of escarole which are most interesting in form. Shasta daisies strenghtened the line and yellow calendulas were massed in the focal area. This arrangement was characterized by the unusual handling of the materials.

Third place award was given to Mrs. Melton Pickett. A beautiful free-form ceramic bowl in brown (which Mrs. Pickett designed herself) held the line arrangement of furled banana leaves and double hollyhocks of pale yellow. The color and texture of these flowers is very lovely.

In the horticulture class. Blue ribbons were awarded to Mrs. H. A. Malone for cornflowers, and Mrs. C. H. Bird for Gardenia and white rose.

The Garden Center has just received a wonderful gift from Mrs. Fred R. Hayton. It is P. J. Van Melle's book "Shrubs and Trees for the Small Place". This is a welcome addition to our library. Also just received is the Hemerocallis Journal, 1956 Yearbook issue, for your reading pleasure.

Have you been out to visit the Daylily test plot at Northeast College yet? And have you noticed the daylily and nandina plantings outside Hasley Cemetery in West Monroe? These were planted by members of the Green Thumb Gardens Club of the Twin Cities.

Next week members of the Dixieland Daylily and Iris Society will exhibit at the Garden Center. Drop in for a visit.

Different Ways To Feed Plants

After plants make their first great burst of growth in the Spring, they will slow down and grow in proportion to the amount of food they are getting. If you wish to keep your trees and shrubs growing, now is the time to give them a good feeding. A shrub as high as your knee and a foot or two through will greatly benefit from a big handful of complete fertilizer. First water your shrub thoroughly with the nozzle off. Then stir the fertilizer into a canful of water and pour it around the bush. All of the fertilizer will not dissolve, but you can scatter it around the bush and then spread it with more water from the hoze.

If your trees have not been fed, you can feed them now by the hole punch method. If they were fed earlier, an extra watering will boost them. Lay a sack or a board on the ground and let the water run full force from the hose with the nozzle off for a few minutes. Move around over the area so as to get even distirbution. If you do not have time to attend to this operation, a soak hose is the answer because you can go away and leave it to run slowly.

New plantings of shrubs will greatly benefit from a deep mulch spread over the planted area. It will save watering, keep down weeds until they are shaded out by the shrubs and keep the ground cool in summer. Almost anything will do for this mulch— even old newspaper with a little soil over them to hide them. When the mulch rots, it adds humus to the soil.

Waterlilies and the plants you grow in your pool usually refuse to bloom unless you take them up and replant them in new soil after two seasons. If you have failed to take them up, there is one way to feed them that is usually effective. Mix together equal quantities of soil and bone meal. The soil has to have enough clay in it so that it will stick together in a ball. Sandy soil will not do. Add enough water to make your mixture stick together in balls about the size of tennis balls.

After your bone meal and mud balls have dried out and hardened for a few days, you can drop two of them down through the water right near the crown of each lily plant. In time, the mud balls will spread out and nourish the lilies without clouding the water in the pool. Feed the plants under the water around the edges of the pool the same way. There is not much nitrogen in bone meal, so you will hardly overdo the feeding.

The usual mistake with lilies lies in planting too many to a pool. If your waterlilies cover the whole surface, you can remove one third of the leaves. Ordinarily, this does not prevent the lilies from flowering.

The acutal bidding:

South, 1 spade; West, Pass; North, 1 no trump; East, Pass.

South, 2 spades, West, Pass; North, Pass, East, Pass.

Opening lead: King of hearts.

There is current the impression among a large body of bridge players that the possession of a five card suit must be telegraphed promptly and in no uncertain terms to partner. A good five card suit may be rebid if it suits your convenience, but there is no compulsion about it.

More often than not, the fact that you are in possession of a five card suit is the least important bit of information about your hand, and may, therefore, be subordinated to more vital features. The five card suit may be suppressed for various reasons. A simple rebid in the same suit by the opener is not an encouraging call and where it is desired to urge partner on to further action, some other rebid must be chosen. Remember, it is much more important to describe your hand as a whole than it is to describe your suit.

Another occasion where a rebiddable suit may be neglected in favor of a weaker suit is when an effort is being made to park the hand safely, and no convenient place has as yet been found. Today's hand is an example. South opened with one spade and when partner responded with one no trump, influenced by possession of doubletons in the two other suits, he determined not to stand for the no trump contract. The choice of his rebid, however, was not sound. He elected to show his five card suit and the contract was set 200 points in routine fashion.

Assuming that a rebid is in order, the only proper call is two clubs. If it should turn out the hand belongs in spades, partner can still return to that suit, and if North happens to be short in spades and long in clubs, so much the better. Nine tricks in clubs could have been delivered without the slightest effort.

Where a choice of two bids is open to you in late rounds of the auction, more likely than not the cheaper of the two is the better selection for it permits partner to return to the higher and affords you two chances instead of one.

Record Review

Concert Music

Looking back over the new records for the last year or so, you could well ask what ever happened to Johannes Brahms? There's no need to ask now. A new, brilliant and fully realized recording of "A German Requiem" is at hand (Decca-DX-136).

After hearing this performance, you have a sense of having heard it for the first time—or at least, of not having fully appreciated its import and its beauties before. Maria Stader's singing is almost personal in its power, which is not to diminish the contribution of baritone Otto Wiener. The orchestra was the Berlin Philharmonic, Fritz Lehmann conducting; the choir was that of St. Hedwig's Cathedral and a smaller group.

Also in the field of great interpretative singing is "The Art of Aksel Schiotz" which displays the Danish tenor through a repertoire of Buxtehude, Bach, Haydn, Handel, and Mozart (RCA Victor-LM-1972).

In the field of wonderment is a recording of the performance Beniamino Gigli gave in Carnegie Hall in April 1955, at the age of 65! From what you hear, you can't believe the age of the singer, which makes it seem all the more a pity that so few of his wonderful recordings of the 1920's have been reissued, but then RCA Victor has been much too busy re-issuing Caruso (RCA Victor-LM1972).

Your admiration for the American "boy wonder" conductor, Thomas Schippers, is bound to be enhanced even further when you hear him conducting the Scarlatti Orchestra of Naples through music of the old Italian masters, Vivaldi, Salieri, and Durante. The orchestra, of course, could play this music flawlessly with a robot on the podium; yet you hear Schippers in the aura of exuberant discovery which hangs over all. You understand that youth has discovered old beauties (Angel-35335).

For summer listening—especially outdoors—few things could be more pleasurable than a collection of Spanish fiesta music played by the Hollywood Bowl Symphony, Carmen Dragon conducting. To be sure, the composers of the short bits were mainly non- Spanish (Massenet, Bizet, Glinka, Delibes, and even the Australian, Benjamin) but this is the music we think of as Spanish or Latin, and it is played with dash and excitement in what we think of as Spanish or Latin style (Capitol-P8335).

And as the summer night grows older, a record to follow that one with is "Serenade for Strings" made up of what the record jacket says are "the world's best-loved melodies," and played with most musicianly polish by the Boyd Neel Orchestra Epic-LC3228).

Oleanders Now In Full Bloom

The oleanders are so beautiful I know you're saying to yourself now that you'll put out several plants next winter. Cut the blooms and enjoy them, cutting long stems. This will prune your plant and now is the time to do that. When you cut the blossoms, plunge them in water up to their necks for ten or twelve hours. Otherwise they'll wither in your arrangement.

Mrs. Hair, 700 Glenmar, says she will give pink oleander cuttings to anybody calling for them. They root easily. I've seen them rooted in water.

Many of your plants are beginning now to set buds for next year's bloom. If their roots get dry this will interfere with the bloom-making process. Water thoroughly, not too often. Miss Winona Chauffe, our Garden Specialist ,says to keep the water off the foliage to help control leaf spot. This disease has already started. Dusting sulphur is good, but put it on when the plant is dry. You can use 10 percent Dithane Z. 78.

Now is the time to cut back the poinsettia to within a foot of the ground. Give the cuttings to somebody who would like to start plants.

Remember if you pinch back your annuals and perennials, they'll not get so leggy and fall over in the beds. A little fertilizer sprinkled around these plants and soaked in will keep them blooming. Cutting old blooms induces new flowers, too.

You can fertilize shrubs and trees for the second time now. Also the lawn. Where you have lots of shade this second fertilization is really necessary. Tree roots use so much food and the smaller trees, shrubs and lawn suffer.

In a recent magazine article suggestions were given to help plants take the hot weather. These recommendations are: Feed shrubs now to encourage good root growth, watering immediately after; water regularly when the top four or five inches of soil dries out; mulch with whatever material is available locally.

Another article in the same magazine showed a sixty foot lot and how it could be treated. The back was all surfaced with brick or cement. Few shrubs were used. There was only one small patch of lawn in the front. Husband would love that! Of course, hard surfacing is expensive, but so is up-keep on lawns when you count the cost of fertilizer, labor and water over a period of years.

Food News

Milk and dairy products headline the plentiful food for June. That excellent team —beef and onions— also is due to be plentiful in June. That means there'll be steaks for outdoor cooking, because the higher grades of beef will be in good supply. Pork is up in price, but still lower than last year at this time. Other foods in plentiful supply are fresh grapefruit, rice, peanuts and peanut butter, canned tuna in oil, dry beans.

In local markets home grown tomatoes are coming to the markets, not in quantities, but oh! so delicious. We're finding fresh peas, white, yellow and acorn squash, shippin-in Texas canteloups are in the luxury class as are watermelons. Eggs were lower in price last week.

Have you tried acorn squash? Tastes a lot like sweet potato. Just cut in half, brush with butter or margarine and brown sugar. Bake in a 350 degree oven until done. Excellent with plentiful beef roast.

Try stretching the milk dollar by using canned and dried milk for cooking. Here are some suggestions for enticing the children to drink more milk and get in some extra food values too.

(1) Use strained baby foods, such as apricots or prunes and mix with the glass of milk.

(2) Put two tablespoons of strawberry preserves in the glass of milk and stir.

(3) Mash ripe banana to a pulp. Mix with cold milk.

(4) Mix equal parts of grape juice and milk.

(5) Let two sticks of peppermint candy dissolve in a glass of cold milk.

(6) Add one tablespoon of maple flavored syrup to a glass of milk.

Notice in all cases cold milk was used. Many a child dislikes this nourishing food because it has been served lukewarm. Often chilling the glass in the refrigerator will make the milk more palatable to them. Hou lucky mothers whose children like milk have none of these problems.

Summer Highlights

A barometer reading "fair, steady, clear" could also serve as a forecast of summer fashions. The summer collections are fair, they include steadily continuing trends, and clear promise ahead is indicated that women are going to accept these styles. Essentially the continuing trends are the one-piece look, the beach ensemble (including a cover-up) oriental effects in colorings and prints; sheaths with madarin necklines, hem slashes, frog detailing. There are shirtwaists, step-ins and coat dresses.

Cotton fabrics have surged ahead in summer importance. Cottons are used in every type dress — town, morning, sun, spectator and after five. These materials have an expensive look about them. A silk look, metallic threads, embroidered, beaded and sequined. Sheer cottons are in for another summer whirl, dotted swiss, solid printed, even paids. The dark look is good. Also cottons rate importantly for the all-white look, as do sheers such as batiste, lawn, dimity and voile. The most beautiful dress I saw in New York was white cotton voile with a lace yoke dotted with sequins. And — it was really expensive — something you could make easily.

Short shorts have gained in style imporatnce, while Bermuda and Jamaica styles carry on. Many shorts are cut without waistbands, darted at top for snug fit. New in tops for either shorts or long trousers is the brief, cropped, usually sleeveless, box. Some reach to the waist; others are shorter, showing some midriff. They can button front or back, or not at all —just slip over the head.

Announcements

Your Open House shows for next week are as follows: Monday Bess Bain, from Concordia Parish, will show us "Fabrics and Finishes". Tuesday, Betty Sue Rockett, from Caldwell Parish, will give us "Standards in Household Linens". Wednesday, Mary Margaret will bring the three flower arrangement winners, and we'll do some gardening; Thursday, TBA and Friday, marketing and food preparation day with Mildren and Mammy. See you next Sunday.

SUN AND SAND GARDEN CLUB EXHIBITS AT GARDEN CENTER—From left to right Mrs. H. A. Malone and Mrs. C. H. Bird combined talents in creating the line mass arrangement of escarole stems, shasta daisies and yellow calendulas. Mrs. Melton Pickett's arrangement of pale yellow hollyhocks and furled banana leaves in a free form ceramic bowl which Mrs. Pickett made herself. Mrs. Alton Calhoun's triangular line mass arrangement was awarded first place. Canna leaves, yellow snapdragons and shasta daisies.

Sun And Sand Garden Club Has Flower Show

The Sun and Sand Garden Club of the Twin Cities presented a blue ribbon flower show at the Garden Center this week. Congratulations are in order to these club members for winning blue ribbons as this is the first time they have exhibited in a flower show.

Mrs. Alton Calhoun was awarded first place in the arrangement section. For a container Mrs. Calhoun used a rectangular black bowl in which she designed a triangular mass arrangement. Canna leaves were used in the background giving depth and solidity. Yellow snapdragons and shasta daisies filled in the triangular line. Low in the arrangement green and white coleus was used unifying the design and container.

Second place award went to Mrs. C. H. Bird and Mrs. H. A. Malone. A free form brown bowl was used for the triangular design. The pattern was outlined with seed stalks of escarole which are most interesting in form. Shasta daisies strenghtened the line and yellow calendulas were massed in the focal area. This arrangement was characterized by the unusual handling of the materials.

Third place award was given to Mrs. Melton Pickett. A beautiful free-form ceramic bowl in brown (which Mrs. Pickett designed herself) held the line arrangement of furled banana leaves and double hollyhocks of pale yellow. The color and texture of these flowers is very lovely.

In the horticulture class. Blue ribbons were awarded to Mrs. H. A. Malone for cornflowers, and Mrs. C. H. Bird for Gardenia and white rose.

The Garden Center has just received a wonderful gift from Mrs. Fred R. Hayton. It is P. J. Van Melle's book "Shrubs and Trees for the Small Place". This is a welcome addition to our library. Also just received is the Hemerocallis Journal, 1956 Yearbook issue, for your reading pleasure.

Have you been out to visit the Daylily test plot at Northeast College yet? And have you noticed the daylily and nandina plantings outside Hasley Cemetery in West Monroe? These were planted by members of the Green Thumb Gardens Club of the Twin Cities.

Next week members of the Dixieland Daylily and Iris Society will exhibit at the Garden Center. Drop in for a visit.

Crowville Baptists To Have Homecoming

The Crowville Baptist church is having its annual homecoming today.

There will be Sunday school at 9:45 a.m., Preaching at 11 a.m. and lunch will be served at noon.

At 2:30 p.m two deacons will be ordained. They will be Luther Lanier and Myles McDuffie.

Different Ways To Feed Plants

After plants make their first great burst of growth in the Spring, they will slow down and grow in proportion to the amount of food they are getting. If you wish to keep your trees and shrubs growing, now is the time to give them a good feeding. A shrub as high as your knee and a foot or two through will greatly benefit from a big handful of complete fertilizer. First water your shrub thoroughly with the nozzle off. Then stir the fertilizer into a canful of water and pour it around the bush. All of the fertilizer will not dissolve, but you can scatter it around the bush and then spread it with more water from the hoze.

If your trees have not been fed, you can feed them now by the hole punch method. If they were fed earlier, an extra watering will boost them. Lay a sack or a board on the ground and let the water run full force from the hose with the nozzle off for a few minutes. Move around over the area so as to get even distirbution. If you do not have time to attend to this operation, a soak hose is the answer because you can go away and leave it to run slowly.

New plantings of shrubs will greatly benefit from a deep mulch spread over the planted area. It will save watering, keep down weeds until they are shaded out by the shrubs and keep the ground cool in summer. Almost anything will do for this mulch— even old newspaper with a little soil over them to hide them. When the mulch rots, it adds humus to the soil.

Waterlilies and the plants you grow in your pool usually refuse to bloom unless you take them up and replant them in new soil after two seasons. If you have failed to take them up, there is one way to feed them that is usually effective. Mix together equal quantities of soil and bone meal. The soil has to have enough clay in it so that it will stick together in a ball. Sandy soil will not do. Add enough water to make your mixture stick together in balls about the size of tennis balls.

After your bone meal and mud balls have dried out and hardened for a few days, you can drop two of them down through the water right near the crown of each lily plant. In time, the mud balls will spread out and nourish the lilies without clouding the water in the pool. Feed the plants under the water around the edges of the pool the same way. There is not much nitrogen in bone meal, so you will hardly overdo the feeding.

The usual mistake with lilies lies in planting too many to a pool. If your waterlilies cover the whole surface, you can remove one third of the leaves. Ordinarily, this does not prevent the lilies from flowering.

The acutal bidding:

South, 2 spades, West, Pass; North, Pass, East, Pass.
Opening lead: King of hearts.

There is current the impression among a large body of bridge players that the possession of a five card suit must be telegraphed promptly and in no uncertain terms to partner. A good five card suit may be rebid if it suits your convenience, but there is no compulsion about it.

More often than not, the fact that you are in possession of a five card suit is the least important bit of information about your hand, and may, therefore, be subordinated to more vital features. The five card suit may be suppressed for various reasons. A simple rebid in the same suit by the opener is not an encouraging call and where it is desired to urge partner on to further action, some other rebid must be chosen. Remember, it is much more important to describe your hand as a whole than it is to describe your suit.

Another occasion where a rebiddable suit may be neglected in favor of a weaker suit is when an effort is being made to park the hand safely, and no convenient place has as yet been found. Today's hand is an example. South opened with one spade and when partner responded with one no trump, influenced by possession of doubletons in the two other suits, he determined not to stand for the no trump contract. The choice of his rebid, however, was not sound. He elected to show his five card suit and the contract was set 200 points in routine fashion.

Assuming that a rebid is in order, the only proper call is two clubs. If it should turn out the hand belongs in spades, partner can still return to that suit, and if North happens to be short in spades and long in clubs, so much the better. Nine tricks in clubs could have been delivered without the slightest effort.

Where a choice of two bids is open to you in late rounds of the auction, more likely than not the cheaper of the two is the better selection for it permits partner to return to the higher and affords you two chances instead of one.

Record Review

Concert Music

Looking back over the new records for the last year or so, you could well ask what ever happened to Johannes Brahms? There's no need to ask now. A new, brilliant and fully realized recording of "A German Requiem" is at hand (Decca-DX-136).

After hearing this performance, you have a sense of having heard it for the first time—or at least, of not having fully appreciated its import and its beauties before. Maria Stader's singing is almost personal in its power, which is not to diminish the contribution of baritone Otto Wiener. The orchestra was the Berlin Philharmonic, Fritz Lehmann conducting; the choir was that of St. Hedwig's Cathedral and a smaller group.

Also in the field of great interpretative singing is "The Art of Aksel Schiotz" which displays the Danish tenor through a repertoire of Buxtehude, Bach, Haydn, Handel, and Mozart (RCA Victor-LM-1972).

In the field of wonderment is a recording of the performance Beniamino Gigli gave in Carnegie Hall in April 1955, at the age of 65! From what you hear, you can't believe the age of the singer, which makes it seem all the more a pity that so few of his wonderful recordings of the 1920's have been reissued, but then RCA Victor has been much too busy re-issuing Caruso (RCA Victor-LM1972).

Your admiration for the American "boy wonder" conductor, Thomas Schippers, is bound to be enhanced even further when you hear him conducting the Scarlatti Orchestra of Naples through music of the old Italian masters, Vivaldi, Salieri, and Durante. The orchestra, of course, could play this music flawlessly with a robot on the podium; yet you hear Schippers in the aura of exuberant discovery which hangs over all. You understand that youth has discovered old beauties (Angel-35335).

For summer listening—especially outdoors—few things could be more pleasurable than a collection of Spanish fiesta music played by the Hollywood Bowl Symphony, Carmen Dragon conducting. To be sure, the composers of the short bits were mainly non- Spanish (Massenet, Bizet, Glinka, Delibes, and even the Australian, Benjamin) but this is the music we think of as Spanish or Latin, and it is played with dash and excitement in what we think of as Spanish or Latin style (Capitol-P8335).

And as the summer night grows older, a record to follow that one with is "Serenade for Strings" made up of what the record jacket says are "the world's best-loved melodies," and played with most musicianly polish by the Boyd Neel Orchestra Epic-LC3228).

BOOKS

JOHN HERSEY

A single pebble. By John Hersey, Knopf.

Some 30 years ago a young American engineer is sent to see whether a dam may be built on the Yangtse, according to this welcome new novel by an author who spent his first 10 years in China.

From Ichang on to Wanhsien there are spectacular gorges and rapids, and dangerous rocks. The engineer takes passage on an old junk, with the owner Old Big, his attractive wife Su-ling, the cook, the helmsmen, the head tracker Old Pebble.

Old Pebble is content merely to cheer on his team, and can imagine no other future. Su-ling is horrified at any move to change the river on which junks like theirs have traveled hundreds of years. The American wonders how he dares question ancient ways, and is embarrassed to compare to his own youthful ambitions the contentment of these beasts of burden with their philosophical resignation. Or is it only an air of resignation? For as real dangers confront them, they try to propitiate the gods, though not with a modern dam; they reveal pettinesses; they are not so contented but what they cheat; and their own countrymen observe crudities which the American ignored.

This is a novel about a man and woman who miss out on a love affair, about hands-across-the-sea that are not clasped in friendship, about gestures of affection which fade into cool, stony acquaintance. Hersey is neither cynical nor disillusioned, he merely exmines the picturesque and finds it wanting. A young American for all his good intentions and a heart in the right place does not let the wool be pulled over his eyes — nor do his Chinese opposites. A wonderful, tentative, undecided note is sounded in this penetrating novel; here is the unsureness of our unsure world.

W. G. Rogers

Unusual Pictures

Robert Halmi is a capable, successful photojournalist in his early thirties. He dreams up his own assignments and girdles the globe to carry them out — yet I wouldn't step into his shoes and sight through his viewfinder for anything.

His camera missions are too darn dangerous!

Who wants to be dynamited, set afire, pushed out of a plane, submerged under an icy lake, rushed by a lion or spend a week in an unexplored cave? I don't but Halmi does — and has hair-raising picture stories to relive each exciting experience.

There you have Halmi's gimmick, a formula for his brand of photo fame and financial success. He figures out stunts that are too dangerous or haven't been photographed before as a complete series and offers the ideas to magazine editors. Invariably he is challenged to complete the assignment and bring in picture proof. So far he hasn't failed.

"I had to do it that way," he told me, "in order to survive at all in competitive American photography. There are so many good photographers here that I had to offer something unusual.

His life today is built around his dramatic picture ideas. Like the time he set up a camera inside an asbestos suit then remained inside a building which was set on fire. Through the helmet goggles, he was able to photograph the progress of the flames and the efforts of firemen to rescue him.

Or the time he set off a detonating charge next to him and photographed the result with an automatic camera.

One winter he and a companion chopped a hole in the ice of a frozen lake then submerged for two hours while he photographed the other loon — I mean lad — spearfishing.

In Africa he photographed a big game hunt in which bows and arrows were the principal weapons instead of rifles. On a second safari, he hooked up a camera on a rifle and got bulls-eye views of animals charging.

If you want some new ideas, here are several that are in the blueprint stage and you may beat Halmi to them if you hustle.

Very shortly he will follow a novice through parachute training. When he makes his first jump, Halmi will precede him by seconds, close enough to record his expressions on the way down with a telephoto lens on his Leica camera.

Next he plans to do some balloon hopping with camera. This is an old French sport that was banned as too dangerous. He will be tied to a large balloon which is inflated enough to equal his weight. Then when he takes a hop, he can glide 20 to 30 yards or soar over a small tree or house if the winds are right. But if the winds are rough, you can slam into an immovable object, he pointed out.

For a foreign assignment, he has his eyes on Bolivia. Stories persist of a cave on a 10,000-foot-high mountain filled with thousands of vampire bats. It also contains, legend has it, a hidden treasure of Inca gold. Several explorers have died in the course of investigating the tale. It'll make a good picture story with or without the gold, Halmi thinks.

'I'm very happy," he concluded, "that editors are willing to pay me for what I like to do. If they wanted me to make portraits or shoot fashions, I'd be a failure because I hate to do that type of photography.

"My advise to amateurs is to analyze themselves and determine what they like. If they photograph what they like, they'll be happy and most successful at the same time."

Travel

Rock City

Many cities claim to be the "center" of an area, but few are so near to scenes of history and natural beauty as Chattanooga. Situated in eastern Tennessee, at the juncture of six federal highways, it in truly "the scenic center of the South". It is at the foot of historic Lookout and Signal Mountains, near Missionary Ridge of Civil War fame. It is the southern gateway to The Great Smoky Moutains National Park, and less than three miles from Rock City, where centuries of erosion and age-old crinklings of the earth's crust have created a natural city of rock on top of Lookout Mountain. Rock City, with many wild flowers, native trees and shrubs, is beautiful at any season of the year. Here the Enchanted Trail leads over terrain so ruggedly magnificent and beside views so breathtaking that camera fans never have enough film. Among its other attractions, Rock City has a traditional Lover's Leap, but this one is most unusual: from it, on clear days, may be seen parts of seven states — Tennessee, Georgia, Kentucky, Virginia and Alabama, North and South Carolina.

Twin Bill Horror Slated At Delta

Not since "Dracula" and "Frankenstein" broke all boxoffice horror records has the screen offered a combination such as ARC's "Day the World Ended" and "Phantom from 10,000 Leagues."

Two monsters more terrifying than anything ever seen before, with strong science - fiction stories packed with action, and popular stars, make this a top attraction.

They start here Tuesday at the Delta Theatre.

Richard Denning, Lori Nelson and Adele Jergens star in "Day the World Ended," filmed in superscope, story of the only seven survivors after the world is destroyed by atomic elements.

Kent Taylor, Cathy Downs and Michael Whalen top the cast of "Phantom from 10,000 Leagues" is about a strange monster lurking beneath the sea.

Today Thru Wednesday

George Gobel in his first giant screen movie "Birds and The Bees" co-starring Mitzi Gaynor, and David Niven. In technicolor and vista-vision.

Thursday thru Saturday, in cinemaScope and technicolor, Jane Russell and Cornel Wilde in "Hot Blood."

Saturday morning 9:45, ("Our first schools out little rascal movie party") it's fun for all kids from 1 to 101.

Last show Saturday nite starting 11:30 p.m. "Safari" starring Victor Mature, and Janet Leigh in cinemaScope and technicolor.

Snake hunter George Gobel impresses card shark Mitzi Gaynor with his latest trophy in scene from "The Birds and Bees," VistaVision Technicolor comedy arriving today at the Paramount Theater. The television comedian's first film also stars David Niven and Reginald Gardiner.

'Birds And Bees' Shows Unique Gobel Talents

Television comic George Gobel's unique talents will be presented to movie audiences for the first time when "The Birds and the Bees" opens today at the Paramount Theatre. A comedy with music, the lavishly produced Vista Vision, Technicolor film stars Gobel, one of Video's most popular performers, Mitzi Gaynor, David Niven, Reginald Gardiner and Fred Clark.

Made to order for Lonesome George's whimsical personality, the story had him as a millionaire hot dog king's bashful son, whose main interest in life is snake hunting. George spends so much of his time in the wilds of the Congo that he's backward with girls, and when he meets dazzling Mitzi Gaynor on the way home from one of his trips, he's thrown for a loss. What he doesn't know is that Mitzi, her father, Niven, and Gardiner are card sharks, and he's their target for the trip.

The scheme to fleece him hits a snag, however, when Mitzi falls for his shy and naive manner. Trying to be worthy of him, she decides to go straight and has to use all her wiles to protect him from her own father, who is unwilling to let a good thing get away. Complications pile up as George discovers her background before she can get around to telling him, and the romance goes on the rocks. Judging by previewers' reports, unraveling the mix-up results in some very funny goings-on.

Cast alone is a promise of terrific entertainment in "The Birds and the Bees." In addition to Gobel and his card shark companions, movie and television top-notcher Fred Clark is starred. He plays George's sausage-king father and can be counted on always for a fine performance. Harry Bellaver is featured as George's oafish valet, and Hans Conried portrays a con man of great polish. It's a wonderful cast.

"The Birds and the Bees" is a first for Mitzi Gaynor as well as for Gobel. It's the skyrocketing dancing star's first straight role. Considered the hottest talent in film musicals today, her singing and dancing don't get a complete go-by, however. She and George collaborate on two numbers.

Five Explorer Scouts Will Go To Conference

Five Explorer Scouts of the Ouachita Valley Council will attend the "Citizens Now" Conference to be held at the University of Mississippi June 7-9, it was announced yesterday.

The five are Johnny Tettleton and Tommy Malone, both of Farmerville, and Karey Prewitt, Pat Williams and Tommy Caldwell, all of Monroe.

Also attending from the Ouachita Valley Council will be District Executive Charles Horne and adult leaders W. W. Stevens, and J. W. Walters.

Upon returning from the regional conference, the Ouachita Valley Council group will form the steering committee for the Council's own "Citizens Now" conference.

The purpose of these conferences are listed as follows:

"To demonstrate to Explorers that they are participating members of their home and their community today and that the privileges and obligations they have now are as real and as important as they will be when they become adults; to give Explorers the opportunity to meet and listen to outstanding leaders in business, education, religious and social fields; and to bring about a public awareness of the importance of the Explorer program and at the same time, to help Explorers realize they are part of a big and purposeful movement."

Canada's province of Ontario contains 412,582 square miles.

TV notes

Five top eastern football games have been added to NBC's fall schedule as follows: Sept. 29 — Colgate vs. Cornell; Oct. 13—Penn State vs. Holy Cross; Oct. 20 — Syracuse vs. Army; Nov. 3—Navy vs. Notre Dame; Nov. 17—Yale vs. Princeton. These will be seen only along the eastern seaboard.

Mickey Rooney has turned TV producer in association with Screen Gems. He will supervise 39 half-hour films of a series entitled "Calamity Jane," after the fabled western heroine of frontier days. Shooting starts in Hollywood on July 1. Mickey will not appear in the films. Title role not yet cast.

The success this season of the CBS series, "Robin Hood," seems to have turned others to the days of chivalry in England. NBC has signed to present a series entitled "The Adventures of Sir Lancelot" to be seen three Monday evenings out of four beginning at 8 p.m. on Sept. 24. Thhse, like the "Robin Hood" films, will be made in Britain, and it is to be hoped they will be as good.

The final holes of the 15th annual Palm Beach Golf Tqurnament will be telecast from 4 to 5:30 p.m. June 10 by NBC.

ABC's "Masquerade Party" moves to the 10 p.m. spot Saturdays beginning June 30.

Robert Young of Screen Gems' "Father Knows Best" was named Television Father of the Year by the National Father's Day committee.

Laurie Carroll, the brunette vocalist on Johnny Carson's new CBS afternoon show, comes from Cambridge, Mass., won an Arthur Godfrey "Talent Scouts" award and played a leading role in "Plain and Fancy" on Broadway.

Snooky Lanson of "Your Hit Parade" was born in Memphis, Tenn., on March 29, 1919. Married a Nashville girl in 1944. They live in Harts dale, N. Y., with their three children.

June 5 marks the first birthday of CBS' "The $64,000 Question." It paid out $648,608 in cash and awarded 10 automobiles as consolation prizes. Only four persons won the top prize.

Art Linkletter's absence from his "House Party" program on CBS is for five weeks, while he and his wife tour Europe. He'll be back on the show June 25.

STAMPS

Austria has issued a new 2.40 schilling blue stamp to commemorate the "Fifth World Power Conference" to be held in Vienna from June 17 to 23. The design features a world globe on which a bow, symbolizing a meridian, is superimposed. Arrows of different lengths shoot out from the center of the globe indicating the energies available on earth.

Postmaster General Arthur E. Summerfield has announced that effective June 1 there will be a flat charge of 50 cents for registration on each order (regardless of value) of stamps purchased from the Philatelic Agency in Washington, D.C. CAMERA NEWS

ON ICE—That's a hand holding a freshly caught fish. The rest of the fisherman is under the frozen lake. It's the final photo in a stunt picture series by Robert Halmi. They wore arctic survival suits under rubber diving suits to make the pictures.

Unusual Pictures

Robert Halmi is a capable, successful photojournalist in his early thirties. He dreams up his own assignments and girdles the globe to carry them out — yet I wouldn't step into his shoes and sight through his viewfinder for anything.

His camera missions are too darn dangerous!

Who wants to be dynamited, set afire, pushed out of a plane, submerged under an icy lake, rushed by a lion or spend a week in an unexplored cave? I don't but Halmi does — and has hair-raising picture stories to relive each exciting experience.

There you have Halmi's gimmick, a formula for his brand of photo fame and financial success. He figures out stunts that are too dangerous or haven't been photographed before as a complete series and offers the ideas to magazine editors. Invariably he is challenged to complete the assignment and bring in picture proof. So far he hasn't failed.

"I had to do it that way," he told me, "in order to survive at all in competitive American photography. There are so many good photographers here that I had to offer something unusual.

His life today is built around his dramatic picture ideas. Like the time he set up a camera inside an asbestos suit then remained inside a building which was set on fire. Through the helmet goggles, he was able to photograph the progress of the flames and the efforts of firemen to rescue him.

Or the time he set off a detonating charge next to him and photographed the result with an automatic camera.

One winter he and a companion chopped a hole in the ice of a frozen lake then submerged for two hours while he photographed the other loon — I mean lad — spearfishing.

In Africa he photographed a big game hunt in which bows and arrows were the principal weapons instead of rifles. On a second safari, he hooked up a camera on a rifle and got bulls-eye views of animals charging.

If you want some new ideas, here are several that are in the blueprint stage and you may beat Halmi to them if you hustle.

Very shortly he will follow a novice through parachute training. When he makes his first jump, Halmi will precede him by seconds, close enough to record his expressions on the way down with a telephoto lens on his Leica camera.

Next he plans to do some balloon hopping with camera. This is an old French sport that was banned as too dangerous. He will be tied to a large balloon which is inflated enough to equal his weight. Then when he takes a hop, he can glide 20 to 30 yards or soar over a small tree or house if the winds are right. But if the winds are rough, you can slam into an immovable object, he pointed out.

For a foreign assignment, he has his eyes on Bolivia. Stories persist of a cave on a 10,000-foot-high mountain filled with thousands of vampire bats. It also contains, legend has it, a hidden treasure of Inca gold. Several explorers have died in the course of investigating the tale. It'll make a good picture story with or without the gold, Halmi thinks.

'I'm very happy," he concluded, "that editors are willing to pay me for what I like to do. If they wanted me to make portraits or shoot fashions, I'd be a failure because I hate to do that type of photography.

"My advise to amateurs is to analyze themselves and determine what they like. If they photograph what they like, they'll be happy and most successful at the same time."

BOOKS

JOHN HERSEY

A single pebble. By John Hersey, Knopf.

Some 30 years ago a young American engineer is sent to see whether a dam may be built on the Yangtse, according to this welcome new novel by an author who spent his first 10 years in China.

From Ichang on to Wanhsien there are spectacular gorges and rapids, and dangerous rocks. The engineer takes passage on an old junk, with the owner Old Big, his attractive wife Su-ling ,the cook, the helmsmen, the head tracker Old Pebble.

Old Pebble is content merely to cheer on his team, and can imagine no other future. Su-ling is horrified at any move to change the river on which junks like theirs have traveled hundreds of years. The American wonders how he dares question ancient ways, and is embarrassed to compare to his own youthful ambitions the contentment of these beasts of burden with their philosophical resignation. Or is it only an air of resignation? For as real dangers confront them, they try to propitiate the gods, though not with a modern dam; they reveal pettinesses; they are not so contented but what they cheat; and their own countrymen observe crudities which the American ignored.

This is a novel about a man and woman who miss out on a love affair, about hands-across-the-sea that are not clasped in friendship, about gestures of affection which fade into cool, stony acquaintance. Hersey is neither cynical nor disillusioned, he merely exmines the picturesque and finds it wanting. A young American for all his good intentions and a heart in the right place does not let the wool be pulled over his eyes — nor do his Chinese opposites. A wonderful, tentative, undecided note is sounded in this penetrating novel; here is the unsureness of our unsure world.

W. G. Rogers

Snake hunter George Gobel impresses card shark Mitzi Gaynor with his latest trophy in scene from "The Birds and Bees," VistaVision Technicolor comedy arriving today at the Paramount Theater. The television comedian's first film also stars David Niven and Reginald Gardiner.

'Birds And Bees' Shows Unique Gobel Talents

Television comic George Gobel's unique talents will be presented to movie audiences for the first time when "The Birds and the Bees" opens today at the Paramount Theatre. A comedy with music, the lavishly produced Vista Vision, Technicolor film stars Gobel, one of Video's most popular performers, Mitzi Gaynor, David Niven, Reginald Gardiner and Fred Clark.

Made to order for Lonesome George's whimsical personality, the story had him as a millionaire hot dog king's bashful son, whose main interest in life is snake hunting. George spends so much of his time in the wilds of the Congo that he's backward with girls, and when he meets dazzling Mitzi Gaynor on the way home from one of his trips, he's thrown for a loss. What he doesn't know is that Mitzi, her father, Niven, and Gardiner are card sharks, and he's their target for the trip.

The scheme to fleece him hits a snag, however, when Mitzi falls for his shy and naive manner. Trying to be worthy of him, she decides to go straight and has to use all her wiles to protect him from her own father, who is unwilling to let a good thing get away. Complications pile up as George discovers her background before she can get around to telling him, and the romance goes on the rocks. Judging by previewers' reports, unraveling the mix-up results in some very funny goings-on.

Cast alone is a promise of terrific entertainment in "The Birds and the Bees." In addition to Gobel and his card shark companions, movie and television top-notcher Fred Clark is starred. He plays George's sausage-king father and can be counted on always for a fine performance. Harry Bellaver is featured as George's oafish valet, and Hans Conried portrays a con man of great polish. It's a wonderful cast.

"The Birds and the Bees" is a first for Mitzi Gaynor as well as for Gobel. It's the skyrocketing dancing star's first straight role. Considered the hottest talent in film musicals today, her singing and dancing don't get a complete go-by, however. She and George collaborate on two numbers.

Travel

Rock City

Many cities claim to be the "center" of an area, but few are so near to scenes of history and natural beauty as Chattanooga. Situated in eastern Tennessee, at the juncture of six federal highways, it in truly "the scenic center of the South". It is at the foot of historic Lookout and Signal Mountains, near Missionary Ridge of Civil War fame. It is the southern gateway to The Great Smoky Moutains National Park, and less than three miles from Rock City, where centuries of erosion and age-old crinklings of the earth's crust have created a natural city of rock on top of Lookout Mountain. Rock City, with many wild flowers, native trees and shrubs, is beautiful at any season of the year. Here the Enchanted Trail leads over terrain so ruggedly magnificent and beside views so breathtaking that camera fans never have enough film. Among its other attractions, Rock City has a traditional Lover's Leap, but this one is most unusual: from it, on clear days, may be seen parts of seven states — Tennessee, Georgia, Kentucky, Virginia and Alabama, North and South Carolina.

Five Explorer Scouts Will Go To Conference

Five Explorer Scouts of the Ouachita Valley Council will attend the "Citizens Now" Conference to be held at the University of Mississippi June 7-9, it was announced yesterday.

The five are Johnny Tettleton and Tommy Malone, both of Farmerville, and Karey Prewitt, Pat Williams and Tommy Caldwell, all of Monroe.

Also attending from the Ouachita Valley Council will be District Executive Charles Horne and adult leaders W. W. Stevens, and J. W. Walters.

Upon returning from the regional conference, the Ouachita Valley Council group will form the steering committee for the Council's own "Citizens Now" conference.

The purpose of these conferences are listed as follows:

"To demonstrate to Explorers that they are participating members of their home and their community today and that the privileges and obligations they have now are as real and as important as they will be when they become adults; to give Explorers the opportunity to meet and listen to outstanding leaders in business, education, religious and social fields; and to bring about a public awareness of the importance of the Explorer program and at the same time, to help Explorers realize they are part of a big and purposeful movement."

Canada's province of Ontario contains 412,582 square miles.

Twin Bill Horror Slated At Delta

Not since "Dracula" and "Frankenstein" broke all boxoffice horror records has the screen offered a combination such as ARC's "Day the World Ended" and "Phantom from 10,000 Leagues."

Two monsters more terrifying than anything ever seen before, with strong science - fiction stories packed with action, and popular stars, make this a top attraction.

They start here Tuesday at the Delta Theatre.

Richard Denning, Lori Nelson and Adele Jergens star in "Day the World Ended," filmed in superscope, story of the only seven survivors after the world is destroyed by atomic elements.

Kent Taylor, Cathy Downs and Michael Whalen top the cast of "Phantom from 10,000 Leagues" is about a strange monster lurking beneath the sea.

TV notes

Five top eastern football games have been added to NBC's fall schedule as follows: Sept. 29 — Colgate vs. Cornell; Oct. 13—Penn State vs. Holy Cross; Oct. 20 — Syracuse vs. Army; Nov. 3—Navy vs. Notre Dame; Nov. 17—Yale vs. Princeton. These will be seen only along the eastern seaboard.

Mickey Rooney has turned TV producer in association with Screen Gems. He will supervise 39 half-hour films of a series entitled "Calamity Jane," after the fabled western heroine of frontier days. Shooting starts in Hollywood on July 1. Mickey will not appear in the films. Title role not yet cast.

The success this season of the CBS series, "Robin Hood," seems to have turned others to the days of chivalry in England. NBC has signed to present a series entitled "The Adventures of Sir Lancelot" to be seen three Monday evenings out of four beginning at 8 p.m. on Sept. 24. Thhse, like the "Robin Hood" films, will be made in Britain, and it is to be hoped they will be as good.

The final holes of the 15th annual Palm Beach Golf Tqurnament will be telecast from 4 to 5:30 p.m. June 10 by NBC.

ABC's "Masquerade Party" moves to the 10 p.m. spot Saturdays beginning June 30.

Robert Young of Screen Gems' "Father Knows Best" was named Television Father of the Year by the National Father's Day committee.

Laurie Carroll, the brunette vocalist on Johnny Carson's new CBS afternoon show, comes from Cambridge, Mass., won an Arthur Godfrey "Talent Scouts" award and played a leading role in "Plain and Fancy" on Broadway.

Snooky Lanson of "Your Hit Parade" was born in Memphis, Tenn., on March 29, 1919. Married a Nashville girl in 1944. They live in Hartsdale, N. Y., with their three children.

June 5 marks the first birthday of CBS' "The $64,000 Question." It paid out $648,608 in cash and awarded 10 automobiles as consolation prizes. Only four persons won the top prize.

Art Linkletter's absence from his "House Party" program on CBS is for five weeks, while he and his wife tour Europe. He'll be back on the show June 25.

STAMPS

Austria has issued a new 2.40 schilling blue stamp to commemorate the "Fifth World Power Conference" to be held in Vienna from June 17 to 23. The design features a world globe on which a bow, symbolizing a meridian, is superimposed. Arrows of different lengths shoot out from the center of the globe indicating the energies available on earth.

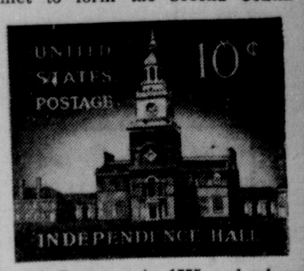
Postmaster General Arthur E. Summerfield has announced that effective June 1 there will be a flat charge of 50 cents for registration on each order (regardless of value) of stamps purchased from the Philatelic Agency in Washington, D.C. Stamped envelopes, postal cards and souvenir sheets will be counted as stamps in figuring the rate.

Additional charges will be as follows: 5 cents for postage and handling orders from 1 to 100 stamps, 10 cents — 101 to 300, 15 cents — 301 to 700, 20 cents — 701 to 1000, 30 cents — 1001 to 2000, 40 cents — 2001 to 3000, 50 cents — 3001 to 4000, 60 cents — 4001 to 5000 and 75 cents for over 5000.

Independence Hall, where the Declaration of Independence was signed on July- 4, 1776, appears majestically on the newest U.S. 10 cent stamp to be issued appropriately this July 4.

This stamp will be the 18th and final in the new regular series and will be placed on first day sale in Philadelphia on Independence Day.

Independence Hall is not only the site of the famed signing of the Declaration of Independence but also where American patriots met to form the Second Continental Congress in 1775 and where George Washington was chosen Commander in Chief of the Continental Army.



The Liberty Bell also is housed in this historical building.

The central design of the new 10-center features Independence Hall reproduced from a drawing by an artist in the Bureau of Engraving and Printing. The view shows the south side of the building as seen from Independence Square.

Stamps collectors desiring first day cancellations may send their addressed envelopes to the Postmaster, Philadelphia, with money order remittance to cover the cost of the stamps to be affixed. The outside envelope to the postmaster should be endorsed "First Day Covers."

How To Check Overall Cost Of Weddings

Wedding costs, like the wedding themselves, have changed little in recent years.

So reports George N. Horwich, an expert who totes up such figures every day.

Horwich, who heads a consultant service called Weddings, Inc., Chicago, says there have been increases and decreases in items such as flowers but the over-all totals have held steady for three or four years.

He plied pencil on his printed estimate sheets and calculated the costs of three kinds of weddings—small, medium and big — in Chicago. ("Every city and town has local variations," he observed.)

In each of the three, the ceremony is held in a church. The guests of the first one then go to a hall for refreshments. In the second the guests to to a hotel in a residential area for beverages and buffet lunch. In the third they ride to a fashionable downtown hotel for dinner and all the musical and decorative frills.

The cost controls are the place and type of reception, and the number of guests.

Here are this expert's average budgets:

100 GUESTS

Comfort Is The New Keynote For The Well-Dressed Groom

COOL and comfortable is this groom for his summer wedding. He wears a white silk shantung dinner jacket, tucked batiste shirt.

Gone are the days when the wedding guests spoke only of the beautiful bride. Now they're talking about the well-dressed groom, too.

So we queried the Men's Fashion Authority, an organization of 26 top manufacturer's of men's wear, on what the handsome American groom is wearing now.

The experts emphasized that correct attire is no longer synonomous with discomfort. Such old instruments of torture as the hot, heavy dress suit, the stiff-as-a-board shirt and the throat-cutting collar are as dead as the dodo.

Instead, wedding clothes of the lightest fabrics — feather-weight wools, tropical worsteds and silk shantung are the vogue. This gives the groom a chance to express a bit of individuality.

Some Deciding Factors

Of course the bride and groom together decide on the degree of formality. This plus the time of day determines the type of wedding clothing to be worn.

The groom in his cut-away, ascot and striped trousers is still the correct formal picture afternoon church weddings. The strictly formal evening wedding calls for a full dress suit — white tie and tails.

Less formal, but perhaps the most popular of all suits for evening weddings, is the tuxedo. And here's where the groom has an opportunity to make a smart investment in his future wardrobe. He can buy a new tuxedo, and, if at the same time he purchases a white dinner jacket he will have a magnificent attire to escort his lovely wife for years to come — winter and summer.

The tuxedo may be black or midnight blue. The jacket may have a shawl collar or peaked lapels.

Comfortable new dress shirts have emancipated the groom from the hothouse department. Today it is perfectly proper to wear a turndown collar not only with tuxedo but even with a full dress suit.

Some Shirts Are Blue

Some of the shirts available today, might be considered quite revolutionary. A silky sheer broadcloth number features a bosom-front of eyelet embroidered batiste. Others have half pleats and tiny stitched tucks. And still others are being made of pale blue fabrics.

In cummerbunds, however, the bridegroom should stick to the traditional black with black tuxedo and blue with midnight blue tuxedo.

The perfect shoes for full dress are pumps. Many men prefer an oxford and this is acceptable.

A full dress suit still calls for a top hat but the man who wears a tuxedo may don a lightweight black felt hat.

If the tone of the wedding is simplicity and the ceremony is either morning or afternoon —and the bride is wearing an afternoon dress — the groom may wear a navy blue suit, white shirt and a navy four-in-hand tie.

Comfort Is The New Keynote For The Well-Dressed Groom

COOL and comfortable is this groom for his summer wedding. He wears a white silk shantung dinner jacket, tucked batiste shirt.

Gone are the days when the wedding guests spoke only of the beautiful bride. Now they're talking about the well-dressed groom, too.

So we queried the Men's Fashion Authority, an organization of 26 top manufacturer's of men's wear, on what the handsome American groom is wearing now.

The experts emphasized that correct attire is no longer synonomous with discomfort. Such old instruments of torture as the hot, heavy dress suit, the stiff-as-a-board shirt and the throat-cutting collar are as dead as the dodo.

Instead, wedding clothes of the lightest fabrics — feather-weight wools, tropical worsteds and silk shantung are the vogue. This gives the groom a chance to express a bit of individuality.

Some Deciding Factors

Of course the bride and groom together decide on the degree of formality. This plus the time of day determines the type of wedding clothing to be worn.

The groom in his cut-away, ascot and striped trousers is still the correct formal picture afternoon church weddings. The strictly formal evening wedding calls for a full dress suit — white tie and tails.

Less formal, but perhaps the most popular of all suits for evening weddings, is the tuxedo. And here's where the groom has an opportunity to make a smart investment in his future wardrobe. He can buy a new tuxedo, and, if at the same time he purchases a white dinner jacket he will have a magnificent attire to escort his lovely wife for years to come — winter and summer.

The tuxedo may be black or midnight blue. The jacket may have a shawl collar or peaked lapels.

Comfortable new dress shirts have emancipated the groom from the hothouse department. Today it is perfectly proper to wear a turndown collar not only with tuxedo but even with a full dress suit.

Some Shirts Are Blue

Some of the shirts available today, might be considered quite revolutionary. A silky sheer broadcloth number features a bosom-front of eyelet embroidered batiste. Others have half pleats and tiny stitched tucks. And still others are being made of pale blue fabrics.

In cummerbunds, however, the bridegroom should stick to the traditional black with black tuxedo and blue with midnight blue tuxedo.

The perfect shoes for full dress are pumps. Many men prefer an oxford and this is acceptable.

A full dress suit still calls for a top hat but the man who wears a tuxedo may don a lightweight black felt hat.

If the tone of the wedding is simplicity and the ceremony is either morning or afternoon —and the bride is wearing an afternoon dress — the groom may wear a navy blue suit, white shirt and a navy four-in-hand tie.

STEVE, I'D DIE IF ANYONE KNEW I'M IN LOVE WITH GENERAL TOWN... BUT MY SECRET IS SAFE, BECAUSE NO SANE PERSON WOULD THINK THAT A MOUSE LIKE ME COULD LOOK AT SUCH A MAN AS SHANTY!

I BELIEVE IT, THUMBS! ...AND BLESS YOU FOR THAT! BUT HE HAS SUCH A LOVELY WIFE AND CHILDREN THAT NO ONE WOULD THINK OF OLD THUMBS AS THEIR RIVAL

SO I DON'T FEEL SO SINFUL!... I GET A CHANCE TO MOTHER-HEN HIM—AND THAT'S ALL I CAN EXPECT... IF HE EVER GAVE ME SO MUCH AS A SECOND LOOK I'D DROP MY FALSE EYELASHES—IF I OWNED ANY...

I WISH I WAS BEAUTIFUL...

I THINK I'M GOING TO BAWL...

SAY, MISTER, YOU'RE PARKED NEAR A SECURITY AREA! YOU HAVE NO WINDSHIELD STICKER, SO I-- RENTED CAR SERGEANT! HERE'S MY IDENTIFICATION...

DIDN'T MEAN TO BUTT IN, COL. CANYON, BUT WE HAVE TO CHECK! DID YOU SEE THE DAME HE WAS SMOOCHIN' WITH? IT'S OL' LOO-TENINT THUMHILL — OF ALL PEOPLE!

LILLIAN THUM-HILL? I TELL YAH WE SAW 'EM! GEE! THUMBS? YEP! OF COURSE I'M SURE! WELL! WHADYA KNOW- GOOD FOR LIL!! AND I HAD MY EYE ON CANYON! WOW! NO!? MM-HMM OOOH!

WELL, DORIS, I DON'T MEAN TO GOSSIP, BUT FROM WHAT I HEAR ABOUT LILLIAN THUMHILL AND THAT NEW LIGHT COLONEL CANYON, YOU AND SHANTY DON'T NEED TO WORRY ABOUT HER SPENDING SO MUCH TIME SITTING WITH LEESA! SHE SEEMS TO DO WELL IN THE HOURS LEFT OVER!

George Pledges Fight In Senate To Restore Aid

Says House Slash In Foreign Aid Is 'Too Great' A Cut

WASHINGTON, June 2 —UP—Sen. Walter F. George (D-Ga.) served notice Saturday that he will fight to restore part of the billion-dollar slash in President Eisenhower's foreign military aid program voted by the House Foreign Affairs committee.

George is chairman of the Senate Foreign Relations committee which may begin work on the aid bill next week. He told the United Press the House committee's cut was "too great" and could seriously impair the effectiveness of the NATO defense alliance in western Europe.

The Democratic foreign policy leader said "some cut may be justified" in Mr. Eisenhower's $3.1 billion military budget but it ought not to be deep. He voiced hope that the House, which is scheduled to act on the aid bill Wednesday or Thursday, will "partially" restore the committee's cut.

If not, George made clear, he will lead a drive in the Senate for a military aid authorization somewhere between the sum approved by the House committee and the sum sought by the President.

Prospects for the House overruling its foreign affairs committee appeared dim. There are indications administration forces will forego any real effort to restore the cut on the house floor.

Rep. John M. Vorys (R-Ohio) a ranking GOP member of the House Foreign affairs committee, said he had not yet decided whether he will offer an amendment to restore any of the funds.

Vorys favored some reduction but sharply opposed the heavy cut.

Another committee member said he did not think the house would be in a mood to restore the funds. The committee approved the cut by a vote of 18 to 11.

Two Monroe Men Plan To Attend Banking Course

Two Monroe bankers, as well as numerous other persons from financial institutions throughout the nation, Monday will enter a two-week school of banking held annually in Baton Rouge.

Grayson Guthrie, vice - president of the Central Savings Bank and Trust Company, and J. Herbert Walker, manager of the Fourth street branch bank of the Ouachita National Bank, will attend.

This will be Guthrie's first year in the school, and the second year for Walker.

The course is held each June and for three successive summers. Through the winter it is carried on by correspondence and all phases of banking from nationally well known bankers and college professors will be presented.

At the end of the third year the men who have taken the course will be given what amounts to diplomas attesting the studies completed successfully.

This will mark the seventh session of the School of Banking of the South conducted by bankers associations of nine Southern states, and LSU.

This is, in effect a post-graduate course in banking problems which involves two weeks of hard study, and a set of correspondence courses between sessions.

It is a three year school after which the banker-students successfully completing the prescribed study will be graduated. Expected to receive diplomas at formal exercises on June 16 are bankers.

In the second year class, more than 100 bankers will return for further study, while 122 will be on

Long's Attempt To Write New State Constitution Near Legislative Action

BATON ROUGE, June 2 (AP)—Gov. Earl K. Long pits his new political power against time-tested odds in trying once more for a Louisiana constitutional convention.

One of the top features in the 1956 Legislature, which returns for the fourth week of its 60-day session Sunday night, is Long's proposal for a 1957 convention.

Recent political history points to a struggle ahead.

Long tried twice, in his 1950 regular Legislature and again in a special session a month later, to draft a convention. He had to abandon the whole idea.

Under former Gov. Robert Kennon two efforts were made—in the 1952 and 1954 regular sessions—to pass a convention bill. But the sponsors failed. Kennon, unlike Long, never got behind the idea and shoved with all his might.

Public organizations such as the Public Affairs Research Council have pointed to the need for constitutional revision. And Long apparently commands as much legislative strength as he ever had.

In its legislative journey, requiring a two thirds vote in each house, the convention amendment faces the country bloc. The rural legislators are determined to resist any step toward reapportionment of the Legislature because they fear a disturbance in the balance between city and country.

Last week, some 30 rural house members organized to block any reaportionment. Rep. Willard Rambo, cigar-smoking chairman of the group, declared: "we're not here to hinder or further the administration—but if reapportionment passes and the cities get more power, we might as well sit home because they'll take care of our business here."

Rambo's group hasn't spoken out about a convention. But rural

Cancer Fatal To Veteran Screen Actor Hersholt

HOLLYWOOD, June 2 (AP)—Actor Jean Hersholt, the kindly Dr. Christian of movies and radio, died of cancer today after a year-long siege of operations and illnesses.

Had he lived until July 1, he would have been 70.

The onetime Danish immigrant, 50 years an actor, had received in his liftime such honors as knighthood from his native land; two special movie Oscars, honorary degrees from four American colleges and, only last month, one of the biggest civic testimonials in Hollywood history.

He died in the nearby Beverly Hills home where he had lived for more than 30 years. With him at death was his wife, Via, to whom he had been married 42 years.

Dr. Maynard Bransma said death was caused by progressive cancer of the pancreas.

Hersholt's philanthropies earned him the love and respect of the film industry.

Hersholt served four years as president of the Academy of Motion Picture Arts and Sciences. From the academy he received two special Oscars, in 1939 and 1941, for his activities on behalf of his fellow actors.

Hersholt was a founder of the Motion Picture Country Day Home and, for 18 years, headed the relief fund which took care of needy actors in their old age.

Veteran actor Charles Coburn said:

"Jean had a glorious knack of making actors who were broke feel they were not accepting charity—just the comfortable retirement that their work through the years had earned them."

The world, in recent years, had known Hersholt only as the beloved Dr. Christian. But his success as the villain with Mary Pickford in "Tess of the Storm Country" made him one of the most sought-after heavies of the silent movies.

Fair And Mild Weather Outlook

Fair and mild today and partly cloudy and warm tomorrow is the weather outlook for Louisiana.

Generally fair and mild is also forecast for Arkansas. Widely scattered thundershowers are predicted for the northwest portion Monday.

Maximum and minimum temperatures in the Monroe area yesterday were 78 and 55 degrees, according to the CAA station at Selman Field.

Miscellany In The News

NEW ORLEANS, June 2 (AP) — Three federal judges today took under advisement a Louisiana Public Service Commission petition asking a review of the Securities and Exchange Commission order which directed the Louisiana Power and Light Company to dispose of its non-electric properties.

Robert Ainsworth Jr., commission attorney, said the separation would cost rate payers $957,193 more annually.

Company attorneys said no benefits would result by the separation.

SEC attorneys said they saw no reason why the petition should not be dismissed.

NEW ORLEANS, June 2 (AP) — The New Orleans Times-Picayune said today it found gambling in progress at three nightspots in nearby Jefferson Parish.

The games of chance, it said, included poker, blackjack and another card game known as monte. In one place reporters were told if they "hit the jackpot" on an electronic device the house would pay off.

SHREVEPORT, La. June 2—UP — The Louisiana Methodist Conference will return here for its 1957 meeting.

The decision was made as the 1956 conference closed Friday with the approval of a budget of $188,812 for benevolent work in the conference and world services.

In other final day action it was voted to hold the pastors' school here this year from Aug. 27-31. All church appointments for the coming church year were announced by Bishop Paul E. Martin of the Louisiana-Arkansas area.

Some 800 delegates attended the four-day conference on the Centenary College campus.

M'Keithen Hits Long Plan To Revise LPSC

Longtime Ally Of Governor Objects To Extended Term

BATON ROUGE, June 2 (AP)—Public Service Commissioner John J. McKeithen, a long time political ally of Gov. Earl Long, said today he opposed a Long plan to revise the Public Service Commission.

The proposal would increase commission membership from three to five, extend the terms of present members and allow the governor to name two additional commissioners.

McKeithen said, "under no circumstances do I feel that I should ask or be placed in a position of acquiescing in any legislation which tends to extend the term of office to which the people of north Louisiana elected me."

McKeithen was Long's House floor leader during his 1948-52 term and ran for lieutenant governor in 1952, backed by Long. He was an active speaker during Long's last campaign for governor.

"I had nothing to do with sponsoring of this legislation," McKeithen said, "but I shall request the Legislature to amend the bill so that my own term of office would not be extended."

He said he would make the request when the bill comes before a House committee for study. McKeithen refused comment on other portions of the bill.

Other commission members are Nathaniel B. Knight Jr. of Gretna and chairman Wade O. Martin Sr. of St. Martinville.

Power Disrupted

Three Monroyans Injured In Delhi Auto Collision

Three Monroe residents, one in a critical condition, were receiving treatment at St. Francis hospital last night as a result of injuries suffered at about 6:30 a.m. yesterday in a traffic collision at Delhi which caused a morning long power failure over a wide area.

Most seriously injured was Mrs. Warren N. Lasyone, 42, of 305 South McGuire Avenue, Monroe, who suffered a fractured skull, a fractured nose, a fractured jaw and a broken ankle. Her husband, received five broken ribs, and her niece, Edna Whatley, 13, suffered injuries of the chest and ankles.

Delhi police said a car driven by Lasyone was in collision with a pickup truck operated by L. C. Roberts of near Delhi at the intersection of Highway 80 and Chatham street. They said Lasyone, who was headed east on Highway 80, apparently ran the redlight at the intersection, his car striking the pickup and careening into a power line pole on his right. The impact broke the pole, causing an electric power failure throughout Delhi except on the extreme south end and over a wide portion of outlying area, police reported.

Electric power service was restored at 12:30 p.m. Police said the impact of the car apparently blew a transformer. They were still investigating the accident late last night and expected to hear from more witnesses today.

The three patients were treated at the Delhi clinic and later transferred to St. Francis.

8 Russian Church Leaders Arrive For Tour Of U. S.

NEW YORK, June 2—UP—Eight Russian church leaders arrived here Saturday for a 10-day lesson in religious freedom in the United States.

They got their first taste of democracy the moment they stepped onto American soil for the first time. While officials of one religious organization shook their hands in welcome, members of another picketed the airport terminal to protest the visit of "spies."

The visitors' Scandinavian Airlines plane touched down at Idlewild international airport at 3:25 p. m. edt, nearly six hours late because of bad weather. They were whisked off shortly afterward for plush suits in the Waldorf-Astoria hotel towers, where such famous Americans as former President Herbert Hoover and Gen. Douglas MacArthur reside.

Rain-soaked pickets, organized by the American Council of Christian Churches, charged the visitors were Soviet agents, rather than true ministers.

Top Russian Bosses Greet Marshal Tito

MOSCOW, June 2 (AP)—President Tito of Yugoslavia, arriving for a triumphal state visit, declared today the Communist nations would never again be split as they were when the Kremlin tossed Tito aside in 1948.

Tito, resplendent in his gold braided marshal's uniform and with cheers of thousands of Russians ringing in his ears, said in a speech broadcast from gaily decorated Kievsky railroad station:

"The spirit of Lenin's principles of collective leadership are such that I am sure there never again will be misunderstanding among the nations of the Socialist (Communist) camp."

Standing beside Tito in brilliant late afternoon sunshine as he spoke were Premier Nikolai Bulganin, Communist party chief Nikita Khrushchev, and President Klementi Voroshilov.

Others included newly appointed Foreign Minister Dmitri Shepilov and the veteran old Bolshevik he succeeded, V. M. Molotov.

Tito came to Moscow to patch up what differences remain between him and the present Soviet leadership. There was wide belief that last night's naming of Shepilov, a friend of Tito, as foreign minister, had been timed to coincide with the arrival of Tito, who has little love for Molotov.

Thousands turned out to give Tito the biggest welcome Moscow had seen since the arrival of Indian Prime Minister Nehru last year.

Tito did not hesitate to refer to what he termed the "difficult" period after the 1948 break between Yugoslavia and the Communist countries led by the Soviet Union. Molotov, as foreign minister under Premier Stalin, played an important role in bringing it about.

Speaking in Russian with a heavy Yugoslav accent, Tito declared:

"We have come with the best wishes of our people. We were very happy to receive your invitation to see your wonderful country. It is not necessary to repeat that your efforts in constructing socialism have achieved great results. Since the days of the October Revolution and through the years of the great patriotic war the hearts of the Yugoslav people have been with you."

TITO ARRIVES IN SOVIET UNION—Yugoslavia's president, Marshal Tito, returns the salute of the honor guard on the station platform in Kishenev, Soviet Moldavia, as his special train arrived in the Soviet Union en route to Moscow on a state visit. Others are unidentified. In what observers saw as another Russian move to make peace with Tito, the Soviets replaced old Bolshevik V. M. Molotov with Dmitri Shepilov as foreign minister. Gas-Gathering Taxes In Louisiana Opposed By Chamber Of Commerce

Grayson Guthrie, president of the Monroe Chamber of Commerce, has informed members of the House Ways and Means Committee that passage of a bill calling for increased gas-gathering taxes in Louisiana could lose to this area the planned $40,000,000 expansion program at Olin-Mathieson Corporation in West Monroe.

The statement was made in a letter mailed Friday to all members of the committee in an attempt to halt passage of the bill there. The bill—House Bill 120 — will come up in committee at 9 a.m. Monday.

Guthrie, although quoting no Olin sources for his information, took a dark outlook on the huge company's plans if the bill is passed.

"Frankly," he said, in the letter, "we are faced with losing a $40,000,000 expansion of the Olin Corporation if the bill goes through! This isn't a threat posed on us by Olin; instead, it's just common sense. They simply have no incentive to go ahead with their plans if they are faced with increasing costs on gas."..... .....

The gas gathering bill would call for an increase of from one cent per 1000 cubic feet to 3½ cents per 1000 cubic feet, and has been strongly protested by a number of civic groups and large industrial firms.

The whole of Guthrie's letter follows:

"As President of the Monroe Chamber of Commerce, I want to

Only 7 Changes In Pastors Made By Methodists

At the closing session of the Louisiana Methodist Conference in Shreveport Friday, assignments for the coming year were read. In Monroe and West Monroe, no changes were reported. Claiborne church, however, was assigned a new pastor who is Rev. D. F. Anders.

Bastrop, at a newly established church, will have as pastor, Rev. B. B. Forman, while Kilbourne church will have as pastor Rev. John D. Bell. The former pastor, Rev. S. L. Lantrip, will retire. Bonita will have as pastor, Rev. G. L. Cagle, while the former pastor, Rev. F. E. Sterrett, will be assigned to Pine Grove.

Ferriday's new pastor will be Rev. J. P. McKeithen, to succeed Rev. D. W. Alverson, who goes to the pastorate of the Napoleon Avenue church in New Orleans.

The First Methodist church in Rayville will have Rev. W. D. Boddie as the new pastor, while

$180 Million For School Bonding Authority Sought

BATON ROUGE, June 2 (AP)—The Louisiana Legislature, in a new bill tomorrow will be asked to create a state school building commission with power to issue 180 million dollars in bonds.

It will be the second legislative effort within a year to place the state in the business of helping parishes construct public schools. The state, in effect, would provide matching funds on a 50-50 basis.

Rep. Horace Lynn Jones, Calcasieu Parish, said he will introduce the proposal when the House of Representatives returns Sunday night.

The bonds would be based on fixed revenues established by revising the existing parish property taxes on natural gas pipelines.

Jones said parish assessments vary, and the legislation would establish a statewide, uniform tax rate under supervision of the new school building commission.

To make up the loss to parishes in property taxes, Jones explained, parishes would for the first time in Louisiana history receive state help in school construction costs.

Jones already has sponsored, with the help of two Gov. Earl Long Senate leaders, a tax boost in the gas gathering levy to finance teachers pay raises.

The 1955 fiscal Legislature, under former Gov. Robert Kennon, okayed a 33-million dollar bill which would have granted state aid to local school construction.

Kennon vetoed the big bill, contending both before and after it was introduced and passed, that such steps would jeopardize state funds already spent for education.

While the state provides the bulk of educational expenses, it leaves to parishes and cities the job of finding their own tax money to build elementary and secondary schools.

Rep. Jones, a House leader in sponsoring educational bills, said the new uniform tax rate should

300 Killed In Massive Attack On Stronghold

Four-Month Rule Of South Algeria By Rebels Broken

ALGIERS, June 2 —UP— Two French divisions snapped shut a deadly trap Saturday on five Algerian rebel groups under turbaned General Si Amrouche, killing nearly 300.

French authorities called it "the biggest battle of the year."

They said French troops also captured more than 150 in three days of fighting in the wild Petite Kabylie Mountains, 35 miles miles south of Bougie.

Several hundred rebels were reported reeling Saturday under constant hammering by field artillery and war planes.

The rebels under self-styled General Si Amrouche were said to be regrouping, apparently for a desperate attempt to break out of the triangle trap near Lafayette.

For four months the rebels ruled the area between Abkou in the north, Bordj Bou Arreridj in the south and Lafayette in the east.

French troops drove toward the center of the craggy, cave studded area Saturday. They used knives, bayonets and gun butts in scattered close fighting.

Army sources said the mop-up should be completed soon when the 29th Infantry Division has linked up with the Seventh Rapid Mechanized Division that carried the brunt of the three-day battle.

Fighting started when Amrouche's units were engaged by Gen. Gerard Baufre's Seventh Division.

French scouts uncovered camouflaged repair shops, a dug-in ammunition workshop, tons of food supplies, two workshops turning out hand-grenades and a stock of U.S. Army uniforms.

Scattered rebel bands struck back elsewhere in the 947,552-square mile Algerian tinderbox.

Meeting Of Joint Korean Armistice Group Set Monday

SEOUL, June 2—UP—The Communist military high command Saturday called the United Nations allies to a face-to-face meeting Monday, presumably to denounce the UN order ousting neutral truce inspectors from South Korea.

The Communist call was made as Radio Peiping bitterly attacked the expulsion move as an attempt to "wreck" the 1953 Korean ceasfire.

The UN armistice delegation at Munsan announced that the North Korean and Communist Chinese military headquarters called a meeting of the Joint Military Armistice Commission for 2:30 p.m. Monday.

The brief UN announcement disclosed only that the Communists "stated that among the subjects to be discussed will be matters concerning alleged violations of the armistice agreement by the United Nations command."

But the Communist radio underscored Red displeasure over the UN ouster order against Polish, Czech, Swiss and Swedish truce inspectors.

The U N military allies charged the inspectors had failed to halt the build-up of Communist forces in North Korea in violation of the ceasefire agreement.

50,000 Indians Battle Policemen In Bombay Riots

BOMBAY, June 2 (UP)—An estimated 50,000 "peaceful resistance" demonstrators clashed with police Saturday in a protest against Prime Minister Jawahar lal Nehru's decision to make Bombay a federal district.

Several persons were injured. Police arrested at least 680 persons, mostly demonstrators.

The clash came as Nehru's ruling congress party met here to discuss the report of a special commission for alteration of India's state boundaries along language lines.

Congress party delegates met under a huge canvas tent, while members of the Maharastrian language group met in protest nearby.

Trouble started when thousands of Maharastrian sympathizers pressed toward the congress campsite where other demonstrators already were squatting on the ground in "peaceful resistance" protest. Some carried red flags and chanted, "we want Bombay."

Presbyterians Plan To Launch Vacation School

Daily Vacation Church school will begin at the First Presbyterian church, Grammont and Catalpa streets, on June 4 and will continue through June 9. The hours will be from 9 a.m. to 11:30 a.m. each day.

The theme of the 1956 Vacation Church school is "The Bible." Each child who attends this school will have an opportunity for concentrated Bible study. Plans have been made to show interesting filmstrips and crafts will be taught in each department. School will be staffed by competent teachers and helpers and children from ages 4 through 13 are invited to attend.

The Kindergarten will provide for children four and five years of age; Primary six, seven and eight years; Junior, nine, ten and eleven years; Pioneer, 12 and 13.

On Saturday, June 9, the Vacation school will picnic at the American Legion home at 5 p.m. All families of the church and their friends are invited. Bring a picnic basket. Drinks will be provided by the church.

Music Clinic To Be Held In June At Northwestern

NATCHITOCHES, June 2 (Special)—Applications are pouring in for the 18th annual summer music clinic to be held at Northwestern State College from June 10 through June 22.

Sherrod Towns, head of the Northwestern music department, sponsors of the special event which brings high school students to the local college campus from all over Louisiana, said enrollment will be limited to 125, so any student interested in attending should get his application in soon as possible.

Classes in band, piano, baton twirling, chorus, and a variety of things connected with music will be taught.

Featured in the teaching staff will be Clarence Sawhill of the University of California at Los Angeles, whose band was seen on television during the Rose Bowl show. Sawhill is one of the top band directors in the country. He will be guest conductor during the last week of the clinic.

Another newcomer, Dr. Victor H. Hardt, chairman of the department of music at the Stout Institute in Menomonie, Wis., will be the summer band director.

Adam West of Shreveport will teach classes in elementary, intermediate and advanced twirling and drum-majoring, while Hugh Gordon Deen of Columbus, Ga., will conduct choral singing, and Lorane Brittain and Eleanor Brown, both of NSC faculty, will teach piano students.

Towns said the clinic is shaping up this summer as "the finest one we've had since they began." An enthusiastic group of youngsters is expected to take part, with these outstanding consultants, taking part, he added.

Recreation Program Registration Is Set

LAKE PROVIDENCE, June 2—(Special)—Van Hicks, manager of the Lake Providence division of the parish recreation program, announced a new registration date for all boys who wish to enroll in the program.

Monday, June 4, registration will be held at Legion Field, beginning at 7:00 p.m. All boys and adult leaders are requested to be present so that plans can be completed for the games which will begin Thursday, June 7. As soon as the schedule is set up, games will be played on Tuesdays and Thursdays of each week, at 7:00 p.m.

Approximately 125 boys are expected to register and team groupings will be decided as soon as possible. Various merchants and businessmen of the town have agreed to sponsor a team and will furnish T-shirts and caps for their team.

Doctorate Given To Northwestern Faculty Member

DR. ORA WATSON

NATCHITOCHES, June 2 (Special)—Mrs. Ora V. Russell Watson assistant professor of sociology at Northwestern State College, received her Ph. D. degree in sociology at Louisiana State University in commencement exercises held in Baton Rouge Saturday afternoon.

Mrs. Watson, former faculty member at Centenary College in Shreveport and Louisiana Tech in Ruston, and former teacher in the Caddo Parish school system, became the first woman to be awarded the doctorate in sociology in the L.S.U. sociology department. The advanced degree has been granted in this department for the past 25 years.

Her dissertation, entitled "A Comparative Demographic Analysis of Two Louisiana Cities, Baton Rouge and Shreveport," deals with the population growth of these two metropolitan areas, along with other significant factors, such as history, education, religion and occupations.

Dr. Homer L. Hitt, head of the departments of sociology and rural sociology, directed her study. Hitt, also associate dean of the graduate school at LSU, has won wide acclaim for his demographic studies if Louisiana. (Demography means population study).

Mrs. Watson, who has been a member of the Northwestern faculty for the past two years, received a B.S. degree from Centenary in 1937, later obtaining a master's degree from Columbia University in 1942. She was a long-time resident of Shreveport before enrolling at LSU for work toward the higher degree.

She is president of the Louisiana Council on Family Relations, a member of the American Sociological Society, the Southern Sociological Society and the National Council on Family Relations.

State University Awards Hodges Doctor's Degree

DR. STANLEY HODGES

Stanley E. Hodges, Jr., son of Mr. and Mrs. Stanley E. Hodges of Monroe, received the degree of doctor of medicine from Louisiana State University School of Medicine on June 2 in Baton Rouge.

Dr. Hodges received his high school education at St. Matthew's Catholic High school, graduating in 1948 and, then attended Northeast Junior College for two years, where he took a pre - medical curriculum.

In 1950 Dr. Hodges entered Louisiana State University in Baton Rouge, where he was graduated with a B. S. degree in 1952 and the following year entered the Louisiana State University School of Medicine in New Orleans.

He will return to Monroe, where he will visit with his parents until the end of June, when he will leave for Shreveport where he will be affiliated with the Confederate Memorial Hospital for the coming year.

89th Birthday Is Celebrated By Oldest Eros Man

EROS, June 2, (Special)—E. V. Waller, the oldest citizen in this community, celebrated his eighty-ninth birthday June 1.

Waller was born in Georgia on June 1, 1867. He came to Louisiana in December, 1873. He has resided in Ouachita and in Jackson continously since coming here.

Waller recalls his arrival in Monroe. The depot was in the vicinity of Five Points. His family crossed the Ouachita on a ferry. The banks of the river were very muddy and he recalls that a Negro man took him in his arms and carried him up the river bank. A wagon and team was awaiting them. The Waller family moved to a farm in the Cadeville community. Here the boy grew to manhood.

He has been married twice. His first wife, nee Miss Mittie Reeves, passes away several years ago. Three children were born to this union, two sons and a daughter. Only the daughter, Mrs. Fannie Holm of Shreveport, survives. In 1949, Mr. Waller and Mrs. Lula Womack were united in marriage. They make their home in Eros.

Waller is a member of Eros Baptist Church and of the Eros Masonic Lodge.

In spite of his age, he is active, although his eye sight is poor. His greatest interest right now is an oil well that is being drilled on his land in the edge of Ouachita.

Race Riot In The Far North

Integration of the races, in its rare fruit and flower, as laid down by the legislative edicts and judicial fiats of the U. S. Supreme Court—that strange body of politicians which has cast law and precedent and the federal Constitution to the winds, in favor of Marxist inspired doctrines of pseudo-scientists and soothsayers—received a test this week aboard a Lake Erie amusement park vessel running from Crystal Beach in Ontario to Buffalo, N. Y.

On this vessel were hundreds of persons—eighty per cent of them Negroes, 20 per cent whites—with Negro teen-agers apparently predominating.

After a day of rioting at the amusement park, instigated and led by the Negroes, so the press accounts say, the black teen-agers took over the vessel on its "pleasure trip."

Scenes of bloodshed and horror ensued.

Margaret Wynn and Dick Hirsch, of the Buffalo Courier-Express, trained and skilled and impartial observers, were aboard the triple-decked vessel.

According to the Associated Press they reported that "Nearly 40 white youngsters, several beaten or cut, cowered below decks in the ship's dining room for most of the trip after being attacked or threatened by the many Negro teen-agers who made up the majority of the passengers.

The Associated Press added, "The reporters estimated that of the approximately 1,000 passengers, 80 per cent were Negroes."

The account of these two unbiased reporters continued:

"Members of the ship's crew and private police vainly attempted to keep order, but when one fight was broken up, another flared in a different portion of the weather-beaten boat.

"Most of the trouble was caused by gangs of Negro girls who walked the deck, attacking and molesting young white girls.

"Firecrackers were carelessly flung at passengers, exploding at their feet. Several received powder burns. Switch-blade knives were brandished. Youngsters were shoved to the deck by the rampaging mobs which rushed back and forth over the decks.

"Many older white persons were segregated by worried crew members. They sat quietly in roped-off sections of the slow-moving ship, attempting to comfort their crying, terrified children."

The scene, as described graphically by the two skilled journalists, is horrible to contemplate.

Here was an instance of primitive people, a few generations removed from complete and utter savagery, reverting to their savage blood-lust, seizing a ship at sea and exacting vengeance against the whites.

The FBI has launched an investigation. Several arrests have been made.

Here is proof, if any were needed, that racial tensions and disturbances are by no means confined to the South, but rather are nationwide, insofar as distribution of the white and Negro races creates the groundwork for friction.

Taxing A Louisiana Industry Out Of Business

The proposed 2½-cent hike in the gas gathering tax, sponsored by Governor Earl K. Long's spokesman in the State Legislature, is a harmful piece of legislation that, if enacted, is bound to have far-reaching adverse effects, in many different directions.

Louisiana already has a gas gathering tax of 1 cent per 1,000 cubic feet, the highest in the nation. With the proposed boost, the levy would reach the fantastic proportions of 38 per cent of the value of the product — a ruinous figure that well might prove a fatal handicap to the production of gas in Louisiana, and serve to drive industry out of the state.

The Long forces, playing both ends against the middle, have sought to tie the exhorbitant and unjustified gas gathering tax hike directly to the proposal for hikes in teachers' salaries. The intent of this maneuver, of course, is plain to everybody. The intent is to enlist the support of all educators and their relatives and friends in a drive to jack up the gas gathering tax.

The existing 1-cent levy yields $12.5 million annually in tax revenue. The proposed hike, theoretically, would bring in an additional $32 million. It might very well, however, put such a damper on gas production and exploration that no such sum would be realized.

Proponents of this tax hike argue that out-of-state interests would pay a major portion of the increase. This is fallacious reasoning. Gas production and distribution are highly competitive enterprises. Louisiana must be in a position to compete with such other gas-producing states as Texas, Arkansas and Mississippi; and with coal-producing commonwealths, where a slight difference in cost may mean a quick conversion from one type of fuel to another. When 38 per cent of the value of a product is slapped on as taxes, Louisiana producers will face heavy if not insuperable obstacles in selling this state's natural gas abroad; while the great industries that have moved into Louisiana, attracted by cheap fuel, will be confronted by tremendous increases in cost.

It is no secret that the Long administration in less than three weeks after taking office has thrown Louisiana industry into an uproar; and plans for multi-million dollar expansion in various communities— some of them in our Fifth Congressional district—are being re-evaluated on the theory that the climate of this commonwealth no longer is healthy for industry.

To look at another faucet of the proposed gas gathering tax boost, many farmers and landowners of the Monroe district own royalty interests in gas wells drilled a number of years ago; running from 3 to 4 cents per 1,000 cubic feet, at the wellheads, with no escalator clause, but for the duration of the wells.

Although the big gas producing companies have been paying the gas gathering tax of 1 cent, they are under no legal obligation to do so, in many if not all instances. Under a recent U. S. Supreme Court decision wellhead production of natural gas is subject to full federal regulation. These land-owners easily may find themselves in the unenviable position of owing a half cent on every 1,000 cubic feet of gas produced, and thus facing financial ruin.

To understand the full impact of the proposed boost, it is currently estimated that the 2½-cent hike in the gas gathering tax would cost Kaiser Aluminum Company in Louisiana $2 million annually. Commercial Solvents at Sterlington and Olin Mathieson at West Monroe are heavy industrial users of Louisiana natural gas. Both companies have been busy recently drawing plans for expansion on a multi-million dollar basis.

The scheme to levy confiscatory taxes on the gathering of natural gas is ill-advised and economically indefensible. It would strike a body blow at industrial growth, hamstring the natural gas industry, penalize every farmer and landowner with present or potential natural gas production, and perhaps kill the goose that lays the golden eggs.

Bascom N. Timmons

IN WASHINGTON

Long-Winded Senate Debates

During the Senate debate on the controversial Natural Gas Bill earlier this year, one senator came up with a compromise he thought would satisfy producers, pipeline companies, and distributors.

"All we have to do," he said, "is tap the Senate. That would give us a cheap and endless supply of gas."

Although he was poking fun at his Senate colleagues for the prolonged debate on the important measure — which stretched over a period of nearly two weeks — the senator was pointing up a problem which seems to be becoming acute.

The problem is illustrated pointedly by the fact that the House, with 435 members all wanting to get into the act, completed action on the same bill in less than two days.

The difference is in the ground rules.

In the Senate, there is no limitation on debate except by unanimous consent. Nor does the discussion have to be germane to the legislation under consideration.

Thus, when a senator gains the floor during debate on a farm bill, for instance, he is perfectly within his rights to give a 20-hour speech on the need for a flood control project in his state. Until he relinquishes the floor, he's on his own.

In the House, it's quite different. Each bill, with a few exceptions, comes to the House floor with a limitation on general debate. In order to speak on the legislation, a member must request part of the alloted time for the GOP or Democratic floor manager for the bill, and must stick to the subject.

When general debate is concluded, the House resolves itself into a so-called Committee of the Whole House for amendments to the legislation. Any member may speak on any amendment, but he is limited to five minutes. By unanimous consent he may acquire additional time, but a majority of the members present may cut off debate at any time. No roll calls are allowed in Committee.

The obvious advantages of the House ground rules are many. Such procedure lends itself to orderly scheduling of legislation, prevents lopsided attention to relatively minor bills, avoids the last minute adjournment rush during which much important legislation gets the once-over-lightly treatment, and leaves members more free time for Committee business and serving constituents.

That the Senate needs some similar ground rules, if such could be worked out without impeding the right to filibuster, is generally conceded. But so far all attempts to vote so-called "cloture" have failed, generally because they failed to leave a loop-hole through which Southern Senators might exercise their right to debate indefinitely legislation affecting the South's social structure.

In the first four months of the current session of Congress, 112 public bills have been enacted into law. Of these, only 30, or 26.7 percent, originated in the Senate.

During the same period 116 private bills were enacted, and only 19 —or 16.4 percent-originated in the Senate.

To accomplish this record the Senate was in session 417 hours and five months, many of them in the evening. The House with nearly five times the number of members, accomplished its record in 175 hours and 36 minutes, with only about six hours spent after 6 p.m.

Senate debate consumed 4,306 pages of the Congressional Record, at an estimated cost of $344,480 or $80 a page, while the House got by with 2,246 pages — at $164,800 cheaper to the taxpayers.

Yet all appropriations bills and tax measures must originate in the House, where the bills must be written, the original hearings conducted, and the basic research done.

Because of its smooth-working set of ground rules, the House is expected to complete its work between July 1 and July 15 this year. It will then set back and wait for the Senate to catch up.

The catching up process is perhaps the major drawback resulting from the Senate's unlimited debate procedure, for while the Senate may spend weeks debating relatively minor bills early in the session when no other legislation is scheduled, it passes bills by the hundreds with only minor or no debate in the final weeks of the session.

Congressional Quarterly

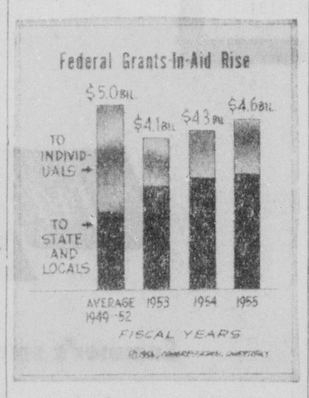
U. S. Grants In Louisiana

WASHINGTON—Federal grants-in-aid to state and local governments and to individuals in Louisiana added up to 130,223,000 in fiscal 1955. With an estimated state population of 2,927,000 this amounted to $44 per capita, in contrast with a national per capita of $28.

In the preceding year, fiscal 1954, federal grants to this state totaled $124,585,000; in fiscal 1953, $137,-479,000, and in the four-year 1949-52 period an average of $167,185,-000.

Federal tax collections in Louisiana in fiscal 1955 totaled $547,459,-000. This amounted to 0.8 percent of total federal tax collections of $66.3 billion. By contrast, the state's share of total grants of $4.6 billion was 2.8 percent. Only 13 of the 48 states paid a larger share of federal taxes than they received of federal grants.

Grants distributed in Louisiana under Department of Agriculture programs totaled $21,991,000. Of this sum, $3,879,000 was for conservation. Health, Education and Welfare programs contributed a total of $71,387,000. Of this total, old age assistance accounted for $48,006,-000, aid to dependent children another $11,319,000.



Other major grant allotments to Louisiana included $7,781,000 for highway construction; $2,414,000 and $1,730,000 for regular and veterans' unemployment compensation programs and $17,249,000 for veterans' readjustment benefits.

The Eisenhower Administration has paid out about $250 million more in grants-in-aid to state and local governments in the past three fiscal years than the Truman Administration distributed in the previous four years.

At the same time, federal grants paid to individuals over the last three years only added up to one-third as much as was paid out during the four Truman years.

These and other facts concerning grants-in-aid were revealed in Congressional Quarterly's annual survey of federal grants and their distribution among the states.

The survey showed that total Grants to state and local governa year during the 1949-52 period, dropped to $4.1 billion in fiscal 1953, then climbed to $4.3 billion in 1954 and $4.6 billion in 1955. Budget estimates indicate grants will total more than $5 billion for 1956 by the end of the fiscal year June 30.

Grants to state and local governments, which totaled more than $8.7 billion in the Truman Administration's 1949-52 period, amounted to slightly less than $9 million in the fiscal 1953-55 period of the Eisenhower Administration. Grants to individuals dropped from an $11.4 billion total in the 1949-52 period to $3.9 billion 1953-55.

All signs point to further increases in the years ahead. Passage of pending federal highway and school construction legislation would add several hundred million dollars a year to the sums turned back to the states in the form of grants.

In the 1949-52 period, grants averaged 10 percent of all federal tax collections. This ratio fell to 6 percent in 1953 and 1954, then rose to 7 percent in 1955 when tax cuts lowered total collections. In all probability, the ratio will remain at 7 percent in 1956, since tax collections as well as grants are rising.

Treasury figures for fiscal 1955, just released, show that the Department of Health, Education and $1.9 billion in grants, or 40 percent of the $4.6 billion total. Largest of HEW's grant programs was old age assistance, which amounted to $920 million. Another $388 million went to the states as aid to dependent children.

Second largest federal grants-in-aid program was the Veterans' Administration's readjustment benefits — $680 million. That sum topped the $670 million distributed by the Department of Agriculture under a dozen programs. Grants of $595 million for highway construction, administered by the Commerce Department, took third place. Thus, grants for old age, dependent children, veterans and highways added up to about $2.6 billion or 56 percent of the $4.6 billion distributed under 92 different programs.

California led all states in the allocation of grants, with a total of $396 million. Five programs accounted for 70 percent of that total; old age assistance, $113 million; veterans' benefits, $58 million; aid to dependent children, $43 million; highways, $39 million and emergency school construction, $25 million. These sums placed California first among the states in grants for old age, veterans and schools, and second (after New York) in grants for dependent children and highways.

Next in order of total grants were New York, $316 million; Texas, $273 million; Pennsylvania, $212 million, and Illinois $173 million. With 30 percent of the nation's estimated 1955 population, the five leading states got 30 percent of all grants-in-aid.

While federal grants often are distributed to states on a matching basis, to meet jointly the costs of what are considered essential programs, allocations vary widely in terms of the resources and needs of individual states. Thus, while grants amounted to only 7 percent of federal tax collections nationally, in Mississippi, where taxes came to $139 million, total grants of $86 million amounted to 62 percent of collections.

Only 13 of the 48 states paid proportionately more in taxes than they received in the form of federal grants-in-aid. Leading taxpayer was New York, which contributed $12.7 billion or 19 percent of total federal tax collections of $66.3 billion in fiscal 1955. Grants of $316 million to New York amounted to only 7 percent of all federal grants.

Wheat For Money

I dare the quiz programs to ask this one: "What is the national debt?"

A student of contemporary affairs would be able to name the "amount" of the present debt, 275 billion dollars, But what is it? it?

If a housewife or businessman spends more than comes in, he goes "in debt."

That means he has to borrow some money from somebody else.

Some assume, therefore, that our national debt is something we've borrowed from other countries.

That is not so.

We have borrowed that money from ourselves. We or our children must pay it back.

But suppose we don't and they won't.

Suppose, as some fiscal figure jugglers recommend, we just keep postponing repayment indefinitly. Well, let's see.

Since Uncle Sam has no rich uncle from whom he can borrow, our government simply prints more money.

Now that sounds like a By George good answer to everybody's problems, until you analyze it.

So . . . forget everything I've said up to here.

Let's start over.

Let's pretend that we United States of Americans used wheat for money.

Instead of something costing so many dollars, it costs so many bushels.

Wheat is money and only the government is allowed to grow it.

If you spend your wheat, you stop spending until you earn more. Or you borrow some wheat from a friend.

Some of your wheat you give to the government for taxes to pay for "services rendered."

But if the government spends all its wheat and still wants to buy a dam or a battleship or a few thousand soldier suits — if the government has no wheat left, but 'still has bills and salaries coming due — what can the government do?

Simply tax you more or grow more wheat.

But wait a minute. Your're already over-taxed.

And the government, if it persists in growing more wheat year after year (printing more and more money), these mountains of grain find their way into trade channels and suddenly everybody has more wheat then he knows what to do with.

Everybody is up to here in wheat! With so much wheat available, it isn't precious any more.

Folks want other things more. . . potatoes, shoes, aspirin.

So wheat loses its value.

Pretty soon, instead of a bushel of wheat to buy an electric toaster, it takes a ton. Then ten tons. Then a hundred tons.

This is inflation.

It is not an exaggeration.

It happens precisely the same way to the value of paper money.

In Germany, currency became so cheap it cost 400,000,000 reichsmarks to buy one postage stamp. Then followed complete economic collapse.

When President Eisenhower says we must reduce the national debt before we cut taxes, he hopes to leave all of us with the same amount of "wheat," but make each "bushel" buy more.

If he does not reverse the recent trend, in your lifetime your dollar may become worthless. After that, anarchy.

Lights Over Broadway

"The Players, 16 Gramercy Park, New York: There is a good book going begging in our land. 'The Haycott Album' recently published by Lippincott. The author is William E. Henning. He created something of a stir a few years ago with his first novel, 'The Heller,' which dealt with juvenile delinx. In his new tome he accomplishes what has not often been achieved in American letters: he has written a brilliant interpretation of the great American middle class. So far, reviewers have missed the boat with this book — either writing their pieces after having read no more than the jacket blurb — or mistaking his work for a somewhat humorous treatment of family life in a small U. S. community.

"Author Henning is truly a fine regional writer — and sadly neglected. I think you, as our only Pepys, might wish to give a footup to one of our better Boswells!—Cordially, Bob Downing."

"New York: Regarding your item that Bridey (Murphy) is pronounced Briddy for Bridget, I beg your pardon. It is Bridey. For Brida (long I) which is the Irish for the English name Bridget. — You're welcome. Peggy Wheeler."

"New York: Friends and family are gasping at the lurid quality of Ivan Obolensky's novel, 'Rogues' March.' In fact, Mrs. O. was so taken aback she promptly left his bed and board when the book was published. Those who've had the strength to read it say it out-Ambers 'Forever A.' Apparently, Mrs. O (the former Claire McGinnis) got the same message and off she exited. The author (who can certainly jot it down) is the son of the former Alice Astor and Col. Serge Obolensky.—W. B."

"Philadelphia: Mitchell Parish, whose lyrics to 'Star Dust' made it an anthem, has just been selected to write the poetry to DeBussy's 'Clair de Lune.' He was picked over every songsmith in the profession. The DeBussy estate has never permitted anyone to put words to the lovely melody. It will be recorded by a Phila. firm in the Fall. Every topflight singer will beg to do it.—M. H."

"White Sulphur Springs, The Greenbrier: The passing of Louis Calhern had me way down. One of the best liked guys show biz ever knew. I once asked him how he won and lost four beautiful wives. He said, 'I had many women in my life but never carried the torch for any of them.' Guess that's one pleasure he missed.—George."

"Washington: There is only one concept more important than that the people should respect the law. That concept, written into our Constitution, is that the law respect the people. The other day in your town a confessed dope peddler pleaded guilty. But he was set free on the ground the police got the evidence illegally. Judy Coplon, a convicted Red spy, was set free on same grounds. Surely the defendant has rights which should be protected; but so have the people! Judges and lawyers think of the people as the State. But not reporters and you should yell your head off about it. The title of criminal actions should be changed. They should not be called 'The People versus the Defendant.' Because it is The Accused versus his Next Unknown Victim. —Regards, C.E."

"New York: Here is another example of slanted reporting. Whenever Murray Chotiner makes news some newspapers give as much space to Vice-President Nixon's name as they do to Chotiner. They stress the fact that Chotiner once aided Nixon's political campaign. This is guilt-by - association at its nadir. Significantly, these same newspapers never mention that Chotiner was a long-time political associate of Mr. Chief Justice Warren. I get so maaad!— Mrs. H.K."

"Los Angeles: Your skepticism about the Moscow chiefs reminds me to send the following quotes from their own speeches. They were uttered at the funeral of Stalin. Said Mr. Molotov: 'All of us are stricken with heavy grief at the loss of Stalin, our Great Leader. He was so near and infinitely dear to us all. We are proud that we worked under his leadership for 30 years. His immortal name will live forever in our hearts' . . . Malenkov went him one better with this hokum: 'The great Stalin taught us to serve the people with boundless devotion. Forward to complete victory of Lenin and Stalin!' I submit this so you can remind the people running Radio Free Europe to use for leaflets dropped over satellite nations. —J.T. Hanning."

"Me Too" Politics

Bastrop, La.

Editor, Morning World:

For the past two years, there has been considerable unrest created by the Supreme Court ruling on May 17, 1954, outlawing segregated public schools. Every A.B. and LL.B, degree lawyer knows that there is nothing to that ruling to be worried about. This unrest was created by politicians playing "Me Too" politics.

Those lawyers fully understand the importance of "State Sovereignty" and the limited political relationships existing between the federal government and the states. They know that the constitution forbids the federal government infringing upon the soverign powers of the states reserved to them by the constitution, and prohibits the states abridging the political rights of citizens, or curtailing the equitable privileges of citizens to be free in the exercise of society, religion, and the advancement of civilization.

In 1875, the Congress attempted to draw the federal government into the domain of "States Rights" by a statute, but in 1883, the Supreme Court ruled the statute unconstitutional saying, "the statute protects social rather than political rights". The distinction between political rights and social rights are too simple to admit discussion. Any ordinary person knows that schools do not function in governmental capacities; they function only in social development of learning and the advancement of civilization.

On May 30, 1909, an outgrowth from a "Social Equality policy" that originated at the President's dinner table in the White House with a Negro school teacher as guest of the President and family, the NAACP was organized. This organization has foolishly been trying ever since, to draw the federal government into the realm of "States Rights" which is strictly prohibited by the constitution of the United States.

On May 17, 1954, the Supreme Court handed down a rulling in a series of NAACP cases, in which the court either improvidently, or designedly on purpose, ignored the constitution and all precedents back to John Marshall in 1833, and overruled the states police power to preserve the peace, to protect public health, to protect the State against the encroachment of moral turpitude, and ruled the state school segregation laws unconstitutional.

In as much as the sovereignty of a state is not subject to court rulings, nor subject to indictment or punishment, and cannot be sued without its consent, this court ruling is a fizzle.

Resigned State Post

New Orleans, La.

Editor, Morning World:

I have resigned as Director of the Louisiana Wild Life and Fisheries Commission effective May 31, 1956.

May I take this opportunity to express to you and your staff my personal thanks, along with that of our Commission members and department personnel, for the support given us by your fine newspaper.

The management and conservation of Louisiana's wild life resources during our term in office has been based on scientific information and the experience of our technical staff, both from training and practical standpoint, and we believe has been basically sound.

Our wild life resources form a large segment of our State's economy, contributing tremendously to the livelihood and recreation of hundreds of thousands of our people. These resources are too vitally important to be carelessly tampered with, and it is our hope that continued progress will be evidenced.

Freedom Of Choice

Monroe, La.

Editor, Morning World:

I am a citizen of Monroe. My family has had chiropractic treatments for a good many years, here and other places. We have all received a lot of good from them, and we believe we should have freedom of choice to go to what ever kind of doctor we prefer. Therefore, we are asking our representatives in government to vote for the bill to license chiropractors in Louisiana this year.

I also believe we are speaking for the majority of the people when we ask for freedom of choice, as we all wish to keep this a free country. This is one of the things our sons, fathers and forefathers fought for to keep forever.

Safe Tax Structure In Louisiana Is Urged

JENA, June 2 (Special) —Pointing out that a good tax structure not only is necessary for the continued operation and expansion of the sulphur industry in Louisiana, Irwin J. Becnel, director of agriculture research for Freeport Sulphur Company of New Orleans, told the Jena Kiwanis club at its weekly luncheon here this week it also is tied in very definitely with other industry which is looking toward Louisiana as possible new plant sites.

"In view of the proposed increase of the severance tax on sulphur from $1.03 per ton to more than $3 per ton, a recent article in Chemical Week, a prominent trade journal in industry, says that chemical industry executives fear a change for the worse in the state's attitude toward industry."

Mr. Becnel also quoted the magazine article further with its statement, . . . "Does the threat of such a tax foreshadow an unfriendly attitude in Louisiana to business in general?"

The speaker stressed that "we at Freeport feel that Louisiana has become a big industrial state, not only because it provided natural resources and raw material but also because it provided the right climate for industry. We hope nothing will be done to change that favorable climate."

If the proposed tax increase was a problem of the sulphur industry alone, it possibly wouldn't have the wide effects on industry as it will have, Mr. Becnel said. However, he pointed out, sulphur is a basic raw material which is required in the manufacture of nearly all manufactured products, including fertilizer, paper, chemicals of all kinds, textiles, paints, and pigments, insecticides, rubber, etc.

About 33 per cent of the sulphur consumed in the U.S. is used to make fertilizers, he said. About three per cent is used to refine petroleum and, he said, for every barrel of crude, it takes almost half a pound of sulphur to refine it. One pound of sulphur is needed in the manufacture of one pound of nylon and about 37 pounds of sulphur is required for the manufacture of one ton of newsprint. Additionally, he pointed out, about 35 pounds of sulphur are used in the manufacture of an automobile.

"So you see, sulphur is of vital importance to other industries and its tax problems are vitally related to the tax problems of other manufacturers," Mr. Becnel said.

However, one important point was stressed by the speaker.

"Sulphur is a highly competitive industry. Only recently huge deposits have been discovered in Mexico and, due to cheap labor, the Mexican-mined sulphur can be offered on the market at a highly competitive price. Already, Freeport has had to cut the cost of its exported sulphur by $3 per ton to meet the competition of Mexican sulphur.

"The pay of a laborer in the sulphur industry in Mexico is considerably lower than in the U.S. —one day's pay for the Mexican worker is equivalent to one hour's pay for the American worker.

"If the tax increase could be passed on to the consumer by raising the price of sulphur it wouldn't be so bad, but this will be impossible due to the tight market in sulphur. If the tripled tax is voted on sulphur, it will mean only one thing — a retrenchment of operations by the sulphur mining industry in Louisiana."

The present rate of $1.03 per ton severance tax on sulphur was written into the state constitution by a vote of the citizens of the state. Since then, the cost of production has increased 160 to 180 per cent whereas the price of sulphur has increased only slightly less than 50 per cent. Also, since the tax was voted in 1938, the production of sulphur has increased some 500 per cent, resulting in a 500 per cent increase in tax revenues to the state from the sulphur mining industry.

A number of industries, considering Louisiana locations for giant building and expansion programs, are temporarily holding off on moving to the state until the muddled waters are settled and they know what the future holds in store for them, the speaker said.

And, whereas sulphur production in Louisiana is a costly painstaking process due to marshy and offshore terrain, production in Texas is less costly and the newly developed mines in Mexico add to the competitive problem. Speaking of Texas, Mr. Becnel said the severance tax in Texas now is pegged at $1.40 per ton.

"It is already becoming evident that an excessive and arbitrary tax policy toward industry is going to make out-of-state companies think twice before they move to Louisiana," he asserted.

The exploration for and development of sulphur deposits is considerably more expensive than the search for oil, he pointed out. Due to the fact that huge plants must be established to search for the sulphur deposits, requiring millions of dollars in expenditure, such explorations call for detailed study before they are undertaken.

Sulphur in Louisiana is mined by the Frasch process whereby superheated water is pumped into the sulphur deposit to melt the sulphur which is then pumped out in liquid form into vats where it solidifies into veritible mountans of sulphur. In off-shore and marshy locations, the liquid sulphur must be pumped into specially constructed insulated barges which keeps the sulphur in a molten state until it can be transported to land where it is pumped into vats.

All of this extra equipment is not needed in the Texas and Mexican mining operations which are "dry land" installations, he pointed out.

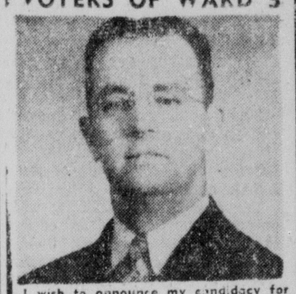
NOTICE!
VOTERS OF WARD 3



I wish to announce my candidacy for the office of member of the Ouachita Parish School Board from Ward 3.
I am married and have two children who are in school.
I have lived in Ouachita Parish since 1920 and since 1942 have operated a business in Ward 3 just outside the city limits of Monroe. Prior to 1942 I was employed by the Missouri Pacific Railroad for thirty years.
I am a member of the Baptist Church and a Mason.
I am strongly in favor of maintaining our present system of segregated schools. I believe that the members of our colored race should have equal facilities but that there should be no integration in the school system.
I believe that our qualified teachers are entitled to reasonable pay increases.
I believe that all members of the School Board should attend all meetings and not just when the spirit moves them.
I believe that Ward 3 has been neglected in the over all school program and that in the proposed expansion of the school system more consideration should be given to the needs of Ward 3.
I intend to make an active campaign for this position and will try to meet as many of the voters of Ward 3 as is possible during the course of the campaign.
My principal reason in offering myself as a candidate is my love for children and my desire to see that they receive a proper education.

Good news from State Farm Mutual
"the careful driver insurance company"

STATE FARM Auto Life Fire INSURANCE

New! Low-cost auto insurance plan

Lowest renewal rates available to the general public in Louisiana...
25% lower than the rates charged by most other companies.

Thanks to a recent ruling by Louisiana officials, State Farm Mutual auto insurance is now an even better buy.

NEW LOW RATES:

In recognition of its streamlined, money-saving operating methods, State Farm Mutual is now permitted to sell auto insurance to its present members at 25% less than the rates fixed for most other companies by the State. And this 25% saving is pocketed by members *in advance*. It is not paid afterwards in the form of a dividend.

For present members, these new rates become effective with their first renewal after May 13, 1956.

NEW MEMBERSHIP FEE:

This is a slightly higher premium paid once only by new members for their first 6 months of insurance. This membership fee helps make low rates possible. It covers sales cost, such as sales commission and other sales costs of putting a new member's name on the books. It's charged once and only once--the first time you take out a coverage.

Present State Farm members are *not* required to pay membership fees for coverages they now carry.

Find out how much YOU can save! Call a State Farm agent today!

State Library In Baton Rouge Closed Suddenly

The Louisiana state library in Baton Rouge was closed without warning May 29. The personnel were turned away Friday morning when they reported for work and were told that the building was unsafe.

Miss Effie Martha Culver, state librarian, notified the Ouachita parish library that all service to parish libraries would be discontinued until arrangements are made to rent or construct temporary quarters. She said that it would take some weeks to transfer the books.

The state library lends books to all libraries in the state to fill special request. Miss Frances Flanders, the Ouachita parish librarian, said the local library borrowed 40 books last month. This service has been temporarily discontinued.

A new state library building is being constructed on the capitol grounds in front of the old building. The work has been underway about six weeks. The steps of the old building were torn away when the excavating was begun. Authorities stated that this considerably weakened the old structure.

The condemned building was constructed many years ago and was known as the Hill Memorial Library on the grounds of the old L.S.U. campus.

The new library building will be entirely modern and is expected to be one of the most beautiful buildings on the capitol grounds.

John J. Desmond is the architect for the new building and the Progressive Architecture magazine awarded him a citation for the plans for the new Louisiana State Library.

In commenting upon the closing of the old State Library building, Miss Flanders at the Ouachita Parish Library, said, "Our building here is so old, it could happen to us."

CULVER GRADUATE — Cadet Prentiss M. Seymour, son of Mr. and Mrs. E. J. Seymour, 1507 Park avenue, Monroe, is included in 165 cadets who are to receive diplomas at the annual commencement, Wednesday, June 6.

Charitable Fund Chairman Named For Frost-Kraft

E. E. Pace has been elected chairman of the Frost - Kraft United Fund, which is made up of local employes of the Olin Mathieson Chemical Corporation who contribute to one fund to be distributed to charity.

Victor Kelly was elected secretary - treasurer and other members of the committee are W. T. Ellis, Roy Derrick, Richard LeBrun, S. E. Reppond, J. M. Bingaman and John Mullens.

Chairman Pace stated that a series of meetings will be held in July to determine how the contributions will be distributed among the charitable organizations.

He said that any charity or character - building organization in this area that would be interested in applying for a donation should write the secretary, Victor Kelly, Box 48, West Monroe, submitting the work it performs, the people it helps, how much money is spent locally and how much is sent to a national headquarters of their organization.

He said that the committee would make a study of the information on the basis of the facts submitted and decide about the distribution of the fund.

Federal Employe Living With Two Wives Exposed

FORT WORTH, June 2 (AP)—A 30-year-old government electronics worker who divided his time between two wives without either knowing the other existed, was exposed today when wife No. 1 tried to commit suicide for the second day in a row.

Edward Voss, employe at Fort Worth General Depot, told Detective Capt. O.R. Brown he married wife No. 1 five years ago in Panama and picked up wife No.2 last December in California.

While both women wept at police headquarters, the red-headed Voss told reporters, "I really got myself in a mess."

Said wife No. 1, Mrs. Sixta B. Voss, 35, of Central America: "I can't live without him."

Said wife No. 2, Mrs. Doris Voss, 32, of Los Angeles: "Of course, I still love him. You can't turn love on and off like that."

Voss painfully detailed how he shuttled between wife No. 1, who lived with him in an apartment here, and wife No. 2, who lived with him in a converted trailer at Arlington.

"I told them both I traveled a lot," he told a Fort Worth Star Telegram reporter.

"And I believed him," wife No. 2 screamed. "I'd sit home thinking he was on the road. I had no reason to doubt him."

Voss held her and moaned: "I'm sorry, I'm sorry. I made a mistake. I shouldn't have deceived you. But it's you I love. I want to send Sixta back to Panama."

Sixta, at the moment, was on her knees praying in a cell where she had been placed after police said she tried to kill herself this morning in her gas-filled bedroom.

She has two sons, 10 and 6, by a man in Central America. The elder boy called police this morning when he found his mother. Police officer D. A. Cardwell and Sgt. Sam Latham revived her and brought her to headquarters.

The same two officers made a similar call yesterday when the boy phoned that his mother was going to shoot herself.

She had written a farewell note and told officers then that she wanted to die because she understood her husband was "going with another woman."

But last night the three met for the first time, and the story came out.

Voss took wife No. 1 to the trailer home and introduced her to wife No. 2, telling them the whole story. He told wife No. 1, he wanted her to go back to Central America.

"You can't imagine what it was like, learning he was already married," No. 2 said Saturday. "We all cried, and then my husband took Sixta home. He came back about 3 o'clock this morning and we sat up talking all night. We went back over to the house (in Fort Worth) this morning, and the police were waiting."

Voss said he married wife No. 1 while in Panama working for the government. He said he thought a relative had annulled the marriage when he returned to this country, but had never known for certain.

Wife No. 2 said she began corresponding with Voss last year when he was on a government job in Japan. She said she got his name from a pen pal list. She said she had been married once before.

"The letters kept getting more serious," she said, "and when he got back to the states I went to meet him at the boat." She said they were married a few days later, and then Voss left her in Las Vegas, saying he had to go on to Fort Worth and a job.

"He really picked up Sixta, who had come up to the United States. A month later I got tired of waiting and came out here. He met me, and we got the trailer."

Voss was taken to the district attorney's office for possible filing of bigamy charges.

Said wife No. 2 at police headquarters: "I love him but I'll go back to California if he wants me to."

Then, to the reporters: "what would you do?"

PAR Says High Taxes May Threaten Growth

BATON ROUGE, June 2 (Special) — With Louisiana ranking fourth highest in the nation in per capita state taxes, the Public Affairs Research Council (PAR) said Saturday any revision in the tax structure "must be viewed in light of its effect on the ability of the people to pay" and any other related factors.

Analyzing in its weekly Legislative Bulletin measurers to increase taxes on timber and sulphur and to repeal the power use tax, PAR said it "should also be remembered that Louisiana's current and potential economic growth should, in itself, yield increased state revenues."

Other factors to be considered in tax proposals include "the necessity of such changes as related to the present revenue and expenditure picture, its effect on the prosperity and economic growth of the state, and the equity of the proposal to the potential taxpayer."

Citing comparative date on taxes among the states, PAR said that on the basis of ability to pay, as measured by per capita income, the combined local and state tax burden in Louisiana is second heaviest in the nation with $10.51 out of $100 in personal income paid in taxes.

In discussing both the proposed timber and sulphur tax increases, PAR noted both commodities are sold in a competitive market and the higher taxes would reduce the ability of Louisiana producers to meet competition.

Turning to the timber tax hike, which would more than double present taxes, PAR noted that since 1910 there have been various measures proposed to encourage reforestation through tax adjustments. A constitutional amendment in 1954 made an "effort to stabilize property taxes on timber and thereby encourage reforestation."

PAR reported that there are about 111,000 forest land owners in the state and cited data from the State Forestry Commission showing about two - thirds of Louisiana's potential pine timber producing lands are not "adequately stocked."

Discussing the sulphur severance tax proposal, which would raise the tax from $1.03 per ton to $3, PAR said that the severance tax in Texas is $1.40 per ton.

At present, Texas produces nearly twice as much sulphur as Louisiana. In recent years new sulphur deposits have been found in Mexico and production from that nation is entering the world markets. This year, domestic producers had to cut their prices $3 per ton in the foreign markets to meet increased competition.

The proposed tax increase is "equal to two - thirds the amount of the recent price cut" in the world markets, PAR noted. It would represent "a possible price increase of 7.4 per cent per ton."

"If this price increase could not be absorbed entirely by Louisiana producers, it would have the effect of reducing their ability to sell in the world market and could reduce mining operations in the state," PAR said.

Also, noting there is no tariff on sulphur, PAR said "foreign and out of-state producers would find an advantage in the Louisiana market if Louisiana producers could not absorb the tax increase." There were 18 plants in Louisiana which used 213,000 tons of sulphur in 1955 as a raw material.

Concerning the power use tax repeal proposal, PAR said this tax yields about three - tenths per cent of all state revenues. It affects about 1,260 taxpayers, who generate the horsepower they use in businesses or plants, with general contractors representing the largest number in this group.

No other state, according to PAR, levies this type of tax, thus making the tax a possible deterrent to location of new industries.

6.1¢ Extra Value Per Gallon

At No Extra Cost Per Gallon

with

Keotane*

FORMULA

only in

Skelly Supreme Gasoline

Estimated Extra Value Per Gallon To You, Of Skelly Supreme Gasoline With Keotane:

(Based on average current premium gasoline prices in the Midwest)

12.7% average gain in mileage.....3.8c
3 octane points extra performance effect.....1.0c
14.6% more horsepower output (h.p. saved or added).....8c
Less gum and cleaner carburetors, faster starts with fewer sputters, longer life for batteries .5c

Estimated extra value per gallon to you. **6.1c**

The extra values shown above are conservative estimates by our engineers. They are not figured against inferior premium gasolines or regular grade gasolines, but against Skelly Supreme Gasoline, the best top-octane premium gasoline previously made.

6.1¢ makes other premium gasoline expensive to use;
6.1¢ makes any regular gasoline expensive to use;
6.1¢ makes any "cut-rate" gasoline expensive to use:

Imagine a premium gasoline so different that it gives you over 6c extra value per gallon . . . and so revolutionary that it makes all other gasolines — premium, regular, or "cut-rate" — expensive to use. That's today's Skelly Supreme Gasoline with new Keotane, a gum-removing formula that petroleum engineers have sought for years.

Keotane boosts your car's power and mileage by dissolving sticky gum in vital carburetor and combustion areas.

Gum Is Like A Glue

Gum is the "glue" that holds carbon and lead deposits in the combustion chambers. As carbon and lead build *up*, horsepower, pep, and gasoline economy go *down*.

Others have attempted to neutralize carbon and lead deposits, but Skelly actually reduces them with Keotane by going directly after the gum that holds these deposits. And without gum to stick to, carbon and lead go out the exhaust.

The product of over 10 years of research and testing by Skelly Oil Company engineers, the action of Keotane is so different from any previously known gasoline formulation that Skelly has filed a patent application for its use.

Keotane Tested 5 Ways:

1. Road tests in "matched" fleets of new cars by Southwest Research Institute. Used cars also tested.
2. Chassis dynamometer tests of engines under load by Southwest Research Institute.
3. Dynamometer tests in Skelly's own Research Laboratory.
4. Hundreds of tests in laboratory test engines.
5. Hundreds of thousands of miles of road tests by Skelly's own scientific personnel.

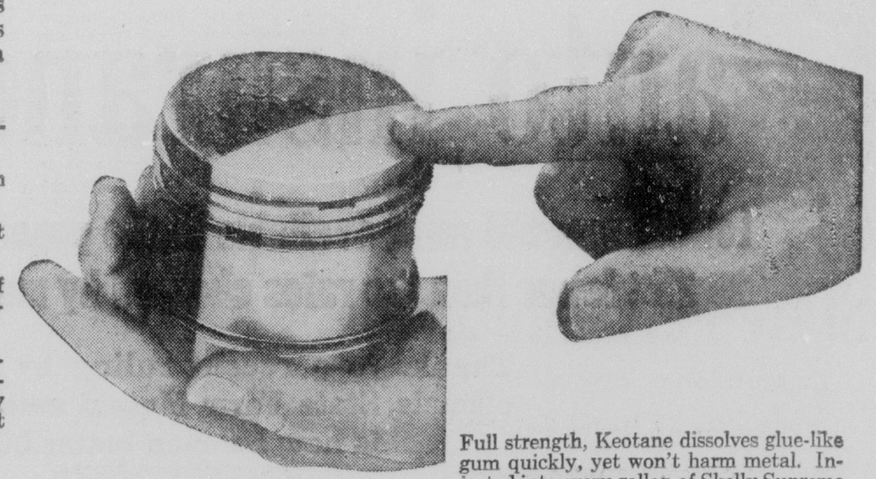
Final dynamometer tests compared engines run on Skelly Supreme with Keotane against engines run on Skelly Supreme without Keotane. Engines that had used Keotane averaged:

12.7% gain in mileage.

The performance effect of 3 more octane points.

14.6% more horsepower output.

These and other benefits (see chart) are why Skelly engineers estimate you get over 6c extra value per gallon—at no extra cost—from Skelly Supreme Gasoline.



Full strength, Keotane dissolves glue-like gum quickly, yet won't harm metal. Injected into every gallon of Skelly Supreme Gasoline at strategically located distributing points, Keotane removes gum-stuck carbon and lead as you drive. Some cars may reach their peak improvement with Keotane in 1,000 miles. Others may take 3,000. A few, perhaps, longer. But once you reach peak results, you will hold at that level as long as you continue to use Skelly Supreme Gasoline with new Keotane formula.

Why not start getting all these benefits now? Ask your Skellyman for free illustrated folder on Keotane. Make your next tankful of Gasoline a tankful of Skelly Supreme with new Keotane formula, the gasoline that makes all other gasolines — regular, "cut-rate," or premium — expensive to use.

Only Skelly Supreme Gasoline Has New Keotane*

Now The Skelly Supreme POWER PAIR IS EVEN MORE POWERFUL!

In all test engines, only Skelly Supreme Motor Oil was used. Team up Skelly Supreme Motor Oil *and* Skelly Supreme Gasoline with new Keotane formula. This famous Power Pair is guaranteed to give you more power — and more miles — per dollar than any other combination of premium gasoline and motor oil.

Long's Attempt

(Continued from First Page)

opposition that blocked the 1952 and 1954 convention bills was organized as a barrier against changing city and rural legislative power.

Long, however, usually counts his greatest legislative strength in the country votes. The question apparently will be whether the country boys really stick together this time against a convention threat of reapportionment.

After the convention of 1950, Long said the real reason he was opposed was that a lot of people who eat "high on the hog" were against a convention while "Earl Long is throwing distance of the state capitol."

But rural leaders said Long did some opposing of his own on a convention bill during the 1954 Kennon session.

The Long proposal this time does not direct the 121 delegates what to or what not to do except to meet in the House of Representatives here at noon next Jan. 7 and complete a new constitution not later than April 19.

It would go into effect at any time fixed by the delegates. with six months the limit. The new constitution would not be subject to a popular vote.

The decision whether to hold the convention at all will be subject to a popular vote in the Nov. 6 general election if the Legislature adopts the convention program.

Long put through a convention program in the regular session of 1950, and was forced within a month to summon a special session to revise it because of criticism the governor named too many delegates.

In another month he had to call a second special session to kill the convention amendment in the face of new criticism and the Korean War.

Louisiana's bulky constitution, longest in the United States, is packed with 184,000 words and has been amended 313 times since it was adopted in the 1921 convention.

The Louisiana Legislative Council said, "The faults of the present constitution are so many and of such magnitute that a complete revision is the only way to correct them."

And PAR commented, Louisiana's big document is "a lengthy, complex, poorly organized, almost incomprehensible and conflicting document."

In the views of the Louisiana State Bar Assn., "long and costly litigation has been necessary in order to clarify and interpret numerous constitutional provisions.

"It's too cumbersome, to involved," the Association complained. It backed the 1954 convention bill.

These were the experts speaking.

How does the new Long convention compare with the draft he sought in 1950 and the last convention in 1921? The method for selecting delegates always has been a trouble spot.

The governor wants:

1. A total 121 delegates.

2. 101 directly elected by the people from the 101 state representative districts.

3. Delegates named through the Democratic Party machinery, none.

4. Delegates appointed by the governor, 17.

5. Ex officio delegates, in other words, those who would automatically serve because of the offices they hold, three, including the chief justice, one associate and the presidnt of the Louisiana Law Institute.

6. Delegates appointed other than by the governor, none.

7. Would the new constitution be submitted to the people? No.

The Long proposal in 1950:

1. A total of 149 delegates.

2. 100 directly elected by the people.

3. Delegates named through Democratic Party machinery, 16.

4. Delegates appointed by the governor, 15.

5. Ex officio delegates, 13.

6. Delegates appointed other than by governor, five, by the Louisiana Law Institute.

7. Would the new constitution be submitted to the people? Yes, but only if 500,000 or more voters participated in the election.

The 1921 convention:

1. A total 146 delegates.

2. 118 directly elected by the people.

3. Delegates named through Democratic Party machinery, 16.

4. Delegates appointed by governor, 12.

5. Ex officio delegates, none.

6. Delegates appointed other than by governor, none.

7. Was the new constitution submitted to the people for a vote? No.

In the regular Legislature of 1950, Long pushed through a convention bill calling for 143 delegates. He named 20 directly. But public criticism arose because of the number Long would appoint and the number of ex officio state officials who would be delegates and political associates of the governor.

Also criticism was directed at the fact the convention would have the power to extend the governor's four year term. Long at the time thought a six-year term was a good idea.

Bills have been introduced in the 1956 Legislature to permit a governor to succeed himself in an extra four year term.

Long, in 1950, called a special session a month after the 143-delegate proposal was approved and had it changed, cutting the delegates he named to 15 but raising the total to 149. A last hour provision required the new constitution to be submitted to a popular vote, the vote wouldn't count unless 500,000 or more showed up at the polls.

Long's legislative leaders blamed newspaper criticism for cancellation of the whole idea. The second special session of 1950 calling off the 1951 convention, lasted one hour and 15 minutes, shortest on record.

Now once again he dreams of a convention, 'if the newspapers will work with me."

REVIVAL LEADER—Cecil Pumphrey, Houston, Miss., will conduct youth services at Mt. Vernon Baptist church, Jonesboro road, starting June 3, There will be prayer service at 7:15 p.m.; Song Service at 7:30 p.m. and the regular night service at 8 p.m. Meetings will be held nightly for one week.

Palm Print On Knife New Clue In Orleans Case

NEW ORLEANS, June 2 (AP) — Capt. Charles Kindcade, asst. supervisor of the police Bureau of Identification said yesterday a palm print found on the handle of the knife used in a double murder did not belong to either victim.

Kincade said tests were being made to classify the print and the FBI may be asked to check it against prints in its files.

Officers, meanwhile, continued to investigate the murder of laundryman Hom (Tom) Yuen, 58, and his stepdaughter, Eula Mae Smith, 19. Their bodies were found last Tuesday at their residence.

Australia has about 131 million sheep.

Tisdale Fund Goes To Total $284.42

The total sum donated for aid for Aubrey Tisdale, young man with a broken back who lies helpless in his parents home in Bawcomville, is $284.42.

A. D. Williams, Jr., Saturday donated an additional $5 for which he will be accorded sincere thanks by the Tisdale family.

Providence Man Faces Attempted Murder Charge

LAKE PROVIDENCE, June 2 (Special)—Leo Whatley, 32, of Lake Providence, was lodged in the East Carroll parish jail tonight charged with attempted murder, according to Sheriff J. WM Gilbert.

Whatley was arrested today after he attacked Jim Pratt, 82, in a bar in Lake Providece, the Sheriff said. Sheriff Gilbert said Pratt was scheduled to be a state witness June 25 when Whatley was to be tried for aggravated battery.

Gilbert said Whatley attacked Pratt with a knife in the bar today. Pratt's condition was still undetermined tonight after he was slashed in the stomach and leg. He was being treated in a local clinic.

H. C. Vaughan, Jr., deputy town marshal was called to the scene of the fracas today and took Whatley into custody. Judge Frank Voelker set Whatley's bond at $5,000.

form school and Spike is in Harvard."

"This is surely a sad situation," the agent soliloquized. "Your mother in the county home, your father in the penitentiary; your sister in the home for delinquents, one brother in the reform school and another studying in Harvard."

"Oh he ain't a studying anything; they'se jes studying him," she replied.

We of the Monroe district are pleased to hear of the returns from the annual Methodist conference that closed Friday in Shreveport and to note the very few changes made here.

We did get the word a few days ago that it had been planned to assign the Rev. Lea Joyner to Bastrop. Fortunately the plan got out and did the ardent members of the official church board at Southside Methodist church, headed by Pete Medak, got busy.

They went to the higherups and showed what a fine work Reverend Joyner has done and how she is needed to continue unfinished efforts. In the end they convinced that it would not be wise to assign her to the establishment of another entirely new church in Morehouse parish.

The local congregational are deeply thankful that no change is to be made here at this time. The achievements of Reverend Joyner are well known. She has made a bright and shining record for herself and her church.

Sad news for all ye lawyers, dentists, newsmen, other professional men and women in the neighborhood of North Second and DeSiard. "Frenchies Cafe, next door neighbor to the News-Star—World, has completed 19 years of successful operations. Last night it was padlocked!

No the sheriff didn't get it closed, but Frenchie closed it for he will follow what he announced weeks ago, that business has gone out Louisville toward Northeast Louisiana State college, and he is moving his cafe out in that region.

We do not know what the army of men and women in downtown will do with Frenchie no longer with doors ever ajar, the best place in the world for gossip and general news dissemination. New quarters must be found, but it can't be at 108 North Second street. No one need think he can open a cafe on the site for the quarters are said to be leased already to a well known finance company. "Those were great years, the past 19," declares Frenchie, "I have made both money and friends. I will open up my new place on DeSiard at the corner of Cole avenue in several weeks time. I want my friends to visit me there whenever possible."

Among new teachers of the City of Monroe schools this fall will be Miss Carolyn Peters, daughter of Mr. and Mrs. Louis Peters. She was graduated recently at Sophie Newcomb, New Orleans, and we predict she will prove a valuable addition to the city's schools. She comes from one of the oldest and most highly recognized families in Monroe. Way back through the years her immediate ancestors played an important role in the building of the present city of Monroe.

For many years the Peters family owned and operated the oldest business establishment in the city. Both of Carolyn's parents are today outstanding local citizens.

Seems that churches spring up like mushrooms, well established churches here are at this time seemingly aiding in the establishments of new churches in other parts of the city. The First Christian church is an example. This morning at 10:50 o'clock the first steps, that of commissioning, will be taken at this church for a new one on the north side which we understand will be called the Westminster Christian Church. It will meet in Lexington school for the present.

Next to new churches, it seems to be new clubs, that are being started. The newest club will be known as the North Monroe Kiwanis club, meeting Monday nights in the Antler restaurant at the Louisville DeSiard junction.

This club, the third Kiwanis club for the Twin Cities, is starting with about 30 members. Charter night will be held Monday in Hotel Virginia ballroom. Lt. Gov. Hugh B. Balfour of Division 6, will be toastmaster. Other notables from away will participate.

Harry M. Bell, president, will accept the charter.

We are delighted to see this new club formed but we wonder how it became "North Monroe"—We thought "North" was in another direction. Doesn't that make the college located also in NORTH MONROE?

Our Lady of Fatima men's club is sponsoring a Bar-B-Q chicken dinner at Pace Lake on June 3. The serving of the Bar-B-Q chicken, with the trimmings, starts at 12:00 Noon.

Pace Lake is about 12 miles from Monroe, off the Sterlington highway, and provides a relaxing environment. Incliment weather need not keep you at home as shelter is available. There will be games for the young and old with prizes to the winners.

Remember — Bar-B-Q Chicken Dinner — June 3, at Pace Lake. Directional Signs will be posted.

Delhi Youth Wins Top Spot In State Teenage Road-E-O

SHREVEPORT, La., June 2 (AP)—The state Junior Chamber of Commerce tonight named Bobby Gene Leach, 16, of Delhi, winner of its state Teenage Road-E-O.

Leach was tops among 38 contestants in the event. Other winners were Robert Zielke, 17, of Baton Rouge, second place, and Fred Alexander, 18, of Alexandria, third.

The annual event is to promote safe driving among teenagers. Contestants must take a written examination, driving test and skill test.

Leach won a trip to the national contest in Washington, Aug. 6-9, in which winners will get college scholarships. The Delhi Jaycee chapter also gets the group's rotating trophy for entering him.

Funeral Services Today At 3 p.m. For Susan Spencer

Funeral services for Susan Spencer, 7-year-old daughter of Dr. and Mrs. B. E. Spencer, Sr., of Sterlington, will be held at 3 p.m. Sunday at the Sterlington Baptist church with the Rev. H. L. Sampson officiating. Interment will follow in Memorial Park cemetery under the direction of Mulhearn Funeral Home.

The Spencer girl was fatally injured when struck by a gravel truck in Sterlington Friday afternoon. The driver of the truck, Willard Godfrey Chaplin, 37, West Monroe, is being held in the Ouachita parish jail on a charge of negligent homicide. Bond had not been set in the case late yesterday. A Ouachita parish grand jury will investigate the charge against Chaplin.

The body will lie in state at the home of the parents until time for services. Pallbearers will be Claude Dunham, N. B. James, Dr. W. B. Liles, Dr. Roy Robertson, Dr. N. Klam and A. P. Kemmig.

GRADUATES — Marion (Yo-Yo) Chaney, son of Mrs. E. J. Chaney of Lake Providence, graduated from the jet fighter school at Laughlin Air Force Base last week. Chaney enlisted in the Air Corps following his graduation from Louisiana Tech in January, 1955.

produce about 6.8 million dollars a year. The money, as a fixed source of revenue, could support up to 180 million dollars in 30-year bonds, Jones explained.

The legislator emphasized no tax increases would be involved on a statewide basis.

The proposed school building commission would use whatever bond money it obtains to provide:

1. 75 per cent of the amount for state matching funds on local school projects.

2. 20 per cent for college capital outlay.

3. Five per cent for trade school construction.

Under No. 1, Jones said, an additional provision would assure that parish school districts already at the limit of their own school bonding would be granted state aid without requiring parish matching funds.

The groundwork for Jones' proposal is the great postwar expansion of the natural gas industry.

When World War II commandeered all available oil, natural gas —which could not be transported overseas—filled in the national fuel vacuum. This brought about skyrocketing growth in natural gas consumption.

have the opportunity of telling you just how violently opposed to House Bill 120 our business community really has expressed itself.

"Frankly, we are faced with losing a FORTY MILLION DOLLAR expansion of the Olin Corporation if the bill goes through! This isn't a threat posed on us by Olin, instead, it's just "common sense"! They simply have no incentive to go ahead with their plans if they are faced with increasing costs of gas.

"Ouachita Parish as you are perhaps familiar is in the middle of a giant gas field where contracts have been entered into on "exclusive" arrangements by well owners with pipelines. Our average rate received by the well owners is about 4 per cent per 1,000 cubic feet.

"Certainly, if the provisions of HB 120 are allowed to become law—our small well owners will have no incentive from a profit angle to continue in business.

"Please, don't allow this legislation to cripple not only our Parish but the surrounding area.

"Our Chamber of Commerce at large has publicly gone on record as opposing HB 120 and we feel that business interests throughout the state will in like manner contact you with similar reasoning on this bill. PLEASE DON'T LET IT PASS YOUR COMMITTEE."

A break - down of the total enrollment by states shows Louisiana with 56 students, Mississippi 41, Texas and Florida 40 each, Arkansas 33, Alabama 29, Tennessee 28, South Carolina 18, Kentucky 10, Oklahoma 4, North Carolina and Illinois two each, Washington, New York, and Missouri one each.

Indicative of the high level curricula at the school is the effort put forth in the selection of instructors. Over 100 experts in banking and related fields will be here during the two-week period to lecture.

They will cover subjects ranging from basic banking and economic problems to banking law, trust procedures, and international finance.

The banker -students will spend six and one-half hours a day in lecture rooms on these courses.

McKeithen was elected to serve until 1960. He would remain until 1962 if the measure was approved as it is. The proposal extends terms of commissioners from six to 10 years, with one commissioner chosen every two years.

Long would be authorized to appoint commissioners from two new districts until they are elected.

2 Persons Hurt In Auto Accident Near W. Monroe

Two persons were injured, apparently not seriously, in a two-car collision at the intersection of Wellerman Road and Norris Street outside West Monroe Saturday morning, according to state police.

The injured were identifeid as Mrs. O. L. Alexander, 50, and Mrs. Hilda Jeane, 46, both of Bastrop.

They were taken to St. Francis Hospital by Mulhearn Funeral Home ambulance. Officers said Mrs. Alexander suffered bruises and lacerations, while Mrs. Jeane suffered a fractured right knee and bruises and lacerations.

The accident occurred when cars driven by Mrs. Alexander and Prentice O. Joiner, Route 1, Calhoun, collided at the intersection, the officers said. Joiner was not injured.

Bar Association Award Scheduled For Monroe Cadet

Cadet Edwin T. Holloway, son of Mr. and Mrs. H. G. Holloway, 208 Cole Avenue, Monroe, will receive the American Bar Association national award for the highest rating in Law at the United States Military Academy today, according to Congressman Otto E. Passman, who appointed Holloway to the Military Academy.

Holloway will graduate Tuesday, June 5, with the Bachelor or Science Degree and a Commission in the U. S. Army Artillery.

Congressman Passman said he was informed of the award earned by Holloway in a letter from Lt. General B. M. Bryan, superintendent of the Military Academy.

Escapee Returned To East Carroll

LAKE PROVIDENCE, June 2 (Special)—Ross Ceasar, 38, an escapee from the East Carroll parish prison farm since October, 1950, was returned here today from St. Louis, Mo., according to Sheriff J. W. Gilbert.

Gilbert said Ceasar had served six months of a one year sentence before his escape. He was arrested in St. Louis on suspicion of theft, Gilbert said, and he was traced back to his escape through fingerprint tests.

Sheriff Gilbert returned Ceasar today and charged with simple escape. He will also face the unexpired term of his previous sentence, Gilbert said.

Miscellany In The News

(Continued From First Page)

threats in the Far East, has asked Congress to authorize loan of more U.S. warships to friendly Asian nations, it was learned Saturday.

Congressional sources said the Navy sent up a proposed bill a month ago. It would increase from 25 to 50 the number of vessels that could be loaned. It also would extend President Eisenhower's authority to make such loans through 1958.

GRAND RAPIDS, Mich., June 2 (AP)—Michigan Democrats made a bold bid for leadership of the National Democratic party today in winding up their two-day state convention.

Delegates unanimously adopted a "Michigan Declaration" pledging the party to work toward the end of racial segregation in the United States.

Then they adopted a civil rights resolution proposing drastic means by which to eliminate segregation.

HAVANA, Cuba, June 2 (UP)—Cuban newspapers will publish without censorship Sunday for the first time since President Juan Batista slapped on restrictions in the wake of an attempted revolt late in April.

TYLERTOWN, Miss., June 2 (AP) —Finley Hudson of Sparta, Tenn., was killed when his automobile collided with another near here today.

WASHINGTON, June 2 —UP— Congressional sources predicted Saturday that House-Senate conferees will approve a "logical" compromise for dividing $25 billion in proposed super highway funds among the states.

The conference committee starts ironing out differences in the Senate and House highway bill next week. The formula for passing out federal funds to construct a 40,000-mile interstate road system is the major issue in dispute.

VATICAN CITY, June 2 (UP)— Pope Pius XII, his voice faint and hoarse from fatigue, blessed 20,000 pilgrims in St. Peter's Basilica Saturday in an appearance made against his doctor's orders.

Mississippi To Get Wildcat Test

JACKSON, Miss., June 2 (AP) — A new deep wildcat test for the Rankin County area is scheduled to be drilled with Midwest Oil Corp. securing permit for the J. C. Searcy No. 1, NW SE Sec. 24-3N-5E near Puckett.

The important test has contract depth of 12,500 feet which is sufficient depth to test both the Paluxy and Rodessa sands and is located about six miles northeast of a wildcat drilled last year that logged uncommercial shows of oil in the Rodessa.

The Paluzy sand produces in the Bolton field of Hinds County and the Rodessa sand is the major producing zone in the big Soso field of Jasper, Jones and Smith counties.

Eros Test Below 10,000; 36 Rigs Active In Area

The Gulf Refining Co. E. V. Waller et al No. 1 wildcat, in Ouachita parish near Eros, had reached a depth of 10,028 feet by the weekend toward the proposed depth of 11,500 feet. Objective is to test the upper Cotton Valley, interval of production in the new Cadeville field, approximately six miles east by northeast of the wildcat site. Location is in Sec. 6-16-1E.

Previously a drillstem test at about 8,400 feet had failed after shows had been obtained. The operator is expected to test this upper interval, presumably in the Travis Peak, if the upper Cotton Valley fails to produce.

In the Cadeville field, the third venture, Gulf Refining Co. E. V. Waller et al No. 1, has reached a depth of 8,435 feet. A fourth location in the Cadeville area, the E. A. Adams and E. R. Whitaker Wood No. 1, wildcat, Sec. 36-17-1E, is awaiting rig.

On its weekly report the Monroe District office of the State of Louisiana Department of Conservation listed four new oil wells, four abandonments, and 11 new locations. Three new wells are small pumpers in the Tullos-Urania field, LaSalle parish, and the other is a small pumper in the Ora field of Union parish. Thirty-six rigs were reported active in the district office round-up.

Stocks Manage To Close Week On Slight Upswing

NEW YORK, June 2 (AP)—The stock market staged its long-awaited rally last Tuesday and held on to enough of its gains to push the averages for the week over to the plus side.

This followed three straight weekly declines and gave Wall Street a welcome breather from the irregular retreat that prevailed since the market reached its record high April 6.

The Associated Press average of 60 stocks advanced $1.20 on the week to $178.60.

But its sparkling performance on Tuesday far outshone anything the market did on the other three trading days. Wednesday was the Memorial Day holiday.

On Tuesday the market made its greatest advance on average since Sept. 5, 1939, which was four days after Hitler launched World War II by invading Poland. On Sept. 5, 1939 the United States declared a policy of neutrality.

The Tuesday rally put The AP 60-stock average up $3.30. Based on this gain, the quoted value of securities listed on the New York Stock Exchange gained an estimated four billion dollars, recouping that much of the estimated 18 billion dollars lost during the long reaction.

As the week ended brokers saw an omen for further improvement in the rising tendency. While factors involved were still mainly technical, they said that news of loosening credit by the Federal Reserve System did provide an optimistic note for traders.

Some Wall Street observers looked for a resumption of the rally if prices can remain firm for the next few days. If they drop, however, these observers said that a renewed test of recently-established lows would be in the cards.

Cotton Futures Follow Narrow Course In Week

NEW YORK, June 2 (AP)—Cotton futures prices followed a narrowly irregular course this week but were mostly steady to higher at the finish.

The nearby December contract—only month to wind up in the minus column—took a net loss of 40 cents a bale. Other contracts traded on the New York Cotton Exchange finished unchanged to $1.30 a bale higher as the market responded to favorable Washington news.

One sustaining factor was a further advance in the parity price as of mid-May. The price announced by the Department of Agriculture—35.44 cents a pound—showed a gain of 0.22 over mid-April and led the New York Cotton Exchange service bureau to hold out hope of a possible loan rate of 32.64 cents a pound at the end of the season on middling one-inch upland staple. That would compare with the present guaranteed minimum loan rate of 32.25 cents a pound.

Buying in futures was also encouraged by a bullish interpretation of the soil bank provision of the new farm bill. It was noted that Secretary of Agriculture Benson had stated that farmers in areas where planting had been delayed would receive payments of 15 cents a pound for taking land out of production.

Likewise welcomed by many in the trade was Benson's announcement that the next opening of offers under the government's surplus cotton export program had been postponed from June 5 to June 19.

Selling this week reflected some hedging and profit-taking, and another series of favorable weather reports from the cotton belt.

Week In Finance

Businessmen See Upturn In U. S. Consumer Buying

NEW YORK, June 2 (AP)—Businessmen were betting most of their chips this week on an early upturn in consumer spending.

That was the brightest ray of hope as the boom—particularly on the industrial front—showed further signs of slowdown.

There was evidence that a modest pickup in retail trade might be under way right now.

Morton J. May, chairman of May Department Stores Co., said the big chain's sales slumped during Easter but now "appear to be following an upward trend." Said May: "We believe the outlook is favorable for continuing increases both in sales and profits."

Equally bright prospects were seen by Wheelock H. Bingham, a director of R. H. Macy & Co. and head of its big New York store. Bingham's view: With consumer incomes high and likely to stay that way for a long time, retail sales this year should show a gain of 3 or even 4 per cent above last year's record level.

Other cheerful spots on the business scene this week: New proof of a rising trend in farmers' income, a brilliant if brief rally on the New York Stock Exchange, and hints that the tight money and credit situation might ease up soon.

Looming large on the minus side were new cutbacks and layoffs in the auto and home appliance industries, a continued lag in housing starts. Builders filled only 22,276 applications for FHA loans in April—2,608 less than in March and 10,852 less than in April last year. And there was the prospect of a greater-than-seasonal dip this summer in the nation's steel production rate.

Much of the booming steel production of recent months—this week's output was scheduled at a hefty 96.5 per cent of capacity—has been the result of stockpiling by consumers eager to beat the new price rises many feel are coming soon.

Highlighting the dilemma of the steel consumer was the opening round of bargaining talks between steel management and steel labor. With negotiations in recess until next Wednesday, no one directly involved wanted to hazard a guess as to whether the union would call a strike. One thing seemed dead certain, though. Strike or no strike wages would go up. And any wage raise would be followed at once by a boost in prices.

The motor industry continued to sputter along in second gear this week. Production of cars fell to about 75,000—lowest in nearly two years. New car sales showed some improvement but not enough to make any sizable dent in the mountain of inventories, estimated at close to 900,000. According to people who usually make good guesses, the outlook is for more slowdowns, and more layoffs, in the weeks ahead. U. S. factories in May turned out some 470,700 cars—down 31 per cent from the 724,892 produced in May last year. June production is expected to fall to about 447,000 and in July it may slip below the 400,000 mark.

For an Englishman, an auto choke is a strangler.

Forfeits Knock Lake Charles To 3rd In Evangeline

Mullins' Ruling Strikes Off Six Giant Victories

NEW IBERIA, La., June 2 (AP)—An Evangeline League ruling today cost Lake Charles six victories and dropped the Giants from first to third place in the class C league's standings.

President Ray (Moon) Mullins ordered Lake Charles to forfeit all games won between May 18 and May 27.

The ruling resulted from a protest filed may 28 by Baton Rouge. Baton Rouge claimed Lake Charles had 13 experienced players, one more than league rules allow, on its roster when the two teams played May 24 and 25, Mullins said.

The league rule pertaining to such cases calls for a team to forfeit all games won during the 10 days prior to the date of the protest, Mullins said.

Sam Tarleton, business manager for Lake Charles, said he would appeal the ruling to the National Assn. of Minor League Baseball clubs.

During the period covered by the ruling Lake Charles had defeated Monroe once, Baton Rouge twice and Thibodaux three times.

As a result of the ruling, Lafayette and Thibodaux moved into a tie for first place. Lake Charles had held undisputed possession of first place since April 24. At one point the Giants were as much as 7½ games in front.

Baton Rouge took over fifth place and Crowley dropped to sixth.

Mullins explained that league rules allow a team to carry nine limited service players, three veterans, four rookies and three national defense players.

Limited service players have no more than three years professional baseball experience. National defense players are those who have just returned from service.

Baton Rouge said in its protest Lake Charles was carrying on its roster 12 limited service players, one veteran, three rookies and two players which the team classified as national defense rookies, Mullins said.

He said the latter players should have been classified as either national defense players or rookies. However, he said the league was not penalizing Lake Charles for improper listing in that classification.

Mullins said Lake Charles has since adjusted its roster to comply with league requirements.

Tarleton charged yesterday that directors of the class C league were trying to "beat the Giants on paper because they could not do it on the field."

He said he was under the impression the penalty concerned the listing of national defense players.

Mullins said a letter notifying Lake Charles officials of the ruling was mailed out either late yesterday or early today.

At a meeting yesterday, league directors changed an earlier decision and threw out a protest by Crowley of a game played with Lake Charles May 17. Lake Charles had won the game, the second of a doubleheader, 4-3.

Previously, the league had ordered the game replayed from the point of protest in the bottom of the sixth inning.

Mullins said the league changed its ruling because it had learned since in a Lake Charles appeal of the decision that Crowley had failed to notify "Lake Charles in due time of the protest."

Mullins said the league directors decided to allow games played by the now defunct New beria team count in the standings. New Iberia gave up its franchise because of financial reasons May 19. The league voted to operate the remainder of the season with seven teams.

Kansas' Dr. Smith Misses One Home Game In 52 Years

LAWRENCE, Kan., June 2 (AP)—Back in 1904 as a freshman at the University of Colorado Guy Smith missed a football game. He vowed he'd never miss another home game.

Now known as Dr. Guy W. Smith, mathematics professor at the University of Kansas, he says he has broken the vow only once. He has mathematics—er, figures—to prove it. Smith's retirement from teaching this month prompted him to review his football record.

In the 52 years of studying or teaching at Colorado, Illinois, Beloit (Wis) College, Kentucky and Kansas, Smith has seen 220 games.

In 1904 Colorado upset powerful Nebraska in a thriller. Smith decided to go home to observe his birthday, Oct. 7, instead of seeing the game. He kept his post-game promise until 1948 when a weekend trip to the Ozark mountains caused him to miss a Kansas victory over invading Nebraska.

The best season's record seen by Dr. Smith was that of Illinois in 1914. That's when Potsy Clark paced the Illini to an undefeated season.

Smith says the most lopsided game he saw was Kansas' 83-0 defeat of Washington in 1923. That's when Potsy Clark coached Kansas.

Smith has been at Kansas the last 36 years and on the K.U. athletic board since 1939. And if you think these are a lot of figures, you should see his scrapbook.

Yanks Schedule Tryout Session At Legion Park

The New York Yankees will hold a tryout camp here at American Legion Memorial Stadium on June 14-15-16, it was announced yesterday by Atley Donald, Yankee scout.

All boys between 17 and 22 years of age that think they have the ability and aspirations to play professional baseball are invited to attend. All participants must bring their own shoes, gloves, and uniform, if any. The Yankees will supply the balls and bats. Any boy signed to a Yankee contract will be reimbursed any expenses incurred.

The camp will be conducted by scouts Donald and Dave Madison with the assistance of Ed Head, manager of the Monroe Sports, Yankee affiliate in the Evangeline League, and subscouts Bob Ackenhear, Robert Walker, and Charlie Johnston.

Pearson Skids 13 Points But Holds Texas Mace Lead

Oklahoma City's Al Pearson fell off 13 points in his batting average in official Texas League statistics released Saturday but his .400 was still good enough to put him atop the list of leading batters who have played in more than 20 games.

Shreveport's Ev Joyner dropped two points to a husky .390, but that was still good enough for second place in the figures compiled through Wednesday's games. Joyner led in total hits with 71 and two base blows with 16.

Another Sport slugger, outfielder Ken Guettler, has hit 25 home runs so far. His total of 46 runs is also a high for the league.

Two Fort Worth players, Dick Gray and Jasper Spears, tied for the leadership in three base blows with seven each. Another Cat, Mike Napoli, has nine stolen bases to his credit to pace the circuit in that department.

Three pitchers, Houston's Mike Clark, Shreveport's Dave Newkirk and Dallas' Fernando Rodriguez, boast 2-0 records. Three others with 7-1 marks are Rudy Paynich of Fort Worth, Dale Matthewson of Tulsa and Nigel Patrick of Dallas.

Houston's Bill Greason leads in strikeouts with 47, three more than another Buff hurler, Frank Wieand.

Shreveport leads in club batting with .301.

MUSIAL FELLED BY PITCH—Umpire Stan Landes bends over to help Stan Musial, Cardinal slugger, after he was knocked down by a pitched ball thrown by Cincinnati's Hal Jeffcoat in fourth inning of a game Thursday night. Looking on is Cincinnati catcher Ed Bailey. Musial was struck between the shoulder blades and recovered rapidly to resume action. Later in the game umpire Landes cautioned rival managers about "dust off" pitching, and Friday General Manager Frank Lane of the Cards telephoned Gabe Paul of Cincinnati an angry protest and retaliation threat. Rebs Head All-Star Poll

The West Monroe High School Rebels landed half the positions on the All-Twin Cities baseball team announced last night by the Junior Chamber of Commerce — and the Rebs also grabbed off "coach off the year" honors for Coach Bobby Wilson.

The triple-A Rebels, busiest high school club in this section this spring, barely lost out in a bid for the district championship.

Coach Jim Hodgins' Ouachita High Lions on Monroe placed three on the all-star team, while one place each went to Neville and St. Matthew's of Monroe. Only Southside High failed to place a player.

The West Monroe elite are Richard Watson, catcher; L. C. Crawford, first base; Mack Hunt, second base; George Smith, right field; and Wayne Hendricks, pitcher.

Ouachita landed Ralph Ward, third base; Dickie Crowe, shortstop; and Jeff Spence, left field.

Mickey Yerger, in center field, was the lone representative from Coach Jim Coats' district Class AA champions, and pitcher Jackie Norman is the representative from Coach Jay Broussard's St. Matthew's club.

Jake Ussery, incoming president of the Louisiana Junior Chamber of Commerce, had planned to recognize all selectees individually at last night's Evangeline League game here between Monroe and Thibodaux, but because many of the boys are away on vacations, the program was limited to announcement of the young athletes so honored.

It had been originally planned to make the announcements last Wednesday night, but rain forced postponement of the Jaycees' report until last night.

Three Gridders Sign With Detroit's Lions

DETROIT, June —(AP)— Bob Blechen of Whittier (Calif.) College, a center, and Horace Allert of Southwest Texas State, an end, have signed contracts with the Detroit Lions of the National Football League.

The Lions today also signed Conrad Magouirk, former Texas A&M halfback. Magouirk has been playing for Eglin, Fla. Air Base and was a free agent.

Blechen was the Lion's 1st draft choice for 195 and Allert was the 15th draft choice.

Curtis Accepts Oriental Foe; Girls On Mat Show

Battling girls and an oriental opponent for the local favorite, Jack Curtis, has Promoter Gus Kallio promising one of his finest wrestling cards in months here Tuesday night at his Walnut street arena.

Arriving home last night from a midwestern trip, Kallio announced a double main event program that sends Jack Curtis, the ex-world's lightweight champion of Vicksburg, against the Orient's Sugi Sito, and a women's match that sends Belle Drummond against Mars Bennett.

The girls will clash in a 75-minute time limit match, two falls to win, and the Curtis-Sito brawl will have a 90-minute time limit, also two falls to win.

"Sugi Sito will prove one of the most colorful and versatile wrestlers ever to show in Monroe," Kallio said. "He is capable of giving Curtis one of the hardest matches of his life."

Promoter Kallio said there will be no advance in his usual wrestling admission prices.

Beharrell Takes British Amateur From Les Taylor

TROON, Scotland, June 2—UP—Eighteen-year-old John Beharrell of England gallantly battled a cold rain and gale-force winds Saturday to defeat Leslie Taylor of Scotland, 5 and 4, and become the youngest player ever to win the British Amateur golf championship.

Undaunted by some of the worst weather conditions ever to accompany a British Amateur final, Beharrell showed his mettle when he recovered from a near-disastrous letdown on the afternoon round and swept the last three holes for his victory.

Before pulling his game together on the 30th hole, the English schoolboy's lead had dwindled to 2 up as a siege of poor putting and bunker difficulties lost him four straight holes from the 26th through the 29th.

Beharrell, who turned 18 only a few weeks ago, thus became the first English player to win the coveted amateur crown since Michael Scott in 1953.

"I'm sure glad that's all over," said Beharrell, who almost did not enter the tournament because of lack of funds. "I don't mind playing another good golfer, but that gale wind threw me off completely. I thought for a while 'Id never get the hang of it."

Beharrell said he would like to come to the United States "to improve my game."

"I think such a trip would really tune me up," he said enthusiastically. "I would go in a flash if I were invited."

Kallio Seeks To Arrange His 'Biggest' Fight Card

ST. LOUIS, Mo., June 2 (Special)—Promoter Gus Kallio, the former world's middleweight wrestling king, wound up a midwest tour of boxing camps here today and headed back for this own pastures at Monroe, La., with the declaration that he's working up the greatest boxing show Monroe has ever known and possibly Louisiana.

"I've just about got my card wrapped up," said Kallio without naming his fighters. "It will be the biggest boxing attraction Monroe has ever had and maybe the whole state of Louisiana."

Kallio revealed he is working up a double main event of two ten-round fights, and "one of them will be a nationally known TV fighter." A good guess is that another of the scrappers will be Clarence Cook, already a great drawing card in his home state of Louisiana although he is currently fighting for Eddie Yawitz here.

The ex-wrestling champ who has been promoting in Monroe since 1939 said he has yet to settle on the date, possibly late this month, and hopes to offer an open-air show at Monroe's baseball park in order to accomodate a bigger crowd. And he's figuring a cut of his gate for the polio fund.

Kallio spent the earlier part of the week looking over fighters in the Chicago area before arriving here.

Redlegs In Late Rally To Master N. Y. Giants, 5-2

CINCINNATI, June 2 (AP)—The Cincinnati Redlegs, held to four hits through the first seven innings, scored four times in the eighth today off Ruben Gomez to win a 5-2 decision over the New York Giants.

Gomez's first sign of weakness came in the seventh when a double by Ray Jablonski and a single by Ed Bailey accounted for the first Cincinnati run.

Then in the eighth the Reds clobbered Gomez quickly although they were aided a bit by an error by Daryl Spencer. Singles by Johnny Temple and Frank Robinson and an intentional walk to Ted Kluszewski loaded the bases with one out.

Wally Post singled Temple home and Robinson also scored when Spencer let the relay get away from him as he tried to throw.

Leading Women Golf Pros Point For Round Robin

VIRGINIA BEACH, Va., June 2 (AP)— The "mathematical nightmare" of women's golf begins Wednesday in this seashore resort community.

The occasion will be the fourth annual $12,000 Triangle Round Robin Tournament. Sixteen of America's top-ranking women golfers—all professionals—will compete.

Quiet-mannered Louise Suggs of Sea Island, Ga., will defend the title she won a year ago. As defending champion, she is regarded as the gal to beat.

Miss Suggs' strongest opposition may come from old-timer Patty Berg of St. Andrews, Ill., who won the Round Robin crown two years ago at Hot Springs, Va.

At least three others must be considered definite threats in this "plus and minus" competition. They are Betsy Rawls of Spartanburg, S. C.; 12-year-old Mickey Wright of LaJolla, Calif.; and Marlene Bauer Hagge of Sarasota, Fla.

Miss Rawls has won three tournaments during the current tour, finishing first at Tampa, Sarasota and Spartanburg. Mrs. Hagge won at Sea Island and Beaumont, Miss Suggs at Havana and Augusta, Miss Wright at Jacksonville and Miss Berg at Dallas.

Rounding out the field are Mary Lena Faulk, Betty Jameson, Joyce Ziske, Beverly Hanson, Betty Hicks Marilyn Smith, Betty Bush, Alice Bauer, Betty Dodd, Bonnie Randolph and Gloria Armstrong.

The players will tee off in foursomes and tour the 6,065-yard, par 36-35—71 Cavalier Yacht and Country Club layout five times. Winner of the 90-hole test will be crowned after next Sunday's final round.

Slaughter, Groth Doubles Fashion A's Win Over Sox

BOSTON, June 2 (AP)—Enos (Country) Slaughter, an old Red Sox nemesis and Johnny Groth both doubled in the seventh inning today to account for the three tie-breaking runs that launched Kansas City toward an 11-3 victory over Boston.

Plucky little southpaw Bobby Shantzreleged Tom Gorman as the pair limited Boston to six hits. All the Sox runs came on Mickey Vernon's sixth home run in the first inning.

The triumph was Gorman's eighth in nine decisions with the Red Sox over a five year period.

Tom, appearing as a starter instead of his usual role as fireman, defeated Boston three times for the Yankees in '52, was 3-1 against the Sox for the A's last year and bested them earlier this season.

Monroe Nips Thibodaux On Kilnesmith 4-Hitter, 4-3

Mitchell Homer Provides Sports Victory Margin

Keith Mitchell's eighth inning solo homer furnished the margin of victory as the Monroe Sports nosed out the Thibodaux Senators, 4 to 3, on the four-hit pitching of Dick Klinesmith who had to shut off a Thibodaux rally in the last inning to preserve the victory.

Klinesmith had shut out the Senators for eight innings on one hit until they exploded for three hits and all their runs in the final frame.

The Sports reached Joe Valmas, Thibodaux righthander, for eight hits, two each by Mitchell and Jim Johnston.

The two Evangeline Legion rivals tangle here again this afternoon at 3 o'clock at Legion Memorial Stadium to conclude their current series. The Sports will be in Crowley tomorrow and Tuesday and at Baton Rouge Wednesday and Thursday before coming home for a four-day stand with Baton Rouge and Crowley, beginning next Friday.

Roy Mantle's triple into right center after Don Pierce had walked shot the Sports ahead in the third inning. A sacrifice fly by Morrie Millet counted Mantle.

Three successive singles by Mitchell, Joe Miller, and Jim Johnston brought the third Monroe run in the sixth, Johnston's lick scoring Mitchell.

Mitchell's 355-foot home run over the right field fence in the eighth inning completed the scoring for the Sports and proved the margin of victory.

Klinesmith hurled seven consecutive hitless innings after Hugh Glaze hit a two-out single in the first frame. Then Jerry Pierce led off the ninth with a single. Marty Delaune walked. Then Glaze poled a double into left center to spoil Klinesmith's shutout as Pierce and Delaune scored. Bill Dossey and Grady Watts popped into center, scoring Glaze. Bill Stenger forced Reynolds to end the game.

Rudolph, Parnell Vie For Western Amateur Throne

NASHVILLE, Tenn., June 2 (AP)—A pair of young Tennesseans, Mason Rudolph of Clarksville and Jack Parnell of Nashville, advanced to the finals today of the Western Amateur Golf Tournament.

Rudolph, 22-year-old former National Junior champion, defeated young Rex Baxter of Amarillo, Tex., 1-up to gain the finals. Parnell, at 20 one of the youngest players in the tournament, wal-veteran, 3 and 1.

Both semi-final matches were close, although a fresh wind ran medal scores higher than on previous rounds. Rudolph, former Memphis State golfer and Tennessee Open titleholder, turned in a 74 on the morning round, when he went ahead 1-up.

Parnell, an Oklahoma A&M student, had to come from behind during the afternoon to defeat Morey, a former pro and veteran of many tournaments. The Indianapolis shotmaker was 1-up after the morning 18, when he shot a 74 on the par 72 Belle Meade Country Club course.

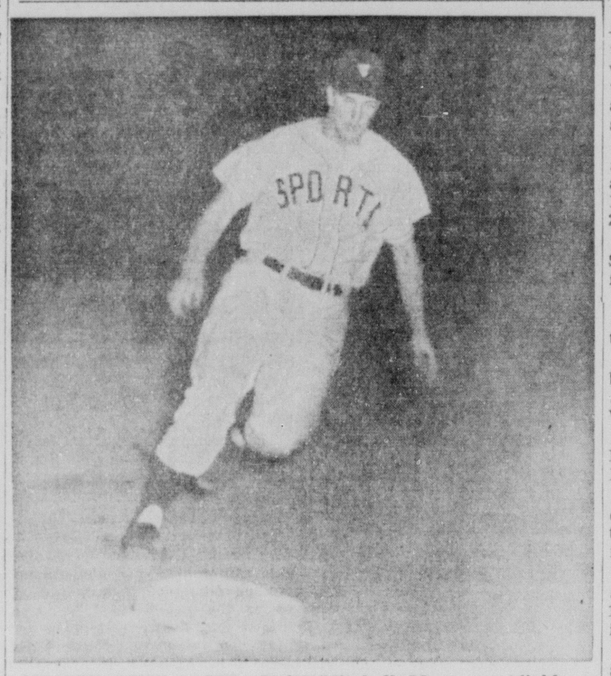
The college boy went to work in earnest in the afternoon round and evened the match on No. 19. He went ahead two holes later. Parnell birdied the par 5 17th to win the match.

Rudolph's putting kept the pressure on Baxter, also a former National Junior champion, who took a 77 on the morning round.

Morey, 35, one of the pre-tournament favorites, seemed to tire during the afternoon.

Parnell and Rudolph play 36 holes tomorrow for the championship now held by Eddie Merrins of Meridian, Miss., who failed to make the match play bracket. Hillman Robbins Jr., Memphis, last year's runnerup, qualified for match play but withdrew immediately to enter the Air Force.

McGonagill, Ramsel Clash In State's Amateur Finals



HOMER WINS GAME—Keith Mitchell, Monroe outfielder, socked an eighth inning homer last night to provide the margin of victory as the Sports defeated Thibodaux, 4 to 3. Here Mitchell rounds third after his 355-foot wallop over the right field fence. (Staff photo by John Oldenburg).

SHREVEPORT, La., June 2 (AP)—Jimmy McGonagill, seven times titlist, and Lee Ramsel, a once-a-week golfer of Shreveport, moved today into the finals of the Louisiana state amateur golf championship tournament.

McGonagill, a former professional who took medalist honors with a record yesterday, beat Luca Barbato, another former pro, 3 and 2, in the semifinals today.

Ramsel beat David Rheams of Shreveport 5 and 4 to make the finals.

Tomorrow's 36-hole finals begin at 9 a.m. at the Shreveport Country Club.

In the quarterfinals McGonagill beat Bill Ramsey of Shreveport, 4 and 2, and Ramsel upset Oran Whittington of Shreveport 5 and 4.

McGonagill was even par against Ramsey and four over par against Barbato.

Ramsel had eight one-putt greens over the 14 holes against Whittington, who like himself is a former Shreveport city champion.

Ramsel has entered the state amateur only once before, in 1950, and then he failed to qualify in the championship flight.

Both of McGonagill's sons, Pat and Bud, reached the finals in their flight. Pat reached the final round of the consolation, and Bud reached the final round of the second flight consolation.

Quarterfinals

Jimmy McGonagill, Shreveport, beat Bill Ramsey, Shreveport, 4 and 2.

Luca Barbato, Lafayette, beat Gay Finlayson, Shreveport, 1-up in 20 holes.

David Rheams, Baton Rouge, beat Murray Henley, Shreveport, 2 and 1.

Lee Ramsel, Shreveport, beat Oran Whittington, Shreveport, 5 and 4.

Semifinals

McGonagill beat Barbato 3 and 2.

Ramsel beat Rheams 5 and 4.

The Palace and the Jaycees broke the four-way deadlock for first in the Southside League yesterday and joined at the head of the race and are scheduled to meet Tuesday to settle sole ownership of first place.

The Palace knocked off Lennon Motors yesterday, 8-1, on the four-hit pitching of Gunn. Walker and Powell, Lennon hurlers, were tagged for 12 hits, three by Zarro. Walker led Lennon with 3-for-3.

Oglesbee alone wasn't enough for KLIC to turn back the Jaycees who won 10-7, although KLIC outhit the winners 9-7, and Oglesbee, the losing pitcher, socked one third of his clubs hits, three, including a home run. Rambin led Jaycees with two hits. Shaw and Sims was the winning battery. Kincaid caught Oglesbee.

Babe Ruth League

The Reds celebrated the opening of the 1956 schedule yesterday by whipping the Cubs, 9-7. In a battle that gave each club eleven hits and two hits, Webb came out on top to be given the pitching victory.

Haddad, Young, and Howard led the winners in the hitting department with a two-for-three record. Cromwell cloted a triple for the Reds. Rambin was tops at the plate for the Cubs logging three safties for four times up. Among his trio of hits were a pair of doubles.

Renwick and Cocks were the losing battery. Dowdey was the winning catcher.

Cleveland Floods Nationals, 15-0, On Score Shutout

WASHINGTON, June 2 (AP)—Herb Score struck out 13 and allowed only three hits and Jim Hegan smashed a bases-loaded homer tonight as Cleveland mauled Washington, 15-0. Vic Wertz, Rocky Colavito and Sam Mele also hit home runs for the Indians as the Senators were handed their first shutout of the season.

Chisox Go To Prison After Game Rain-Out

BALTIMORE, June 2 (AP)—What do baseball players do when a game is rained out in a strange city?

It happened to the Chicago White Sox today and three of them went to prison.

Jim Rivera, Billy Pierce, and Walt Dropo toured the Maryland Penitentiary and later answered questions from the inmates at the impromptu interview in the prison auditorium.

The tour ended with coffee in the prison dining room with warden Vernon Pepersack and other prison officials.

Today's rained out Chicago - Baltimore game has been rescheduled for Monday night.

Chicago Cubs Obtain Carl Reynolds' Son

CHICAGO, June 2 (AP)—First baseman Carl Reynolds, Jr. son of a former Cub outfielder, was signed by the Chicago Cubs today for their Class A Western League affiliate at Des Moines.

Reynolds, 21, recently was graduated from Rice Institute and will report to Des Moines Wednesday.

Reynolds, a 6 feet 1, 180-pounder, bats and throws left handed. He was signed by scout Roy Johnson who said that Reynolds was regarded as the outstanding college ball player in the Southwest.

Carl Senior was with the Cubs from 1937-1939 and also played with the White Sox, Washington, old St. Louis Browns and Red Sox.

British Establish Moore Favorite In Pompey Scrap

LONDON, June 2—UP—In boxing, a good big man generally beats a good little man, so the British public made Archie Moore a 2½ to 1 favorite Saturday to retain his world light heavyweight crown when he meets Holande Pompey of the West Indies Tuesday night.

Moore, now a natural heavyweight, is completing three weeks of intensive training to squeeze himself down to 175 pounds for the weigh-in Tuesday afternoon. Pompey stopped training for a couple of days last week because his handlers were unable to keep his weight above 169 pounds. He is a "heavy" middleweight rather than a light heavyweight.

Promoter Jack Solomons announced several days ago that all of the 11,000 seats in London's Harringay Arena have been sold at prices ranging up to 10 guines ($29.40). The gate, never announced here, is estimated at more than $100,000.

British rules do not permit television of championship bouts involving such a well-known fighter as Moore.

Britain had a diverting time reading the weight bulletins from the Moore camp in the shadow of the great royal castle of Windsor. The champion shook everybody by arriving here 22 pounds overweight but by Friday was only three pounds from the light heavyweight limit and said he would make it with ease.

Minor League

Three Minor Leagues to be operated in Monroe this season by the Little League directors for boys of Little League age who failed to be drafted for Little League play will open here this week. The schedule, announced yesterday, is:

Northside League (Wednesday)—Friendly Finance vs. Medica, 5 p.m.; Lieber Company vs. Spatafora Drugs, 6:30.

Southside "A" League (Saturday)—M.G.M. vs. Monroe Glass, 1 p.m.; Dew Music vs. Monroe Lions, 2:30.

Southside "B" League (Saturday)—Hunt and Whitaker vs. The Best V-8, 4 p.m.; Clay Oil and Gas vs. Red Sox, 5:30.

Ruston Halts Monroe, 6-2

Four unearned runs in the top of the sixth inning gave the Ruston American Legion Juniors a 6-2 downing of the McCain-Richards Monroe Legionaires yesterday afternoon on the Neville diamond. Tom Fraiser, who had just replaced Eddie Hood on the hill in the fifth, received credit for the victory.

Hood was pulled when second baseman Eddie McGowen singled across Ralph Ward and catcher Willie to tie the game, 2-2. Ward and Ragan had traveled to first on an error and a fielder's choice with each stealing a base, later. Frasier closed out the ralley on a double play after handing Mickey Yerger a walk.

A pair of errors kicked off the four-ply Ruston run-around affair, putting Derl McEarchin and Gerald Cobb on base after Wayne Barfield and Frasier struck out and hit out. John Murphy received a base-on-balls to load the bags. Rightfielder Bobby Colvin then stepped to the plate to drive a single into the hole between second and first bases that brought home McEarchin. A two-base error on the throw-in permitted Cobb and Murphy to score and Colvin tallied when third baseman Joe Holder hit safely. Left fielder Ragan Edmiston forced out to end the runfest.

The Ruston Legion sponsored organization had collected their first pair of runs in the first and fourth innings.

Loser Jim Altick wheatered the sixth stanza explosion, but had Louis Kincaid come out on to close out the battle in the seventh.

Lavandin Favored In 177th Running Of English Derby

LONDON, June 2—UP—Lavandin, a colt owned by French millionaire Pierre Wertheimer, is the 6 to 1 favorite for next Wednesday's 177th English Derby at Epsom Downs, but the big field doesn't include an outstanding thoroughbred.

Thirty-seven other horses are entered and each owner is confident as the winner of English racing's blue ribbon event. Each of the three-year-olds will carry 126 pounds over the traditional and esting mile-and-a-half course at Epsom Downs.

The race also has world-wide interest because an Irish hospital sweepstake is based on the result.

Six French-bred colts, including Montaval owned by Ralph Strassberger, and two Irish entries will battle the home - bred thoroughbreds in what shapes up as a wide-open race. Strassberger, formerly of Norristown, Pa., now lives in Paris.

Kingmaker Wins Over Head Man In Kent Stakes

STANTON, Del., June 2 (AP)—Kingmaker, flying the Happy Hill farm's silks of Mr. and Mrs. Cortright Wetherill of Newton Square, Pa., finally broke loose from the jinx which has pursued him in stakes races and captured the $32,500 Kent at Delaware Park today.

Second in the choice in the field of 10 three-year-olds, he survived a three-way photo finish in the mile and a sixteenth test over a sloppy track. Head Man, C. V. Whitney's top-weighted favorite at 6-5, who carred 123 pounds to the winner's 111, was beaten a head while staving off Lucius Beebe by a neck for the place. Countermand ran fourth.

Kingmaker, whose triumph was witnessed by 19,002 fans despite heavy rain, returned $11.80, $4.20 and $3.40. Headman paid $3 and $2.60, while Lucius Beebe returned $8.20, for third.

The time was 1:45 2-5.

Jockey Eldon Nelson who was to have ridden Ricci Tavi in the Kent, was thrown in the starting gate by Woodlawn Belle before the sixth race and badly stunned. He appeared to have escaped serious injury upon being examined at the track dispensary but was sent to Delaware Hospital in Wilmington for head and neck X-rays.

Calumet's Fillies Run 1-2 In Black Eyed Susan Event

BALTIMORE, June 2 (AP)—The Calumet farm fillies Princess Turia and Beyond finished one-two in the $20,000-added Black Eyed Susan Stakes at Pimlico today, the Maryland Jockey Club track concluded its 23-day spring meeting.

Cold,rainy weather marred the program and held the crowd to 12,736.

There was win wagering only on the Black Eyed Susan and the Calument entry returned a $2.20 mutuel Manager Bob Sloan said there was no minus pool on the race.

Six 3-year-old fillies competed in the mile and a sixteenth race, but no opposition developed for Princess Turia, the eased up winner. Willie Hartack sent the daughter of Heliopolis and Blue Delight to the lead along the backstretch and she was never threatened afterwards. She scored by four and a half lengths over her stablemate, Beyond, and was timed in 1:45 3-5 over the sloppy track.

Beyond took second money by a length from Hadareward, owned by Mrs. Charles P. Sanborn. Colonnade farm's Mabe Cee, the early leader, was fourth followed by Joan Ellen stable's Wartesia and Alan T. Clarke's Our Year.

The Calumet farm of Mrs. Gene Markey took down a $15,500 winner's check and a $5,000 check for second position. The victory was the third stakes success this year for Princess Turia. She won the Kentucky Oaks from Doubledogdare, and deadheated with Beyond for first money in the Acorn.

ANDREWS HURLS 1-HITTER

MINDEN, La., June 2 (Special)—Ira Simpson highlighted a 7-run third inning with a grand slam home run that fired the Ruston Ramblers to a 9-0 shutout of the Minden Red Birds behind the one-hit pitching of Milford Andrews tonight. Andrews had a no-hitter with one out in the ninth when Cecil Hoggard slammed a double off the left field wall.

BASTROP NIPS SPRINGHILL

In a nip-and-tuck thriller last night, the Bastrop Barons downed the Springhill Sports, 6-5, at Bastrop. Ted Murry, recent graduate of Bastrop High School, struck out 14 visitors in his first Big Eight assignement. Chemento, the other member of the winning battery feeling that he should contribute his part to the attack, logged a home run in the bottom of the sixth frame that proved to be the winning run.

Phils Check Cards, 6-4, On Ashburn's 2-Out Hit

ST. LOUIS, June 2 (AP)—Richie Ashburn's two-out double with the bases loaded followed four straight walks in the fourth inning today as the Philadelphia Phillies topped the St. Louis Cardinals, 6-4.

Reliefer Bob Miller turned back a Red Bird rally in the ninth inning by forcing third baseman Ken Boyer to hit into a game-ending double play with the bases loaded.

Philadelphia, with two out in the fourth, picked up all six runs as starter Herm Wehmeier lost his control after Elmer Valo beat out an infield roller. He walked four straight men, including pitcher Stu Miller, to force in two runs.

Dick Littlefield then took over on the mound for the Cardinals but was greeted by Ashburn's three-run double to right center and Marv Blaylock's double to the same spot.

Littlefield and Wehmeier came to the Cardinals in a trade that sent Stu Miller, Harvey Haddix and Ben Flowers to the Phils.

Stu Miller, a slow curve ball specialist, held his former mates at bay until the sixth inning when Red Schoendienst led off with a double, Boyer followed with an infield hit and Rip Repulski reached first on an error by Gran Hamner to load the bases. Bill Sarni followed with a three-run double to left center.

The Red Birds picked up their other run in the eighth on a walk, Repulski's single and Sarni's run-scoring single to left center. This brought on Bob Miller who fanned pinch hitter Hank Sauer to end the inning.

Rebels Trip Tech, 3-2, To Go Into N.C.A.A. Finals

GASTONIA, N.C., June 2 (AP) — Mississippi eliminated Tennessee Tech from the District 3 N.C.A.A. baseball playoffs, 3-2, today to advance to Monday's finals, and Duke whipped Florida State 4-2 to force their series into a third game when Tennessee Tech's defense collapsed to nullify an equally brilliant three-hitterby Tech's game.

Three Tech errorssent two runners home. Billy Kinard, Ole Miss catcher, got on base when shortstop John Jones booted his grounder. John Williams was safe on an error by first baseman Jim Gaylor, Kinard going to third. After Eagle Day grounded out, John Cainey hit a sizzler to the mound. Jones threw the runner out at first, but Kinard and Williams came home when Gaylor threw the ball over catcher Bill Sanders' head.

Ole Miss had jumped into the lead in the first inning when Gainey walked, stole second and came home on Buddy Chain's single.

Tech bounced back with two runs in the seventh to take the lead. Noble Patton singled to get the only hit off Burford, and Gaylord walked. Both runners came home when first baseman Buddy Wittichen threw the ball into left field after fielding Dave Greer's hot grounder.

The third and deciding Duke-Florida State game was played tonight. The Seminoles had won yesterday's first game in the best two-of-three playoffs. Ole Miss whipped Tennessee Tech yesterday, 4-3.

Third baseman Andy Cockrell's home run with two men aboard in the seventh inning gave Duke its victory in the afternoon game with Florida State. His big blow came after pitcher Harley Fatzinger had walked and Bill Domhoff had singled.

Duke had taken the lead in the sixth when Cockrell got on base via a two-base error by the Seminoles' Owen McCarron. Cockrell went to third on Lonnie Bonczek's long fly, and then went home when Buddy Pass grounded out, sliding in under Fred Twomey's throw to the plate.

Florida State tied it up in the seventh. With two out, Carlee Hendrix walked, stole second and scored on Dick Howser's triple. The Seminoles got their second run in the eighth on Lee Corso's single and Bill Hunt's double.

Fatzinger scattered seven hits for Duke, but was matched in his performance by Florida State's Bob Bristol. Duke backed Fatzinger with three double plays.

Lansford Points For 2nd Pro Campaign

PHILADELPHIA, Pa., June 2 (AP) —The Philadelphia Eagles today announced receipt of the signed contract of Buck Lansford, 230-pound guard - tackle. Lansford, formerly of the University of Texas was an outstanding rookie in the National Football League last year after being signed as the Eagles number two draft choice.

2 Tech Spikemen Invited To Meet At U. Of Houston

RUSTON, La., Jne 2 (Special) —Two record - breaking members of Louisiana Tech's 1956 track team will compete in the "Meet of Champions" to be held at the University of Houston, Tex., June 8.

Bulldog track Coach Jimmy Mize reports that Joel Thomas, Rodessa sophomore, and Robert Dunbar, Rocky Mount senior, have been invited to the contest as a result of their fine showings in the Gulf States Conference track meet recently held at Lake Charles.

Thomas set new G.S.C. records in both the low and high hurdles. He topped the 120 high hurdles in 14.5 seconds and the 220 low in 23.7 seconds to establish the new marks. At Houston the Gulf States hurdling champ will carry the conference colors in the 110 meter high hurdles.

Co-captain of the Tech track squad this past season, Dunbar broke the G.S.C. mile record by covering the distance in 4:24.1. At the Southern A.A.U. track meet held at Lake Charles on May 26, the Bulldog miler did even better than that when he was clocked at 4:19.6 for a new Southern A.A.U. record and the best mile run of his career. In the "Meet of Champions" Dunbar will enter the 1500-meter run, the metric equivalent to the one mile run.

Athletes competing at Houston will represent the Gulf States, Southwestern, Southeastern, and Missouri Valley conference as well as several others. The "Meet of Champions" will lead up to the N.C.A.A. semi-finals and finals to be held a week later on the west coast.

TCU's Paschal Gets Tiger Farm Contract

DETROIT, June 2 (AP)—The Detroit Tigers today signed Al Paschal, a shortstop from Texas Christian University, to a minor league contract. He will be assigned to Augusta of the Sally League.

Paschal, 20, of Fort Worth, Tex., was an All-Southwest Conference shortstop and batted .394 this season.

Littler, DeVincenzo Tie For Dallas Lead

Cary Middlecoff Stroke Off Pace For Third Place

DALLAS, June 2—UP—Little Gene Littler curled in a 12-foot pressure-putt for a birdie on the 18th hole Saturday to scramble into a tie for the halfway mark lead of the $70,000 Texas Centennial Open tournament with Roberto De Vincenzo of Mexico City at 10 under par 130.

Littler, the former national amateur champion from Singing Hills, Calif., was the only one of the three first day leaders able to come through under the tenseness Saturday to catch the red hot Argentine-born De Vicenzo, who posted his second straight five-under-par 65 early in the day.

The California ex - sailer fought back from two apparently disastrous bogies on the 14th and 15th holes to birdie the 16th and 18th and pull into the tie with a 32-34—66, one stroke ahead of Dr. Cary Middlecoff, the Tennessee dentist, who was tied with him at 64 Friday.

Middlecoff, finishing just a scant few minutes ahead of Littler, rammed home a downhill 18-foot birdie putt on the 17th to finish with a three-under-par 35-32—67 for a 36-hole total of 131.

That put him two strokes ahead of the third member of Friday's opening round triumvirate — Bill Casper Jr., of Chula Vista, Calif., who slid from a first round 64 to a 34-35—69 Saturday and undisputed third place.

De Vincenzo, a 33-year-old Latin now playing out of Mexico City, has had only one bogey in 36 holes.

Littler, on the other hand, had three Saturday, all on the usually easy back nine. He had birdie putts on one foot, 20, 4, 6, 2, 10 and 12 feet to keep him in the running for the $14,000 first prize being served up here Monday.

Middlecoff had a couple of bogies Saturday and was in four sand traps, but two long, downhill putts — the 17th and a 12-footer on the second hole — and three others of less than four feet for birdies kept him in close contention.

Casper skidded five strokes over his sensational opening round to finish one stroke ahead of Slammin' Sam Snead of White Sulphur Springs, W. Va., and Bill Trombley of Dallas, had 134s. Snead had his second straight 67, while Trombley shot a 66.

Harry Todd, another local pro, who missed a two-footer for a birdie on the last hole, joined De Vincenzo and Paul O'Leary of Bismark, N. D., as the day's only 65 shooters and wound up in an eight-way deadlock at 136 with Ted Gwinn of Tulsa, Okla., Dave Douglas of Newark, Del., Ernie Vossler of Fort Worth, Tex., Don Fairfield of Casey, Ill., Don January of Abilene, Tex., Peter Thomson of Melbourne, Australia, and Ben Hogan of Fort Worth. O'Leary was at 139.

At 137 were Mike Fetchick, Doug Higgins, Jackson Bradley, Jay Hebert, Ted Kroll, Bob Rosburg and Jim Feree.

U. S. Curtis Cup Team On Scene Of British Play

SOUTHAMPTON, England, June 2 (AP)—America's Curtis Cup golf team arrived at Southampton today and non-playing captain, Mrs. Harrison F. Flippin of Philadelphia, immediately announced: "We're going to start practice right away."

Mrs. Flippin said five of the seven players were newcomers to Britain. "The courses over here are very different," she added, "You've got to know them. And that's what we are going to try to do."

The team later left by bus for Sandwich Bay, Kent, where they will play against Britain in the cup matches next Friday and Saturday.

The two who have played in England before are Polly Riley, 29, of Fort Worth, and Pat Romack, 23, of Sacramento, Calif.

Newcomers are Mrs. Philip Cudone, 37, of Montclair, N.J.; Margaret Smith, 19, of St. Clair, Mich. Pat Lesser, 22, of Seattle; Jane Nelson, 22, of Indianapolis; and Mary Downey, 30, of Baltimore.

Cubs Beat Dodgers Twice

CHICAGO, June 2 (AP)—Righthanders Dave Kaiser and Bob Rush shackled Brooklyn's vaunted power today and hurled the Chicago Cubs to a double victory over the world's champions, 8-1 and 5-4, before 20,751 as Jim King's perfect throw nailed Gino Cimoli at the plate with the tying run in the ninth inning of the second game.

Kaiser, a 21-year-old bonus pitcher from Ada, Okla., limited the Dodgers to two hits in his first major league start while Rush overcame a shaky first inning to post his fourth triumph in six decisions, although he needed help from Turk Lown in the ninth inning.

Carl Erskine and Don Newcombe, Brooklyn's top pitchers, were the victims. Erskine was chased in a four-run fifth inning in the opener. Newcombe suffered his fourth defeat against seven triumphs and was blasted for 10 hits.

It was the first time in five years that the Cubs had taken a double header from Brooklyn.

Brooklyn almost tied the second game in the ninth inning but King's perfect throw to the plate nailed Cimoli at the plate and Peewee Reese flied out to end the game.

Fortier, Warren Easton Suspended By Athletic Board

HAMMOND, La., June 2 (AP) — The Louisiana High School Athletic Assn. today suspended two New Orleans high schools from playing baseball for one year and fined each $100.

Commissioner T. H. Waters of the association said the punishment was meted out to Warren Easton and Fortier after an investigation into a fracas that broke out during their baseball game May 25. Fortier forfeited the game after the fracas, he said.

The athletic association also placed both schools on probation for one year from today.

Waters said an investigation showed "some evidence that the coaches and players of both schools showed poor sportsmanship by using vile and obscene language and by fighting."

He and two other members of a three-man committee held a hearing in New Orleans Thursday, Waters said, and listened to all sides of the dispute. It met in Baton Rouge today for its decision.

Other members of the committee, he said, were J. F. Guglielmo, principal of Lutcher High, and N. Z. Plaisance, principal of Brusly High.

SIGNED FOR CHICKS

CHICAGO, June 2 (AP)—The Chicago White Sox today signed Bob Latch, captain and centerfielder of the University of Tulsa's baseball team for their Memphis affiliate in the Class AA Southern Association.

Tech Will Have Tough Time Replacing Lenoir

RUSTON, La., Jne 2 (Special) —Louisiana Tech track fans know that finding a man to fill the shoes of senior dashman Bruce Lenoir is going to be a difficult thing to do.

The Mansfield speed merchant this spring rounded out his fourth year of competition with the Bulldog thinclads and leaves behind an enviable record that speaks for itself.

Specializing in the 100 and 220-yard dashes and the relays, Lenoir has been defeated only a few times in his collegiate career. Tech cinder followers grew accustomed to his "automatic" first place points in the dashes. Lenoir won the 100-yard dash at the official Gulf States Conference meet four years in a row. He also captured the 220-yard dash title three of those four years.

The "Blond Blitz" closed out his Tech career in a blaze of glory by breaking the conference 100 and 220-yard dash records when the official loop meet was held at Lake Charles on May 19. Speedster Lenoir covered the century in 9.7 seconds and the 220 yards in 21.0 seconds to set the new marks.

During his freshman year in 1953, Lenoir attracted considerable attention when he tied the GSC 100 yard record with a 9.9 effort, won the 220 yard dash in 21.9 seconds, and helped Tech's 440 and 880 yard relay teams set new conference marks. It appeared that he had a great future ahead on the cinder paths.

The 1954 season found the fleet Bulldog trackman breaking the GSC 100 yard mark with a 9.8 run, and tying the 220 yard record with his 21.6 time.

Hampered by injuries during the 1955 season, the Mansfield student still won the 100-yard dash at the G.S.C. affair.

This season Lenoir gave his top performance by speeding to new records in both the 100 and 220-yard dashes. Lenoir was also a member of this season's 440-yard relay quartet that set a new record of 42.1 seconds at the conference meet.

Twice during the past four seasons the Canine dashman was clocked at 9.6 seconds for the 100-yard dash. During the 1954 season he did it in a meet at Conway, Ark., and on April 14 this season he broke the tape in the Southwestern Louisiana Relays with the same timing.

At Mansfield High School Lenoir played football and took part in track for three years. He came to Tech as a fine end prospect for the football squad. However, his lack of size made assignments against larger opponents especially difficult. Then the two-platoon system was abolished and after making such a sensational record as a freshman trackman, Lenoir decided to compete in track only.

And Bulldog track opponents will tell you that he did a good job of that. Many sports followers around Tech believe that Lenoir is the fastest man ever to don a Tech track uniform.

"Bruce has one of the strongest competitive attitudes of anyone on our track squad," points out Bulldog track coach Jimmy Mize. "He is about the fastest sprinter I've ever coached."

4 National Marks Fall In Thinclad Meet At Minden

MINDEN, La., June 2 (AP) —Four national junior AAU Olympic track records fell today and another was tied at the fourth annual Northwest Louisiana Olympics.

Four students from Byrd High, Shreveport, competing in the senior division of the 440-yard relay, were timed in :43.9. The former record was :44.7. The team was composed of Phil Heffington, Dickie Carpenter, Joe Hill and Pat Studstill. The senior division includes the ages 16-17.

Bo Campbell, another Byrd student, ran the 440-yard dash in the intermediate division in :50.49 to break the :51.1 mark. The division includes ages 14-15.

Two Shreveport boys competing in the junior division for ages 12-13 broke the other records. Sonny Parnell of Byrd high jumped five feet, four inches to beat the old mark by seven-eights of an inch. John Bullock of Broadmoor Junior High ran the 50-yard dash in 05.65 to lower the :05.9 mark.

Pete Williams of Jena was timed in :10.2 for the 100-yard dash to tie the national intermediate record.

Suffolk Feature Won By Eternal Mark, Pays $8.40

BOSTON, June 2 (AP)—Eternal Mark, racing in the colors of A. A. Crabbe of Miami, charged fast through the stretch to win the $10,000 Commonwealth Handicap today at Suffolk Downs.

Eternal Mark scored by two lengths over R. R. Damoon's Hao Box. J.P Caval's Amyn Bey was third.

The winner, third choice with the crowd of 21,108, paid $8.40, $5. and $3.80. Hat Box returned $7.80 and $5. Amny Bey was $6.20 to show.

It was the third victory in the last four starts for Eternal Mark. The five-year-old mare was ridden by Lucien Parent.

The time of the 6-furlong test was a sharp 1:10 4-5. 8

Jazz Age Takes Peter Pan Win; Lawless Second

NEW YORK, June 2 (AP)—Longshot Jazz Age streaked down the stretch in the murk and slop at Belmont Park today and captured the Peter Pan Handicap in a fassion that suggests he could be a definite threat for the Belmont Stakes June 16.

Although this was only the first stakes victory and the second win in the career of the lightly-raced C. V. Whitney colt, the race recalled that another Whitney horse, Counterpoint, came into prominence in the same handicap five years ago.

Counterpoint made the Peter Pan his first stakes score in 1951, breaking the track record, and the returned one week later to capture the $100,000-added Belmont and go on to become horse of the year.

Peter Pan last year aboard Nance Lad, steered Jazz Age to a three-quarter length victory over the Brookmeade stable's Lawless, second choice in the betting of the crowd of 30,775. Lawless took second money by a head over Mrs. Wallace Gilroy's Oh Johnny, the favorite, while Lawrence R. Troiano's King Somali was beaten out for third money by a neck in a photo finish.

Jazz Age, a grey son of Priam 2nd-Jazz Baby by Mahmoud, stepped the mile and one eighth in 1:48 2-5, which was only three-fifths of a second slower than Counterpoint's track record.

The winner showed 25-1 on the board and the crowd whopped it up when the official prices of $61.20, $18.90 and $8.70 were flashed. Lawless, also eligible for the mile and one-half Belmont, returned $5 and $3.60, while Oh Johnny paid $3.50.

Jazz Age carried 111 pounds, Lawless had 115 and Oh Johnny was tops with 124. Beau Diable finished fifth, followed by Jean Baptiste, Corax, Riley, Massai and Paint Brush.

DR. A. L. CRABB

Creative Writing Lecture Series Scheduled Here

Dr. A. L. Crabb of Nashville, Tenn., will be presented by the Liberal Arts Department of Northeast State in a series of lectures on creative writing.

The five lectures will run from June 27 through June 29, announced Dr. W. R. Hammond, head of the department. The public is invited to all discussions which are scheduled in Brown Auditorium on the campus.

This summer school program is one of a group of special meetings which will feature distinguished persons in various fields of interest.

Dr. Crabb was professor of education prior to is retirement at George Peabody College, Nashville Tenn. He also has held a deanship at Western Kentucky State College.

The visiting speaker is considered a man of letters of the front rank whose lectures sparkle with wit and humorous anecdote.

His writings include both professional works and fiction. He has authored ten novels, including "Dinner at Belmont," "Home to the Hermitage," "A Mockingbird Sang at Chickamauga," and "Home to Tennessee."

Dr. Crabb will lecture in several English classes at Northeast in addition to the public.

The schedule of open lectures includes: June 27, 9:10 a.m. and 11 a.m.; June 28, 8:15 a.m. and 10:05 a.m.; June 29, 9:10 a.m.

Sen. Eastland's Secretary Retires Chick Placements

WASHINGTON, June 2 (AP)—Mrs. Virginia Simmerman, who charmed and greeted visitors to the office of Sen. James Eastland (D-Miss) the last 13 years, retired today and headed back to Mississippi.

For nearly 22 years Mrs. Simmerman was right in the middle of things in Washington.

"I hate to leave—I'm going to miss all this excitement," she said. "But then, I'm rather looking forward to leading the 'life of Riley' from now on."

Eastland said losing her was something like losing a good arm.

"She's an outstanding secretary —as good as any on The Hill," he said. "She was most efficient, worked hard and faithfully. I am certainly sorry to see her go but I know she returns to a large reservoir of friends in Mississippi."

Recital To Be Held At Children's Home

Music students at the Louisiana Baptist Children's Home will hold a recital at 7:30 p.m. Monday at the chapel. it was announced yesterday by Mrs. Edith Whitehead, music director.

The girls ensemble, which won an "A-plus" rating at the state music festival at Alexandria on May fourth, will perform at the recital, she said.

The public is invited to attend.

PARSONAGE WEDDING

While a bride rarely wears a white wedding dress and veil for a parsonage or parish house wedding it is entirely proper for her to do so if she wishes.

Something different for that buffet supper. Cook pearl barley in beef or chicken broth with a little chopped onion. Serve with baked ham.

Exchange Club To Conduct Projects Assisting Youth

The Exchange club of Monroe has started the ball rolling to raise funds for its pet projects which concern chiefly the youth of the city.

At a recent meeting it was voted to sponsor the Monroe Model Maniacs, organization in existence for several years, but a group that is confronted with lack of funds. Equipment, badly needed, was available for some boys but not for others. Their meeting place has been in garages.

Last week the club rented a store building for this group and plans are being drawn for extensive improvements and the enlargement of the flying field in Bernstein park, to accommodate the first state meet this year to be held July 15 Entries are anticipated from all over Louisiana.

This project is nation-wide and the Monroe club is pleased to be a member of such a group.

Another, also nation-wide project, is the "Sunshine Special". A special committee is charged with the selection of approximately 100 less-privileged children, ages eight to 14, and the taking of them to a nearby outing place for one day of pleasure. The next time set is on August 7.

The Exchange club also selects a boy and girl for Pelican State held yearly in Baton Rouge.

To carry out these important programs takes money. To get funds, the club has planned to sell illuminated numbers to be placed on lawns so that house numbers can be easily found by day or night.

The New York metropolitan area has 12,300,000 people.

Here Come the Brides

Mrs. Lothair Arthur Newman, Jr., was Virginia Earle Laing, before her nuptials yesterday evening. She is the daughter of Mr. and Mrs. Willie Rufus Laing.

Mrs. William P. Weber, Jr.'s wedding was an event of May 30, in the First Christian Church. She is the former Lela Bess Kite, daughter of Mr. and Mrs. Arthur Madison Kite.

MONROE MORNING WORLD

June 3, 1956

Miss Frances Lamoreaux Warner, of Lookout Mountain, Tenn., is betrothed to Ralph Talbot Troy, son of Mr. and Mrs. Richard Matthew Troy. The couple will wed August 4, at the Church of Good Shepard, on Lookout Mountain.

Miss Dolores Loucil Taylor will become the bride of James Edward Morgan, nephew of Mr. and Mrs. Fred Salley, of this city. Their vows will be said in Bermuda, in the late summer.

Miss Betty Crawford is the fiancee of Billy Frank Swendson, of Start. Her parents are Mr. and Mrs. Oron La Rocke Crawford, of Hoisington, Kansas. A July wedding is planned.

Miss Mary Joye Weems, daughter of John Roy Weems and the late Mrs. Weems, is engaged to Burton Edward Hill. The couple have set June 9, as their wedding date.

Miss Shirley Ann McGowen, daughter of Mr. and Mrs. Thomas I. McGowen, will marry Huey P. Fautheree, son of Mr. and Mrs. Harvey Fautheree. The wedding is to be June 23, at the College Place Baptist Church.

Engagement Of Miss Warner To Ralph Troy Is Announced

Claiming wide interest today is the announcement by Mr. and Mrs. Joshua Barclay Warner, of Lookout Mountain, Tenn., of the engagement of their daughter, Miss Frances Lamoreaux Warner, to Ralph Talbot Troy, son of Mr. and Mrs. Richard Matthew Troy, of this city.

The bride - elect is the granddaughter of Mr. and Mrs. W. F. Lamoreaux, of Lookout Mountain, and of Porter Warner Sr. and the late Mrs. Warner.

Miss Warner is a graduate of St. Mary's School, Sewanee, Tenn. and attended the University of Chattanooga, where she was a member of Chi Omega social sorority.

Mr. Troy is the grandson of Mr. H. H. Nobes and the late Mrs. Nobes and Mrs. Matthew Troy, both of Monroe. He is a graduate of Neville High school and is a student at the University of the South, Sewanee, Tenn. He is a member of Kappa Sigma Social fraternity, Phi Gamma Mu, honorary society, the Order of Gownsmen and ODK. He is also a member of Sewanee's tennis team.

The wedding will be solemnized August 4, at the Church of the Good Shepard on Lookout Mountain.

RISE TO THE OCCASION

At the reception the bride and groom should rise with each toast. If the toast is to the bride only, then the groom merely stands and drinks. If it is to both, then the groom replies with an expression of thanks. It is not a time, however, for speeches from the groom.

MRS. HARVEY DALE SHAFFER

Miss Baker, Harvey Shaffer Pledge Troth

The Presbyterian Church at Ruston, was the scene for the ceremony, which united in marriage, Miss Dorothy Sue Baker, daughter of Mr. and Mrs. Herbert Baker of that city, and Harvy Dale Shaffer son of Mr. and Mrs. C. P. Shaffer, of Gibsland.

Dr. H. H. Thompson, pastor of the church officiated at the ceremony, which took place Friday evening, June 1, 1956, at 7:30 o'clock. The vows were said before an altar of white tapers in wrought iron candelabras forming the background for the arrangements of baskets of white gladiolas, white stock, Queen Ann's Lace, magnolia blossoms and pots of white and green caladiums.

A musical prelude was presented by Miss Hilma Ezell, organist and Mrs. James Thomas, vocalist.

The ushers, which served as groomsmen also, were, Messrs. Jimmy Ray Johnson, Hugh Rocky Pearson, of Gibsland, Allan Lee of Magnolia, Arkansas and the bride's brother, William H. Baker, of Jonesboro.

The bride's cousin, Jane Baker, of Ruston, and the bridegroom's sister, Gloria Shaffer, of Gibsland served as candle lighters. Dressed identically in waltz length nile green tulle over taffeta dresses, they wore wrist corsages of daisies and halos of matching tulle in their hair.

The bridegroom and his best man, his brother, Vernon Shaffer waited at the altar with the officiating minister, Dr. Thompson, followed by the groomsmen who took their places at the altar.

Preceeding the bride were her attendants. Bridesmaids, dressed identically in waltz length dresses of tulle and taffeta in pastel shades and halos matching their dresses were, Miss Loui Dean Henry of Hico, dressed in pink, Misses Glenda Mathewes, of Ruston, in aqua and Betty Naff, of Ruston, in lavender. Frances Baxter of Tallulah in blue, and all carried pastel daisies.

Mrs. Vernon Shaffer attended the bride as matron of honor. Her costume was made identical to the bridesmaids. She was attired in yellow tulle over taffeta, her halo was of yellow and her flowers were white daisies.

The flower girls were little Sadie Haddad, of Monroe and Paula Heard, of Ruston, cousins of the bride. They were dressed alike in long dresses of rose tulle over taffeta and pink daisies adorned their hair. They carried basquents tied with tulle and ribbon filled with pale pink rose petals.

The bride was escorted to the altar by her father, who gave her in marriage. Her gown was of nylon sheer over net and satin and fell into a sweep train. Venice lace outlined the sweetheart neck line and trimmed the shirred sleeves at either side of the skirt. A loose panel floated from a band of lace that curved around the hips and down to the hem in the back. Upon her head, was a latticed cap of seeded pearls and rhinestones from which cascaded her double white nylon illusion veil of finger tip length. She carried a bridal bouquet of white rose buds.

For her daughter's wedding, Mrs. Baker chose a gown of pink linen lace and nylon panels with which she wore harmonizing accessories. A white lace hat studded with rhinestones, completed her ensemble.

Mrs. Shaffer, mother of the bridegroom, was attired in a blue lace gown complimented by matching hat and accessories.

Both Mrs. Baker and Mrs. Shaffer wore corsages of white gardenias.

Immediately following the wedding ceremony, Mr. and Mrs. Baker were hosts at the reception in their home on Line Avenue

Arrangements of white gladioli, stock, and magnolias and candelabra with white tapers decorated the reception rooms.

The bride's table was covered with a linen cut work cloth. The center decor was the bride's bouquet and branched candelabra of white tapers.

The three tiered wedding cake was placed at one end of the table and was presided over by Mrs. Guy Baker, and alternating with her was Mrs. Cothan Haddad, of Monroe. At the other end was the crystal punch bowl presided over by Mrs. Lonnie Mayo, of Monroe and Mrs. W. O. Davis, of Owensboro, Kentucky.

Others assisting in the courtesies were: Misses Patsy Nelson, Joanne Puckett, Betty Risinger, and Eria Faye Liner, Mrs. Dick Thompson, all of Ruston and Mrs. J. H. Roach, of Jonesboro, and Mrs. R. H. Alexander, of Arcadia.

The guest book was presided over by Mrs. William H. Baker of Jonesboro.

For traveling Mrs. Shaffer chose an aqua blue rayon linen sheath dress topped by a full length coat of rayon linen with which she wore black patent accessories, white hat and gloves. Her corsage was of white gardenias and rose buds.

On their return the young couple will resume their studies at La. Tech. Mrs. Shaffer is a member of Theta Upsilon sorority and Mr. Shaffer is a member of Lambda Chi fraternity.

Miss Weems Plans Early June Wedding

The wedding plans of Miss Mary Joye Weems, daughter of Mr. John Roy Weems and the late Mrs. Weems of this city, and Burton Edward Hill, son of Mrs. Clyde C. Hill and the late Mr. Hill, have been announced for June 9.

Nuptials will be pledged at 7 o'clock in the evening at the Emmanuel Baptist Church. The Rev. B. P. Durbin will officiate.

Serving the bride-elect as matron of honor will be her sister, Mrs. E. L. St. John, Miss Marilyn Messer, a cousin of the bride-to-be, will be maid of honor.

The prospective bridegroom's brother, Albert Hill, will be best man. Ushers will be Glenn Weems, brother of the bride and Ernest St. John.

Bermuda Will Be Setting For Summer Nuptials

Claiming social interest in Monroe is the announcement of the engagement by Mrs. Loucil H. Taylor, of Southampton, Bermuda, of her daughter, Miss Dolores Loucil Taylor, to James Edward Morgan, nephew of Mr. and Mrs. Fred Salley, of this city. She is the daughter of Major Frederick G. Taylor, of Lake Worth, Fla.

Miss Taylor is attending Richmond Professional Institute of the College of William and Mary. Mr. Morgan is a student at Virginia Polytechnic Institute, in Blacksburg, Va.

Woman's Club Has Final Meeting Of Year

The Oak Grove Departmental Woman's Club met in the social room of the Methodist Church for its last meeting until September.

Mrs. Harry Roundtree, presided. Mrs. Ellis Womack led the club collect and Mrs. Norman Colvin gave the devotional. Mrs. Sally Buatt, a former member, was introduced as a guest.

Mrs. Jeff Davenport reported on the Nation Convention of Federated Clubs held recently in Kansas City, Mo.

Miss Ruth Gully spoke to the group on conserving Louisiana State Parks. A film on State Parks concluded the program.

Announce Attendants For June Sixteenth Nuptials

Miss Ann Nelson Flinn and Hall Peyton, Jr., have chosen the attendants for their marriage to be celebrated, June 16, in St. Paul's Methodist Church at 7 o'clock in the evening.

The bride - elect is the daughter of Dr. and Mrs. Clifton B. Flinn. Mr. Peyton is the son of the Reverend and Mrs. Hall Peyton, of Haughton.

Miss Flinn has chosen Miss Mary Katheryn Chaffee of Houston, Texas, as her maid of honor. Bridesmaids include Miss Nell Bridge, Miss Marjorie Butler, of Dallas, Texas, niece of the groom, Miss Betty Rose Graves, and Miss Lenna Armstrong, both of Mer Rouge. Acting as flower girl is Jo Lynn White, daughter of Mr. and Mrs. Warren White of Mer Rouge and cousin of Miss Flinn.

Ralph Jones, of Wayne, Pennsylvania, is best man. Groomsmen and ushers will include, Nicholas McCrocklin, Lamarque, Texas, Oliver Andresen and David G. Hodgens, Jr., also of Wayne, Ryan Sartor, Jr., Alto, and Ray Rhymes, Jr., Craig Morgan and John Jordan.

Small fry will like raisins added to mashed sweet potatoes.

Miss Ann Flinn Is Complimented

Three luncheons and a coke party filled the past social week of popular bride-elect, Miss Ann Flinn.

Tuesday's luncheon was given by Mrs. Morris Phillips, in her home on Point Drive. Summer blossoms were used throughout the house and large white daisies and florabunda roses were featured in the dining room. A gift of silver marked the place for the honoree. Other guests were Mrs. Scott Hamilton, Mrs. Sol Courtman, Mrs. Corbin Turpin, Mrs. Robert Oliver, Mrs. J. W. Cummins and Mrs. Henry Hammonds.

The Bayou DeSiard Country club was the setting for the luncheon on Wednesday, with Mrs. Cyril Yancey, Mrs. Henry Hammonds, and Mrs. Roy Kelly, hostesses. Red Pinnochio roses and Bells of Ireland formed the centerpiece for the luncheon table and small silver wedding bells bore the names of the guests. Other than Miss Flinn and the hosteses, they were Mrs. Robert Rhymes, Mrs. Hollis Venable, Mrs. John Sherrouse, Jr., Mrs. Ben Cobb, Mrs. Dewitt Milam, Mrs. Guy Campbell, Mrs. Robert Gordon, Mrs. Burchell Liles, Mrs. Martin Rogers of Bastrop, Mrs. G. A. Hume of Mer Rouge and Mrs. Clifton Flinn.

Mrs. Elaine Armstrong's and Mrs. Warren White's courtesy was a luncheon at the La Casa Tea Room on Friday. White gladioli intermingled with silver wedding rings and china figurines of a bride and groom centered the table. On either side and at the ends of the table were minature brides and grooms.

Seated at the table besides the honoree and hostess were Mrs. Clifton Flinn, Mrs. Don Bacon, Jr., Mrs. G. A. Hume, Mrs. Willis Montgomery, Mrs. E. M. Clark, Miss Bettye Ross Graves, and Miss Lenna Armstrong, all of Mer Rouge. Mrs. William Porch, Chicago, Ill., Mrs. Dorothy Hornbeak, Miss Linda Hornbeak, Mrs. L. D. Ritter, Mrs. T. F. Wilson, Mrs W. H. McKelvey, Miss Lynda Davis, Miss Nell Bridge, Miss Jo Marie Ellett, Mrs. Tobo Woods, and Mrs. A. D. Williams.

Highlighting the week's festivities honoring Miss Flinn, was the Coke party, Thursday afternoon, given by Miss Elstner Frazer and Miss Pat Reitzell, in Miss Frazer's home on Rochelle avenue.

The guests were Miss Ashley Hamilton, Miss Linda Hornbeak, Miss Nell Bridge, Miss Elizabeth Leigh, Miss Lynda Davis, Miss Jo Marie Ellett, Miss Fran Guthrie, Miss Ninette Smith, Miss Sally Oliver, Miss Ann West, Miss Gay Olcott, Miss Jan Demmary, Miss Margaret Ann Lee, Miss Pud Huckaby, Miss Julia Bess Williams, Miss Gail Bingham, Miss Kathie Fleishman, of Start, Mrs. D. W. Rhodes, Miss Mimi Clark, Mer Rouge.

Also Mrs. Custer Primos, Mrs. John Coon, of Houston, Miss Virginia Blanks, of New Orleans, Miss Diane Ducote, Miss Polly Riley, Miss Carolyn Peters and Miss Barbara Kelso.

A PARENTS' TABLE

If the parents of the bride and groom do not sit at the bridal table, they may have a special table set aside for them. Here the groom's father will sit at the right of the bride's mother. She is the official hostess. The groom's mother will sit at the right of the bride's father. He is the official host.

At this table, too, it is customary to seat the clergyman.

Weber-Kite Nuptials Held At First Christian Church

Miss Lela Bess Kite, daughter of Mr. and Mrs. Arthur Madison Kite, became the bride Wednesday evening of William Patterson Weber, Jr., of New Orleans, son of Mr. and Mrs. William P. Weber, of New Milford, N. J.

The ceremony, which was celebrated at 7 o'clock in the evening, in the First Christian Church, was performed by the Reverend R. T. Watson.

Decorating the church for the wedding were tall baskets filled with calla lilies and magnolias placed at either side of an arch covered with magnolia blossoms and gold foliage. Down the aisle, the pews were marked with a single flower, and tapers burned in golden candelabra at the altar. Miss Pat Hudson was organist and Mrs. Rabun Wroten, soloist.

The bride given in marriage by her father, wore a gown of hand clipped French lace, studded with sequins and pearls. The bouffant skirt had a short train. Her veil of silk illusion edged with narrow lace, was held in place by a coronet of sequins and pearls. She carried a cascade bouquet of stephanotis with a magnolia blossom in the center.

Matron of honor to the bride, was Mrs. Jack Phillips and the maid of honor was Miss Elizabeth Leigh. The other attendants included Miss K K Kite, sister of the bride, and Miss Kay Weber, sister of the groom.

Gold lame dresses, ballerina length, were worn by the attendants. The sheath skirts had very full white over skirts, heavily embroidered in gold with matching pumps and long gold and tulle mits. They wore gold and white hats with open crowns and carried a single magnolia with golden foliage.

Miss Theresa McMichael and Miss Judy Deen were candle lighters. Their mint green cotton satin frocks were street length and very full. Their wrist corsages were of split white carnations tied with gold ribbons.

Mr. Kenneth Keller was the best man and the groomsmen and ushers were John Malmay, Neil Jordan and Billy Smith.

The Cameo Room, of the Virginia Hotel, where the reception took place was decorated with white summer blossoms. The table on which the cake was placed was covered with a satin cloth gathered full at the table edge to the floor. The cake was surrounded by gardenias and was trimmed in white and pale pink flowers.

Mrs. Kite chose for her daughter's wedding, a dress of blue chiffon over net, trimmed in rhinestones, with which she wore a matching hat. Her corsage was of gardenias with silver ribbons.

The groom's mother was wearing a dress of rose lace, rose accessories and a corsage of gardenias completed her costume.

Assisting at the reception were Mrs. Earl Cobb, Mrs. T. Fitzhugh Wilson, Mrs. H. Clifford Miller, Mrs. Paul Blackmon, Miss Theresa McMichael, Miss Judy Deen, Mrs. Jack B. Oliver, Mrs. Lawrence Hulin and Miss Barbara Hulin.

After the reception, Mr. Weber and his bride left on a wedding trip to the Gulf Coast. For traveling, she wore a blue silk suit trimmed in white pique with white pique hat and other white accessories. On their return they will make their home in Ruston.

Out of town guests here for the wedding were, Mr. and Mrs. Joe H. Oliver, Mrs. Jack B. Oliver and Mrs. Ruth Johns of Little Rock, Ark. Mr. and Mrs. W. P. Weber, Miss Kay Weber, New Milford, New Jersey, Miss Judy Deen and Miss Theresa McMichael of Shreveport, Mrs. Elizabeth Weber, Miss Stella Weber, Mrs. D. C. Keller, Mrs. Wilfred Muller of New Orleans, Mr. and Mrs. Wayne Smith, Billy Smith, Crossett, Ark. Neil Jordan, Robeline, Mr. and Mrs. David Osterback, Gardena, Calif., Mr. and Mrs. Foster McMichael, Shreveport, Mr. and Mrs. Oswald Villarubia, New Orleans and Mrs. B. W. Kay, of Tickfaw.

Rehearsal Supper

The night before the wedding, Miss Elizabeth Leigh and her parents, Mr. and Mrs. W. E. Leigh entertained the wedding party and out of town guests at a buffet supper in their home on Fairview Ave. They used pink roses in the reception rooms and on the buffet table in the dining room. The bride and groom-elect presented their attendants with gifts at this time.

The Cohens Are Feted At Party

The Henry Gersons home on Roselawn Avenue was the scene of a cocktail party honoring Mr. and Mrs. Richard S. Cohen of Springfield, Ill., on Wednesday night.

Receiving guests at the door with Mrs. Gerson was the honoree's mother, Mrs. William Weinberg, who assisted with courtesies.

For this occasion, the party rooms were decorated with large arrangements of yellow gladioli and daisies.

The guest list included, other than the hosts and honored guests, were Mr. and Mrs. William Weinberg, Mr. and Mrs. Louis Smith, Dr. and Mrs. Mortimer Raphael, Mr. and Mrs. Sam Rubin, Jr., Mr. and Mrs. Fred King, Mr. and Mrs. J. L. Stern, Mr. and Mrs. David Masur, Jr., and Mr. and Mrs. Saul Mintz.

BRIDAL BOUQUET

Time was when the groom chose the bridal bouquet, but this habit has now nearly entirely died out. Whether the bridegroom or the bride's parents pay for the bouquet varies from district to district, but as a rule this expense is borne by the latter along with the floral decorations.

Mrs. Brantley Is Honored

Mrs. Ronnie Brantley, the former Miss Ann Trezevant, daughter of Mr. and Mrs. Julian Trezevant of Sterlington was entertained at a bridal shower in the home of Mrs. S. E. Amos of Perryville with Mrs. C. M. Edwards, Mrs. Cleo Matkins, Mrs. Sam Noble, Mrs. H. R. Wilhite, Mrs. Ruth Barr and Mrs. M. M. Funderburk as cohostesses.

A pink and white theme was used throughout the reception rooms where the hostesses, honoree and her mother received guests.

Centering the refreshment table was an arrangement of pink larkspur and sweetpeas. Gardenias were placed at vantage points in the party rooms.

Mrs. Brantley chose for the party a beige shantung complemented by white accessories and a yellow corsage.

Around 50 guests called between the hours of 4 and 6.

Championship Bridge Games Are Announced

The Vicksburg Bridge Club will conduct a Team of Four Championship game on Sunday, June 10, in the Coral Room at the Hotel Vicksburg. The game will be conducted in two sessions with the first session begining at 2:00 p.m. and the second at 7:30 p.m. A steak dinner will be served between sessions.

The defending champions are Mr. and Mrs. Joe Skinner, Cecil Inman, and Bernard Tighe of Jackson. The master point award will be 1.5 points plus 0.15 times the number of tables. Trophies will also be awarded first place winners.

In order that the club may anticipate the number of teams that will participate in the game, it is asked that the club secretary, Robbert W. Cunny, 2602 Drummond Street, Vicksburg, Mississippi be notified by those teams wishing to play.

Girl Scout News

First, we have an important announcement of the change of date of the Girl Scout cooking classes to be sponsored by United Gas. Date of the class is now June 25-July 6, but registration time remains the same, Friday afternoon, June 15, between 2:30 and 4:00 at United Gas Service Center, on Louisiville Avenue. Mothers are supposed to come to register their daughters, meet the teachers, have a cup of punch, and see the set-up for the classes. There will be only one class, limited to 35 of next year's fifth and sixth grade girls, so act accordingly.

The rest of the column will be devoted to the Fly-ups and Courts of awards of the Sherrouse School troops. Troop 18, Mrs. N. L. Huckabee, leader, had theirs first, at Memorial Methodist Church, where the troop meets. For the occasion the girls invited their mothers, presenting them with corsages they had made the day before. A feature of the program was the reading of a poem by Judy Willis, a poem that she and her Mother had written about the troop's recent overnight at Pine Wood.

The leader presented Second Class and My Troop badges to the following girls, marking the culmination of a year of Intermediate Scouting: Ann Adams, Holly Sue Bayne, Linda Blair, Pam Grower, Martha Guyton, Wanda Harris, Mary F. Howard, Joan Humble, Shirley Loflin, Sissi Loftin, Marjorie Hammonds, Darlyn Morris, Jo Ann Pumphrey, Sage Redding, Peggy Southerland, Ronnie Smith, Irvie Temple, Judy Willis, and Jean Wroten.

Troop 1 and 54 had their Fly-up ceremonies and Troop 26 its court of awards in the auditorium of Sherrouse School. Mrs. John L. Tolar invested the girls of Troop 1, as follows: Beth Allen, Sandra Blair Donna Kay DeCelle, Sally Ensminger, Louise Edwards, Carol Lynn Fuller, Marcia Frost, Milan Gannaway, Dianne Halley, Francis Loflin, Mary Murphy, Jan Price, Mary Jane Sims, Susan Sherrouse, Ann Sheppard, Sue Sheppard, Mary Louise Tolar.

Mrs. Robert Wing, leader of Troop 54 invested the girls of Troop 54, who are: Gloria Abraham, Barbara Black, Jill Braucher, Barbara Clement, Mary Beth Duchesne, Gail Dupont, Carolyn Gibbs, Cathy Gresham, Glenda Grower, Cynthia Lewis, Martha Gail Meeks, Lucille Morton, Deas Parrish, Susanne Schultz, Gail Smith, Rosemary Sims, Gloria Stancil, Sally Wing, Avon Wolcott. Congratulations to all these new Intermediates.

Troop 26 received the badges they had worked on as a troop project from their leader, Mrs. J. H. Mosley. As a culmination of their year's work these girls had a square dance at The Barn, to which they invited a number of their friends, both boys and girls.

The newest Brownie is Jean Renee, daughter of the J. H. Kelly's, whose mother is leader of Troop 45 and whose big Sister Jateen is a member of that fly-up troop.

Swimming classes start tomorrow at 3:00 with Julie Wooley and Doll Savanna as instructors. Registration for classes closed at noon Saturday, with 160 girls enrolled. They're going to have fun and learn just lots, we're sure.

New idea for stew: sprinkle beef cubes with chopped onion, crushed garlic and oregano the night before you plan to cook it; cover tightly and refrigerate. Next day brown the meat and onions in fat and proceed as usual.

MR. AND MRS. CLYDE MILTON HODGE

Miss Knox Is Wed To Clyde M. Hodge

The Highland Park Baptist Church was the scene of the May 20th marriage of the former Miss Mary Olive Knox to Clyde Milton Hodge.

The bride is the daughter of Mrs. Ollie Knox of this city, and the bridegroom is the son of Mr. and Mrs. J. C. Hodge, of Litroe.

Reverend Charles B. Thompson performed the ceremony before an altar decorated with white gladioli and ivy and burning tapers in wrought iron candelabra.

Mrs. John Fogleman was organist and accompanied James Green, soloist.

Thomas Pettis gave his niece in marriage. Her gown was of nylon tulle and Alencon lace. The sculptured bodice had an oval neckline appliqued with lace that extended over the shoulders to form brief sleeves. A small bandeaux of pearls, held her veil of illusion, and she carried a bouquet of tube roses centered with a white orchid.

Miss Relda Knox was her sister's only attendant. Her dress was of pink lace over taffeta. She wore a small maline braided hat with crushed tulle and carried a bouquet of pastel dyed daisies.

B. J. Green served as best man and the ushers were Ralph Stripling and F. C. Polson.

White flowers decorated the rooms of the W. T. Pettis home, where the reception was held. Mrs. Knox received the guests in a dress of mauve lace, worn with a corsage of white carnations. A navy blue silk dress with white carnation corsage was worn by the groom's mother.

The bride's table was covered with a white lace cloth and centered with a silver bowl filled with white daisies. Mrs. N. H. Knox, Jr. served the cake and Miss Clara Hodge, sister of the groom, and Mrs. B. J. Green assisted at the punch bowl. The guests were registered by Mrs. F. C. Polson.

For their wedding trip to the Gulf Coast, Mrs. Hodge traveled in a pink suit. Her small hat was of pink straw and her accessories were navy blue.

Pep up that meat loaf by seasoning it with Tabasco sauce.

MISS ALCIDIE GERTRUDE THOMPSON, daughter of Mr. and Mrs. Levi Thompson, of Waterproof, is betrothed to Allen Francis Martinez, son of Mr. and Mrs. Edward Martinez, of Houma. Their wedding will be a nuptial mass, June 16, at 11 a.m., in Saint Francis of Assissi Church, Waterproof.

Newman-Laing Wedding Is Event Of Saturday Evening

Claiming much interest in North Louisiana yesterday was the wedding of Miss Virginia Earle Laing, daughter of Mr. and Mrs. Willie Rufus Laing of this city and Lothair Arthur Newman, Jr., son of Mr. and Mrs. Lothair Arthur Newman of Natchitoches, which was solemnized at 7 o'clock in the evening at the First Methodist church.

Dr. G. W. Pomeroy performed the double ring nuptials before a background of southern smilax and a myriad of white cathedral tapers. Baskets of white blossoms were arranged along the altar.

Miss Jane Wallace was organist and accompanied Miss Irvie Lee Temple who sang "O Perfect Love" and "The Lord's Prayer."

Given in marriage by her father, the bride's gown was fashioned of chantilly lace and nylon tulle complemented by a lace circling skirt which terminated in a chapel length train. Deep layers of scalloped lace accentuated the portrait neckline. Her fingertip veil of illusion fell from a lace crown outlined in seedpearls and irridescent sequins. She carried a bouquet of stephanotis centered with a white orchid.

Mrs. Charles E. Blackwell, Jr., was matron of honor. She was attired in a rose chiffon taffeta waltz-length model styled along princess lines with an oval neckline and shirred sleeves. She carried a bouquet of summer flowers.

Bridesmaids were Miss Barbara Ann Risher and Miss Vivian Angela King, cousins of the bride. Their dresses, bouquets and headdresses were identical to the matron of honor's.

The bridegroom's father was best man. Groomsmen and ushers were Archie Worsham, Samuel Robert Newman, Charles Asher Wood III, Richard Traber and Ronald Martin.

Mrs. Laing, the bride's mother, chose for the weding a blue corded chiffon model fashioned over taffeta with lace inserts. She carried a small bouquet of orchids on her purse.

Mrs. Newman, the bridegroom's mother, was becomingly attired in a pink lace over polished cotton. She also carried small orchids on a matching purse.

Bouquets of white blossoms were noted throughout the church parlors where the wedding reception was held.

A pink and white motif was carried out in each of the refreshment tables. The wedding cake was embossed in pink and white. Candelabras were placed on each side of the cake.

Assisting with courtesies at the reception were Mrs. F. A. Tolar, Mrs. Ross Graves, Mrs. Frankie King, Mrs. Fred Moss and Miss Salvina Fertitta.

Miss Betty Ross Graves presided at the bride's book.

For a wedding trip to Florida, the bride chose a black silk sheath dress with a short jacket and white accessories. She wore the orchid from her wedding bouquet.

Upon return, the couple will reside at 804 Hudson Lane, Monroe.

A member of Alpha Chi Omega sorority, the bride is a graduate of Neville High School and Louisiana Polytechnic Institute.

Mr. Newman is a member of Lambda Zeta fraternity and a graduate of Northwestern State College and Natchitoches High School.

Rehearsal Party

Friday evening Mr. and Mrs. Lothair Arthur Newman of Natchitoches entertained at a rehearsal supper honoring their son, Lothair Arthur Newman, Jr., and his fiance at the Rendezvous.

Floral arrangements in white and green decorated the U-shaped table which were enhanced by white tapers.

Miss Laing was wearing an attractive blue and white cotton trousseau model with white accessories.

Other guests at the rehearsal party were Mr. and Mrs. W. R. Laing, Dr. and Mrs. G. W. Pomeroy, Miss Jane Wallace, Mrs. Irvie Lee Temple, Mr. and Mrs. Charles E. Blackwell, Jr., Miss Barbara Ann Risher, Miss Vivian Angela King, Mr. Samuel Robert Newman, Mr. Archie Worsham, Miss Salvina Fertitta, Mr. Richard Traber, Mr. Charles A. Wood, Sgt. Ronald Martin and Mrs. Leland Megeson.

MISS LAETTA WHITE, whose engagement and approaching marriage to James Edward Wells, is announced today by her parents, Mr. and Mrs. Allen C. White, of Sterlington. He is the son of Mrs. Ida M. Wells, also of Sterlington. The wedding will be an event of Friday, July 6, at 8 p.m. in the Parion Baptist Church.

The J. H. Lusks Are Hosts At Family Reunion

On Sunday May 26, thirty nine members of the Lusk family held a reunion in the home of Mr. and Mrs. J. H. Lusk, in Epps.

Best Weddings Are Planned In Detail--Well In Advance

There is more to a wedding than getting a license, saying "I do" and speeding off to Niagara Falls.

Weddings must be planned — and as far in advance as possible. Three months is none too long.

The bride's family, according to custom and tradition, sponsors the wedding. They are responsible for most of the expenses. The groom must pay only for the wedding ring, the flowers, the clergyman's fee, presents for the best man and ushers, and a sentimental gift for his new wife.

After the date is set the next important decision for the bride is the type of wedding — formal, semi-formal or informal — and the place.

Looking at the wedding from a practical point of view the bride's mother must consider how many guests are to be invited and how much money she intends to spend.

A formal affair need not necessarily be expensive or elaborate. Formal means adhering to a tradition of dress, invitations, cake, receiving line and reception.

The bride selects her maid of honor and bridesmaids from her close friends or relatives. The maid (or matron) of honor may be a sister of the bride or groom.

These attendants pay for their own gowns. Color and type are chosen by the bride.

The reception line follows a formal pattern but is not necessarily inflexible. The bride's mother should be the first in line. Next come the groom's parents. The bride's father is next but he doesn't have to be in the line. He can be a sort of roving good will ambassador. Then the lineup continues with the bride, groom, maid of honor and bridesmaids in that order. The best man and ushers usually do not stand in the reception line. But there is no rule that says they can't.

The reception following the ceremony may be held at home, hotel or club depending upon the wishes of the bride's family.

In choosing a site for the reception consideration must be given of course to facilities available, size of room, and number of guests.

Choice of musicians can range from a roving accordionist to a large orchestra.

Thus the bride's task is not an easy one. But many problems and pitfalls can be avoided by preparing and planning in advance down to the minutest detail. Leave nothing for the last minute. This means caterer, florist, musicians, beverages, photographer, invitations, announcements and thank-you cards.

Remember, the best weddings don't just happen — they are carefully planned.

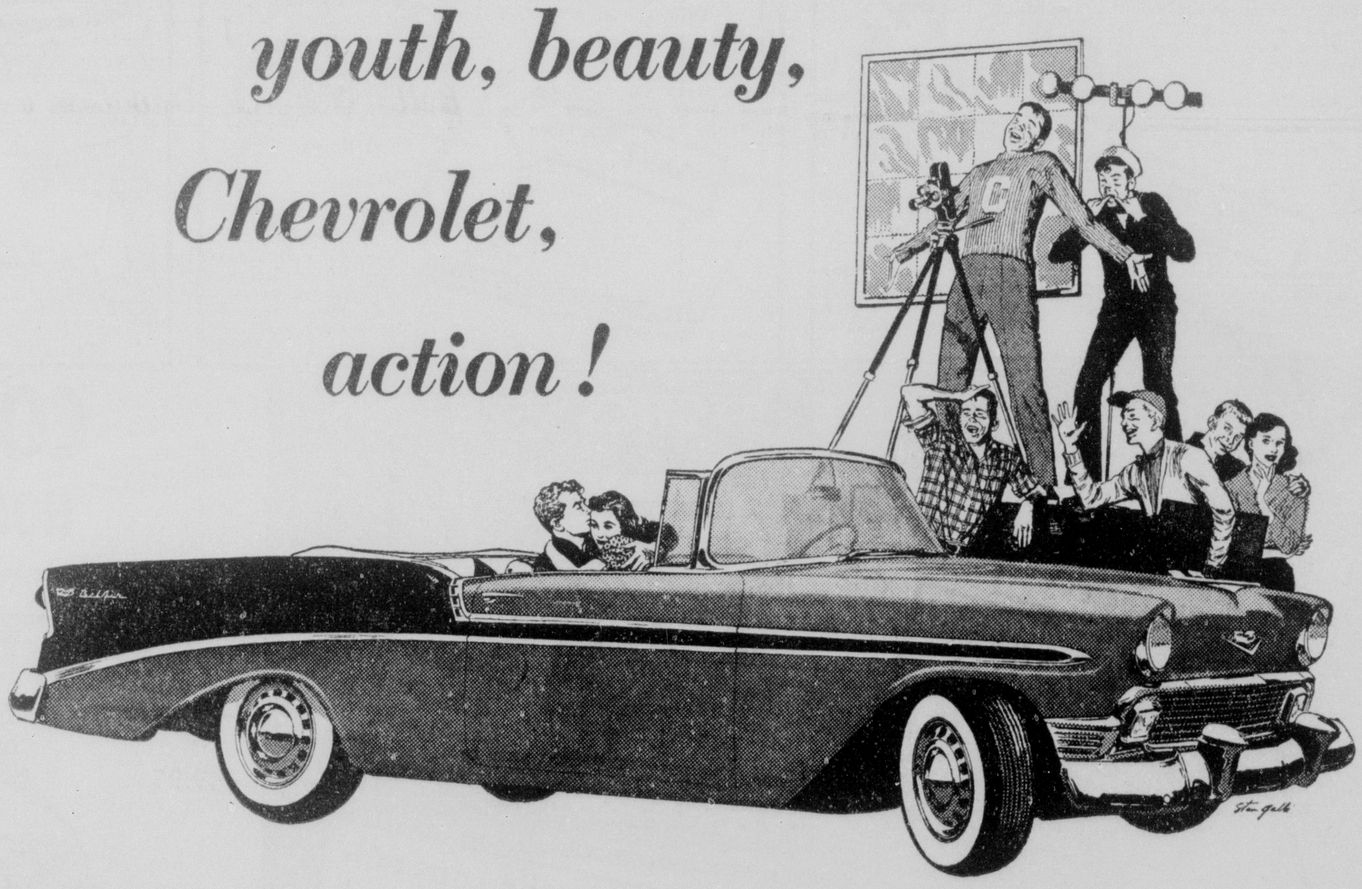
youth, beauty, Chevrolet, action!



The new Bel Air Convertible—one of 20 sassy-styled new Chevrolets.

Want to take the wheel of one of America's few great road cars? Want to send pleasant little tingles up and down your spine? Want to drive the new car that politely murmurs "Move over, big boy" to the high-priced jobs? Then hustle on in and try out a new Chevrolet V8!

Now showing—the happiest "double feature" of the year! One part is bold, new Motoramic styling. The other is record-breaking V8 action.

Hollywood has a heap of words that describe it: colossal, stupendous, magnificent. We'll settle for just the name—Chevrolet.

Because once you've driven this sweet-handling showboat, the adjectives will take care of themselves. Once you've sampled Chevy's hair-trigger reflexes and nailed-down stability, you'll see why it's one of the few great *road* cars built today!

Horsepower that ranges up to 225 makes hills flatter and saves precious seconds for safer passing. And this new Chevrolet clings to curves like part of the pavement.

Stop in sometime soon and highway-test this record-breaking new Chevrolet.

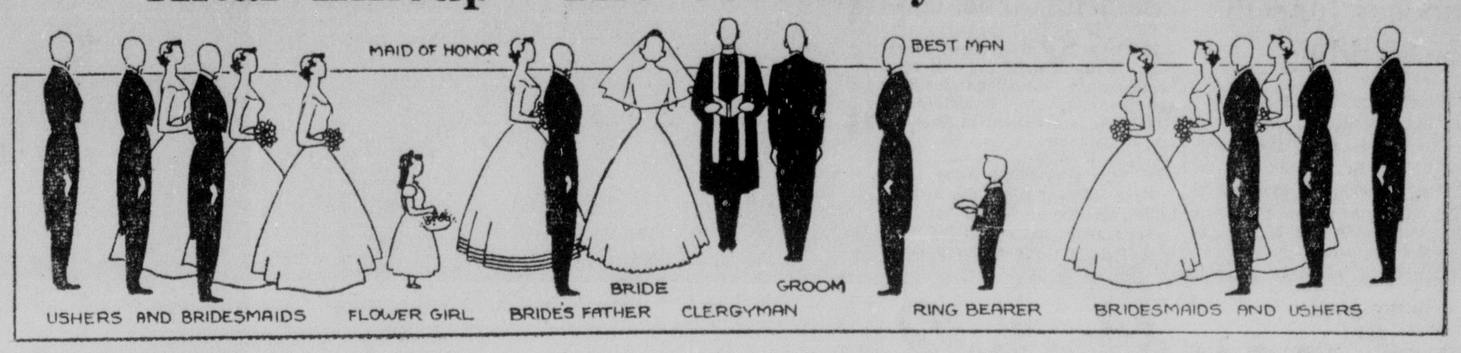
INSURING GIFTS

A floating insurance policy on wedding gifts is often an excellent idea. Such a policy for three months will cover presents from the time they arrive right through their display and any transportation necessary until the couple is settled in their new home, and ready to make more permanent insurance plans.

Altar Lineup—The Ceremony Is Conducted



As the ceremony is ready to begin, the bride and groom are standing in front of the clergyman. The bride's father is on the left, a step back. The best man is to the right of the groom, a step back. The ring bearer stands next to the best man. The maid of honor is at the bride's left next to the father. The flower girl is stationed behind the maid of honor. Bridesmaids and ushers flank the bride and groom in equal groupings. All take their positions facing the alter.

Choose Dream Wedding Gown With Extra Care

The most important dress in any girl's life is her wedding gown. This is the dress she has been dreaming about all her life. This is the dress which will be preserved for posterity in bridal pictures and folded away in tissue paper for future generations to admire and perhaps to wear.

This is a dress to be chosen with joy and care, a dress to make the bride look beautiful. It need not be fabulously expensive, because today's designers are turning out breath - takingly lovly bridal gowns at budget prices, thanks to modern know-how and mass production.

Not so long ago it was an accepted fact that every bride planning a formal wedding would of course have her dress custommade, at great expense, or make it at home, at great cost in time and effort.

Today any prospective bride can go into the bridal department of her favorite store and choose a wedding gown from a wide selection, order it in her size and have any needed alterations made in the shop, at a price that will leave no serious dent in the budget.

For a summer wedding, white organdie is a perennial favorite, as fashionable today as it was a generation ago. Today there is new beauty in the crisp transparency of permanently finished Swiss organdies being used in many of the season's most beautiful bridal gowns. So sheer are these new organdies that they look like a cloud of mist, yet the permanent finish keeps them crisp and fresh even if it rains on the day of the wedding. They are available not only in white but in all delicate pastels which are being so widely used in modern wedding gowns.

The bride may choose an all-white gown, still the majority choice; she may prefer a wedding dress in misty ice blue, palest pink, or the more unusual tints of delicate green, lilac or yellow; or she may use sheer white over any of these tints, to give a misty effect with the faintest suggestion of color.

Fashionable wedding gowns of this season have a ladylike, covered - up look, strongly influenced by the highly publicized wedding of Grace Kelly and Prince Rainer of Monaco.

Most wedding styles of 1956 have short sleeves, from the bride's down to that of the title flower girl. And all members of the wedding party usually wear short white gloves, another note popularized by the screen star who charmed a prince.

If the bride wears white, bridesmaids may wear similar styles in pastel tints, short and bouffant, useful later as summer dance dresses.

The flower girl no longer is dressed in a floor - length copy of the bridesmaids' dresses, but wears her own short dress, useful for later party wear.

Selection of bridesmaids' and flower girl's dresses is of course the prerogative of the bride, who plans her wedding for its overall effect. But if she is a wise and considerate bride, she will choose dresses for other members of the wedding party which not only will complement her own gown, but which will be useful for festive occasions throughout many months to come.

Miss Harris' Betrothal Announced

Of interest here and in New Orleans is the announcement of Miss Nancy Kathryn Harris' engagement to Dr. Milburn Eugene Calhoun, son of Mr. and Mrs. Darrell Lavelle Calhoun of West Monroe.

The wedding will take place July 14 in the St. Charles Avenue Baptist church in New Orleans.

The bride - elect is the daughter of Mr. Floyd Damon Harris of New Orleans and the late Mrs. Kathleen Purifoy Harris, formerly of Morehead City, N. C.

Miss Harris is a graduate of Newcomb College in New Orleans.

Dr. Calhoun graduated from Louisiana State University and the Louisiana State University Medical School in New Orleans.

Pauline Hannah Chooses June 16 For Wedding

Of interest today is the engagement and approaching marriage of Miss Pauline Hannah, daughter of Mrs. Robert R. Hannah and the late Mr. Hannah, of Monroe, to James Kenneth Irvin. Mr. Irvin is the son of Mr. and Mrs. K. B. Irvin of Jonesboro.

The wedding will take place in Bremerton, Washington on June 16.

The bride-elect is a graduate of Neville High School and is now a student at Louisiana State University.

Mr. Irvin is a graduate of Jonesboro High School and attended Southwestern Louisiana Institute and is now in the United States Navy and is stationed at Bremerton, Washington.

ON FATHER'S ARM

When walking down the aisle a bride may be on either of her father's arms, but taking his right arm is generally considered more correct.

MISS PAULINE HANNAH

MISS LINDA ANN SAXON, daughter of Mr. and Mrs. C. H. Saxon, will become the bride of Chester Halley, son of Mrs. A. C. Halley and the late Mr. Halley of West Monroe, on Friday, June 8. The wedding will be solemnized at 8 o'clock in the evening at the Claiborne Baptist Church.

Mrs. Baughman Is Hostess At Bridal Party

FARMERVILLE — The home of Mrs. Stein Baughman of Farmerville was the scene of a bridal shower, honoring Miss Kay Ramsey, bride-elect of Mr. Monroe Mitchell, Jr.

The reception suite was beautifully decorated in early summer flowers.

As the guests entered they were greeted by the hostess and received by the bride-elect and her mother, Mrs. Fletcher Ramsey.

Mrs. Emory Grey Gillum invited the guests to register in the bride's book, which was presided over alternately by Miss Billy John Dukes and Miss Myrna Hall. An arrangement of sweetheart roses graced the table on which held the bride's book.

The tea table covered in a hand made imported cut work cloth and centered with a georgeous arrangement of white and pink carnations, was presided over by Miss Ann Gillum and Miss Kathryn Gillum of Shreveport. Tall tapers in crystal candelabra illuminated the silver and crystal services, which featured refreshments in a pink and white motif. Mrs. Jack Hammonds assisted with the courtesies.

Others assisting in the party courtesies were Mrs. E. L. Mitchell, Mrs. Sam Phelps, Mrs. Fred Preaus, Misses Mitzie and Lynn Baughman of Farmerville and Mrs. Collins Thomas of Tallulah and Miss Ines Gunter of Delhi.

Guests called during the receiving hours of 3 and 5 o'clock.

JEWELRY AT CEREMONY

If the gift of the bridegroom to his bride is jewelry she always wears it at the ceremony even it it is composed of colored stones. Otherwise she wears colorless jewelry such as pearls or diamonds.

News From The Public Library

Although there are not as many books published at this season of the year as during the winter months, we are still receiving some interesting titles for the book collection of the Ouachita Parish Public Library each week. Among this week's additions are two new mystery stories by well known authors, "Death Walks on Cat Feet" by D. B. Olsen has for its setting California and begins when a beautiful blonde is hurled through the door of a pet shop. "Madam, Will You Talk" by Mary Stewart has for its setting the south of France. It is a suspense story and one that the reader will long remember.

John Hersey, the author of the well - known, "A Bell for Adona" has written a new short novel called "A Single Pebble." This is a beautiful story with its setting in China and it is a wonderful revelation of the human spirit. "The Long View" by Elizabeth Jane Howard is a story in which a woman goes back into her past life to search for the reason for her failure with her children. It is a well-written novel and will be popular with those who like stories with a modern setting. There is a great deal of charm and whimsey in "Greenwillow" by B. J. Chute. It is the story of the delightful Briggs family and makes interesting reading.

A. J. Cronin's latest novel is called "A Thing of Beauty." It is the story of a young Englishman who wanted to become an artist, but entered the church to please his father. This is a mature novel with a big theme and rich in characters. It is one that will be very popular.

"Red over Green" by Robert Henriques is a British war novel, but the hero is more important than the theme. It is a story of people attempting to find themselves in a war torn world. "The Bostonians" by Henry James is a reprint of one of Mrs. James outstanding novels. It will be welcomed by his followers.

There are a number of interesting new books of non-fiction; "The Mighty Force of Research" by the editors of Fortune magazine is a provocative and stimulating book. It will appeal to many different readers. "Narratives of Exploration and Adventure" edited by Alan Nevins from the journals of John Charles Fremont is a fascinating account of the opening up of the west. A very useful new book is "The Parent's Handbook" by Allan Fromme.

Tomorrow begins the vacation reading club for the children of Ouachita parish and parents are given a hearty invitation to use and enjoy the resources of the library during the summer months.

BRIDE TO BRIDEGROOM

The bride need not give either an engagement or wedding present to her husband-to-be, but she usually does if she can afford it. It is fitting that such gifts should be for his personal use and of permanent value, such as a watch, ring, or cufflinks.

DOUBLE PRECEDENT

When sisters have a double wedding the elder daughter's name appears first on the invitation.

Music Helps Create Mood For Wedding

It's a very small wedding that has no music.

Whether the wedding is held in a church, home or hotel, appropriate music is considered a definite asset. Many a tear comes to the eye as the bride walks slowly down the aisle to the strains of the march from Wagner's "Logengrin." The usual recessional is that of Mendelssohn.

The bride should consult with the organist concerning other tunes to be played prior to the ceremony. Be sure the music is proper and also suitable for the organ. Check with the clergyman, too, on this matter.

If the ceremony is held in a home or garden a portable electronic organ, harp or string orchestra may play for both the ceremony and reception.

Sometimes a vocalist or choir is effective and appealing. Such songs as "I Love You Truly" "Traumerei" or "Because" are considered appropriate.

At the reception the orchestra plays dance music. The size of the orchestra is not important. A three piece combination is usually more suitable for a small gathering than a large dance band. The bride gives the leader a list of her favorite tunes. For, after all, this is her day.

BRIDE'S REHEARSAL

A widespread superstition persists that it is bad luck for the bride to participate in the rehearsal of the wedding ceremony. Those who believe this have a "stand-in" whom they watch closely during the rehearsal. An increasing number are now ignoring this old tradition, however, and finding it more satisfactory to take part in the rehearsal.

THE HONEYMOON trip can carry the newlyweds to far away climes or just a ride on a ferry boat. Being together away from friends and family offers a desirable start for any marriage.

Honeymoon--A Real Help To Happy Marriage

It may well be that ever since man first ambled out of a cave, grabbed a woman by the air and whisked her to his rockbound hideaway, the honeymoon has been a customary procedure following a marriage ceremony.

Today the honeymoon offers a most desirable, though not absolutely essential, start for a young married couple, says Dr. Abraham A. Stone, eminent marriage counselor, physician and author.

"A honeymoon should help the newlyweds in many ways," comments Dr. Stone. "Preceding the wedding there is a great deal of tension for both the man and woman, especially the woman.

"She has been busy with preparations for the wedding — supervising arrangements, selecting gowns, checking on a place to live and scurrying helter - skelter with last minute things to do. She is almost worn out.

"Also the bride has many doubts, fears and uncertainties as she enters into the matrimonial state.

"The honeymoon, therefore, offers a relief from such tensions and is a much - needed change."

Dr. Stone believes, too, that one of the most important features of the honeymoon is the getting away from the normal surroundings.

"This means getting away from the family. For the bride it means escaping from her mother's apron strings.

"The site of the honeymoon is not important," maintains Dr. Stone. "But it should be a place both will enjoy — whether it be Niagara Falls, Bermuda or a small hotel in the next town. Being together and away from the normal routines and family is what counts."

Being together for the first time as man and wife offers the newlyweds the opportunity to become acquainted with one another.

"On the honeymoon the man and woman have a chance to be aware of each other's idiosyncrasies — those that they had not noticed previously.

"The wife first learns that her husband likes poached eggs for breakfast, that he hates blue ties and sings in the shower. Unshaved he doesn't look as handsome as he did when he walked down the aisle

"On the other hand the husband learns that his wife can't cook as well as his mother, she leaves the cap off the toothpaste every morning and covers her face with beauty preparations before going to bed. She definitely doesn't look like Lana Turner when waking up in the moring.

"There may be somewhat of a rude awakening. Adjustments must be made. The honeymoon is the ideal time to make the adjustments," says Dr. Stone.

Another important factor for newlyweds to remember is that honeymoons should fit the pocketbook. They should not spend more than they can afford. Such funds might be put to better use in making a home.

"I know of a young couple in New York City," declares Dr. Stone, "who could not afford a long or expensive honeymoon. They went to a small hotel in Manhattan and every day took a ride on the Staten Island ferry (20 minutes each way). Just being together and enjoying each other's company away from friends and family was enough for them. The money they might have spent for an expensive vacation trip helped pay for the furniture for their new apartment.

"On the subject of honeymoons, I have been asked many times if the honeymoon hasn't been over-romanticized, over - publicized, and over - exaggerated," says Dr. Stone.

"I realize, of course, that the new bride conjures pictures of a romantic spot, soft lights and sweet music with her Romeo purring thoughts of love into her ear. This she has read in magazines and books, and has seen portrayed many times in the movies and on television.

"My answer to this question is quite simple. If the young couple is mature and sensible they will rise above the exaggerations and will accept reality.

"Such an attitude marks the beginning of a full life of understanding, companionship and love.

"The honeymoon can pave the way."

Flowers Play An Important Part In All Weddings

Prospective brides should rely on the skill and artistery of their favorite florist to make their wedding a success.

Flowers play an important part in the ceremony — from the church decorations to the bouquets carried by the wedding party to the reception decorations.

And this season's weddings should be more colorful than ever, says Alyn Wayne, stylist for the Florist Telegraph Delivery Assn.

"Many bridal creations will feature white net or tulle or lace over pastel pink, blue, lavender or yellow. To harmonize with this color, florists are emphasizing pastels and even red roses in bride's bouquets," claims Wayne. "The design and bouquet should compliment the lines of the bridal dress.

"More than ever before interest will be centered on elegant tiaras and headpieces — varying from crowns to half hats — are becoming more interesting, so are wedding bouquets," he noted.

Here are three floral suggestions for prospective brides as listed by the stylists:

1. Be sure to give your florist all the details of color, style and height of the girls in the wedding party. Then he can design appropriate bouquets.

2. Do not be afraid to have colored flowers in your bouquet One of the most talked - about socialite weddings in New York featured bride and attendants in white dresses and carrying red roses.

3. Do not have your going away corsage in the middle of your bridal bouquet. A corsage should always be designed to complement your suit or tailored dress. Bouquet flowers are generally not appropriate. After a wedding ceremony and reception the flowers are likely to be wilted. It also appears somewhat awkard and ungracious for the bride to remove the prettiest part of the bouquet before throwing it to her attendants.

Wayne adds that for a sentimental touch custom decrees that the bridegroom wear a boutonniere fashioned from one of the small flowers in the bride's bouquet.

As a final reminder, church decorations must always be cleared with the clergyman to make sure that customs or regulations are not being violated.

COUPE DE MARIAGE

An old European custom is to have a coupe de mariage (marriage cup) at the wedding table. The bride and groom both drink from the cup and plight their troth before any other toasts are made in their honor. Many weddings in this country now have adopted this old world custom.

Making lemon pie? Cool your filling before you pour it into your crust. See that the crust is cool, too. These precautions help to prevent pastry from becoming soggy.

MR. AND MRS. GEORGE EARL HOLLOWAY

Couple Pledges Vows In Bethel Baptist Church

The Bethel Baptist Church in Rayville ws the setting for the candlelight ceremony which united Miss Grace Evelyn Fortenberry, daughter of Mr. and Mrs. Buford Larkin Fortenberry of Mer Rouge, and George Earl Holloway, son of Mr. and Mrs. Carl Holloway of Farmerville.

The Rev. W. A. Dearman performed the double ring ceremony. Baskets of white daisies against a background of ivy were illuminated by white cathedral tapers in floor candelabras.

Mrs. Gerald Ray Donald was pianist and accompanied Miss Audrey Loftin, the soloist.

Given in marriage by her father, the bride's gown was fashioned of chantilly lace and nylon tulle with a lace bodice and high neckline. The fitted sleeves ended in petal points over the wrist. She wore a tiara of seed pearls to which her finger-tip veil was attached and carried a white Bible topped with a white orchid.

Miss Bennie Sue Fortenberry, sister of the bride, was maid of honor. Her dress was a ballerina model in pale pink taffeta and nylon tulle. She carried a bouquet of pink carnations centered with a single orchid.

Mrs. Stanley Fortenberry was matron of honor. Bridesmaids were Miss Betty Thrower, Miss Myra Carpenter and Mrs. James Daniels. Their gowns were identical to the honor attendant's. Their bouquets were also of pink carnations and single orchids.

Deborah Futch was flower girl. She wore a pink taffeta and tulle frock and carried a basket of pink rose petals. James Robinson of Mer Rouge was ringbearer.

The candles were lighted by Miss Barbara Futch and Miss Merle Payne.

The Rev. Rufus Crawford of El Dorado, Ark., served the bridegroom as best man. Ushers were James Webb, Lonnie Black, both of Farmerville, Carl Irnst of Lake Charles and Harry Liner of Monroe.

A reception followed the ceremony at the home of Mr. and Mrs. A. P. Futch.

Pink sweetheart roses centered the bride's table which held the tiered wedding cake and punch service.

Assisting in serving the cake were Miss Ann Holloway and Mrs. G. R. Donald.

Miss Barbara Futch presided at the guest book.

The couple will make their home in Monroe.

A TRIBUTE TO The Future Farmers of America!

Youngsters just reaching life's first dawn of maturity, here and throughout the entire length and breadth of our beloved land, are dedicating themselves to being guardians of the good earth. In homespun words, they are going to be farmers. Mother Nature will be their sponsor and mentor. The lucky old sun and the gentle wind and the rain and snow will conspire with them to prepare the tender soil and germinate the tiny seeds into sturdy, fruitful plants and trees. Of all the things that Man can do under the canopy of heaven, none is more richly satisfying or productive than tilling the soil and tending flocks and herds. How fortunate these teen-agers are! How wise! We salute their grand organization with genuine pride—and say "God bless you all; you shall inherit the earth!"

Best Way to Kill Roaches and Ants
Best Way to Kill Roaches and Ants

COCKROACHES and ants are the most difficult household pests to control. Now you can kill these pests with Johnston's Super No-Roach.

No-Roach is a white viscous substance which you apply with a brush. Within minutes it dries to form a colorless, odorless contact insecticide, that stays effective for months.

Cockroaches

Apply No-Roach to cupboard walls, baseboards, near sink and cabinets, on pipes, and wherever you see cockroaches.

Ants

Brush No-Roach around table legs and counter tops, across window sills and door sills, and across ant trails. Ants will not cross the coating. Pour a few drops into ant hills.

No-Roach is also effective against resistant roaches, spiders, silverfish, waterbugs, bed bugs and other crawling insects.

Common Sense Way

Remember, when you use Johnston's Super No-Roach, you don't have to move dishes, pots and pans, or breathe harmful vapors, as you must with contaminating sprays. Apply No-Roach just where you want it, the invisible coating stays effective for months.

Guard against crawling insects this common sense No-Roach way. 8 oz. 89¢; pt. $1.69; qt. $2.98.

Mother Who Plans Ahead Is Bride's Best Friend

A mother is a bride's best friend.

She probably has been giving thought to her daughter's wedding from the time the girl and her future mate starting going steady.

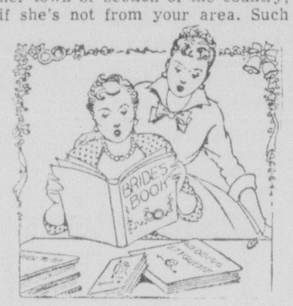
One mother, whose daughter's wedding was the social event of the season, admits she began studying brides' manuals and etiquette two years ahead of time.

And the bride's mother is usually busier than the bride. Even though planning starts months ahead for a sizable wedding there are details which may be overlooked unless things are thought through step by step.

Here are some tips from mothers who have given weddings for one or more daughters:

Have two big knives for cutting the wedding cake. A cake knife soon gets "gooey" but if there's an extra, one can be cleaned off while the other is in use.

Check with the groom's mother on traditional wedding customs in her town or section of the country, if she's not from your area. Such



prior discussion avoids hurt feelings.

Do your best to avoid house guests the week before the wedding.

Arrange for a separate automobile to carry each of the bridesmaids to the church. This keeps crushing of their dresses to a minimum.

Have the bride dress at the church if possible. Her dress should be given a last miniute pressing.

See that the bride's father is dressed and ready an hour or so before the wedding so he's in shape to cope with last minute emergencies.

Go ahead and be sentimental if you wish. The bride can wear her mother's or grandmother's wedding dress. But the practical bride will get a dress she can wear later.

Have the bride's picture made in her wedding dress before the ceremony regardless of the old superstition it's bad luck to be seen in it beforehand.

Have a hairdresser come to the house where the bridesmaids are to arrange their hair and head gear.

At the reception, don't allow the photographers to hold up the guests waiting to go down the receiving line.

See that a florist or member of the family is available to arrange all the flowers that come to the house the day of the wedding.

One last thought combined from the memoranda of mothers—neither mother nor daughter should get to the church too early. If they do they are very likely to see some minute detail which isn't to their liking. It will be too late to do anything about it, so don't worry or fret. Felax and enjoy your wedding.

Miss Dearman Becomes Bride Of Mr. Thornton

URANIA — The First Baptist Church in Urania was the setting for the double ring ceremony which united Miss Judy Merle Dearman, daughter of Mr. Ed Dearman, and Mr. Bobby Ray Thornton, son of Mr. and Mrs. William Thornton, all of Urania.

The Rev. E. D. Dearman, brother of the bride, officiated, at the ceremony, which took place at 3 o'clock Sunday afternoon, May 27. He was assisted by the Rev. O.M. Corley.

The church was beautifully decorated with floor baskets of white gladioli and six-branched candelabra which held tall white tapers. The baptistry was encircled with a garland of magnolia leaves and blossoms and centered by white wedding bells.

Mrs. G. H. Middleton, organist, provided music for the occasion, and accompanied Miss Alice Ellias who sang "I Love You Truly" and "O Promise Me" and after the vows "The Lord's Prayer".

The bride, given in marriage by her father, was wearing a gown of ivory white satin, fashioned with a moulded bodice, tiny self covered buttons down the back and long fitted sleeves ending in points over the wrist. The oval neck line was trimmed with seed pearls and rhinestones. Her finger-tip veil was held in place by a coronet of seed pearls and rhinestones. She carried a white Bible topped with a purple-throated, white orchid, surrounded by white split carnations.

Miss Dixie Brown of Olla, served the bride as maid of honor. Her gown was of pastel green nylon organdy over taffeta, designed with a fitted bodice and bouffant, waltz-length skirt. She carried a Colonial bouquet of pink painted daisies. She wore a bandeau of matching flowers.

Miss Doris Dearman and Miss Erma Dearman, nieces of the bride, were bridemaids. They wore gowns styled identically as the maid of honor in orchid, nylon organdy and carried Colonial bouquets of yellow daisies and wore matching bandeaux.

Junior bridemaids were Judy Dearman and Rena Allbritton who wore ruffled floor-length organdy dresses and carried nosegay bouquets of blue tinted chrysanthemums.

The candlelighters were Doris Mae Dearman and Dorothy Sue Dearman. They wore waltz-length, pink net models with a matching bandeaux of flowers.

Master Ricky Allbritton was ring bearer.

Mrs. Thornton, mother of the bridegroom, was attired in a navy blue silk dress with white accessories and a white carnation corsage.

Mr. Norman Thornton served his brother as best man. Ushers were Leon Dearman and Eddie Dearman, brothers of the bride.

Following the ceremony a reception was held in the church parlors. Receiving with the bride and groom were the parents and the wedding attendants.

The bride's table was overlaid in a white linen cloth and centered with an arrangement of blue hydrangeas and Queen Ann's lace and flanked by crystal candelabra holding blue candles. The attendant's bouquets were placed at the corners of the table.

The three-tiered wedding cake, embossed with pink roses and topped by a miniature bride and groom was at one end of the table.

Mrs. C. W. Woodard of Ferriday, sister of the bride, served the cake.

Mrs. Eddie Dearman of Eunice presided at the crystal punch bowl. Mrs. J. B. Allbritton, sister of the bride, kept the bride's book.

The bride chose for traveling a printed silk dress, complemented by a white hat and the orchid from her bridal ouquet.

They will reside in Urania.

BRIDAL SHOWERS

Bridal showers can be held at anytime of day — morning coffee, luncheon, afternoon tea, dinner or supper time. The hostess often specifies that it will be a linen shower kitchen shower or general shower so that guests will know what type of gift to bring.

BRIDEMAIDS' FLOWERS

Bridesmaids usually carry flowers. Bouquets or baskets are held in front. Sheaves are worn on the outside arm. Those walking on the right side of the aisle carry their sheaves on the right arm, and those walking on the left side carry theirs on the left arm

Miss Thornton's Wedding Plans Are Announced

Claiming attention in Winnsboro and Sikes is the announcement made by Mrs. John Dewey Thornton of Sikes, of the engagement and approaching marriage of her daughter, Miss Dorothy Nell Thornton, to Lt. Arlon Adams, son of Mr. and Mrs. Elvin Lee Adams of Winnsboro.

The wedding will be an event of July 1 at 3 o'clock in the afternoon at the Beouf River Baptist Church in Winnsboro. The Rev. Joe Silveo will officiate.

The bride - elect is the daughter of the late Mr. J. D. Thornton of Sikes. Mr. and Mrs. L. R. Simmons are her maternal grandparents. Her paternal grandparents are the late Mr. and Mrs. James Thornton.

She is a graduate of Sikes High School and is attending Northeast State College in Monroe.

Lt. Adams is the grandson of Mr. and Mrs. Bob Adams, Mrs. L. L. Kelly and the late Mr. Manuel Ray. A graduate of Ogden High school, he received his B. S. Degree from Northeast State College.

Miss Thornton has chosen as her maid of honor, Miss Carolyn Adams. Mrs. Jimmye Thornton Box will serve as matron of honor. Bridesmaids will be Miss Betty Ruth Laborde, Mrs. Mary Simmons Thames and Mrs. Violet Brister Richardson.

Pvt. Robert Earl Williams will serve the prospective bridegroom as best man.

Ushers will be Bill Stevens, John Perkins Thornton, Charles Russell and Pvt. Robert Fain.

MISS DOROTHY NELL THORNTON

MISS PATSY JEAN THOMPSON'S engagement and approaching marriage to Prentice Joiner, son of Mr. Clint Joiner and the late Mrs. Joiner of Calhoun, has been announced by her parents, Mr. and Mrs. Leo Thompson of Calhoun. The wedding will be an event of Saturday, June 30, at 7 o'clock in the evening at the Calhoun Methodist Church.

Home Rites Are Effective If Preferred

Home weddings can be just as beautiful and effective as church weddings, especially if the bride's family prefers the simplicity and privacy of the old homestead.

Usually smaller than a church wedding, the wedding at home requires careful planning.

First decide on a proper location for the ceremony. The room must be large enough to accommodate all the guests comfortably. Then select a spot where the ceremony will take place. Prhaps an ideal spot might be in front of a fireplace or between two windows. The location should also have a good background which would lend itself to floral decorations.

Aisle posts may be set up with ribbons attached forming a definite aisle. Chairs are arranged on each side of the aisle as in a church.

Since there is no recessional at a home wedding, the aisle posts must be removed quickly at the conclusion of the ceremony. Then the receiving line is formed in front of the decorative background

During the warmer weather many weddings are held out of doors in the garden or lawn. Numerous June brides say "I do" amid a summer setting of flowers, shrubbery and gay colors.

An important factor to be considered, however, is the weather. Provisions have to be made for a quick switch indoors in case of rain. Therefore, two plans must be formulated and ready for operation.

Remember, a large lawn isn't necessary for an outdoor affair. A little skill and dexterity can transform a small lawn into a lovely wedding setting. Perhaps a combination indoor-outdoor wedding might prove the most ingenious.

A recessional is not essential at a garden party.

In Hollywood

By Jimmy Fidler

25 Is Right Age To Marry

HOLLYWOOD, June 2 — If Elsa Martinelli suits her actions to her words, she'll be married in five years! The tall, dark - haired Italian model who is being groomed for stardom at Universal - International Studios, told me, "twenty-five years of age is a good time for a girl to get married. She has got all the foolishness out of her head by then. She is ready to marry and have a family."

At twenty, Elsa is another among Hollywood's Cinderella girls, who, touched by a magic wand — in this case waved by a talent scout — has been transported to the glamour and shining promise of a motion picture career.

Between takes on the set of "Four Bright Girls" in which she plays a starring role, Elsa led me to her dressing - room and the conversation naturally drifted to other Italian actresses whose measurements are more their claim to fame than their acting ability.

Elsa shrugged. "This nonsense about measurements! It is simply ridiculous! What difference does it make if a girl is built like Venus de Milo? If she cannot act, she does not belong in the acting profession. If she is only a lovely statue, the place for her is a museum, along with all the other works of art! There is more to acting than swinging the hips or rolling the eyes. I do not want people to only like me because I have a good figure. I am on the screen to tell them something about a character, about what is happening to that character. It is not necessary for me to be myself. In fact, that's just what I must not be!

"Even when I was a fashion model, in Rome, I would try to be the kind of character who would wear the particular dress I was modeling. In a way, I suppose I was training myself to become an actress!"

I asked if she had gone to an acting school and Elsa replied with a lady-like snort: "Acting schools! They are not good for a movie actress. Perhaps to learn the technique, they are fine. But being in pictures is very different from being on the stage. I think you can learn from a school for the stage, but in pictures, you must learn from the writer, the director — and the people you are working with.

Wedding Briefs

JUNIOR BRIDESMAIDS

Young girl attendants who are too big for flower girls and too young for bridesmaids can be classified as junior bridesmaids. Their gowns usually are similar to the elder bridesmaids of the wedding group.

ADDRESSING GIFTS

All gifts should be addressed to the bride before the ceremony. After the ceremony send the gifts to the bride and groom.

MAIL EARLY

Invitations to a formal wedding should be engraved and addressed by hand. They should be mailed at least three to four weeks before the wedding date.

CUTTING THE CAKE

A comparatively new custom gaining in popularity is to have a special silver cake knife engraved with the initials of the couple and the date.

New Christian Church Will Be Established Here

The city of Monroe is to have a second Christian church, it is announced by the Rev. R. T. Watson, pastor. A group of people will meet each Sunday in Lexington school and will comprise the new congregation.

They will meet at 10:50 a.m. Sunday in the First Christian church when they will participate in a formal Commissioning Service which will be led by the Reverend Watson.

Alma Mater Will Accord Doctorate To Rev. M'Fadden

At its 107th anniversary, June 5th, Southwestern University of Memphis will confer the Honorary Degree of Doctor of Divinity on one of its most distinguished alumni, The Reverend Wave Hunter McFadden, pastor of the First Presbyterian Church of Monroe since August 1952.

Twice since Southwestern awarded him the Bachelor of Arts Degree in 1937 and the Louisville Presbyterian Theological Seminary the Bachelor of Divinity degree in 1940, Revererd McFadden has been called back to Memphis — first as pastor of the Norris Memorial Presbyterian Church and later by the McLemore Avenue Presbyterian Church when it was building its new sanctuary. In the interim he had been pastor of the Northeast Presbyterian Church in Kansas City, Missouri.

He has written and published numerous sermons and articles for religious publications and conducted many radio programs, as well as making frequent television appearances. He is Chairman of the Louisiana Synod's Committee of Christian Education, a member of a number of Presbytery committees, president of the Ministerial Association of Monroe, and of the Mental Health Association of Northeast Louisiana, and a member of the YMCA Board and the Rotary Club of Monroe.

His Alma Mater calls him back this year for an Honorary Degree of Doctor of Divinity.

Christian Faith As Aid To Solve Life's Problems

Beginning June 3 there will be a series of sermons on "How the Christian Faith will Help with Personal Problems" in the First Presbyterian Church, Grammont and Catalpa Streets. The sermons will be preached by the minister, Reverend W. H. McFadden, and the titles of them are as folows:

June 3—"How to Pray"

June 10—"How to Handle Trouble"

June 17—"How to Conquer Fear"

June 24—"How to Receive Forgiveness"

These sermons will be preached both at the 8:30 and the 11:00 o'clock morning worship services. The church extends a cordial invitation to those who feel a need for faith that will help them with their personal problems.

Church Of Christ Vacation Bible School To Open

Monday night at 7 o'clock marks the beginning of the vacation Bible school at the Jackson street Church of Christ. Participating in the school also will be the three other churches of Christ in the Monroe area as well as those in surrounding communities.

The school is being conducted at night to make it possible not only for the children to attend but for adults to also enroll in these five nights of intensive Bible study.

There are special classes prepared for both men and women. The theme of the men's study will be "The Christian Man Labouring Together with God." Different evangelists will speak to the men each night followed by a discussion from the floor. The classes for the ladies will center around training for a greater service in the home and in the church. Also classes for teen-agers are planned as well as classes for all age groups down through the nursery.

Evangelist Floyd A. Decker of the Jackson Street church states, "All adults as well as all boys and girls are invited to take advantage of this Bible school regardless of religious affiliations." The church is located at Jackson and Texas streets.

MY ANSWER by Billy Graham

QUESTION: My wife and I both work, she on a day shift and I at night. Our children are getting out of hand and we want to make a real home. How can we do it. L.W.D.

ANSWER: I do not believe you can have a normal home life under the conditions which you have described. First of all, a husband and wife need the companionship, one of the other. Working on different shifts as you are, this would be very difficult. Also, under this arrangement your children must have a sense of insecurity which could do them permanent harm. While jobs are important, your home is also vitally important and you alone are responsible for your children. You brought them into the world and it is your obligation to give them the best home possible. It is not things in the house which make it a home. Rather it is love and companionship and laughter and sympathy and interest in each other's lives and problems. Not knowing what kind of work you are doing, I can only suggest that your wife stay at home and make a real home and you take a job working in the daytime, so your evenings can be spent together. This will mean a smaller income but what profit is it to make more money, have your children unhappy and probably harmed, and even have your home go on the rocks? Most important of all, make your home a Christian home by asking Christ to live in your hearts and direct your lives. Have family worship by reading the Bible and praying together. If you do this, you may have less in this world but you will be laying the right foundation for eternity.

Stamps Quintet To Give Program

The Stamps Harmony Five of Dallas, Tex., will appear in a gospel singing concert at the Church of God, 809 Montgomery street, West Monroe tonight beginning at 8 p.m. This quartet is composed of Jimmie Grisham, manager; Loy Hooker, Romy Grissom, Jerry Barnette, with smiling Harvey Shelton at the piano. They work with and represent the Stamps Quartet Music company of Dallas.

Jerry Barnette, the newest member of this group, is formerly of West Monroe and Caldwell parish. He is a graduate of Grayson High school and sang with several local groups before joining the Stamps Harmony Five last December.

This concert is being sponsored by the young people of the local church. The proceeds will be used in the purchase of a new piano.

All of Jerry's friends and lovers of gospel singing are invited to be present and welcome him in his first home appearance with this group.

Bible Words for Today

JOHN 14:1—"Let not your hearts be troubled; believe in God, believe also in me." (RSV)

* * *

When life seems to be filled to the brim with trouble and worry, turn to John 14 and read.

The words have a familiar and calming effect ... just the reading of them.

Look at the scene in which they were spoken. Jesus was in the upper room with his anxious disciples on the night in which he was betrayed. Judas had left to carry out his treachery. Peter had been told that he would thrice deny Jesus. The Lord's Supper was being instituted that you and I might ever be participants in that great redemptive action of God's love for all mankind. Jesus was about to be arrested and crucified.

Here was tension, anxiety, trouble, complication piling upon complication! Hear Jesus speak to them, even as He does to you. "Believe in God, believe in Me also", and see how your troubles diminish!

Roamin' In The Rural

With Euna Spielman

Color With Shrubs

My roamin' took me for the weekend to Memphis, Tennessee and of course, we toured around to see some of the lovely new homes and landscapes. Much of the beauty in the landscapes at this season is provided by shrubs with colorful foliage as the flowering plum, dwarf red barberry, crimson king maples and tamarix. Another plant used there as a vine to cover chimneys, fence, etc. or for a low hedge is the Euonymus vegetus. This is a versatile plant if placed by a wall, it grows as a vine; if placed alone, it grows as a low spreading shrub. Ground covers used were California violets and vinca both minor and major varieties.

The California violet foliage is much larger than the Royal Robe and we were told the flowers were much larger with longer stems and stand high above the foliage. (We brought some back and will tell you more about them later.) Oh yes, we heard about a new lawn grass — Sunturf Bermuda. This Bermuda is a cross between common bermuda and African Bermuda. Sunturf has fine stems and leaves. It produces thick turf comparable to that of Zoysia Matrella. It stands drouth well and will give complete ground cover in four to eight weeks when sprigs are planted 12 to 18 inches apart. It is resistant to cold, getting green two weeks earlier and remains green a week or two longer than common bermuda. I don't know whether it has been tested in Louisiana or not — but it has been tested by some experiment stations in the south.

New Strawberry Plant

The Louisiana Experiment Station has developed a new strawberry now known as seedling No. 188. There will be a limited number of these plants available this fall, so increase your plot with a few of these plants.

Vegetables To Plant This Month

Vegetables to plant this month are: tomatoes, (plant on row for fall crop) squash, pumpkin, cushaus, sweet corn, okra, and field peas. Remember if you have a surplus of vegetables, let us help you find someone who needs them — call 3-2251. We had calls for vegetables but none from the producer last week. Call if you have surplus flowers, day lilies, iris, etc.

Your Need For Milk

You never grow too old to need milk for the body never stops growing or needing replacement parts. With the hot days coming, we may be inclined to take substitute drinks which will not give us the nutrients in milk. Here's some facts about milk: Milk is the only food that you can depend upon as a regular source of calcium in the diet. One quart of milk provides as much calcium (1 1-5 grams) as 6¾ pounds of cabbage, or 7¼ pounds of carrots, or 27 pounds of potatoes or 28 oranges or 39 eggs. It would be impossible for us to eat enough of these products to get daily calcium needs (one gram for growing children, and adults 1½ grams — for adolescents and more for expectant and nursing mothers.)

Practically every tissue or organ in the body is dependent in some way on calcium for its proper development or functioning. Calcium, phosphorus and vitamin D work together in building strong, sound bones and teeth. The strength of these structures depends on calcium. The clotting power of the blood depends upon the presence of calcium. Nerve stability is preserved by calcium; too little of this mineral may cause irritability and nervousness. Calcium controls the contractibility of muscles, including rhythmic beat of the heart. It also acts as coordinator among the mineral elements. There is no substitute to take the place of milk — we need it daily to keep us on the safe side of nutrition. There are many ways to get milk and milk products to family daily — cooked dishes, frozen dishes, etc. Let's get our calcium all seasons of the year.

Thompson-Machen Vows Said In Lafayette

Miss Elizabeth Thompson, daughter of Mr. and Mrs. M. A. Thompson, of Calhoun, became the bride of James H. Machen, son of Mr. and Mrs. W. H. Machen, of Jonesboro, in a ceremony performed recently in the First Baptist Church of Lafayette. The Reverend H. L. Holmes performed the ceremony before an altar decorated with baskets of white gladioli and greenery. Earl Brussard presented the nuptial music and Archie Brown was soloist.

The bride given in marriage by her father, wore a gown of lace over bridal satin. Her veil of triple illusion was shoulder length and was caught to a cap of lace, embroidered in pearls. She carried a bouquet of white carnations.

Mrs. W. G. Machen of Jonesboro, sister-in-law of the bridegroom, was the matron of honor. She wore waltz-length petal pink dress of lace combined with satin. Her hat was pink, trimmed with pink and white flowers and she wore a corsage of white carnation.

W. G. Machen served his brother as best man.

Mr. and Mrs. Thompson entertained with a reception following the ceremony at Toby's Oak Grove. Palm trees formed a background for the receiving line. Mrs. Thompson was wearing a navy blue dress with white lace trim and a matching hat. Mrs. Machen chose a dress in a lighter shade of blue with harmonizing accessories. They both wore white carnation corsages.

The bride is a student at Calhoun High School and the bridegroom is a graduate of Jonesboro-Hodge High School and is now attending Southwestern, in Lafayette.

MR. AND MRS. JAMES MACHEN

X-Ray Unit Will Be Here June 4

The mobile x-ray unit will be in the Twin City area between June 4 and June 29, locating at various times at eight scattered points in the area, it was announced yesterday.

Points on the schedule include the Olin-Mathieson plant in West Monroe, June 4-8; North 3rd at Louisville avenue, June 11-20; Selig Manufacturing Co. on Thomas avenue on the morning of June 21; Thomas avenue and Jackson street during the afternoon of June 21; Sears-Town on Louisville avenue, June 22-25; Foster Homes housing project for Negroes, June 26; Carver Homes, June 27; and Commercial Solvents at Sterlington, June 28-29.

The x-rays are being given for early diagnosis of tuberculosis, cancer and heart disease.

Sunday at 12:45 p.m. a television panel discussion on the purposes of the unit will be held. Participating will be Dr. W. Carroll Summer, director of the Ouachita parish health unit; Dr. D. L. Coffman, superintendent of the state tuberculosis sanitorium at Ruston, and Dr. Roy Robertson, a Monroe surgeon.

GLOVES FOR GROOM

Both groom and best man should wear gloves. The groom may remove his and give them to the best man as the bride walks down the aisle. The best man should take off his right glove before producing the ring.

Why Grow Old?

By Josephine Lowman

Separate Vacation Trips Have Their Hazards

There are all kinds of vacations! There is the family vacation when the children go along with their parents. Then there is the stag vacation when father roughs it at camp with the boys and of course there is the vacation taken by the wife and husband without the children.

One seldom hears about a wife and mother going off on a vacation alone, although many go north in the summer time with their children. All of these vacations have their individual value. It's different and fun when the man of the house gets away with men only. The same thing is true of the woman.

It is most restful and adds voriety if the woman in the home sometimes takes a little vacation with her friends. Usually both the man and woman turn the clock back a few years at times like these with lots of laughter and a change of pace and companionship.

Leisure Apart Is Bad

Yet the idea of husband and wife spending vacations away from one another is not a good prescription for a happy marriage. Spending leisure apart is placed at the head of the list of causes of divorce, by some authorities. Then, too, think how much fun you would miss because a husband and wife who are congenial have such good times on trips and vacations.

Of course if a husband and wife are absolutely incompatible and cannot have pleasant times together, it's a shame to ruin a vacation for both of them. Separate vacations may make the home waters smoother for them because of the separation.

While the children deserve some trips with the parents, the parents also should have some trips alone if the children can be arranged for. No matter how much you love them, travel with children is hectic and married couples merit some carefree, gay times alone.

It seems that the best thing to do is to vary the vacation from year to year so that you do not go to the same place and with the same family group each year, year after year.

For a few days now I will be writing about vacations. If you are going camping this summer and would like to have my leaflet "Tricks in Camping" send a stamped, self-addressed envelope with your request for leaflet No. 69 to Josephine Lowman in care of this newspaper.

Tomorrow: "Plan Carefully to Make Vacation More Enjoyable."

Choose Style And Colors For Bridal Party Early

Plan far enough in advance with your bridal party on the color scheme for your wedding. This will avoid disappointments as far as first choices in style and colors are concerned.

Gloves are usually worn with short-sleeved wedding gowns in

formal affairs. The gloves, of white kid, may be wrist length or long.

Slit the ring finger seam of your glove so that you don't have to pull off the entire glove in the middle of the ceremony.

Do not apply makeup heavily. Use a light shade of lipstick and nail polish. A delicate perfume is in order.

If you wish you may carry a white prayer book bedecked with flowers instead of a bouquet.

The first dance at the reception is reserved for the groom, the next for your father, the third with your new father-in-law and then the best man. After that it is up to you.

Be sure that everyone has gathered round your table before you cut the wedding cake with your groom. You share the first slice with him as a symbol of your sharing everything together for life.

Formal invitations are in order if more than 50 guests are invited to your wedding.

Get yourself a notebook and jot down all the things you have to do. Then check off the items as you finish them. Good planning makes a good wedding.

If there is no reception following a church wedding remember to pause for congratulations at the back of the church.

Once you say "I do" you not only have changed from a single girl to a married woman but you also have changed your name. Therefore don't forget to make the necessary changes in identification with banks, insurances, social security, motor vehicle bureau (driver's license) and election board.

The wedding day will be a busy one for you — so get to bed early and make sure you get a good night's rest.

Rev. C. B. Jones New Pastor At Fairbanks Church

Rev. C. Bullard Jones, former pastor of the Wallace Ridge Baptist church of Jonesville, has accepted and recently moved on the field, as pastor of the Fairbanks Baptist church.

Rev. Jones is a graduate of Louisiana college in Pineville, and a 1956 graduate of the New Orleans Seminary.

Rev. Jones and his family were welcomed in Fairbanks with a pantry shower and the parsonage was renovated inside before they moved on the field, May 15.

Mrs. Jones is also a graduate of Louisiana College and attended the New Orleans Seminary. Before moving to Fairbanks, she was the Ouachita Associational Musical Director. Rev. and Mrs. Jones have 2 sons, Ricky, and Dennis.

Starting June 4, Bro. Jones will conduct a ten-day Vacation Bible School with graduation exercises, Wednesday night, June 13. From June 17, through June 24, Bro. Jones will lead a revival at the church with Bro. Larry Kennedy, a student of Louisiana College as the guest music director. A hearty welcome is extended to the public to attend.

SHOP WITH A PLAN

When shopping for items of furniture for your new home, be sure to carry your floor plan and room dimensions with you. This will aid both you and the salesman in selecting the proper size and design to fit your particular rooms.

LET'S EXPLORE YOUR MIND

By ALBERT EDWARD WIGGAM, D. Sc.

Reg. U. S. Pat. Off.

1. CAN EVERYONE LEARN TO MAKE A GOOD PUBLIC SPEECH? YES ☐ NO ☐ 6-2

Answer To Question No. 1

1. Dale Carnegie said that anyone can become a good public speaker if he will take the trouble to prepare. A few of his rules are: Don't be afraid you'll faint — you won't. Practice on the dog, cat, or your wife, or on your image in the mirror. Try out arguments on your friends without their knowing it. Organize your material — don't memorize your talk. First, show something is wrong; second, show how to remedy it; third, appeal for action.

How many times this week have you won an argument — with your boss, your secretary . . . your wife? Our booklet, "How To Win An Argument," based on years of research gives you six sure - fire pinciples of putting over your point. Send 15 cents (coin only) and stamped, self - addressed envelope (name city, and state) to Dr. A. E. Wiggam, c-o your newspaper.

Most People like themselves.

True ——— False ———

2. False. Just listen to any group talking and you will hear dozens of remarks like, "Oh, I've always wished I could do that," or, "I wish I had her personality," or, "I just have no talent for that sort of thing," and so on. Even boasting indicates a person doesn't like himself, but wants you to. He takes this method of exaggerating his qualities and importance. Whenever you think of something bad about yourself try to remember something good you did at least once in your life. You will soon find you're a pretty likeable person after all.

Is it possible to make a successful marriage without continual compromise?

Your opinion ———

3. Utterly impossible. All human relations have to be carried on by compromise. Two studies of marriage, one of nearly 1,000 couples, the other over 500, showed that only those who settle problems and differences by the 50-50, give-and-take method were in the very happy group. Th rest either got along just so-so, or were utterly miserable. These studies showed that even differences of religion did not cause unhappiness, if each was tolerant and understanding of the other's views and religious habits.

GROOM GOES FORMAL

For a formal evening wedding the groom wears a full-dress evening tail coat with trousers to match. He also wears a white waistcoat, while stiff shirt with wing collar. His bow is white and handkerchief white. A black opera hat and white gloves complete the attire.

Oleanders Now In Full Bloom

The oleanders are so beautiful I know you're saying to yourself now that you'll put out several plants next winter. Cut the blooms and enjoy them, cutting long stems. This will prune your plant and now is the time to do that. When you cut the blossoms, plunge them in water up to their necks for ten or twelve hours. Otherwise they'll wither in your arrangement.

Mrs. Hair, 700 Glenmar, says she will give pink oleander cuttings to anybody calling for them. They root easily, I've seen them rooted in water.

Many of your plants are beginning now to set buds for next year's bloom. If their roots get dry this will interfere with the bloom-making process. Water thoroughly, not too often. Miss Winona Chauffe, our Garden Specialist ,says to keep the water off the foliage to help control leaf spot. This disease has already started. Dusting sulphur is good, but put it on when the plant is dry. You can use 10 percent Dithane Z. 78.

Now is the time to cut back the poinsettia to within a foot of the ground. Give the cuttings to somebody who would like to start plants.

Remember if you pinch back your annuals and perennials, they'll not get so leggy and fall over in the beds. A little fertilizer sprinkled around these plants and soaked in will keep them blooming. Cutting old blooms induces new flowers, too.

You can fertilize shrubs and trees for the second time now. Also the lawn. Where you have lots of shade this second fertilization is really necessary. Tree roots use so much food and the smaller trees, shrubs and lawn suffer.

In a recent magazine article suggestions were given to help plants take the hot weather. These recommendations are: Feed shrubs now to encourage good root growth, watering immediately after; water regularly when the top four or five inches of soil dries out; mulch with whatever material is available locally.

Another article in the same magazine showed a sixty foot lot and how it could be treated. The back was all surfaced with brick or cement. Few shrubs were used. There was only one small patch of lawn in the front. Husband would love that! Of course, hard surfacing is expensive, but so is up-keep on lawns when you count the cost of fertilizer, labor and water over a period of years.

Food News

Milk and dairy products headline the plentiful food for June. That excellent team —beef and onions— also is due to be plentiful in June. That means there'll be steaks for outdoor cooking, because the higher grades of beef will be in good supply. Pork is up in price, but still lower than last year at this time. Other foods in plentiful supply are fresh grapefruit, rice, peanuts and peanut butter, canned tuna in oil, dry beans.

In local markets home grown tomatoes are coming to the markets, not in quantities, but oh! so delicious. We're finding fresh peas, white, yellow and acorn squash, shippin-in Texas canteloups are in the luxury class as are watermelons. Eggs were lower in price last week.

Have you tried acorn squash? Tastes a lot like sweet potato. Just cut in half, brush with butter or margarine and brown sugar. Bake in a 350 degree oven until done. Excellent with plentiful beef roast.

Try stretching the milk dollar by using canned and dried milk for cooking. Here are some suggestions for enticing the children to drink more milk and get in some extra food values too.

(1) Use strained baby foods, such as apricots or prunes and mix with the glass of milk.

(2) Put two tablespoons of strawberry preserves in the glass of milk and stir.

(3) Mash ripe banana to a pulp. Mix with cold milk.

(4) Mix equal parts of grape juice and milk.

(5) Let two sticks of peppermint candy dissolve in a glass of cold milk.

(6) Add one tablespoon of maple flavored syrup to a glass of milk.

Notice in all cases cold milk was used. Many a child dislikes this nourishing food because it has been served lukewarm. Often chilling the glass in the refrigerator will make the milk more palatable to them. Hou lucky mothers whose children like milk have none of these problems.

Summer Highlights

A barometer reading "fair, steady, clear" could also serve as a forecast of summer fashions. The summer collections are fair, they include steadily continuing trends, and clear promise ahead is indicated that women are going to accept these styles. Essentially the continuing trends are the one-piece look, the beach ensemble (including a cover-up) oriental effects in colorings and prints; sheaths with madarin necklines, hem slashes, frog detailing. There are shirtwaists, step-ins and coat dresses.

Cotton fabrics have surged ahead in summer importance. Cottons are used in every type dress — town, morning, sun, spectator and after five. These materials have an expensive look about them. A silk look, metallic threads, embroidered, beaded and sequined. Sheer cottons are in for another summer whirl, dotted swiss, solid printed, even paids. The dark look is good. Also cottons rate importantly for the all-white look, as do sheers such as batiste, lawn, dimity and voile. The most beautiful dress I saw in New York was white cotton voile with a lace yoke dotted with sequins. And — it was really expensive — something you could make easily.

Short shorts have gained in style imporatnce, while Bermuda and Jamaica styles carry on. Many shorts are cut without waistbands, darted at top for snug fit. New in tops for either shorts or long trousers is the brief, cropped, usually sleeveless, box. Some reach to the waist; others are shorter, showing some midriff. They can button front or back, or not at all —just slip over the head.

Announcements

Your Open House shows for next week are as follows: Monday Bess Bain, from Concordia Parish, will show us "Fabrics and Finishes". Tuesday, Betty Sue Rockett, from Caldwell Parish, will give us "Standards in Household Linens", Wednesday, Mary Margaret will bring the three flower arrangement winners, and we'll do some gardening; Thursday, TBA and Friday, marketing and food preparation day with Mildren and Mammy. See you next Sunday.

SUN AND SAND GARDEN CLUB EXHIBITS AT GARDEN CENTER—From left to right Mrs. H. A. Malone and Mrs. C. H. Bird combined talents in creating the line mass arrangement of escarole stems, shasta daisies and yellow calendulas. Mrs. Melton Pickett's arrangement of pale yellow hollyhocks and furled banana leaves in a free form ceramic bowl which Mrs. Pickett made herself. Mrs. Alton Calhoun's triangular line mass arrangement was awarded first place. Canna leaves, yellow snapdragons and shasta daisies.

Sun And Sand Garden Club Has Flower Show

The Sun and Sand Garden Club of the Twin Cities presented a blue ribbon flower show at the Garden Center this week. Congratulations are in order to these club members for winning blue ribbons as this is the first time they have exhibited in a flower show.

Mrs. Alton Calhoun was awarded first place in the arrangement section. For a container Mrs. Calhoun used a rectangular black bowl in which she designed a triangular mass arrangement. Canna leaves were used in the background giving depth and solidity. Yellow snapdragons and shasta daisies filled in the triangular line. Low in the arrangement green and white coleus was used unifying the design and container.

Second place award went to Mrs. C. H. Bird and Mrs. H. A. Malone. A free form brown bowl was used for the triangular design. The pattern was outlined with seed stalks of escarole which are most interesting in form. Shasta daisies strenghtened the line and yellow calendulas were massed in the focal area. This arrangement was characterized by the unusual handling of the materials.

Third place award was given to Mrs. Melton Pickett. A beautiful free-form ceramic bowl in brown (which Mrs. Pickett designed herself) held the line arrangement of furled banana leaves and double hollyhocks of pale yellow. The color and texture of these flowers is very lovely.

In the horticulture class. Blue ribbons were awarded to Mrs. H. A. Malone for cornflowers, and Mrs. C. H. Bird for Gardenia and white rose.

The Garden Center has just received a wonderful gift from Mrs. Fred R. Hayton. It is P. J. Van Melle's book "Shrubs and Trees for the Small Place". This is a welcome addition to our library. Also just received is the Hemerocallis Journal, 1956 Yearbook issue, for your reading pleasure.

Have you been out to visit the Daylily test plot at Northeast College yet? And have you noticed the daylily and nandina plantings outside Hasley Cemetery in West Monroe? These were planted by members of the Green Thumb Gardens Club of the Twin Cities.

Next week members of the Dixieland Daylily and Iris Society will exhibit at the Garden Center. Drop in for a visit.

Crowville Baptists To Have Homecoming

The Crowville Baptist church is having its annual homecoming today.

There will be Sunday school at 9:45 a.m., Preaching at 11 a.m. and lunch will be served at noon.

At 2:30 p.m two deacons will be ordained. They will be Luther Lanier and Myles McDuffie.

Different Ways To Feed Plants

After plants make their first great burst of growth in the Spring, they will slow down and grow in proportion to the amount of food they are getting. If you wish to keep your trees and shrubs growing, now is the time to give them a good feeding. A shrub as high as your knee and a foot or two through will greatly benefit from a big handful of complete fertilizer. First water your shrub thoroughly with the nozzle off. Then stir the fertilizer into a canful of water and pour it around the bush. All of the fertilizer will not dissolve, but you can scatter it around the bush and then spread it with more water from the hoze.

If your trees have not been fed, you can feed them now by the hole punch method. If they were fed earlier, an extra watering will boost them. Lay a sack or a board on the ground and let the water run full force from the hose with the nozzle off for a few minutes. Move around over the area so as to get even distirbution. If you do not have time to attend to this operation, a soak hose is the answer because you can go away and leave it to run slowly.

New plantings of shrubs will greatly benefit from a deep mulch spread over the planted area. It will save watering, keep down weeds until they are shaded out by the shrubs and keep the ground cool in summer. Almost anything will do for this mulch— even old newspaper with a little soil over them to hide them. When the mulch rots, it adds humus to the soil.

Waterlilies and the plants you grow in your pool usually refuse to bloom unless you take them up and replant them in new soil after two seasons. If you have failed to take them up, there is one way to feed them that is usually effective. Mix together equal quantities of soil and bone meal. The soil has to have enough clay in it so that it will stick together in a ball. Sandy soil will not do. Add enough water to make your mixture stick together in balls about the size of tennis balls.

After your bone meal and mud balls have dried out and hardened for a few days, you can drop two of them down through the water right near the crown of each lily plant. In time, the mud balls will spread out and nourish the lilies without clouding the water in the pool. Feed the plants under the water around the edges of the pool the same way. There is not much nitrogen in bone meal, so you will hardly overdo the feeding.

The usual mistake with lilies lies in planting too many to a pool. If your waterlilies cover the whole surface, you can remove one third of the leaves. Ordinarily, this does not prevent the lilies from flowering.

The acutal bidding:

South, 1 spade; West, Pass; North, 1 no trump; East, Pass. South, 2 spades, West, Pass; North, Pass, East, Pass.

Opening lead: King of hearts.

There is current the impression among a large body of bridge players that the possession of a five card suit must be telegraphed promptly and in no uncertain terms to partner. A good five card suit may be rebid if it suits your convenience, but there is no compulsion about it.

More often than not, the fact that you are in possession of a five card suit is the least important bit of information about your hand, and may, therefore, be subordinated to more vital features. The five card suit may be suppressed for various reasons. A simple rebid in the same suit by the opener is not an encouraging call and where it is desired to urge partner on to further action, some other rebid must be chosen. Remember, it is much more important to describe your hand as a whole than it is to describe your suit.

Another occasion where a rebiddable suit may be neglected in favor of a weaker suit is when an effort is being made to park the hand safely, and no convenient place has as yet been found. Today's hand is an example. South opened with one spade and when partner responded with one no trump, influenced by possession of doubletons in the two other suits, he determined not to stand for the no trump contract. The choice of his rebid, however, was not sound. He elected to show his five card suit and the contract was set 200 points in routine fashion.

Assuming that a rebid is in order, the only proper call is two clubs. If it should turn out the hand belongs in spades, partner can still return to that suit, and if North happens to be short in spades and long in clubs, so much the better. Nine tricks in clubs could have been delivered without the slightest effort.

Where a choice of two bids is open to you in late rounds of the auction, more likely than not the cheaper of the two is the better selection for it permits partner to return to the higher and affords you two chances instead of one.

Record Review

Concert Music

Looking back over the new records for the last year or so, you could well ask what ever happened to Johannes Brahms? There's no need to ask now. A new, brilliant and fully realized recording of "A German Requiem" is at hand (Decca-DX-136).

After hearing this performance, you have a sense of having heard it for the first time—or at least, of not having fully appreciated its import and its beauties before. Maria Stader's singing is almost personal in its power, which is not to diminish the contribution of baritone Otto Wiener. The orchestra was the Berlin Philharmonic, Fritz Lehmann conducting; the choir was that of St. Hedwig's Cathedral and a smaller group.

Also in the field of great interpretative singing is "The Art of Aksel Schiotz" which displays the Danish tenor through a repertoire of Buxtehude, Bach, Haydn, Handel, and Mozart (RCA Victor-LM-1972).

In the field of wonderment is a recording of the performance Beniamino Gigli gave in Carnegie Hall in April 1955, at the age of 65! From what you hear, you can't believe the age of the singer, which makes it seem all the more a pity that so few of his wonderful recordings of the 1920's have been reissued, but then RCA Victor has been much too busy re-issuing Caruso (RCA Victor-LM1972).

Your admiration for the American "boy wonder" conductor, Thomas Schippers, is bound to be enhanced even further when you hear him conducting the Scarlatti Orchestra of Naples through music of the old Italian masters, Vivaldi, Salieri, and Durante. The orchestra, of course, could play this music flawlessly with a robot on the podium; yet you hear Schippers in the aura of exuberant discovery which hangs over all. You understand that youth has discovered old beauties (Angel-35335).

For summer listening—especially outdoors—few things could be more pleasurable than a collection of Spanish fiesta music played by the Hollywood Bowl Symphony, Carmen Dragon conducting. To be sure, the composers of the short bits were mainly non- Spanish (Massenet, Bizet, Glinka, Delibes, and even the Australian, Benjamin) but this is the music we think of as Spanish or Latin, and it is played with dash and excitement in what we think of as Spanish or Latin style (Capitol-P8335).

And as the summer night grows older, a record to follow that one with is "Serenade for Strings" made up of what the record jacket says are "the world's best-loved melodies," and played with most musicianly polish by the Boyd Neel Orchestra Epic-LC3228).

CAMERA NEWS

ON ICE—That's a hand holding a freshly caught fish. The rest of the fisherman is under the frozen lake. It's the final photo in a stunt picture series by Robert Halmi. They wore arctic survival suits under rubber diving suits to make the pictures.

Unusual Pictures

Robert Halmi is a capable, successful photojournalist in his early thirties. He dreams up his own assignments and girdles the globe to carry them out — yet I wouldn't step into his shoes and sight through his viewfinder for anything.

His camera missions are too darn dangerous!

Who wants to be dynamited, set afire, pushed out of a plane, submerged under an icy lake, rushed by a lion or spend a week in an unexplored cave? I don't but Halmi does — and has hair-raising picture stories to relive each exciting experience.

There you have Halmi's gimmick, a formula for his brand of photo fame and financial success. He figures out stunts that are too dangerous or haven't been photographed before as a complete series and offers the ideas to magazine editors. Invariably he is challenged to complete the assignment and bring in picture proof. So far he hasn't failed.

"I had to do it that way," he told me, "in order to survive at all in competitive American photography. There are so many good photographers here that I had to offer something unusual.

His life today is built around his dramatic picture ideas. Like the time he set up a camera inside an asbestos suit then remained inside a building which was set on fire. Through the helmet goggles, he was able to photograph the progress of the flames and the efforts of firemen to rescue him.

Or the time he set off a detonating charge next to him and photographed the result with an automatic camera.

One winter he and a companion chopped a hole in the ice of a frozen lake then submerged for two hours while he photographed the other loon — I mean lad — spearfishing.

In Africa he photographed a big game hunt in which bows and arrows were the principal weapons instead of rifles. On a second safari, he hooked up a camera on a rifle and got bulls-eye views of animals charging.

If you want some new ideas, here are several that are in the blueprint stage and you may beat Halmi to them if you hustle.

Very shortly he will follow a novice through parachute training. When he makes his first jump, Halmi will precede him by seconds, close enough to record his expressions on the way down with a telephoto lens on his Leica camera.

Next he plans to do some balloon hopping with camera. This is an old French sport that was banned as too dangerous. He will be tied to a large balloon which is inflated enough to equal his weight. Then when he takes a hop, he can glide 20 to 30 yards or soar over a small tree or house if the winds are right. But if the winds are rough, you can slam into an immovable object, he pointed out.

For a foreign assignment, he has his eyes on Bolivia. Stories persist of a cave on a 10,000-foot-high mountain filled with thousands of vampire bats. It also contains, legend has it, a hidden treasure of Inca gold. Several explorers have died in the course of investigating the tale. It'll make a good picture story with or without the gold, Halmi thinks.

'I'm very happy," he concluded, "that editors are willing to pay me for what I like to do. If they wanted me to make portraits or shoot fashions, I'd be a failure because I hate to do that type of photography.

"My advise to amateurs is to analyze themselves and determine what they like. If they photograph what they like, they'll be happy and most successful at the same time."

JOHN HERSEY

A single pebble. By John Hersey, Knopf.

Some 30 years ago a young American engineer is sent to see whether a dam may be built on the Yangtse, according to this welcome new novel by an author who spent his first 10 years in China.

From Ichang on to Wanhsien there are spectacular gorges and rapids, and dangerous rocks. The engineer takes passage on an old junk, with the owner Old Big, his attractive wife Su-ling ,the cook, the helmsmen, the head tracker Old Pebble.

Old Pebble is content merely to cheer on his team, and can imagine no other future. Su-ling is horrified at any move to change the river on which junks like theirs have traveled hundreds of years. The American wonders how he dares question ancient ways, and is embarrassed to compare to his own youthful ambitions the contentment of these beasts of burden with their philosophical resignation. Or is it only an air of resignation? For as real dangers confront them, they try to propitiate the gods, though not with a modern dam; they reveal pettinesses; they are not so contented but what they cheat; and their own countrymen observe crudities which the American ignored.

This is a novel about a man and woman who miss out on a love affair, about hands-across-the-sea that are not clasped in friendship, about gestures of affection which fade into cool, stony acquaintance. Hersey is neither cynical nor disillusioned, he merely exmines the picturesque and finds it wanting. A young American for all his good intentions and a heart in the right place does not let the wool be pulled over his eyes — nor do his Chinese opposites. A wonderful, tentative, undecided note is sounded in this penetrating novel; here is the unsureness of our unsure world.

W. G. Rogers

Snake hunter George Gobel impresses card shark Mitzi Gaynor with his latest trophy in scene from "The Birds and Bees," VistaVision Technicolor comedy arriving today at the Paramount Theater. The television comedian's first film also stars David Niven and Reginald Gardiner.

'Birds And Bees' Shows Unique Gobel Talents

Television comic George Gobel's unique talents will be presented to movie audiences for the first time when "The Birds and the Bees" opens today at the Paramount Theatre. A comedy with music, the lavishly produced Vista Vision, Technicolor film stars Gobel, one of Video's most popular performers, Mitzi Gaynor, David Niven, Reginald Gardiner and Fred Clark.

Made to order for Lonesome George's whimsical personality, the story had him as a millionaire hot dog king's bashful son, whose main interest in life is snake hunting. George spends so much of his time in the wilds of the Congo that he's backward with girls, and when he meets dazzling Mitzi Gaynor on the way home from one of his trips, he's thrown for a loss. What he doesn't know is that Mitzi, her father, Niven, and Gardiner are card sharks, and he's their target for the trip.

The scheme to fleece him hits a snag, however, when Mitzi falls for his shy and naive manner. Trying to be worthy of him, she decides to go straight and has to use all her wiles to protect him from her own father, who is unwilling to let a good thing get away. Complications pile up as George discovers her background before she can get around to telling him, and the romance goes on the rocks. Judging by previewers' reports, unraveling the mix-up results in some very funny goings-on.

Cast alone is a promise of terrific entertainment in "The Birds and the Bees." In addition to Gobel and his card shark companions, movie and television top-notcher Fred Clark is starred. He plays George's sausage-king father and can be counted on always for a fine performance. Harry Bellaver is featured as George's oafish valet, and Hans Conried portrays a con man of great polish. It's a wonderful cast.

"The Birds and the Bees" is a first for Mitzi Gaynor as well as for Gobel. It's the skyrocketing dancing star's first straight role. Considered the hottest talent in film musicals today, her singing and dancing don't get a complete go-by, however. She and George collaborate on two numbers.

Rock City

Many cities claim to be the "center" of an area, but few are so near to scenes of history and natural beauty as Chattanooga. Situated in eastern Tennessee, at the juncture of six federal highways, it in truly "the scenic center of the South". It is at the foot of historic Lookout and Signal Mountains, near Missionary Ridge of Civil War fame. It is the southern gateway to The Great Smoky Moutains National Park, and less than three miles from Rock City, where centuries of erosion and age-old crinklings of the earth's crust have created a natural city of rock on top of Lookout Mountain. Rock City, with many wild flowers, native trees and shrubs, is beautiful at any season of the year. Here the Enchanted Trail leads over terrain so ruggedly magnificent and beside views so breathtaking that camera fans never have enough film. Among its other attractions, Rock City has a traditional Lover's Leap, but this one is most unusual: from it, on clear days, may be seen parts of seven states — Tennessee, Georgia, Kentucky, Virginia and Alabama, North and South Carolina.

Five Explorer Scouts Will Go To Conference

Five Explorer Scouts of the Ouachita Valley Council will attend the "Citizens Now" Conference to be held at the University of Mississippi June 7-9, it was announced yesterday.

The five are Johnny Tettleton and Tommy Malone, both of Farmerville, and Karey Prewitt, Pat Williams and Tommy Caldwell, all of Monroe.

Also attending from the Ouachita Valley Council will be District Executive Charles Horne and adult leaders W. W. Stevens, and J. W. Walters.

Upon returning from the regional conference, the Ouachita Valley Council group will form the steering committee for the Council's own "Citizens Now" conference.

The purpose of these conferences are listed as follows:

"To demonstrate to Explorers that they are participating members of their home and their community today and that the privileges and obligations they have now are as real and as important as they will be when they become adults; to give Explorers the opportunity to meet and listen to outstanding leaders in business, education, religious and social fields; and to bring about a public awareness of the importance of the Explorer program and at the same time, to help Explorers realize they are part of a big and purposeful movement."

Twin Bill Horror Slated At Delta

Not since "Dracula" and "Frankenstein" broke all boxoffice horror records has the screen offered a combination such as ARC's "Day the World Ended" and "Phantom from 10,000 Leagues."

Two monsters more terrifying than anything ever seen before, with strong science - fiction stories packed with action, and popular stars, make this a top attraction.

They start here Tuesday at the Delta Theatre.

Richard Denning, Lori Nelson and Adele Jergens star in "Day the World Ended," filmed in superscope, story of the only seven survivors after the world is destroyed by atomic elements.

Kent Taylor, Cathy Downs and Michael Whalen top the cast of "Phantom from 10,000 Leagues" is about a strange monster lurking beneath the sea.

TV Notes

Five top eastern football games have been added to NBC's fall schedule as follows: Sept. 29 — Colgate vs. Cornell; Oct. 13—Penn State vs. Holy Cross; Oct. 20 — Syracuse vs. Army; Nov. 3—Navy vs. Notre Dame; Nov. 17—Yale vs. Princeton. These will be seen only along the eastern seaboard.

Mickey Rooney has turned TV producer in association with Screen Gems. He will supervise 39 half-hour films of a series entitled "Calamity Jane," after the fabled western heroine of frontier days. Shooting starts in Hollywood on July 1. Mickey will not appear in the films. Title role not yet cast.

The success this season of the CBS series, "Robin Hood," seems to have turned others to the days of chivalry in England. NBC has signed to present a series entitled "The Adventures of Sir Lancelot" to be seen three Monday evenings out of four beginning at 8 p.m. on Sept. 24. Thhse, like the "Robin Hood" films, will be made in Britain, and it is to be hoped they will be as good.

The final holes of the 15th annual Palm Beach Golf Tqurnament will be telecast from 4 to 5:30 p.m. June 10 by NBC.

ABC's "Masquerade Party" moves to the 10 p.m. spot Saturdays beginning June 30.

Robert Young of Screen Gems' "Father Knows Best" was named Television Father of the Year by the National Father's Day committee.

Laurie Carroll, the brunette vocalist on Johnny Carson's new CBS afternoon show, comes from Cambridge, Mass., won an Arthur Godfrey "Talent Scouts" award and played a leading role in "Plain and Fancy" on Broadway.

Snooky Lanson of "Your Hit Parade" was born in Memphis, Tenn., on March 29, 1919. Married a Nashville girl in 1944. They live in Harts dale, N. Y., with their three children.

June 5 marks the first birthday of CBS' "The $64,000 Question." It paid out $648,608 in cash and awarded 10 automobiles as consolation prizes. Only four persons won the top prize.

Art Linkletter's absence from his "House Party" program on CBS is for five weeks, while he and his wife tour Europe. He'll be back on the show June 25.

STAMPS

Austria has issued a new 2.40 schilling blue stamp to commemorate the "Fifth World Power Conference" to be held in Vienna from June 17 to 23. The design features a world globe on which a bow, symbolizing a meridian, is superimposed. Arrows of different lengths shoot out from the center of the globe indicating the energies available on earth.

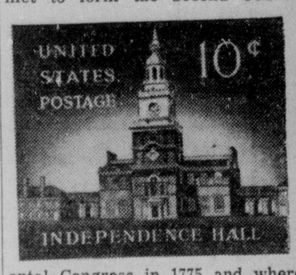
Postmaster General Arthur E. Summerfield has announced that effective June 1 there will be a flat charge of 50 cents for registration on each order (regardless of value) of stamps purchased from the Philatelic Agency in Washington, D.C. Stamped envelopes, postal cards and souvenir sheets will be counted as stamps in figuring the rate.

Additional charges will be as follows: 5 cents for postage and handling orders from 1 to 100 stamps, 10 cents — 101 to 300, 15 cents — 301 to 700, 20 cents — 701 to 1000, 30 cents — 1001 to 2000, 40 cents — 2001 to 3000, 50 cents — 3001 to 4000, 60 cents — 4001 to 5000 and 75 cents for over 5000.

Independence Hall, where the Declaration of Independence was signed on July- 4, 1776, appears majestically on the newest U.S. 10 cent stamp to be issued appropriately this July 4.

This stamp will be the 18th and final in the new regular series and will be placed on first day sale in Philadelphia on Independence Day.

Independence Hall is not only the site of the famed signing of the Declaration of Independence but also where American patriots met to form the Second Continental Congress in 1775 and where George Washington was chosen Commander in Chief of the Continental Army.



The Liberty Bell also is housed in this historical building.

The central design of the new 10-center features Independence Hall reproduced from a drawing by an artist in the Bureau of Engraving and Printing. The view shows the south side of the building as seen from Independence Square.

Stamps collectors desiring first day cancellations may send their addressed envelopes to the Postmaster, Philadelphia, with money order remittance to cover the cost of the stamps to be affixed. The outside envelope to the postmaster should be endorsed "First Day Covers."

How To Check Overall Cost Of Weddings

Wedding costs, like the wedding themselves, have changed little in recent years.

So reports George N. Horwich, an expert who totes up such figures every day.

Horwich, who heads a consultant service called Weddings, Inc., Chicago, says there have been increases and decreases in items such as flowers but the over-all totals have held steady for three or four years.

He plied pencil on his printed estimate sheets and calculated the costs of three kinds of weddings—small, medium and big — in Chicago. ("Every city and town has local variations," he observed.)

In each of the three, the ceremony is held in a church. The guests of the first one then go to a hall for refreshments. In the second the guests to to a hotel in a residential area for beverages and buffet lunch. In the third they ride to a fashionable downtown hotel for dinner and all the musical and decorative frills.

The cost controls are the place and type of reception, and the number of guests.

Here are this expert's average budgets:

100 GUESTS	
Hall rent	$ 50
Food table	125
Cake	20
Sweet table (candy, nuts, pastry)	25

Comfort Is The New Keynote For The Well-Dressed Groom

COOL and comfortable is this groom for his summer wedding. He wears a white silk shantung dinner jacket, tucked batiste shirt.

Gone are the days when the wedding guests spoke only of the beautiful bride. Now they're talking about the well-dressed groom, too.

So we queried the Men's Fashion Authority, an organization of 26 top manufacturer's of men's wear, on what the handsome American groom is wearing now.

The experts emphasized that correct attire is no longer synonomous with discomfort. Such old instruments of torture as the hot, heavy dress suit, the stiff-as-a-board shirt and the throat-cutting collar are as dead as the dodo.

Instead, wedding clothes of the lightest fabrics — feather-weight wools, tropical worsteds and silk shantung are the vogue. This gives the groom a chance to express a bit of individuality.

Some Deciding Factors

Of course the bride and groom together decide on the degree of formality. This plus the time of day determines the type of wedding clothing to be worn.

The groom in his cut-away, ascot and striped trousers is still the correct formal picture afternoon church weddings. The strictly formal evening wedding calls for a full dress suit — white tie and tails.

Less formal, but perhaps the most popular of all suits for evening weddings, is the tuxedo. And here's where the groom has an opportunity to make a smart investment in his future wardrobe. He can buy a new tuxedo, and, if at the same time he purchases a white dinner jacket he will have a magnificent attire to escort his lovely wife for years to come — winter and summer.

The tuxedo may be black or midnight blue. The jacket may have a shawl collar or peaked lapels.

Comfortable new dress shirts have emancipated the groom from the hothouse department. Today it is perfectly proper to wear a turndown collar not only with tuxedo but even with a full dress suit.

Some Shirts Are Blue

Some of the shirts available today, might be considered quite revolutionary. A silky sheer broadcloth number features a bosom-front of eyelet embroidered batiste. Others have half pleats and tiny stitched tucks. And still others are being made of pale blue fabrics.

In cummerbunds, however, the bridegroom should stick to the traditional black with black tuxedo and blue with midnight blue tuxedo.

The perfect shoes for full dress are pumps. Many men prefer an oxford and this is acceptable.

A full dress suit still calls for a top hat but the man who wears a tuxedo may don a lightweight black felt hat.

If the tone of the wedding is simplicity and the ceremony is either morning or afternoon —and the bride is wearing an afternoon dress — the groom may wear a navy blue suit, white shirt and a navy four-in-hand tie.
